Have you considered communicating with other troopers instead of looking for new unilateral actions you can take and crossing your fingers real hard that THIS one will somehow work?

[BlueGuy](#)

"A gay character" is textbook [People Sit On Chairs](#).

I'm dropping my bomb.

[mightyawtron](#)

Sep 7th 2020 at 3:28:00 PM

BRB gonna go propose "Straight" as a trope.

If anything this brings attention to the sexuality/gender tropes we still need to evaluate for being chairs i.e. [Transgender](#).

OP, you should really check out [Queer As Tropes](#). We have many tropes that cover specific ways being gay can be played in a work. Your [Single Issue Work](#) is unnecessary. (And this is coming from someone who misses [Bi The Way](#) and wants to find more bi tropes.)

[wingedcatgirl](#)

Sep 7th 2020 at 3:29:00 PM

^ [Het](#) is technically a page that already exists :p (Though it's a [fanspeak](#) definition-only page)
[Asexuality](#) had its TRS thread declined for lack of evidence that there's an actual problem, so it seems those pages aren't going anywhere without a [wick check](#).

[XFilo](#)

Sep 7th 2020 at 3:40:47 PM

Tossing my bomb. Gay people sit on chairs.

OP, this isn't how you propose a trope. And it most certainly isn't a constructive way to solve an edit war or disagreement over dubious examples or cut tropes.

[ccorb](#)

Sep 7th 2020 at 3:44:22 PM

As a matter of fact, we better start doing the wick checks for [Asexuality](#), [Transgender](#), and [Het](#).

^ Could we have a new [Mario Pissing](#) on our hands?

[MegaJ](#)

Sep 7th 2020 at 4:18:01 PM

I did see this troper's previous edits...

Bombing, but I will say that the site probably does need to put on the main page major changes to tropes to avoid situations like this, because otherwise it looks like erasure, a Berserk Button to most LGBT people. I mean, I know why [Badass Gay](#) was cut, but a link to the discussion thread on the front page hurts no one.

[Pinetree9102](#)

Sep 7th 2020 at 4:24:23 PM

Uh... there *IS* a [homosexual Useful Notes](#) page.

[mightyawtron](#)

Sep 7th 2020 at 4:30:42 PM

^^I sympathize because again, I deeply miss [Bi The Way](#) and I do like reading about representation, but if we want a list of gay characters in media, [The Other Wiki](#) does that. Heck, there may be [Unfortunate Implications](#) in listing "gay" in itself as a trope as if it's in itself some deviation from the norm that is played in a specific way.

So OP, I implore you to seek out other tropes relating to the portrayal of gay people. If you think we're missing a trope for a certain kind of gay character, then propose that specific trope. That's how we can increase LGBT trope visibility on the wiki.

[Crossover-Enthusiast](#)

Sep 7th 2020 at 4:32:45 PM

^^^ It was mentioned multiple times in the edit reasons removing their examples, to which they then dumped their examples into ^^ [UsefulNotes.Homosexual](#) in an attempt to bypass it.

- audgetrouble Sep 7th 2020 at 7:09:01 PM
 we should really have a forum for things like this—by this I mean bad TL P's—where we can discuss these things after their TLP pages are inevitably shut down.

 ^ Makes sense
- mightymawron Sep 7th 2020 at 7:11:29 PM
 ^^ The TLP Crash Thread helps deal with bad drafts that get *launched* (or are at risk of launch) but I'm not sure where we can talk about drafts that have already been nuked. The damage is usually done so there's not much left to do but point and laugh, and I'm not sure if that would fly.

TheGeekArtist08

IDK about the Mario Pissing one.

I left a bomb back when there was only 13 bombs. Now I come back and there's 72. Wowzers.

DivineFlame100

^ And at 69 bombs, all of them went off to nuke the servers.

Malady

Sep 7th 2020 at 7:33:33 PM

Well, this is a good way to see... How many people are willing to hat / bomb a TLP that's clearly a valid bomb / hat...
This has the most votes of any draft so far? I wonder if it'll hit 100... And how many are regulars.

mightyewtron

Sep 7th 2020 at 7:37:15 PM

Holy shit, I didn't even notice it was 69 bombs when the servers went off. That's even better.

