!! content warning for the following being mentioned (nothing explicit shown) !!

- pedophilia/grooming
- sex between minors and an adult

(IMP: images do not properly load on mobile for some reason. you must open this document on desktop for them to properly display, sadly I can't do anything else to fix it.)

edit: I was unaware mike uses they/them when I initially posted this, it has been fixed. multiple other testimonies from victims/witnesses have also been added, proving this is not an isolated case: mike is a serial predator.

@fluffle\_puff is a predator who has gotten away with grooming underaged girls for over a decade. they groomed their current girlfriend when she was 15 and then had sex with another 16 year old girl. they were in their late 20s to early 30s with both victims. both still talk to them and believe they're innocent due to their manipulation.

since making this document, I have had MULTIPLE people come forward saying that mike was sexual with them as minors. mike is a serial predator.

fluffle (will be referred to as mike) started grooming their current girlfriend- befishprod- when she was 15 years old and they were 27. befish had a typical

teenaged crush on them, mike indulged this and ADMITS they liked her romantically at this time, and then became romantically involved with her despite her being underaged + themselves being 11 ½ years older than her. **this is textbook grooming behavior by pedophiles and a huge abuse of power.**

mike themselves admits in their server that they were interested in her when she was 15 (and very likely lying about dating her later). regardless, they started dating her when she was underaged and expressed interest in her as a partner years earlier. they try to brush it off as a “complicated situation” and “nothing happened before 18” when rightfully confronted.

why don't you care?

**JDHarding** Jun 21, 2019 3:03 PM

Because it's none of my fucking business.  
And neither yours

**fngr** Jun 21, 2019 3:04 PM

so there's nothing you'd concern yourself with  
that might be a harm to the community your in?

**Befish** Jun 21, 2019 3:04 PM

I got the dates wrong, I mean this mostly all  
started from some dinner conversation that was  
recorded without my permission. Me and Mike  
were close friends back then, and I was a  
hopelessly romantic teenager. Maybe I confused  
my crush feelings for when we actually started  
dating. I mean, this entire thing is like a year old by  
now.

**JDHarding** Jun 21, 2019 3:04 PM

The community has become a toxic waste dump  
as of late, with far too many toxic people in it  
trying to use others for personal gain and distort  
the truth to destroy anyone that dare oppose  
them.

What kind of question is that?

**Fluffle Puff** Jun 21, 2019 2:59 PM

I get the feeling it is complicated. I get the feeling you're not going to believe what I say, which is why I've been ignoring it. I'm well aware of who the lot of you are and the trouble you cause people.

But I don't like to judge people based on what I hear, but rather what I personally see. So I'll give you the benefit of the doubt this one and only time.

No, we didn't date when she was 15. And I'm willing to admit this in front of my entire group. If she said anything like that, she must have been wrong. We didn't start dating until she was like 17/18.

Yeah, we liked each other before then. But nothing happened at 15 or even 16. We were just art friends that streamed together back then.

Fluffle Puff, when he was 27 had been dating a 15 year old girl, an underage girl.

(screenshot source; video below, also contains a recording where befish verbally confirms/talks about it, which is what lead to it becoming public. it's not necessary to watch the video, it's just here for context/evidence in terms of the audio recording being included: <https://m.youtube.com/watch?v=lyJ7Ps5CkHQ>)

the second victim, starsystarshine, met mike via befish and developed a crush on them; she was 16 and they were 29. since befish turned 18, she and mike took a

“break” from dating, and mike used this opportunity to groom starsy. mike then met her in person to have sex with her.

some messages starsy exchanged with him from an anonymous source. these are FULL of emotional manipulation from mike. I physically felt ill reading the last two.

Says who? Did... you not want to do what we did?  
I'll admit it felt really rushed... and I feel pretty bad. I really shouldn't have... I dont think I can apologize enough for making you feel like this. I'm really sorry...

**I cant believe i trusted you** Today at 11:57 AM

oh, i did. i really did.  
but whats really upsetting me? i get the feeling that you may or may not have a girlfriend and that her username may or may not start with a B and that im just.... some side whore

**Fluffle Puff** Today at 12:00 PM

You are not that... you're someone I felt like I could really relate to and I let that push me into pushing you into things. If anything, I'm the piece of shit. I've always been. If you want to blame anyone, blame me...

If I could take it back, I would. I would have much rather of gotten to know you and at least become better friends before even thinking about anything. Now I'm guessing we're never going to talk again and I've basically ruined something you cherished because the artist is such a piece of shit. You dont deserve this mess I put on you. Again, I'm really sorry...

