

Hey, Pipey the Pipebomb here. I decided to do a follow up to the original works of Mr.E.

David Jones, does own the property Grossly Offensive lives at. However, we discovered that the younger woman is not in fact Sharron. But their daughter, because grossly confided in women on the internet that he lives on her family's property.

We confirmed Grossly was in the Video with his family. But David's frame and age did not match Grossly. We wanted Grossly to become overconfident and say 'it's a faildox' because grossly didn't want anyone to notice the older photos.

We noticed there was another photo, from back in 2016 that had been cropped when reuploaded with one person cropped out purposely.

It's very strange how only this man is cropped out of the photos. So, we dug a little deeper and found out that Grossly Offensive actually shared a photo of himself to some E Girls in discord.

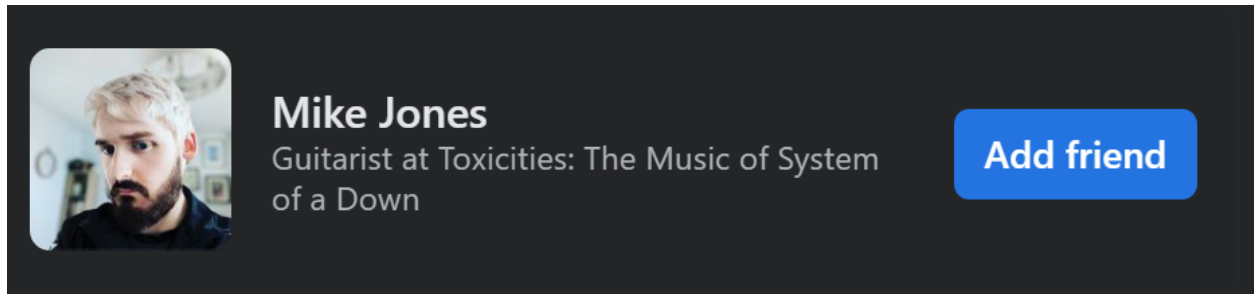

Who is this man?
Is he connected to David?