Florien

Sep 7th 2020 at 7:49:12 PM

This Would-Be ZCE magnet has explosives packed around it, while the fuse yet burns. In 68 hours, the fuse will hit the bombs, and this chair on which people sit will be annihilated in body, but you cannot kill an idea. You cannot kill a legend. We will, nay, we must pass this legend on to our children, our grandchildren. But until then, bring your explosives, one and all, and plant them around the base of this draft. This moment will live on in history.

TheGeekArtist08 Sep 7th 2020 at 7:51:02 PM

Florien's post is just gold-

DivineFlame100 Sep 7th 2020 at 7:53:26 PM

^^ I'm adding that to the funny page.

Troper3 Sep 7th 2020 at 7:55:31 PM

I guess we must have over 80 people who regularly use TLP. I didn't think this website was that popular.

PurpleEyedGuma Sep 7th 2020 at 7:55:11 PM

More like 79 people and one chaos enthusiast. :)

Troper3 Sep 7th 2020 at 7:56:02 PM

Or maybe everyone was creating alt. accounts just to bomb this.

TheGeekArtist08 Sep 7th 2020 at 7:56:41 PM

And someone messing around lol.

rjd1922 Sep 7th 2020 at 8:06:22 PM

^^^^I'm not on TLP regularly, I just came here from ATT. I linked this on the "entries that make you go 'Lo!' thread". ■ Hopefully that will help bring enough people to break the bombing record.

VidEXGuy Sep 7th 2020 at 8:07:12 PM

Here's my theory:

Most of these are people who rarely if never use the TLP but are savvy enough to recognize a supremely terrible TLP submission when it's on the main page so they correctly guess it will be flooded with bombs and come to join in. This type of herd mentality is what results in things like Mario Pissing and this.

Mr.BOB Sep 7th 2020 at 8:08:10 PM

4 hours and 80+ bombs... I've never seen this kind of reaction before! Hahaha!

TheGeekArtist08 Sep 7th 2020 at 8:08:30 PM

Vid, you got it right! I never actually used this, but this is so horrible, I've got to participate on the bombing.

VidEXGuy Sep 7th 2020 at 8:08:48 PM

Honestly it hurts to see something (potentially) dethrone Mario Pissing but at least I'm here for this one too.

Theatre_Maven_3695 Sep 7th 2020 at 8:10:17 PM

This is so blatantly bad, I can't even. Lol *tosses bomb*

TheGeekArtist08 Sep 7th 2020 at 8:10:00 PM

OP, are you a troll?

VidEXGuy Sep 7th 2020 at 8:10:39 PM

I wouldn't count on it considering that apparently before this they were edit warring about the Badass Gay trope.

PurpleEyedGuma Sep 7th 2020 at 8:11:31 PM

Unlike Mario Pissing, this draft DESERVES to be bombed to hell and back. It's on the road to surpassing it, methinks.

TheGeekArtist08 Sep 7th 2020 at 8:12:03 PM

OP DID YOU MADE AN ALT JUST TO HAT THIS

VidEXGuy Sep 7th 2020 at 8:12:11 PM

Florien Sep 7th 2020 at 8:12:34 PM

I hereby dub this event "Mario Pissing 2: This time it's personal."

Oshawott337 Sep 7th 2020 at 8:14:22 PM

I've noticed Mario Pissing has more bombs then it did before. I guess people are now seeing it and going to bomb that one, too, even though it's already been nuked.

TheGeekArtist08 Sep 7th 2020 at 8:15:52 PM

Yeah, I bombed that one too lol

DivineFlame100 Sep 7th 2020 at 8:17:06 PM

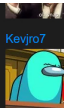

^^ Welp. So much for the new world record.

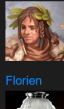

Weirdguy149 Sep 7th 2020 at 8:17:34 PM

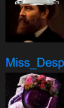

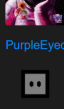

I usually don't participate in these, but I have to. Why did you think this was a good idea?

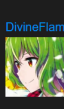

Kevjro7 Sep 7th 2020 at 8:18:19 PM
 Alright everyone, place your bets on how many bombs this will end up with before it gets nuked. This definitely isn't part of a plan to bolt off with your money while you're all distracted by the nuke explosion. My bet is that this'll end up with 200 bombs. And Ninety Nine Cents.

Florien Sep 7th 2020 at 8:18:50 PM
 ^^^ Well, at time of nuke Mario Pissing had 131 I think. So if we beat that, this will have higher bombs at time of nuke.

