Hunter is in DC. He has a few things scheduled, but happy to help set something up. How about 2PM on the 2nd?

Nathan, Robert, Joe,

Please see the attached draft narrative for the deck. I made some modifications to Nathan's initial draft. It still needs some fine tuning but should be a good basis for Joe to begin work on the slides.

Nathan, what is HVF? I did not understand that reference.

Robert, we need the government pipeline and sales projections (government plus new business assuming a \$25 million round) for this presentation as well.

I also added an intellectual property slide. Are there any patents or specific trade art you have developed through the non-dilutive grant financing we can insert here?

Best,

John
