## NICK RTC EXPOSAL

TW: Sexual Messages, CP, ERP,  
Doxxing.

^^^

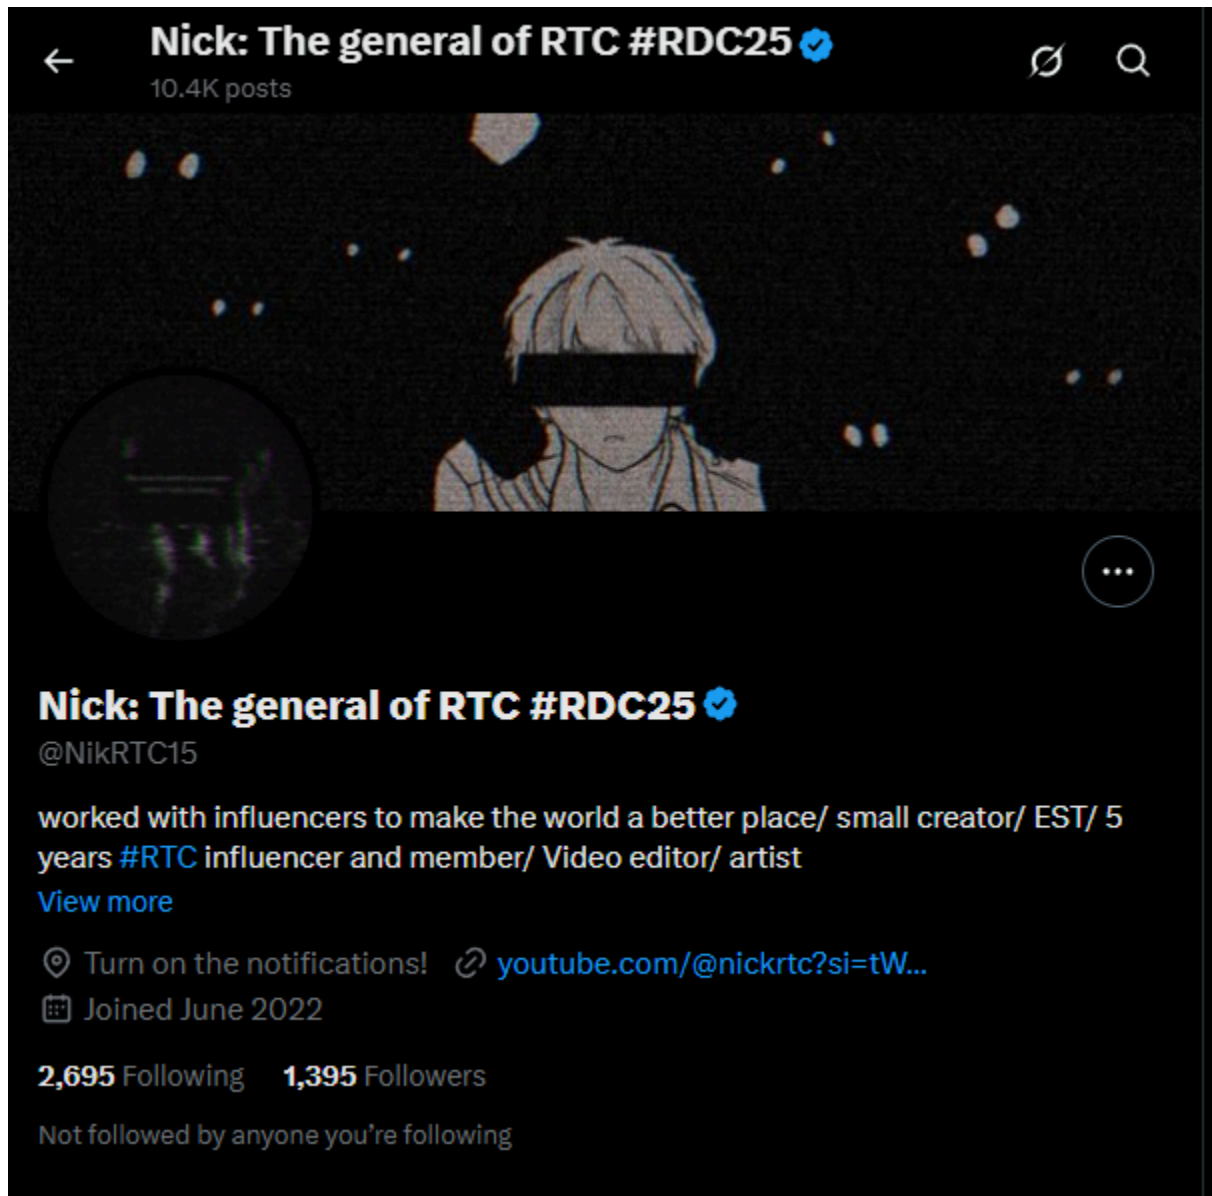

If you are sensitive to any topics above please click off

This document was divided into sections and subsections for organization purposes and easier reading time for you, the reader <3

### Section 1: Context

Nick also known as nikrtc15, DustNick and Mr. HOST(will be called Nick in this document) is a twitter influencer, as of August he has almost 1.4k

