CLOSEUP OF BILL

Description

Closeup of billNarrative text

On 02-02-2021 at approximately 0705, while unlocking Building #16, I happened to glance at the bulletin board located near the east entrance of the building. My attention was drawn to a dollar bill pinned to the board. Closer inspection of the bill revealed personal writing which was essentially an add. I checked both sides of the dollar bill but did not locate the college stamp indicating that it had been authorized for posting.

After obtaining a couple of photos of the dollar bill, it was removed for violating the CCS posting policy. The dollar bill was then taken to the OCS office where it was entered as Found Property. The photos and also a scanned copy of each side of the bill have been saved to the digital media section.

On the back of the bill (the side shown while it was posted), the add stated: Trying to form a study group-Bio + Health. In the middle of the bill it normally states In God We Trust. God was crossed out and the name of Wern was written below. Below that was a phone number (509) 715-5449. At the very bottom of the bill was written: 1 man. 4 people. Are women not smarter and empathic?

There have been similar postings around campus. The name of Wern refers to student Lucas Werner. I checked, and the phone number on the bill matches one of the numbers for Werner. Specifically it is his currently listed cell phone number in ctLink.

As Student Services personnel have been dealing with the postings, I called and spoke with Employee Connan Campbell. He was informed of the dollar bill add and then later provided with the scanned copies.

As of now, the dollar bill will be stored in the property safe for at least the next 90 days. If not claimed within that time, the dollar bill will be donated.