ANALYSIS

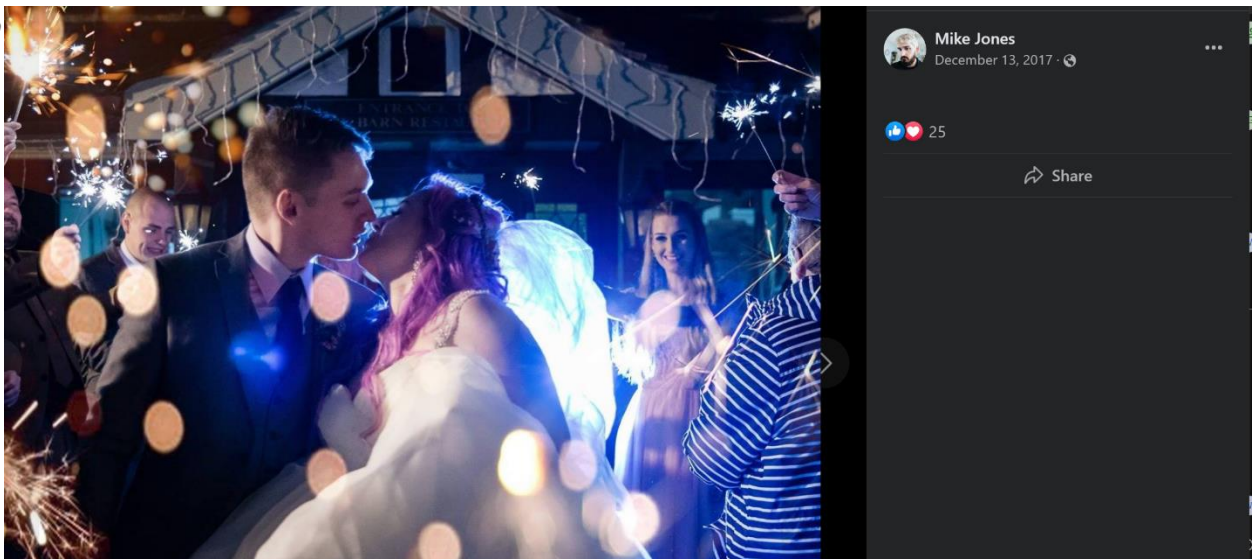

Let's check Mike Jones Wedding Photos

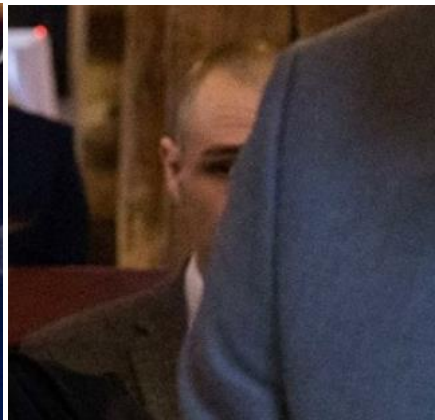

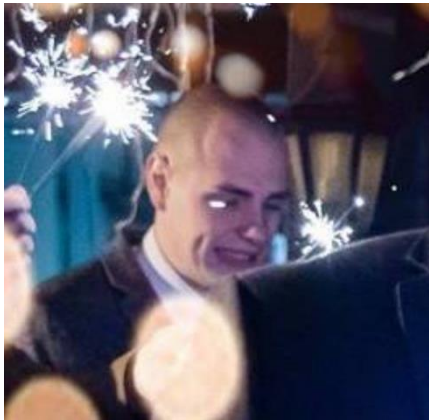

A screenshot of a Facebook profile card for Mike Jones. On the left is a circular profile picture of a man with a beard and blonde hair. To the right of the picture, the name "Mike Jones" is displayed in bold white text, followed by the bio "Guitarist at Toxicities: The Music of System of a Down" in a smaller white font. On the far right is a blue rounded rectangular button with the white text "Add friend".

Wait? WHO IS THIS MAN? WHY IS HE EVERYWHERE?

Looks like this same person is in all the wedding photos, like the black sheep of the family.