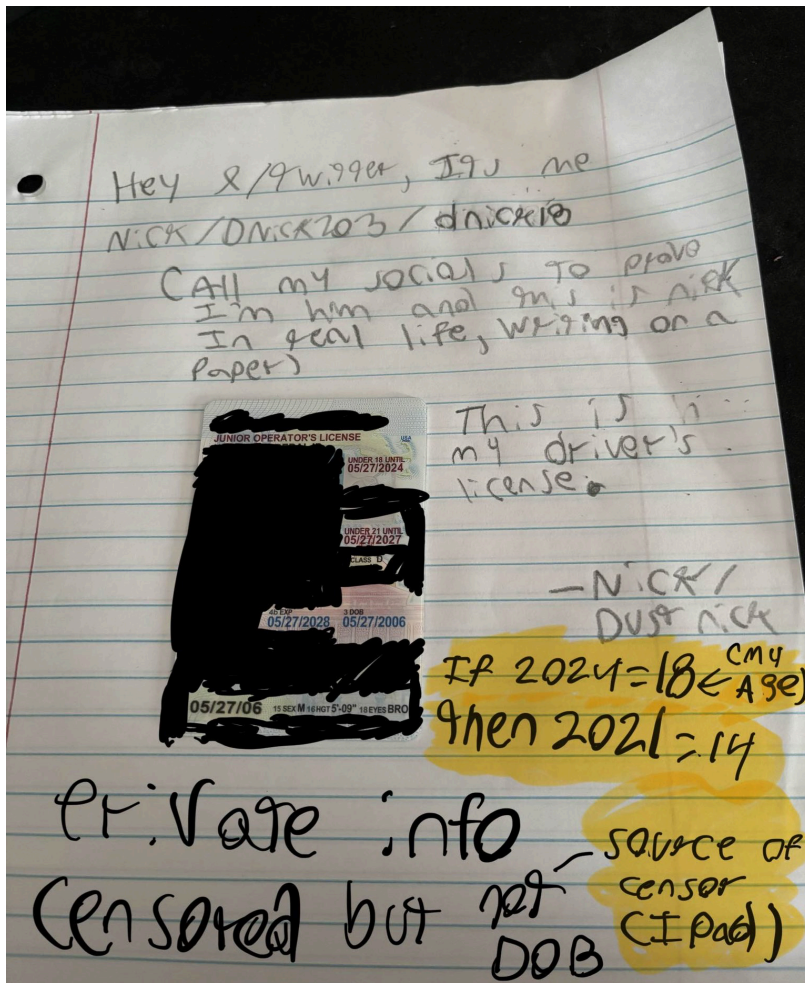

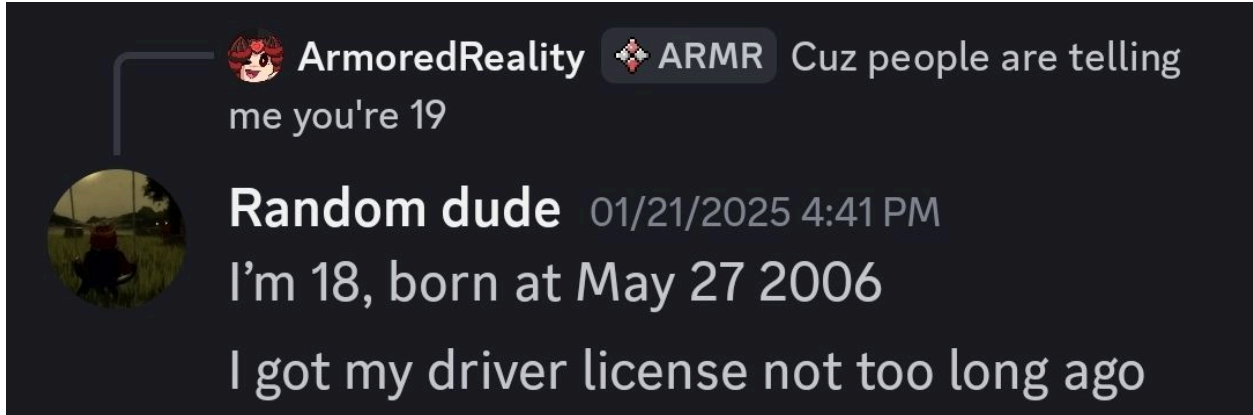

followers and is getting more popular day by day

This document serves as a documentation of everything Nick has done so he cannot get away with it. Seeing him posting like normal without any accountability is pretty soul draining for not only me, the author. But also everyone else in the RTC who knows about his deeds and his victims.

Subsection 1.1: DOB

Nick was born on May 27th, 2006. He confirmed it multiple times and provided censored footage of his drivers license to confirm it.

