Author's Note

Thank you so much for reading S.D.I., my third doujinshi! I hope you liked it! I spent 46 days on it!!!! *collapses* I'm sorry if L.C.D.'s dialogue was too much for you--I stretched his characterization a lot, I think.

I tried to make the Lesser Darrells faithfully adorable, though!
I think the contrast is neat.

Designing Raymond's room was the first thing I did for this project (after a loose text outline). I don't care that the show will definitely contradict me in the future, since we haven't seen his room yet--I still had a lot of fun with it. I love headcanoning him as a closeted otaku. I actually referenced the trophies in his trophy cabinet from various sports animes. They're replicas! The only genuine trophy in there is the participation prize from Plazalympics...

I couldn't have done all of this without my friends, and I'd especially like to thank the following people: **Avvy**, who cursed my dick with the initial prompt of Raymond watching L.C.D. brutalize some Lesser Darrells, **Kos**, for helping with paneling despite not even knowing any of these characters, **Nova**, for supplying the premise of L.C.D. stumbling across some horny code/files, and **Font**, for helping me with a whole bunch of things like the title, cover, and Raymond's room. Finally, a tremendous thank-you to the world's #1 Darrellfucker, **Andy**, for their inspiring enthusiasm, grounding presence, and horny spirit. Also, the super good guest art.

I don't know if or when I'll do another doujinshi! I mean, probably, but it's hard to say at this point. You can always find me on Twitter at @teebnsfw & @teebsly, though! Take care!