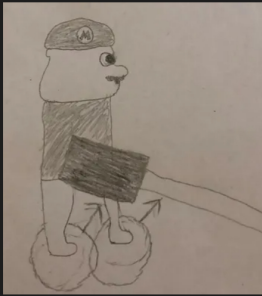

TheGeekArtist08 Sep 7th 2020 at 8:19:09 PM
 ^^ At least 100.

Florien Sep 7th 2020 at 8:19:30 PM

WoodKnapp94 Sep 7th 2020 at 9:09:05 PM

this is frankly tearjerkingly beautiful, the simplicity of the title, the way that the trope has reached 100 bombs in a mere day, the artistic parallels between Mario Pissing and Gay, this is perhaps, no, this is DEFINITELY the greatest piece of crap I've ever seen. Its crappiness is so outstanding, that much like a 8 bit videogame trying to go over the number 256 and rolling back, it rolls back into comedy gold.

^^^ No problem Kev :)

But yeah, while this may seem like dogpiling and bullying, it's also stress relief. Some of the non-TLP regulars may not know this, but we go through a lot of bullshit here at the TLP. I mean, we also have a lot of issues in ATT and other forums to deal with daily too, so it's not a TLP-specific issue I guess. Point is, we deal with a lot of shit. It's frankly emotionally exhausting and easily makes you cynical.

Something like this is catharsis; something we can just laugh at and be silly on knowing this draft is destined to be nuked.

A little mean? Yeah, maybe.

But satisfying as all hell? **Oh yes.**

It's 12 pm here, soo

-  Kappaclystica Sep 7th 2020 at 10:09:25 PM
We're at [One Hundred And Eight](#) bombs now. hype!
-  Awe921 Sep 7th 2020 at 10:10:12 PM
24 bombs left to break the record
lets do this
-  Crossover-Enthusiast Sep 7th 2020 at 10:10:50 PM
My sleep schedule is borked so I can watch this as long as I want!
...I do want some food though...
@mightymewtron I think there's still a suggestion thread for it somewhere.
-  Zanreo Sep 7th 2020 at 10:10:38 PM
We sure set up this the bomb(s)
-  Kevjro7 Sep 7th 2020 at 10:11:12 PM
Added laconic so the page can be edited, and added curly brackets around "Homosexual" so the [Useful Notes](#) link works correctly.
-  Vilui Sep 7th 2020 at 10:11:26 PM
And this is the 300th comment.
-  Piterpicher Sep 7th 2020 at 10:17:04 PM
I dunno guys. I think I would have added this to [Timeline.TV Tropes](#) only if this got 200 bombs or at least 169 (13*2). Still, the comment density compared to Mario Pissing makes this kinda look like all bark, no bite.
-  DivineFlame100 Sep 7th 2020 at 10:14:09 PM
@Kevjro7 - Why?!
-  Florian Sep 7th 2020 at 10:14:56 PM
We're at 111 bombs and still have two days to go. 21 bombs to smash through the previous record.
-  Kevjro7 Sep 7th 2020 at 10:15:38 PM
^^ Why not?
-  wingedcatgirl Sep 7th 2020 at 10:19:06 PM
It's gonna get nuked in "checks timestamp" 40 64 hours, no matter what happens in the meantime.
-  Florian Sep 7th 2020 at 10:17:14 PM
Oh, I thought it was three days, not two.
-  TheGeekArtist08 Sep 7th 2020 at 10:17:36 PM
I could understand the usage of "bomb" and "nuke" here, but hat..? Why a hat for approval?
-  Kevjro7 Sep 7th 2020 at 10:24:44 PM
^{^Trolls-and-seek-puppets}. Edit: Thought you were talking about why this draft has hats at all, not why we use hats for launch approval.
-  Florian Sep 7th 2020 at 10:18:47 PM
^^No one knows. It's very mysterious. Maybe has something to do with throwing a hat into the ring?
-  Awe921 Sep 7th 2020 at 10:18:35 PM
DAWN OF THE SECOND DAY
40 HOURS REMAIN
-  DivineFlame100 Sep 7th 2020 at 10:18:40 PM
21 more bombs!
-  Piterpicher Sep 7th 2020 at 10:20:57 PM
I'm also pretty sure it was three days as well. As for the hat, some people find it funny. Anyway, my milestone is going to be 169 or 200 and you people aren't changing my mind. (I admittedly slept through all the ruckus)
-  wingedcatgirl Sep 7th 2020 at 10:19:48 PM
It is three days, my brain just can't do unit conversions properly :p
-  PrincessPandaTrope Sep 7th 2020 at 10:19:58 PM
Onto [Funny.TV Tropes](#)?
- TheGeekArtist08 Sep 7th 2020 at 10:19:58 PM
Not really helpful, but okay.
- Florian Sep 7th 2020 at 10:20:27 PM
I think the question was actually related to why the approval button is called the "hat" button, rather than the "support" button or some other thing that makes more sense on paper.