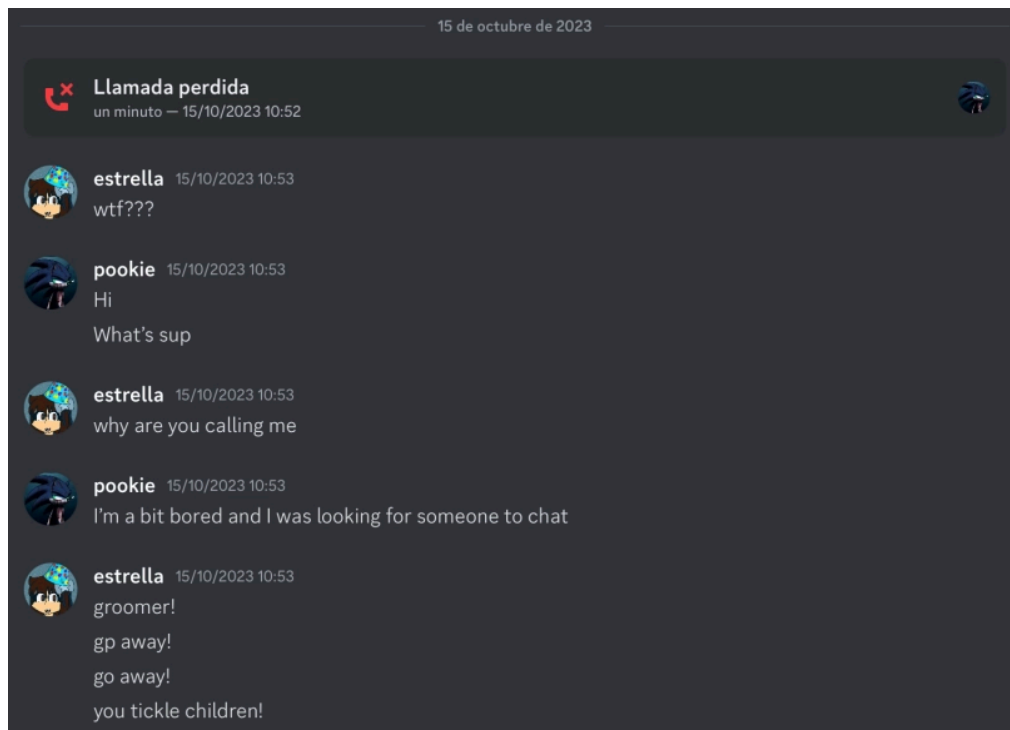

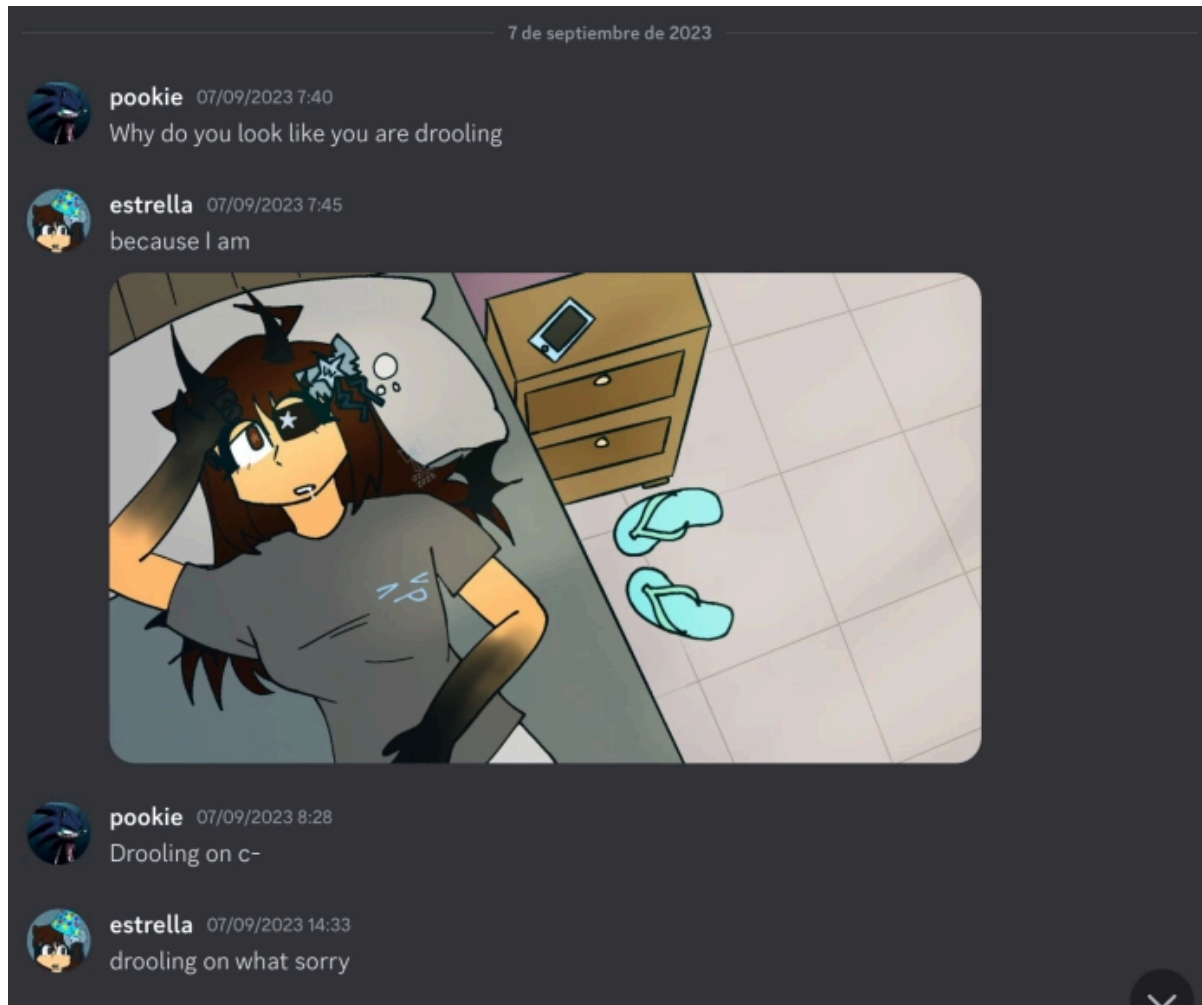

## Section 2: 2022-2023

Nick has done very disgusting stuff in 2022 and 2023. This section will go over everything he has done.

### Subsection 2.1: Estrella

Nick sent weird messages to Estrella, who was 13 at the time of the messages. Now there were only 2 screenshots provided but these show one of the sexual messages he said towards them.

