ORDER GRANTING REQUEST FOR TRANSFER OF SUPERVISION

On May 13, 2021, Ms. Barney asked this Court to order APD to add interstate compact terms and effectuate the transfer of her supervision to Colorado. The Court has reviewed the briefing and case history and finds that no additional argument is necessary. There already exists a court order requiring APD to submit a modification request for interstate compact upon completion of certain testing. That testing is now completed. Good cause shown, and an emergency situation present,

IT IS ORDERED granting the May 13, 2021 *Motion to Enforce Court Order for Probation to Add Interstate Compact and for Expedited Transfer of Supervision* insofar as within 10 court days of this order, APD shall submit a petition to modify the terms of Ms. Barney's probation to add interstate compact and an expedited transfer of her supervision to the state of Colorado. That petition shall reference this order.