**Fluffle Puff** Today at 2:53 PM

Just wanted to check in... I'm still here if you want to talk. Which I'd really like to do. The longer this silence is, the more confused and worried I'm becoming... Like, I really really thought you wanted this. You literally held me down and begged me for over an hour for it, when I kept trying to leave. Did you really want to? Was it something you thought you wanted but now realize you don't? Was all this just some kind of trick to hurt me? I guess it wouldn't be the first time someone wanted to hurt me... But I don't want to believe that's you. I just want to help and figure out what's going on. And I can't if you disappear... If you don't want to talk right now, I'll understand. But at least say something or let me know when you might want to talk... Or at least if you just flat out don't want

**Fluffle Puff** Today at 1:40 PM

I dont change out of pajamas unless I leave the house.  
And even then I consider not changing.

I spent years trying to help starsy recognize her abuse by mike, as she kept blaming herself, but she fled back to them awhile after I made my first tweet about their grooming. that's why I'm not keeping her anonymous anymore; they are back to talking, thus she is in danger.

**Starsy/Starspinner** 08/03/2020 6:32 PM

nah it's fine, I understand,,,  
but yeah it is really weird that they got together when she was so young.... like, if they had gotten together AFTER she had turned 18 and was a legal adult, like.... that wouldn't be great, but still not quite as weird  
But yeah I think that law is technically referring to people in the same age range? that still doesn't mean that it's right

**. baby blue eyes .** 08/03/2020 6:33 PM

yeah, and he's like over 10 years older than her too which is creepy as well

**Starsy/Starspinner** 08/03/2020 6:34 PM

he's 11 years older, he's in his early 30  
\*30s

**. baby blue eyes .** 08/03/2020 6:34 PM

yeah which is a big yikes

**Starsy/Starspinner** 08/03/2020 6:34 PM

he was thirty when stuff happened with me when i was 16  
i mean i pushed for it to happen, but he still should have said no and not given in

**. baby blue eyes .** 08/03/2020 6:36 PM

yeah exactly, he should have been responsible and known that you couldn't consent, but did it anyway :l

**Starsy/Starspinner** 08/03/2020 6:38 PM

In all honesty, I pushed really really hard so it is partially my fault,,, but he still should have stopped hanging out after he realized that I had a thing for him the first time we hung out (my mom was home while I was showing him around the house the first time, it was the third time we hung out that stuff happened)

**. baby blue eyes .** 08/03/2020 6:38 PM

yeah, no matter how much you pushed, he was the adult and should have said no

.✧baby blue eyes✧. 08/03/2020 6:38 PM

yeah, no matter how much you pushed, he was the adult and should have said no

Starsy/Starspinner 08/03/2020 6:39 PM

Yeah

Man it really fucked me up once I realized he was dating someone

It didn't even click how wrong it was how young she and I are until the past year or so 🙄

.✧baby blue eyes✧. 08/03/2020 6:40 PM

yeah, that's why 16 is way too low to be a valid age of consent

hell, even at 18 i don't feel like i can consent, and I'm a hypersexual guy so that's saying something ://

Starsy/Starspinner 08/03/2020 6:43 PM

yeah,,,

oh man yeah,,, I'm not hypersexual, but I'm a hormonal 18 year old so of course I'm horny, but I don't think I'm ready for a sexual relationship

romantic? maybe

sexual? most likely not

this was my last conversation with starsy about mike, at the end of the month she suddenly blocked me and I noticed that mike was suddenly following her on twitter again. the way she switches between blaming them and herself shows she still suffers trauma from mike's actions.

ugh

sorry 🙏

Aurelia Brighthouse 02/15/2024 2:20 AM

No it's fine

God a part of me is still in denial about it being grooming 🙏

Brain has a hard time letting people go, unfortunately

Like i have a friend that I REALLY need to cut off because she is DISGUSTING and i STILL haven't done it  
tho in this case uh

i don't want to become a target of hers, because she's a bit of a rumor-spreader, i think there's been talk that she wants to  
dox people too?? And I don't think my mental health could handle being subjected to that

so it's for my safety that I haven't cut her off

sorry i went on a tangent

my bad 🙏

.ღღღbaby blue eyesღღღ. 02/15/2024 2:22 AM

no you're fine 🙏

it's normal for victims to be in denial about that sort of thing, he used his power to manipulate you into thinking it was okay  
when it wasn't

and that sucks about that other person, I'd suggest slowly distancing yourself from her so that she doesn't like... get any  
provoked anger

