Thanks John. Appreciate the update and glad to hear things continue to go well. At this point, I think we are probably in the wait and see camp and we would love to revisit for the next fund.

Thanks
Todd

Brett, Todd and Will,

Happy New Year from the RSTP Team! Lots of good news to share as RSTP finished an active 2014 by leading the first institutional investment round in Metabiota, a profitable software and services company that is the world leader in capturing, analyzing, preventing and insuring against microbial threats. Attached is recent Metabiota press from Wall Street Journal: <http://www.rstp.com/nathan-wolfe-hunt-new-viruses/>

More portfolio company news with Counsyl, a company completely disrupting the Lab Testing market through software and robotics, had a record year with both number of completed tests and revenue. They are on target and now in the process of preparing for an IPO. Attached is recent Counsyl press from the Wall Street Journal:<http://www.rstp.com/counsyl-new-genetic-tests/><<http://www.rstp.com/counsyl-new-genetic-tests/>>

RSTP will hold rolling closings in the coming months as we move toward our final June closing of RSTP II, LP. We will be calling to schedule a time to follow up with you to discuss our portfolio, pipeline and a partnership between our firms over dinner or a meeting. Attached is our updated RSTP Overview Presentation.

Best regards,

The RSTP Team