 ^ The OP might not. A troll, though? Possibly.

DivineFlame100 Sep 7th 2020 at 10:30:02 PM

 My money's on a bulmabriefs144 sock rogue launching this.

Florien Sep 7th 2020 at 10:30:21 PM

 Or alternately, someone not even remotely paying attention will be like "ooh a launch button I will click it and then click it again"

Keyjro7 Sep 7th 2020 at 10:30:50 PM

 AAAA They're gonna be suspended for edit warring anyway once the mods see the ATT post they made.

Crossover-Enthusiast Sep 7th 2020 at 10:30:49 PM

 Honestly I wouldn't mind if it launched, if only because it'd be up for like five minutes before the mods take it down with prejudice after being relentlessly spammed with *PLEASE UNLAUNCH GAY* hollers 😊

wingedcatgirl Sep 7th 2020 at 10:32:03 PM

 
AAAA Oh, yeah. It's all coming together.

mightymewtron Sep 7th 2020 at 10:32:20 PM

 THEY'RE PUTTING HATS IN THE DRAFTS AND TURNING THE FRICKIN' TROPES GAY!

EiBuenCuato Sep 7th 2020 at 10:32:35 PM

 I certainly don't like the idea of this draft launching.
Although a certain part of me would like it, as then we will have proof of how broken the process is and something might be done about the Hat-Bomb Dichotomy (wishful thinking.)

WarJay77 Sep 7th 2020 at 10:33:13 PM

 The biggest issue with the TLP, honestly: It doesn't matter how many bombs there are. Once it hits 5 hats, it can be launched.

ImmiThrax Sep 7th 2020 at 10:40:08 PM

 I'm disappointed this didn't get fleshed out more, so I gave it a shot to add more context:
REAL LIFE

- There are many people who are gay in real life. You might be gay and not even realize it!
 - Actually, some people are bisexual.
 - There's no such thing as bisexuality!
 - Uh, yes there is! Google it
 - Oh you're right my bad
 - Im gay
 - How do I know if I'm gay?
 - I'm gay, and so's my headmate!
 - That's not quite the standard definition of selfcest.

v Added

TempestSystem Sep 7th 2020 at 10:36:51 PM

Awe921 Sep 7th 2020 at 10:38:05 PM

 oh hey everyone is here, apparently

ImmiThrax Sep 7th 2020 at 10:38:51 PM

 Yes, in the future we shall hear them cry, "SOMEONE STEALTH/NINJA/ROGUE-LAUNCHED GAY!"
Personally, I picture the bombing like that Mouser boss in *Super Mario Bros 2* that threw *Cartoon Bomb* after *Cartoon Bomb*. **"BOMBI!"**
P.S. If you're gay, you automatically gay bomb. It's one of our superpowers.

WoodKnapp94 Sep 7th 2020 at 10:39:38 PM

 Nobody wanted to miss such a historic moment.
Edit: *why do i keep getting ninja'd?!*

Bubblepig Sep 7th 2020 at 10:41:29 PM

 This is so freaking hilarious I can't stop laughing at it XD! Honestly I get that you don't like the removal of Badass Gay but this is the most ridiculous thing I've ever seen in TV Tropes. Also congratulations on your 100+ bombs.

WarJay77 Sep 7th 2020 at 10:39:41 PM

 AAAA This is the most ambitious crossover in history.

Awe921

I'm up for a [Gay People Sit On Chairs](#) page. (It'd actually have a beneficial purpose too, because some people do like to see lists of gay characters in media anyway.)

Piterpicher

Sep 7th 2020 at 11:02:53 PM

My pic for this whole fiasco, also applies to Mario Pissing (edited after posting to align better, reuse if needed):

Awe921

DelphineTheDelphox

Sep 7th 2020 at 10:53:53 PM

Added this to [Funny.TV Tropes](#):
• The draft somehow received five hats, garnering a [Mass Oh Crap](#) at the potential of actually launching.