Aurelia Brighthouse 02/15/2024 2:25 AM

Yeah,,, i guess part of the reason i'm in denial is because I also was like... I had SUCH an infatuation/crush on him, and I  
pushed for stuff to happen, it feels like it's partially my fault 🙏

**Aurelia Brighthouse** 02/15/2024 2:25 AM

Yeah,,, i guess part of the reason i'm in denial is because I also was like.... I had SUCH an infatuation/crush on him, and I *pushed* for stuff to happen, it feels like it's partially my fault

Yeah, that's what I've been doing

I haven't really talked to her in quite a while

God, when I made a tweet about it being my birthday last week I was fuckin jumpscared by her responding to the tweet 🤖

**.👁️💎baby blue eyes💎👁️.** 02/15/2024 2:26 AM

it's absolutely not your fault at all; you were underaged and he was a fully grown adult who used your feelings to get what he wanted out of you, it was *his* decision to play into your feelings  
oh god lmaoooo

**Aurelia Brighthouse** 02/15/2024 2:27 AM

Yeah, that's true,,, idk, i just,,, wah

Yeah lmao,,,

**.👁️💎baby blue eyes💎👁️.** 02/15/2024 2:30 AM

you're the victim, any normal adult would *not* entertain sexual activity with an underaged person

**Aurelia Brighthouse** 02/15/2024 2:31 AM

That is definitely a good point,,,

man, i wish i was better at letting people go 🦋

**.👁️💎baby blue eyes💎👁️.** 02/15/2024 2:31 AM

**Aurelia Brighthouse** 02/15/2024 2:31 AM

**.👁️💎baby blue eyes💎👁️.** 02/15/2024 2:33 AM

we often blame ourselves because we think that, at the time, we "should have known" all the facts when we just weren't old enough or informed enough to know the scope of things, and there are terrible people who take advantage of that

**Aurelia Brighthouse** 02/15/2024 2:34 AM

**.👁️💎baby blue eyes💎👁️.** 02/15/2024 2:36 AM

something that helps me on occasion is to ask how I would feel if I saw what happened to me happened to someone else

**Aurelia Brighthouse** 02/15/2024 2:42 AM

That's true, if someone else was in the situation I was in I wouldn't blame them at all.... hell, I'd be *incredibly* pissed on behalf

.🦋🦋baby blue eyes🦋🦋. 02/15/2024 2:43 AM

yeah, exactly, so it isn't logical for us to blame ourselves when we'd rush to defend other victims  
it sometimes helps me stop blaming myself when I do that 3rd person perspective of my situation

Aurelia Brighthouse 02/15/2024 2:44 AM

Yeah, that's a good method

.🦋🦋baby blue eyes🦋🦋. 02/15/2024 2:47 AM

yeah, it makes me really angry that he hasn't really been exposed for what he's done  
it makes me really angry that it happened to you and you never got justice

Aurelia Brighthouse 02/15/2024 2:49 AM

Honestly I wouldn't want to push any form of charges or ruin his life  
It might just be that I'm too nice/forgiving  
But I don't feel like it's worth it? Like,,, idk how to explain it 🦋  
What happened sucked, but it happened and all I can really do is move on  
Tho I am concerned about befish  
I.... Still occasionally talk to her, and they're still together  
I know she isn't super great herself, but she was still really young when they got together, so like..... yeah

.🦋🦋baby blue eyes🦋🦋. 02/15/2024 2:52 AM

sadly, I doubt the law would do anything since it's such a bullshit process anyway, but I think it's at least somewhat justice-serving for people to know what what a monster he is  
befish is a victim of his grooming and is incapable of seeing/understanding it when no one is around to tell her that; I handled the situation terribly back then when I found out about it, and sadly that probably just made her double down on thinking him preying on her was normal  
the amount of popularity he still regains after grooming two underaged girls minimum is extremely concerning

Aurelia Brighthouse 02/15/2024 2:54 AM

Ah yeah true,, the law is bad, they protect the monsters 🦋  
Yeah that's unfortunately probably true 🤔  
Yeah,,

neither of the girls are at fault; they were two teenagers who developed immature feelings for a grown adult who took advantage of their young, impressionable nature to satisfy mike's sick attraction. I don't doubt mike has taken advantage of even more teenaged girls behind the scenes.

and if any weirdo freaks try to argue: "um, actually!!! mike's home state says age of consent is 16 so it's actually perfectly fine!!!" - it is **not**, as mike is a figure of authority! mike has always had power over both befish and starsy, and abused it for sex.

you could argue that a youtube doesn't apply as a figure of authority, which is fair. mike and befish were meeting in person when she was underaged, thus they did have physical power over her, so there is power imbalance there. my point here is that mike was big enough to have huge influence over the brony fandom back in the 2015 era with a lot of fans willing to do practically anything for them.

