 04 - Angle (Front-to-Side), Opposing Direction
 05 - Angle (Front-to-Side), Right Angle/Broadside

Trooper Alcon
P2013211474

Vehicle 1 was turning around at the intersection of Napier Rd and Hwy 50. Vehicle 1 attempted to turn northbound on Hwy 50. Vehicle 1 got half way into the northbound lane when Vehicle 2 was approaching. Vehicle 1 did not have enough time to get the trailer in the northbound lane. The trailer was blocking the southbound lane when Vehicle 2 was approaching. Vehicle 2 was traveling southbound and did not see the trailer in its lane of travel. Vehicle 2 struck the rear end of the semi trailer. The impact caused Vehicle 2 to rotate counter clockwise coming to rest facing eastbound. The impact caused both front air bags to go off on Vehicle 2. There was major damage to the front end of Vehicle 2. I observed damage to the 4th axle of Vehicle 1. Vehicle 1 had a blown tire and damage to the rim.

I spoke to driver of Vehicle 1. He stated that he was turning around to head back to Gillette. He stated that he thought it was clear to turn around. He said when he began to turn around the truck stalled causing his trailer to block the southbound lane.