AAA I instinctively read that in Joseph Joestar's voice.

CustardAndPie

Sep 7th 2020 at 10:58:35 PM

In all seriousness though, why did this get 5 hats. If it weren't for the 3 day wait this actually may have gotten launched. WTF

WarJay77

Sep 7th 2020 at 10:58:51 PM

 Holy shit yes, we need that JFF page.

Zahreo Sep 7th 2020 at 11:00:28 PM

 ^x7 Sure, why not? I'd be up for that too!

Theatre_Maven_3695 Sep 7th 2020 at 11:01:01 PM

 ^^^^ Same. In fact, my reaction upon seeing five hats, before I even saw that post, was "HORY SHET!!"

DelphineTheDelphox Sep 7th 2020 at 11:01:02 PM

 ^^^^ Something that rhymes with bowls.

Piterpicher Sep 7th 2020 at 11:02:07 PM

 If you want that JFF page, sure.
Alternative version:

Awe921 Sep 7th 2020 at 11:02:08 PM

 if this launches we have valid proof on why the hat/bomb system is flawed, a new just for fun page is born, alongside much needed catharsis... starting to think this is a blessing in disguise

VidExGuy Sep 7th 2020 at 11:02:18 PM

 Is this beginning to get a little old to anyone else?

WoodKnapp94 Sep 7th 2020 at 11:03:10 PM

 Why don't we just change this to the [Just For Fun](#) namespace and launch it? Or do namespaces not work that way?

VidEXGuy Sep 7th 2020 at 11:03:15 PM

 By the way, loving Piter's pictures.

DelphineTheDelphox Sep 7th 2020 at 11:04:21 PM

 Come on! We need more bombs!

CustardAndPie Sep 7th 2020 at 11:08:38 PM

 Welcome to the TLP, where everything is made up and whether or not something is tropeworthy doesn't matter.

wingedcatgirl Sep 7th 2020 at 11:08:43 PM

 ^^ All bombs are gay. I will not elaborate on this.

WarJay77 Sep 7th 2020 at 11:09:22 PM

 ^^^^ They don't work that way. The TLP can only launch Main/ articles.

Van-San Sep 7th 2020 at 11:10:01 PM

DelphineTheDelphox Sep 7th 2020 at 11:10:46 PM

 ^^^ So am I. I still want more, though.

CustardAndPie Sep 7th 2020 at 11:14:01 PM

 As someone who is a lesbian, I can confirm that this draft's gay.

TheGeekArtist08 Sep 7th 2020 at 11:14:15 PM

 Guys, is OP even online?

mighymewtron Sep 7th 2020 at 11:14:49 PM

 Serious talk though: if we make a JFF page where the joke relies on gayness being a trope, even though everything in here has been lighthearted, we better keep a close eye to make sure it doesn't devolve into laughing *at* gay folks.

DivineFlame100 Sep 7th 2020 at 11:15:25 PM

 @TheCreekArtist - Probably not.

Kevjro7 Sep 7th 2020 at 11:15:43 PM

 ^^ Agreed.

Kappadystica

WarJay77

^^^ It's already there. And yeah, let's keep an eye on the JFF page.

Piterpicher

Sep 7th 2020 at 11:16:44 PM

Agreed with that JFF page concern. For completeness' sake (ask me if you have ideas for other versions):

VidEXGuy

Sep 7th 2020 at 11:19:39 PM

If we add the JFF page, is it ok if we have the page quote be "Son of a Bitch" - Tropers? On the other hand the stuff here I agree has been mostly lighthearted fun at a bad submission but let's keep ourselves in check to make sure we don't end up being dicks even though the person made this in bad faith.

Me in 2011: This website's cool! I can't wait so see what's in store for the future!

Me now. But in all seriousness, maybe it's time to reevaluate the hat/bomb system?

Piterpicher

Sep 7th 2020 at 11:25:30 PM

Some history pages have thousands of edits and one of them weighs more than 60 MB (that's more than the entirety of *Kings Quest V Absence Makes The Heart Go Yonder...*, the CD version. You know, a game with hundreds of sprites, over 50 320x200 256-color pics, MIDI music, voice acting for nearly every line, and of course the programming). This is small potatoes compared to

that (though it does make my phone lag).

Florien Sep 7th 2020 at 11:24:27 PM

In which we haven't had more bombs for a while. That is sad.