*A 16-year-old can consent to have sex with a person of any age as long as the following exceptions are not present.*

3. Commercial Sex. Those under the age of 18 who are involved in commercial sex (sex in exchange for anything of value: money, clothes, etc.) are considered **victims of sex trafficking**, even if they claim to have consented. Youth do not require a trafficker in order to be considered a victim, nor do they need to prove force, fraud, or coercion. The person exchanging something of value for sexual acts from a youth (the buyer) can automatically be criminally liable.
4. **Someone of Authority.** Those under the age of 18 cannot legally consent to anyone who has authority over them. Examples of those with authority include: family members (certain specifications are in the law), those in supervisory roles, coaches, teachers, religious leaders, group home staff, babysitters, etc.
5. Consent cannot be given at any age when one of the parties is incapacitated due to drugs or alcohol, unconscious or sleeping, has a lack of understanding due to a disability, or has a disability AND engaging with an authority figure/governmental caregiver, or if someone has been physically forced or coerced. Here are some potential points to go over:
  - **Drugs and alcohol:** Levels of impairment can be subjective. Talk with your youth about at what point someone is too impaired to give consent. A good point of reference might be “At what point do you start to feel different than normal?” It is on the actor in this case whether they “know” or “should have known” that this

## What is the appeal to authority fallacy?

Appeal to authority fallacy occurs when we accept a claim merely because someone tells us that an authority figure supports that claim. An authority figure can be a celebrity, a well-known scientist, or any person whose status and prestige causes us to respect them.

An appeal to authority (also known as an **appeal to false** or **unqualified authority**) plays on people’s feelings of respect or familiarity towards a famous person to bypass critical thinking. It’s like someone is telling us “accept this because some authority said it.”

the law isn’t always right, either: it’s illegal to own more than 6 dildos in texas. you think that’s a logical law, lmao? federal law also states one must be 18 to purchase/view/engage in erotic/pornographic content, and that should apply to the age of consent as well. if you think it’s normal for a 16 year old to be having sex with someone 10+ years older than them, you are- frankly- a sick pervert.

mike’s platform/power over these girls is what’s prevented them from being rightfully called out as a pedophile for so long. both victims are still in his grasp & fully believe

they're at fault for having sex with mike. they were underaged. they could not consent. mike knew this.

this is unquestionably an abuse of power by a grown adult with large internet influence and recognizability. very few know about this and I'm tired of it being slept on. I can only imagine how many other teenagers mike groomed that no one else knows about.

don't harass befish or starsy. they need help, not condemnation. they are victims and need help seeing that, not condemnation.

**update 4/10: some more testimonies from other victims/witnesses:**

instance of mike preying on a 12 year old.

another victim who was 15 at the time of mike being sexual towards them.

Hi! So, I just wanted to get in contact to share that I too was a victim of Mike's pedophilia when I was 15.

I don't have any messages dating back to when I was underage, as we mainly spoke on Steam chat and skype which clears message history server side, and am many many years removed from those PCs having the local messages.

I do however have proof due to us still unfortunately interacting this way up into 2017 when I was then 18, and we started talking on discord.

The nature of the familiarity in the messages is because we had already been conversating that way for years.

I feel really guilty about not being able to speak up about him. I just had no idea or plan that made any sense to get the word out there and going up against such a big platform.

But I knew he was extremely dangerous to leave alone and have an audience of children at his whim like that.

Luckily for me I never had the means to travel but there was explicit intention from his end for me when I was underage to be physical in person should the ability to present itself

May I throw my experience with him in the ring when I was young involving rps of soaking and having to draw nsfw of my ov and his with him promising to share my work. I was around 16 at the time. I dont have the Skype interactions but I still have the facebook

Yeah. Have a little snippet from 2017 (I'm born 2000) of my general experience with him. I had originally contacted him on a stream when he would stream heros of the storm.

Someone fucking said it!

I hated fluffle puff for so long... they were creepy towards any minors that drew them fan art during the tumblr area... I have friends who expressed such discomfort & had disgusting experiences with this content creator...

Please... please.. please! Unfollow them - theyre not a good person, so many people were too scared to call this guy out during the spike of their popularity & most of their victims no longer have their tumblrs anymore.

They're a gross pos...

I've known about this long before this thread. I was warned while still a minor myself by someone who had witnessed his behaviour to stay away from him.

It's important as a community to not ignore this. MLP will ALWAYS involve kids, as adult fans we should protect them.

another witness testimony, more sus behavior from mike.