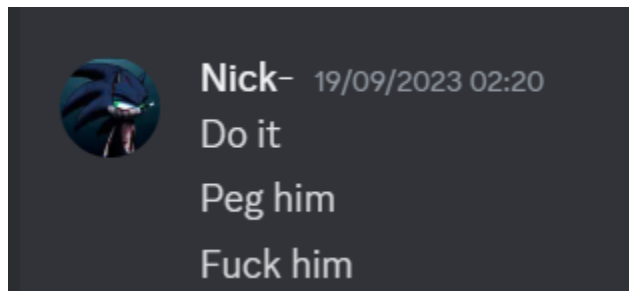

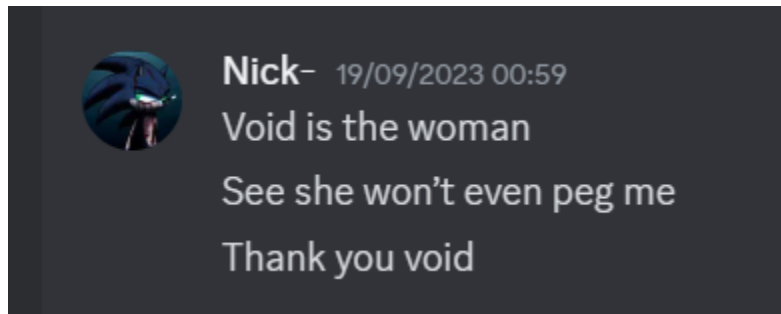

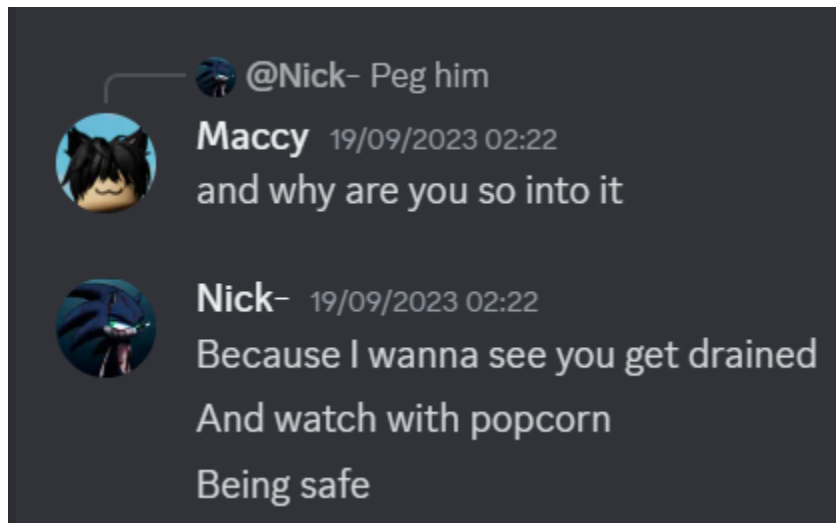

## Subsection 2.2: The GC

Nick has sent lots of inappropriate and straight up depraved messages in the GC he was invited to, like talking about his kinks or encouraging someone to have sexual intercourse??? Remember that this gc had 14 to 15 year olds, they don't have to see this do they?

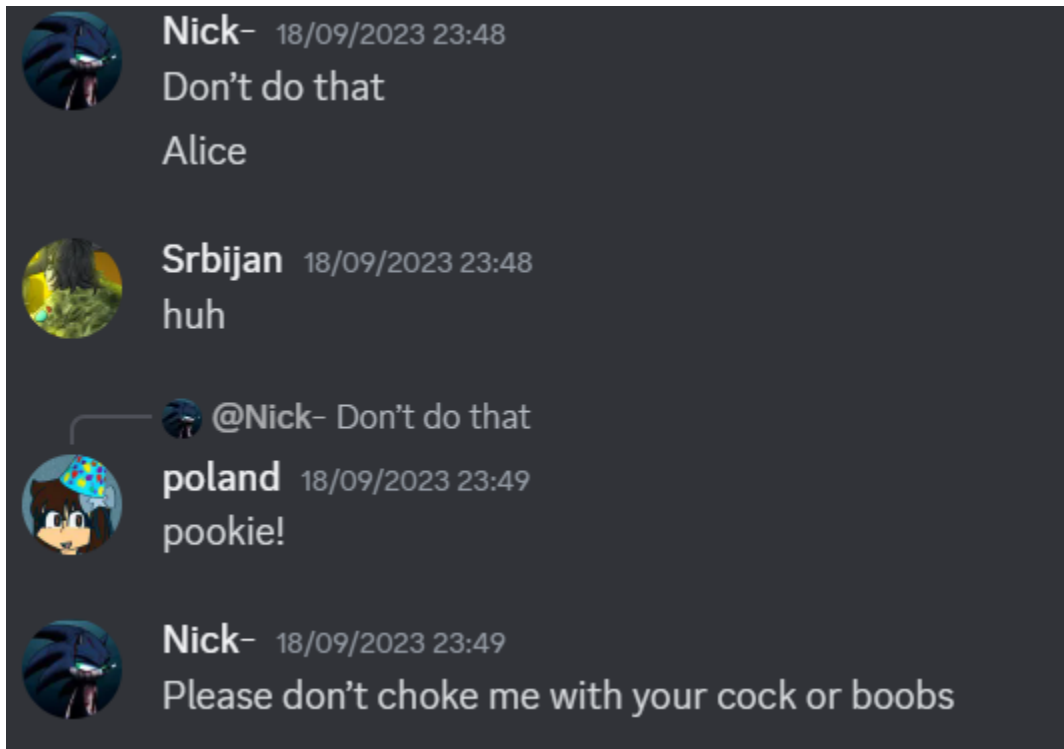

(Context:Void and Landon were just talking normally when Nick joined in and started saying this)

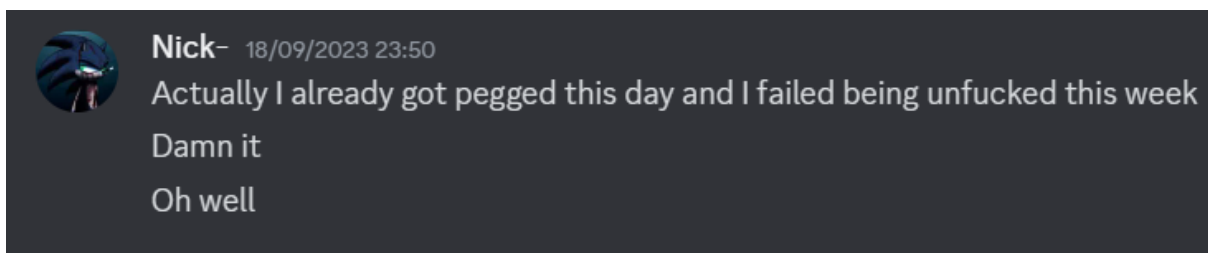

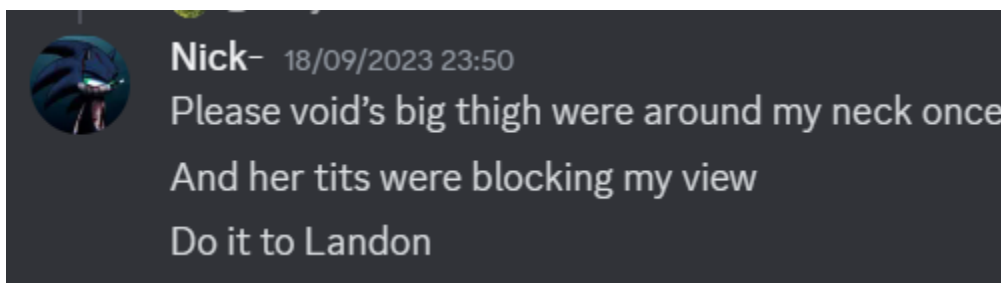

Many people in the GC were uncomfortable with what he said, when Maccy asked him why he is so into it, he said this which is just outright disgusting.

