Hi Jamie,

Happy County Friday.

What used to be called outcall entertainment in the old Title 30 is now called an escort bureau in the updated Title 30; although the NAICS code is still outcall promoter for Business License.

Escort Bureau

A commercial service that, for a fee, commission, profit, payment, or other monetary consideration, furnishes, refers or offers to furnish or refer escorts, or provides or offers to introduce patrons to escorts in accordance with the restrictions listed in Chapter 8.32 of the Clark County Code.

Hi Chandra,

Drew asked me to reach out regarding the email below to see if zoning would or could even approve a location for an “escort bureau”. I’ve only known the outcall promoter license and I know with that there are certain requirements that must be met with zoning for their business location.

Any insight from you is appreciated!!!

Thank you!!!

Jamie

Subject: Clark County Code 8.32 License Question

Good evening,

I have an LLC that is wanting to set up an escort bureau, per Clark County Code 8.32. I don’t see a business license application on your website for escort bureaus. I see an outcall promoter application, but that’s under a different code (CCC 6.140) and falls under general licensing and is limited to outcall hotel visits.

CCC 8.32 considers an escort service license a privilege license, hence why I write to your division.

Would you be able to provide me with said application for an escort bureau?

Thanks,
Russell
