

## BUSINESS SKILLS

The Else School of Management seeks to provide management education leadership in the South, bringing to business the broad perspectives, global awareness, and intellectual exploration that characterizes Millsaps College.

**FINANCE**  
Else School Students are given a most challenging curriculum.

**ECONOMICS**  
Within the Business Major, my specialty is Economics.

**MARKETING**  
Advanced classes put the emphasis on consumer psychology.

**ACCOUNTING**  
Classes are taught in small groups that solve business problems.

**JAPANESE**  
I plan to continue my study of this challenging language.