(context: Alice was 14 years old when he made these comments about them)

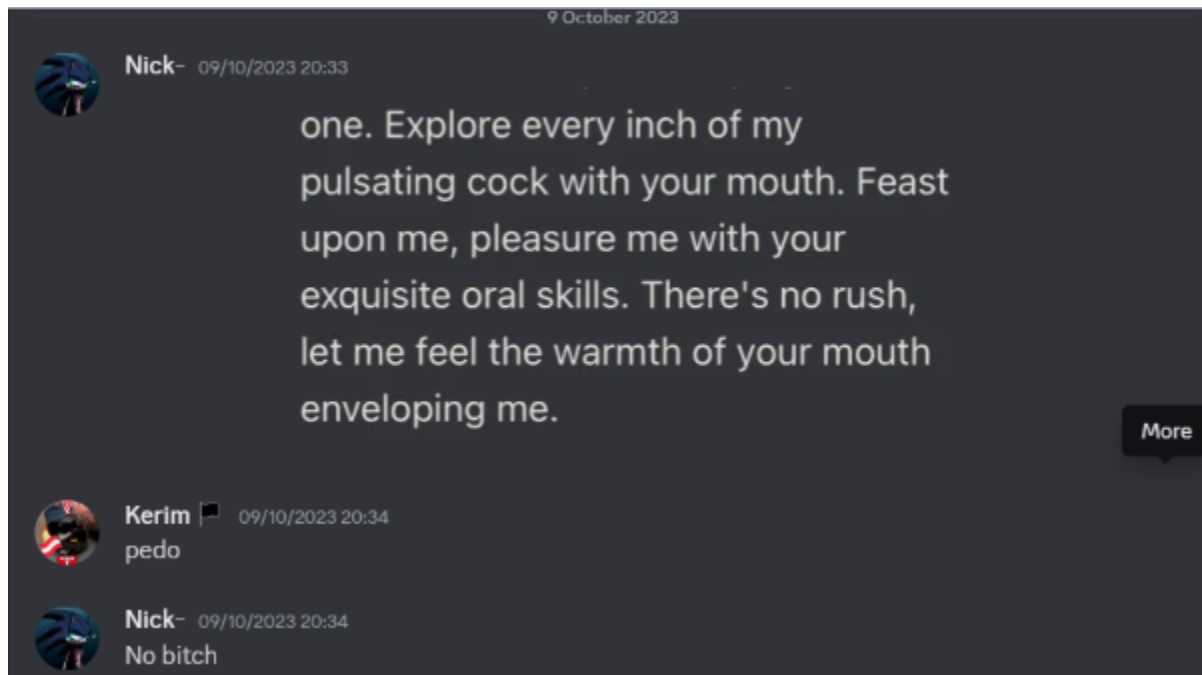

More weird screenshots from the GC:

