

Sounds good. I should definitely add: weather permitting, contingent on if that's the day I drive up. 😄 😄

Happy holidays.

Good morning!

Well, that's good to hear about a warm December. Hopefully, January remains the same.

I was going to aim for January 15th, if that works?

Please advise.

Thanks.

Good morning, Mr. Greer. The roads are oftentimes snowy in January, but we've had an unseasonably warm December with little to no moisture, so who knows what January will bring. Do you have a rough idea of what day you'll be in? I want to make sure I'm here to help you.

Hi, Lisa.

I'll be seeing you next month when I turn in the affidavit to jump start signature collecting.

Are the roads snowy in January?

Happy holidays.
