thoughtful of your son's future, but be mindful of what you write to them, because when you tell them to "look at there kids", it could be taken the wrong way. Like in a threatening way.

It is a f [redacted] threat from the bottom of my heart, they killed me. I'm still alive Chris. Think about that hard as f [redacted]

Tell them to re look at there children

They have killed me and I am back with 100 percentage of *

Knoxville has to keep his dick in his f [redacted] pants before a motorcycle lands on it