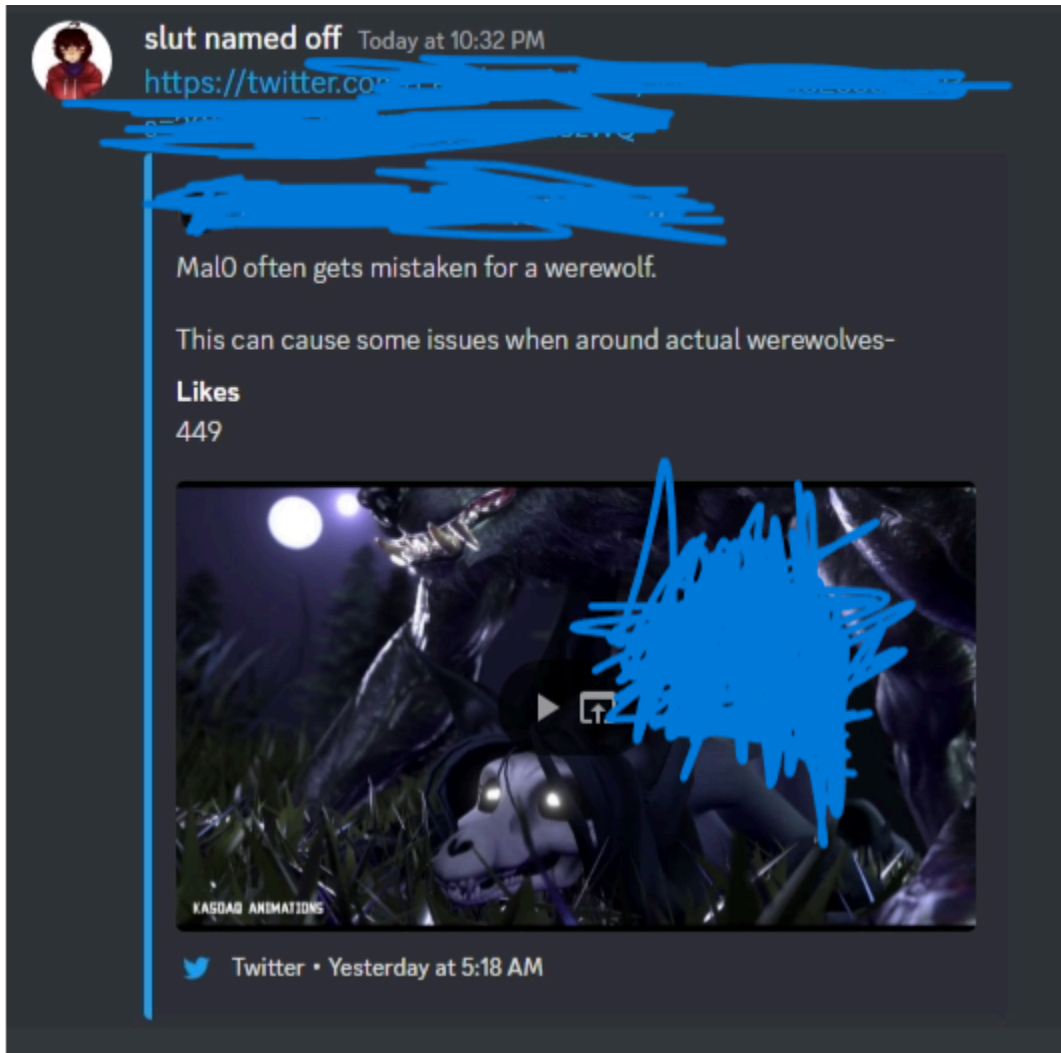

## Subsection 2.3: DM's

Nick sent very creepy stuff to Kerim and Alice(in 2022 when they were 13), the second is more creepy than the first but is still worth mentioning.

The dm he sent to kerim:

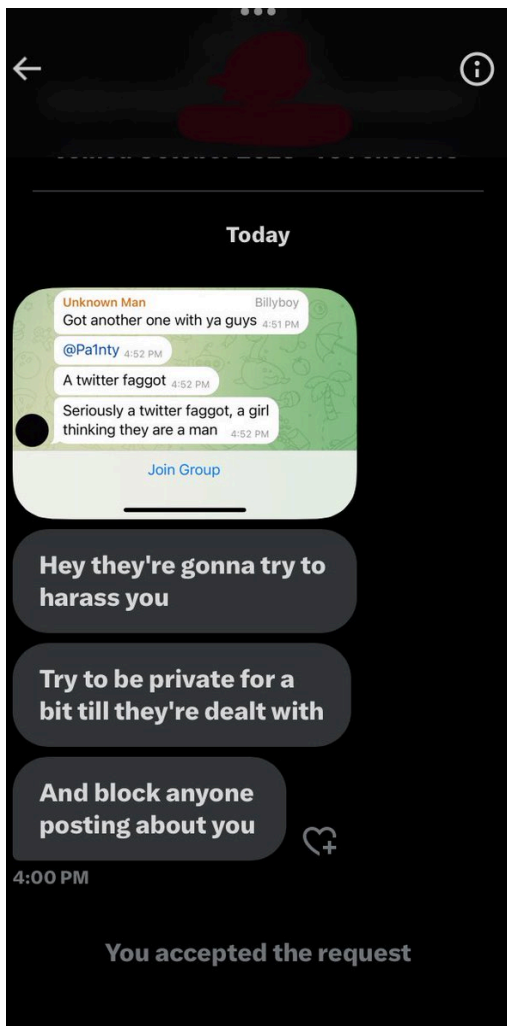

The DM sent to Alice in 2022(it was literal SCP Pornography):

This is very disgusting and i think the screenshots say for themselves as to why

## Subsection 2.4: Aggression, doxxing threats and harassment

Nick has sent harassment to people named Mirai and Aiko, screenshot below shows them trying to organize a hate campaign against Aiko

He also harassed Mirai presumably on Twitter but he deleted the post(s) before anyone could screenshot them

He threatened to doxx/find the location of Kerim for telling him to stop what he's doing, here's the screenshots

**Nick-** Yesterday at 23:33

Why would you all think I'm going too far  
This is revenge

**Kerim**  Yesterday at 23:33

because you are

**Nick-** Yesterday at 23:33

This is vengeance  
It's a taste of their OWN fucking medicine

@Nick- This is revenge

**Kerim**  Yesterday at 23:33

what revenge? harassing a 3rd girl?

**Nick-** Yesterday at 23:33

MIRAI  
FUCKING LIED ABOUT ME

**Kerim**  Yesterday at 23:34

first you sexted pastel (12-13 at the time)  
then mirai  
and now aiko

**Nick-** Yesterday at 23:34

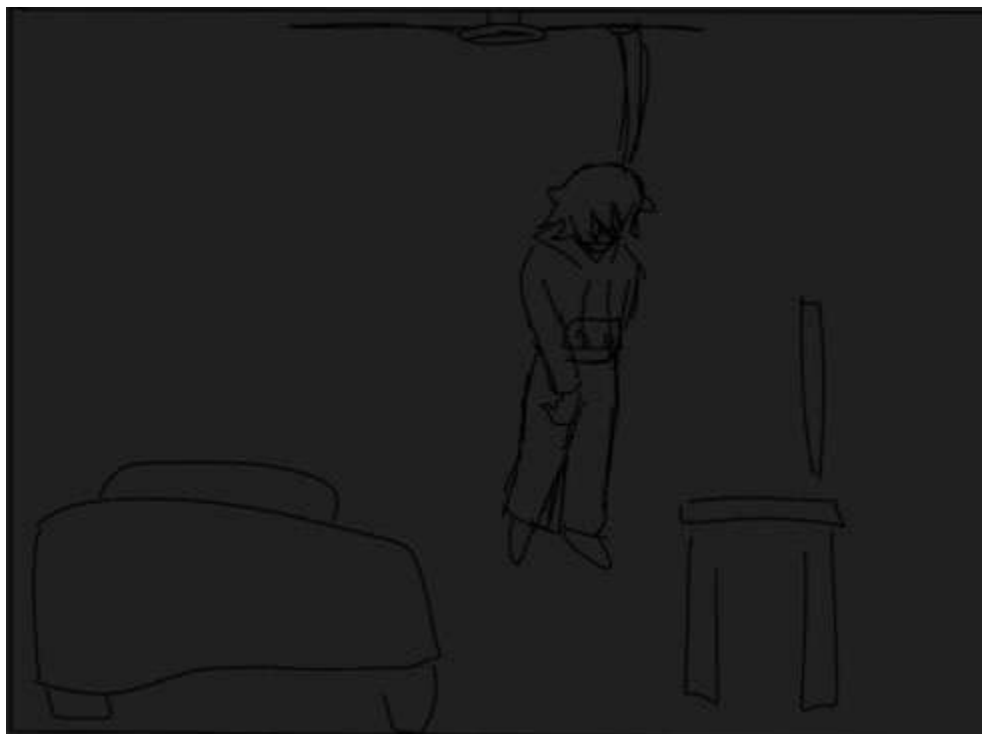

AIKO?  
YOU LYING

This is very disturbing to say the least.

