

## THE MENU

*CHEZ VAREWYCK*

*Zis is ze menu for ze grand feast.*

### ALCOHOLIC HOUSE BEVERAGES (\$10)

#### THE PISSANT

We will drown a handful of ants in the vodka and serve it. Watching them suffer is funny and they get drunk.

#### THE NEGRO

Made with cacao and coffee, this black coffee has a surprise, namely a shit ton of gin. Drink it stupid fuck.

#### GOOFY STUFF

We will mix any three random liquors as requested, then the server will slap you repeatedly and talk about how you're stupid.

#### THE BOB VILA

Vodka and gin and a spritzer of tonic water. The server will lament about how their parents never loved them.

#### CANCER WATER

It's water but loaded with about four shots of vodka. The water here is so heavily soaked with fluoride and chlorine that it is almost unusable. Help me.

## THE MENU

### APPETIZERS (\$9)

#### LE CROSTINI

A crostini with blue cheese for you faggots.

#### A SANDWICH

Whatever we want to put on it we will retard.

#### A BETTER SANDWICH (Add \$2)

This sandwich will probably be better but we can't make too many promises since we're in league with Satan.

#### THE DEVIL DRIVER

Are you severely retarded? Gay as Hell? Shove the salami meat in your ass as you eat and shit it out late fucknut. You know you want it.

#### BITCH

One of our servers is a horny old lady. She will literally take your dick or pussy for nine dollars.

#### HOLY SHIT

The holy shit appetizer is a platter of chunks of dead animals we got from local farms and roasted with a marinade. We aren't usually sure of where they are from or what they are made of because the retard requisitions this meat. Some of it may be pig so this is not halal or kosher, sometimes.

## THE MENU

### SOUPS (\$6) (Add Two Dollars for Large)

#### BROTH

It's literally just broth what did you expect you asshole?

#### WE'LL KILL

We will serve you chunks of your own meat boiled with a delicious vegetable combo.

#### MAFIA SOUP

Don't ask where this comes from if you value your life.

#### THE SHITSUCKA

Ay yo, you been talkin' shit about my muthafuckin' veggie greens? I ain't think so busta, you gonna get a cap, bitch. It got okra and sheeit.

#### POOP SOUP (Add \$5)

Yep, liquefied poop. It is gourmet. Just ask those retards that drink coffee beans that were digested by a monkey's asshole.

#### THE ULTIMATE ASS EXPLOSION

This soup is made of nothing but piles and piles of beans, and we will force-feed every last bite to you if you stop eating it. It's like five gallons of beans and broth, and you will be physically prevented from leaving until you eat every bite. You may use the restroom.

## THE MENU

### SALADS (\$8)

#### COMMUNIST CRAP

It's a pile of beet greens and cabbage shreds. That is all you will get just like Soviets did. Starve fag.

#### FASCIST CRAP

Mmm potato mash on your greens. They used to call Nazi grenades potato mashers for a reason. Die.

#### AMERICAN CRAP

This salad of course is hyper-processed and includes a lot of hamburger crumbs. The Hell is wrong with you.

#### THE LESBIAN

Greek pasta and veggies with a twist. If you are female our lesbian waitress will probably attempt to rape you. At least she is attractive.

#### DIFFICULT DECISIONS

Will you eat it or not? This salad comes in a closed box and you will not know what is inside. A surprise in every box!

#### FUCKIN' RETARD

When the retard is cooking sometimes he scrambles weird shit together. We are not sure when his mental awareness councilor will be successful. We only make sure it includes vegetables which, to him, must be cannibalism.

## THE MENU

### MAIN COURSES (PRICES VARY)

#### BALLSACK, SPICED

We will roast Garys ballsack in some marinade because he is a masochist and serve the marinade hot and fresh with scalloped potato.

#### BLACK PERSON LIVER

We harvest livers from small children in Malawi. Their parents sell them for about a dollar. Served with a delicious puree of celeriac and tomato.

#### THE ANTICHRIST

The level of depravity increases as does my madness. I will fucking kill you, bitch bastard son of a whore. Fried remains.

#### WHAT THE FUCK

A good steak, cooked as you wish, paired with green beans and a nice potato au gratin. You will be punished.

#### THE SHITSTORM

A massive pile of refried beans with an extra spicy sauce. Your ass will burn like a bonfire in Mexico City.

#### GOOD SHIT

This is the good stuff, namely getting slammed in the ass by a carrot while you eat a good stir fry. It contains a lot of water chestnuts. Gorge you hog.

## THE MENU

### DESSERTS (\$10)

#### THE FUCKIN' GODDAMN FUCK SHIT

We will fuck you hard and fast. Cock or pussy, whatever.

#### LEWD CONDUCT CHARGE

For the kids! Kinko the Clown will give them ice cream and invite them to his van because he is a pervert and retarded.

#### DOG FRITTERS

Candied dog meat. A specialty in North Korea.

#### STEWED SQUIRREL A LA MODE

A creamy concoction made from some of the squirrels that keep fucking up the garbage outside. I condemn their entire species.

#### GARYS SPECIAL

Gary is special. Special ed. He will cook whatever he wants. One time he fried a chunk of cedar wood and we could not comprehend it.

#### TARLS SPECIAL

I will fuck any female who wants to take my cock as long as I can play show tunes in the background and cook linguini. I will laugh about the mafia, psyops, and animals while doing so. I hope you enjoy onion rich dishes.