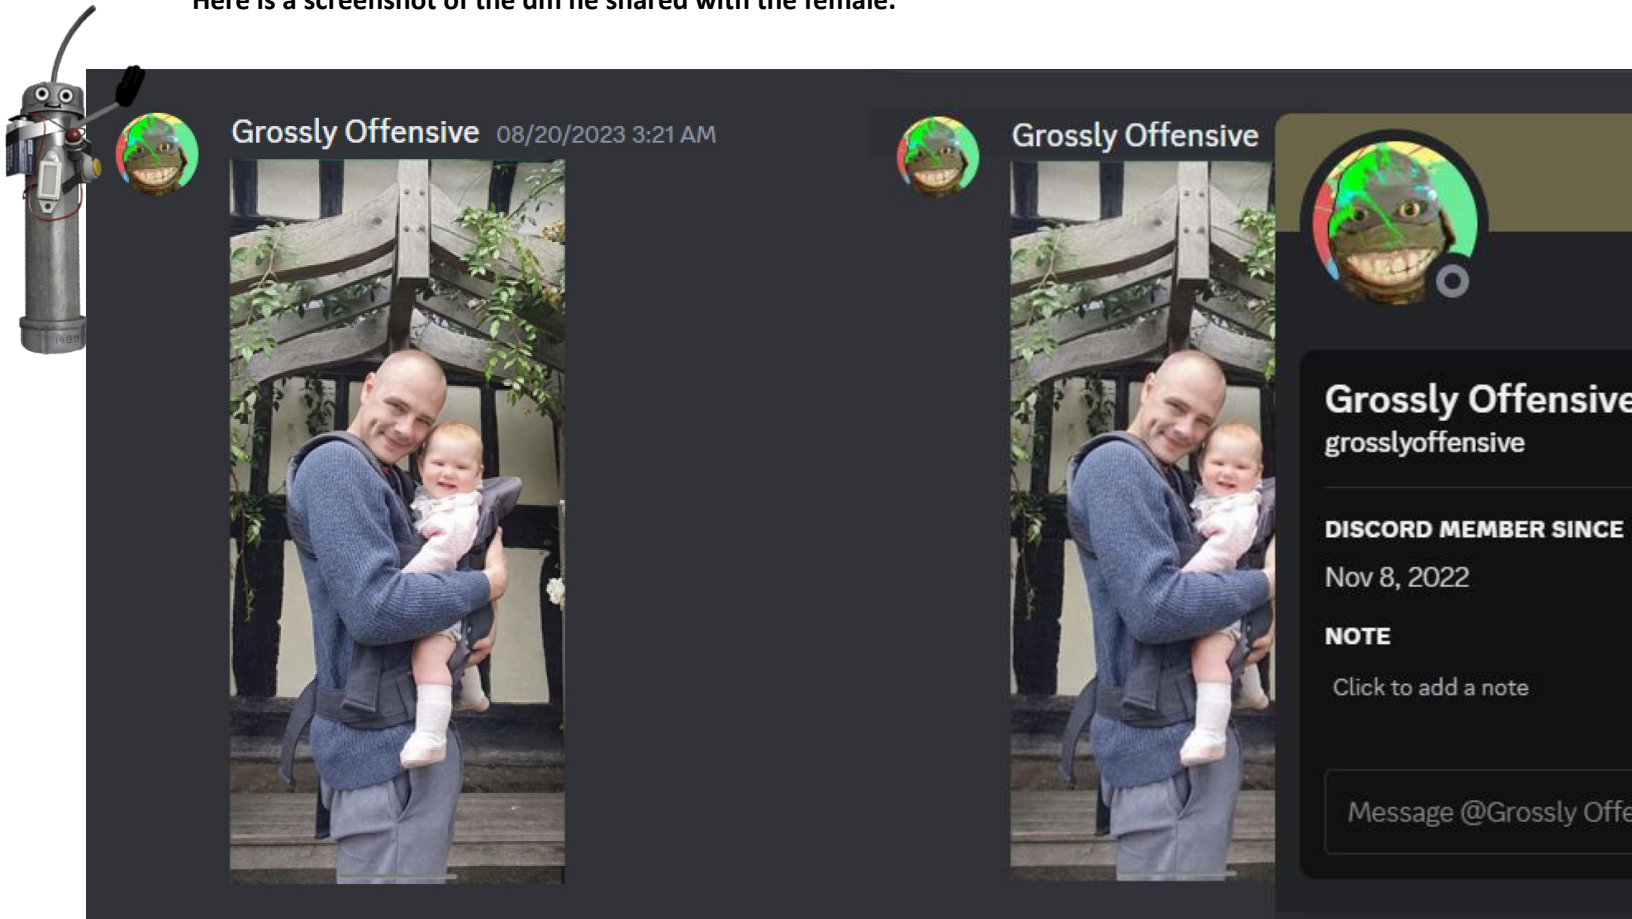

Wait a minute, why is this guy holding the same child David and his daughter have?

This is clearly the same baby, in all of the photos. The third photo is a photo Grossly shared to a female on discord. He forgot that he confided his trust in a bunch of retarded females.

Here is a screenshot of the dm he shared with the female.

Do David and Sharon Jones know that their loser son in law is jerking off to E Girls on discord while their daughter struggles to take care of their daughter on their own?

Grossly, your time has run out. If you really have any balls, we dare you to open your garage door live on camera.

Put on your Ninja Turtles Mask, and open the door and prove there's not a hedge directly in front of your door and a grey fiat.

Or a Meth Addict is coming to your door this week and he's going to confront you live on camera.

Stop coping and streaming with a pedophile crying faildox or your family will suffer