## Subsection 2.5: Suicide baiting + attention seeking

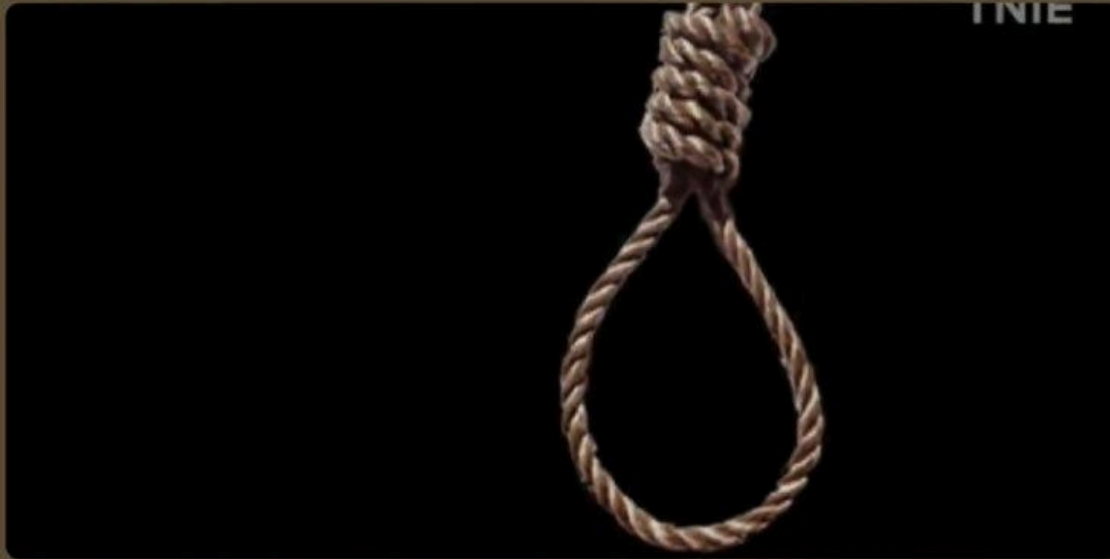

Nick was attention seeking and suicide baiting on twitter after all the stuff from above has been exposed to the public, screenshots provided below show evidence of him suicide baiting and attention seeking.

Hello everyone, tonight I want to address something and I think it's something that everyone wants it to be addressed, mainly it's all about my past  
A month ago, I did something horrible and I regret doing it, I..I faked suicide before..

I never stop and think about the consequences it had, and what valuable stuff I could lose, and trust me I lost a lot of stuff and want it back, everything..

A lot of guilt still haunts me to this day and I'm here to simply apologize of what I did, and I regret it, Plus I learned my lesson, that suicide isn't something to joke with..and I'm not expecting to be forgiven and I don't think I AM gonna be forgiven...

**Nick** @NRaad119 · 26s

I'm only here to apologize and take accountability what I did..I'm sorry for faking suicide and putting my friends

**Este** Today at 00:42

that man also wanted me to draw vent art for him and I stupidly said yes but I never did it  
(thanking myself rn)

**Deleted User** 05/20/2023 7:38 PM

Hey!

Uhh

Is it a bad time

**Пейнти** 05/20/2023 7:38 PM

Oh

**Deleted User** 05/20/2023 7:38 PM

To ask for a vent commission

**Пейнти** 05/20/2023 7:38 PM

Hi

.

Uh

Sorry, I don't have commissions open at the moment.

**Deleted User** 05/20/2023 7:39 PM

ah it's fine

**Пейнти** 05/20/2023 7:39 PM

I'm sorry

But may I ask why?

**Deleted User** 05/20/2023 7:40 PM

Aha don't I'm

Um

I mean

**Deleted User** 05/20/2023 7:40 PM

Aha don't I'm

Um

I mean

I wouldn't tell you

you would know

If I did

**Пейнти** 05/20/2023 7:40 PM

Just tell me please

**Deleted User** 05/20/2023 7:40 PM

If you were open

Don't bother

If I do it would bother you

**Пейнти** 05/20/2023 7:40 PM

Just tell me

**Deleted User** 05/20/2023 7:41 PM

Why

**Пейнти** 05/20/2023 7:42 PM

Cuz maybe I can do it for free

**Deleted User** 05/20/2023 7:42 PM

**Пейнти** 05/20/2023 7:44 PM

**Deleted User** 05/20/2023 7:45 PM

because you would know

**Пейнти** 05/20/2023 7:45 PM

**Deleted User** 05/20/2023 7:46 PM

because you aren't open

With your commissions

Can't tell an artist what I want when they aren't open!

Would be a wrong thing to do

**Пейнти** 05/20/2023 7:47 PM

I'm literally offering it to you if you just tell me what it is

Depends on what it is

So

It depends

If you just tell me

**Deleted User** 05/20/2023 8:07 PM

It's just

A situation

That's all I gotta say

Because

**Пейнти** 05/20/2023 8:08 PM

Because?

**Пейнти** 05/20/2023 8:08 PM

Because?

