Re: *Flynn v. Stewartson, et al.*
Case No.: 2023-CA-004264 NC

Dear Judge Carroll:

After we sent our letter of yesterday's date to the Court, the Florida Supreme Court issued its order denying jurisdiction in the above referenced matter (DIN 164). We wanted to bring that order to the Court's attention. We look forward to addressing these issues with the Court at the hearing on Tuesday, April 8, 2025 at 10:30 a.m.

Thank you for your consideration of this matter.

Respectfully,

/s/ Leonard M. Collins
