I was referred to your department by the Pensacola Police Department since the subject lives in your jurisdiction.			

Report Date / Time 1/30/2018 7:38:00 AM	Report Number ECSO18OFF003224 (1)	Report Case/CAD Number ECSO18OFF003224 /	Reporting Officer Rank / ID DEPUTY / 346	Reporting Officer Name CHEEKS, S.
Originating Agency ORI FL0170000	Reported to Agency Date 1/30/2018 7:38:00 AM	Occur Date Range 01/05/2017 07:31:00 - 01/28/2018 07:31:00	Jurisdiction	Status: INACTIVE Clearance:
Offense Description 78-9 TELEPHONE CALLS: OBSCENE/HARASSING E REPORT				

For the past year, I've been electronically harassed by a website (Kiwi Farms) that is being run by a man in your jurisdiction. His name is Joshua Moon. Mr. Moon has personally posted things on me onto his site. This is odd because I don't even know him. I live in Utah. He must have come across me because I have been featured on the news for various things. His site has gone from mere writing defamatory opinions about me to posting my private information, harassing my places of employment, harassing my family, sending weird boxes to my homes, impersonating people, having harassing phone calls left on my phone. I've had to change my number three times because of this. To note, my face is paralyzed and I feel he is purposely harassing me because of how I was born.

While I realize there is a federal law that gives protection to websites from content posted by third parties, it seems that he has straddled the protection of the law by actively engaging in activity on his site. He has personally posted private information on me such as posting a video I took because I was duped into thinking I was talking to a famous celebrity. I'm not sure if he was personally pretending to be the celebrity, but from what I can tell, he has encouraged and directed and orchestrated harassment against me. To be honest, I've wanted to kill myself because of this harassment.

Since all of the users hide behind aliases, Mr. Moon can be the closest one in violation of Florida harassment Law whose identity we know of, as he encourages the harassment and has done harassing of me himself. I request that he is charged for electronic harassment. If for some reason your department feels that he is protected by the law, which I strongly believe he has straddled, may I request that officers ask him to stop? Issue him some kind of written warning or something? This whole thing is insane and I just simply want him to stop, whether it be through arrest, civil suit, a visit by an officer.

Also, I learned that he was friends with the guy who shot those kids at the New Mexico High School last year who was also a member of his site. I'm definitely afraid for my life. His site attracts the worst of the worst and I feel he is guilty of a crime.