ImmiThrax Sep 7th 2020 at 11:25:07 PM

Florien Sep 7th 2020 at 11:29:37 PM

I wait for the site to crash again at that. I almost hope it does, because then the site crashed at 69 bombs and also 420 comments.

Florien Sep 7th 2020 at 11:30:10 PM

but it didn't, so we're good here. Not as funny, but less inconvenient.

mightymewtron Sep 7th 2020 at 11:45:05 PM

TheGeekArtist08 Sep 7th 2020 at 11:48:12 PM

Kevjro7 Sep 7th 2020 at 11:49:02 PM

^^^^^^ Is that a page quote proposal?

Florien Sep 7th 2020 at 11:49:50 PM

^ Stinger proposal I think.

mightymewtron Sep 7th 2020 at 11:52:53 PM

^^^^^ Oh, like you've never thought Statter and Waldorf are like that? I ironically want to see Statter and Waldorf as an old married couple.
^ It was a half-serious stinger proposal, though I'd have to run it by the discussion page first, I guess.
It'll be fun to find a page quote, though.

VidEXGuy Sep 7th 2020 at 11:51:14 PM

My proposal was based off of Piter's images
"Son of a Bitch!"
- Tropers

DivineFlame100 Sep 7th 2020 at 11:51:41 PM

...
Actually, now that I think of it, I'm starting to worry that we may have gone off the deep end here. If the mods see this, they would claim we're all engaging in homophobic statements as well as being a dick, and that could get us mass-suspended.

TheGeekArtist08 Sep 7th 2020 at 11:53:26 PM

Oh crap. We should probably stop.

Piterpicher Sep 7th 2020 at 11:54:59 PM

I mean, Mario Pissing brought us no suspensions, they'll likely realise this is just a joke here as well (if they do see it, I don't think they saw that draft anyway).

Awe921 Sep 7th 2020 at 11:53:58 PM

Uh oh

mightymewtron Sep 7th 2020 at 11:57:13 PM

^^^^ Like I said, the homophobia thing was my concern. My contributions have mostly just been as a bisexual girl who makes jokes about being gay all the time, but that's not always the homophobic we have on this wiki. Most of the IFE pages would be in jokes for LGBT tropes but

demographic we have on this wiki. My idea of a page would be in-jokes for LGBT users but that's not really feasible on a wiki.

^^ [There's not a risk of offending the pissing Mario community.](#)

v The dogpiling on the draft might be read as harassment but again, Mario Pissing wasn't seen as dogpiling and most of the comments haven't been at the expense of gay people, just at the expense of lazy drafts. I wonder if the flood of comments might be a greater concern for mods.

We should probably put a note on the newly edited draft that the community has been editing it as a jokey sandbox deal, and the original bare-boned, borderline-spiteful draft was much more worthy of the bombs.

VidExGuy

Sep 7th 2020 at 11:54:21 PM

As long as they see it's all directed towards the draft itself I think we should be fine.

VidExGuy

Sep 7th 2020 at 11:55:16 PM

^^ YOU'D BE SURPRISED.

WarJay77

Sep 7th 2020 at 11:56:18 PM

The mods aren't stupid, they'd read the comments and might think we're all being slightly dickish, but would see that the jokes were made in good fun and had no intention of being offensive. We should be okay, and we could all appeal together in Edit Banned worse case scenario.

Awe921

^ That's a TLP quirk. It thinks the last comments are edits made by the most recent editor.

unfortunatexoria

But yeah, Hi mods. This is all in good fun. We're all just partaking in some community spirit and making the best of a bad draft, and in the process have come up with some pretty funny material and a JFF page idea. None of this was meant in bad-faith; we're just having a laugh, and tomorrow we'll return to taking things seriously. Already this has spawned new discussion on the issues in the TLP system as well as brought more people to the TLP than ever before, so you can see we're not all just here to gawk. The endless train of comments may seem unsavory, but I promise, we're posting with only the intent to laugh and poke fun at it all.

I think the mods will see that the discussion started out with normal criticism of the mindset behind an salvageable draft, and only after a bunch of bombs rolled in did it devolve into pure Bile Fascination.

Anyway, now I reallly need to sleep. Things are winding down so I no longer feel the need to stay and watch the chaos unfold. Fingers crossed for a good outcome tomorrow, and have a good night ya'll.

Kevjro7 Sep 8th 2020 at 12:46:09 AM

 This is the most fun I've ever had on TV Tropes; I am so glad that I made this draft editable.
Anyway, since a lot of other people are doing it, I'm going to bed now too. Good night everyone.

