thing 1: You've enabled me to have the time and energy to trim down a collection to be published next year by Fantagraphics Press — "60 Years of Investigative Satire: The Best of pk" — from 700 pages to 400. Gratitude.

thing 2: Re: WBAI Daze:

Linnie,

Nancy and I miss you and Bob at those Yippie reunions at Walli and Sam's home. We simply haven't been able to go anywhere anymore.

The news has reached us that you two are actually planning to move to Connecticut. That's a wonderful surprise. It's like a new chapter in your lives. Speaking of which, Bob might finally write the chapters of his autobiography.

Bob,

On your show Thursday I'd like to read my Alternative Facts rant. In the last part, instead of the er um vulgarities language, for example, I'd substitute Scaramooch saying "I don't suck my lollipop like Bannon."

Also I'd like to talk about Trump and satire. At 9-9:30 — your time from midnight to 12:30 — I'll watch the half-hour SNL for last-minute ideas, and then take 2 minutes to come to my office, so please call me at 9:32 (12:32).

Nancy joins me in wishing both of you with lotsa love and optimism,
paul

thing 3: I haven't read this yet, but it I thought you might want to be aware of it...Happy Eclipse!
