FILED
CRIMINAL COURT RECORDS

F.S. 903.286 requires the Clerk of the Court to withhold from the return of a cash bond posted on behalf of a criminal defendant by a person other than a bail bond agent, sufficient funds to pay any unpaid court fees, court costs, and criminal penalties.

This means that if the defendant for whom you are posting bond owes costs and penalties, those fees will be taken out of the bond money you have posted. You may receive only a portion or none of the posted bond money back even though the defendant makes all timely required court appearances.

However, if the defendant fails to appear at the time, date and place required, the bond money will be forfeited.