DivineFlame100 Sep 8th 2020 at 12:46:34 AM

 Yeah... We're in trouble ■.
Welp. It's been nice know you guys.

mightymewtron Sep 8th 2020 at 12:50:52 AM

 ^ I think ATT is stricter about unhelpful commentary than TLP. Bringing this gag to the ATT query wasn't necessary, though.
This is a weird night.

ImmiThrax Sep 8th 2020 at 12:58:37 AM

 ^^ I think that's because it veered off of addressing the OP into talking about the OP and derailing into issues brought up by it, and further derailing into questions not related to the OP.

Piterpicher Sep 8th 2020 at 1:00:45 AM

 Yeah, exactly. Still, my memes are for fun only, no offence meant. Speaking of which, I've just thought up another variant (not sure if good, but still), even though I won't be at my computer for several hours.

VidExGuy Sep 8th 2020 at 1:06:44 AM

 Go ahead and share it when you can even if you don't think it's good.

Snicka Sep 8th 2020 at 1:14:16 AM

 5 hats? Not sure who the hatters are, but they must be mad.
Also, since it has 5 hats, it's launchable, right?

ImmiThrax Sep 8th 2020 at 1:15:16 AM

 ... omg(ay). The draft with the next-highest number of comments? [Exempt From Physics](#) ■, started in 2012, with 176 comments.

Snicka Sep 8th 2020 at 1:18:22 AM

 So even if we don't break Mario Pissing's bomb record, we already broke the comment record?
That's fabulous.

Piterpicher Sep 8th 2020 at 1:19:22 AM

 It really is a leap, huh? I think there was a "Queerbaiting" draft which reached a similar number. Just goes to show that gay drafts inspire strong discussion.
Anyway, thanks for encouragement. I probably will. I am also considering a fresh meme, from this or another *Leisure Suit Larry* game.

Agent2583 Sep 8th 2020 at 1:27:01 AM

 And again, another page full of bombs... If we ever make a page on TLPS that had more than 50 bombs, then this would be one of them.

Awe921 Sep 8th 2020 at 1:30:19 AM

 14 comments left til 500! lets break this record even harder!

Snicka Sep 8th 2020 at 1:34:51 AM

 ^^^ However I think with "queerbaiting", the discussion was actually about whether it's tropeworthy or not, complain-y or not... whereas this thread is just pure madness.

Awe921 Sep 8th 2020 at 1:42:19 AM

 so its official
this draft was so bad it singlehandedly derailed a thread hard enough that it broke the TLP reply record

DivineFlame100 Sep 8th 2020 at 1:45:10 AM

 Considering that "Exempt From Physics" only has 176 comments, yeah, this draft curb-stomped it hard! I don't see this record of nearly 500 comments getting beaten anytime soon, that's for sure.

ImmiThrax Sep 8th 2020 at 2:10:18 AM

 Considering all our [Queer As Tropes](#), we surely have a trope for many scenarios where a character's not-heterosexuality is more than just "They are this".

But what are we missing?

Camp Camping, when someone [Camp Gay](#) goes camping? [Badass Bear Beard](#), for The Bear who has a [Badass Beard](#)? Gay people who do chair upholstery?

Sep 8th 2020 at 2:20:15 AM

Florien

Pile the bombs and light a match, the time for peace is done. The fuse is lit, it's time to split. Take cover, everyone!

The mushroom cloud will block the sun, the ground will all be scorched. This trope is chairs, but don't despair, grab pitchforks and a torch.

Strike a match and light the fuse, the time for peace is passed. This trope won't see the light of day. We'll end it with a blast.

The mushroom cloud will block the sun, the ground will break apart. once the fuse has burned away, it's then we can restart.

We'll build new tropes, superior, and everybody knows... even if their tropes are bad, they haven't sunk this low.

Agent2583

alnair20aug93 Sep 8th 2020 at 3:59:24 AM
^^ We don't want to neglect females who are sexually attracted to females, do we?
Also, this draft should be permanuked so that no one should dare to push another record-breaking draft. The joke has run off its course in the matter of 12 hours, and one "Mario Pissing" draft is enough.

Agent2583 Sep 8th 2020 at 4:00:17 AM

- 3 GB of DDR4 RAM

Snicka Sep 29th 2020 at 2:21:17 PM
