Subject: Goldman

Had a great update call with Julia yesterday. She said her NY team was very impressed with us and they are looking for pockets of capital with which they could come into the fund. She agreed with me it is not a matter of "if" but "when" they come in. They could come in when we do out next deal (she specifically mentioned the larger investment in Metabiota). Super positive and awesome GS is so supportive. Best, John Sent from my iPhone