**Deleted User** 05/20/2023 8:09 PM

oh uh

Because I don't wanna

Bother you with the rest of the details

And just get straight to the point

because you would get mad and I don't want you upset

**Пейнти** 05/20/2023 8:09 PM

Just tell me

**Deleted User** 05/20/2023 8:10 PM

Nothing can't hurt my feelings if I don't care

Can\*

**Deleted User** 05/20/2023 8:11 PM

Ash no

It's just

I can't tell you the situation

Otherwise

You gonna

 **Deleted User** Ash no

**Пейнти** 05/20/2023 8:12 PM

**Deleted User** 05/20/2023 8:17 PM

I said no  
No is no

**Пейнти** 05/20/2023 8:20 PM

**Пейнти** 05/20/2023 8:21 PM

I'm not gonna be open for a long while

**Deleted User** 05/20/2023 8:21 PM

Plus I don't

Draw vent drawings.

Vent drawings are very personal and should be made by the one who is venting.

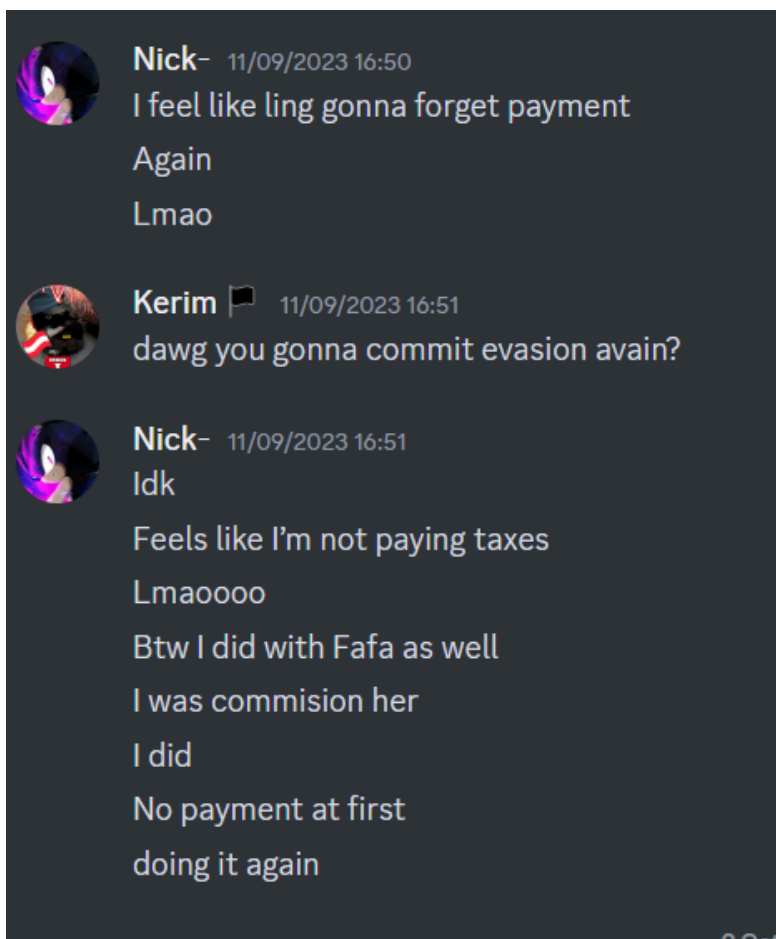

**Deleted User** 05/20/2023 8:23 PM

oh

that's ok

## Subsection 2.6: Scamming an artist

In DM's with Kerim Nick has admitted to scamming an artist, and said that he will do it again. The screenshots speak for themselves and i have nothing further to add

## Subsection 2.7: Grooming, rape and CP

Nick has sent sexually charged messages towards Pastel, who was 12-13 at the time of 2022, Nick would have been 16. Since hes from Florida this would count as Statutory rape because Pastel at some point was under the age of 13.

Nick has also sent morphed CP to a DM/Group chat on twitter. Morphed CP is when you edit a video/image to depict the minor being in sexual context, he sent an edited version of a vine where a girl said “happy easter everyone” and then opened the door to an uncle who said “its your uncle!” presumably the one which Nick sent has footage of someone having a sexual intercourse, implying its the girl. Which would fall under the definition of morphed CP

yes. a video is a bunch of images mixed together to create motion. What did you think fps meant

- Nick** @Dnick203 · 22h  
Buttttt it wasn't even a childdd!  
It doesn't make CP!!!  
CP involves young children!  
There was two adults at the end and it can be confirmed!

BUT IT'S IMPLYING CHILD SEXUAL ABUSE  
THAT'S THE THING  
IT IMPLIES MUCH WORSE  
SO IT'S ILLEGAL AND CONSIDERED CP BY FEDERAL LAW

## Section 3: 2024

This section is not gonna contain much but it is still worth mentioning

### Subsection 3.1: Suggestive avatars

This section is not gonna be that serious but Nick had inappropriate items/avatars on his account, when confronted he denied it despite there being evidence through his outfits, when he made the response thread on twitter he only showed I believe back and shoulder accessories when it was still up. Right now his roblox account only has one outfit... I wonder why.

This just proves how disingenuous he is... is what i would say if he wasn't dumb enough to post images of his suggestive avatars in a GC.

## Subsection 3.2: ERP with a 15 year old

Nick has ERP'd with a 15 year old who wishes to be anonymous, when confronted about this he said she forced him into an ERP, despite him being 18 at the moment. Screenshots provided are of him ERP'ing. And then being confronted about it.

## Section 4: Why write the document & Conclusion

I wrote the document because Nick can't just keep getting away with what he has done. And also because the thread I wrote on Rinn's account is now "lost media" because he got suspended, lol.

### Subsection 4.1: Conclusion

Nick is a degenerate loser who can't be trusted with a platform, he has proven multiple times that he is not trustworthy of one and if given one he will abuse it for his desires, he still denies what he did to this day.

## Section 5: Credits

Kerim: For writing [the actions of Dustnick204](#), from which i pulled most if not all of the evidence for 2022-2023 section

ArmoredReality: For providing screenshots for most if not all of the evidence in 2024 section
