I am being electronically stalked by an individual going by the name of Shannon Howe. This person has been sending me frightening and intimidating messages to my PAC and personal email addresses. The most recent contact was 02-28-22. Shannon emailed me and said, "Enjoying Marathon's cock sliding deep down your throat, Russ? You won't win, as with every frivolous lawsuit you file."

Shannon is referencing a lawsuit I am in with a production company. It is believed Shannon is from a hate site called Kiwi Farms, which has been stalking me for years.

This message from Shannon proves that Shannon is stalking me because Marathon Productions, defendant in lawsuit im in in federal court, filed a reply on 2-28-22 at 2:28

This message intimidated me and was the second contact Shannon made to me

All the best, Taylor Swift."

This email was intimidating me because it was sent to my PAC to intimidate and harass me. As you can see, Shannon signed the email as Taylor Swift. She is referring to an outdated situation that she has completely twisted. Shannon's sole purpose, as can be seen in the email, is to frighten me and intimidate me from running my PAC.

7 As stated, it is believed Shannon is on a hate site called Kiwi Farms, which is an infamous hate site
8 infamous for stalking people. They target certain individuals and latch onto them. I know Shannon is from
said site because said site is tracking that lawsuit that im in.

9 For Shannon to have sent me that rather crass, disgusting and frightening email on 2-28-22, she would
10 have had to see that Fremantle filed a reply on 2-28-22 at 2:18 PM and then read the reply and then
emailed at 6 PM.

11 Her message also served no political purpose, as she sent it to my political action committee's email.
12 Rather, as will be seen in the second contact, her purpose in emailing me is to frighten, harass and
intimidate me. I felt harassed by her email because it only proves that she is stalking me and watching my
13 every move because as stated, she would have had to have been actively aware of the case filing for her
to send me that response.

Support & donat...

I too was a victim of cyber bullying. Once I was stalked online by a weirdo from Nevada, who constantly harassed me said awful things. He even went as far as finding out my family's private details to harass them!

Furthermore, he proceeds to hound many other women across many platforms - will he ever stop?!

Hopefully tougher cyberbullying laws will put this creep in jail.

All the best,

Taylor Swift
