Month	Date & Notes	Screenshots
Last Year...		(screenshots for 2022 group chat conversations coming soon)
Oct 2022	<ul style="list-style-type: none"> 16th - Edwin is officially single stream (5 yr relationship) 21st - Babs slides into Edwin's Instagram DMs with "What if we fell in love or something." 	<ul style="list-style-type: none"> Five days later. Newly single Edwin responded.
Nov	<ul style="list-style-type: none"> Plans for Cleavland/ Pittsburgh/ Buffalo trip are made 	<ul style="list-style-type: none"> Babs originally suggested Edwin visit sooner for her birthday. He made plans to see her in Dec instead.
Dec	<ul style="list-style-type: none"> 6th THU PM Edwin files into Cleveland 7th Edwin and Salvo stream at Salvo's house 8th Salvo and Edwin drive to Buffalo/Keem's with Babs 	<ul style="list-style-type: none"> No-homo make-out to sell Blowbacks plushies. This drive is Edwin and Babs' first time meeting in person, and her first time meeting Salvo. The three arrive at Keem's house and are joined by Keem, Brantley and Chris. Keem drives the group to a local bar, drinking ensues, Keem drives them all home. Drunken antics back at Keem's. 'Titty shots'. Keem and Brantley are fighting. Chris leaves (uncomfortably) Edwin, Salvo and Babs are left alone. More drinks are had. Babs challenges the guys to wrestle. The three get on the living room/kitchen bed to play another drinking card game on Babs' phone. "The Threesome": Drunken making out + kissing the girlie ensues. Edwin expresses his boundaries and a short argument happens. Edwin diffuses things and the three get into the living room bed. More making out ensues, with Babs in the center. At some point she physically consented to having sex with Salvo. <p>(Rest of the details of this encounter are NO ONE'S BUSINESS)</p>

- **9th**
 - **The Mourning After**
 - Babs, Edwin and Salvo leave Keem's around Noon.
 - **"Car Ride from Hell"**: 3hrs, Salvo drives
 - Babs and Edwin drop Salvo off at home in Cleveland
 - Babs and Edwin drive to Babs' house in Pittsburg to spend the rest of the week together.
- **10th**
 - Call into Keem (Babs and Ed), Livestream (hatchet), Call into Xylie, lots of drinking downstairs
 - Babs is upset over something Xylie said on stream, and seemingly takes this anger out on Edwin. Babs told Edwin to 'Get the fuck out' and Edwin offered to leave and find somewhere else to stay, but she changed her mind and insisted he go upstairs to sleep 'in the middle room'.
 - **"The Cat Room" incident**
 - Edwin misunderstood directions to the room he should sleep in that night and ended up in 'the cat room' where he laid down to try and sleep. This caused Babs to come in, berate him some more and tell him to go to another room. This is on video. He relocated to her bedroom and slept in her bed that night while she chose to sleep in the living room downstairs.
 - More drinking and vlogging, a trip to the zoo, Edwin getting his nose pierced, meeting one of her friends, can't remember what happened when. Edwin felt they parted on a good note.
- **11th-14th**
- **Dec 15**
Edwin returns home

Dec

- **17th - Babs joins Keem and Brantley to S. Carolina**
 - **18th** - Edwin misses a 5am call from Babs
 - **18th** - Edwin leaves to visit family in Mexico
 - **19th** (330am) - Babs texts Edwin some bullshit
 - **24th** - Babs calls into Keem
 - **27th** - Edwin texts Babs 'Merry Christmas'
 - **28th** - Edwin returns from Mexico
 - **29th** - Keem and Brantley come out with the '30 women abused by Salvo' expose
 - New Years Stream
- Edwin learns this while calling into Xylie's livestream
 - He was sleeping
 - Bonkers, my dudes.
 - First mention of a 'something happening' on a livestream
 - Babs calls Edwin after an early morning text. **The call from hell ensues. Edwin promises not to ever talk about her, the situation or their time together.**
 -

JAN 2023

- Jan 2023**
- **3rd** - Salvo calls into sailor stream
 - gets surprise-interrogated by Keem and Nick. Keem brings up **"Car Ride Me Too"** implications from Babs
- **4th** - Edwin tells Keem he's worried Babs is lying about him. Keem tells him not to worry.
 - Allusions to SA are mentioned but Babs confirms that everything was fully consensual. Brings up car ride being uncomfy but nothing illegal just "toed the line" (to be clear that the car ride was her original complaint not the threesome)
 - Edwin calls in. They mention everything was consensual and that they checked in often to ensure it

-
- 4th - Salvo interviewed by Tommy C
 - was still consensual. This gets misinterpreted later as "pestering for consent". This is the only instance where Edwin calls Babs a "clout whore" in public.
 - **Babs confirms threesome and that it was fully consensual, nothing illegal, just "toed the line"**
 - **5th** - Babs appears on Keem's stream to talk about the 'situation'
 - She says and implies a lot of bullshit in this space, apparently Babs was expecting Edwin to ask her to be his girlfriend on this trip.
 - **10th** - Babs calls into ad30's twitter space.
 - In this call Edwin takes heat for Salvo's antics by Keem. And in the group chat, Keem is prepared to 'swing'... **by DASHA**
 - **13th** - Edwin's private call with Keem

Yo, off the record, I appreciate you gathering your thoughts and actually explaining the stuff with the group chat eventually last night but I don't appreciate you giving me the impossible task of having to explain our private groupchat conversations on the fly to Slavo. Like specifically when you implied I told you not to have him on your show. I have no recollection of doing that, in fact I think the only message I sent on the subject said exactly the opposite. I get that it was clarified later to a "feeling you got" which makes sense. But that's not how you said it at first at ALL lmfao Anyways, just wanted to pass that along and see what you think.

edwins 12/05/2022 2:17 PM

i may have used my recollection after you said "i didn't tell people not to watch him" but i didnt mean to imply that you said that as opposed to explain the judgment of having a contrasting opinion after me and willy said otherwise and it was 2 to everybody else essentially. Which willy isn't as involved and i can get why people dislike salvo so it is essentially a losing fight if i engaged further

so that's where my mind was but yeah my mind is not where Keem's CLEARLY was lol he turns into a battle conflict machine for content!!

edwins 12/05/2022 2:17 PM

Concerns about Youtube affiliate Parking Tigers
1 message

Adrienne Jones <adrienne.jones@cqumail.com> 4 February 2023 at 13:49
To: contact@support.keemstar.com

To the Keemstar Support Team,

I was a previous guest on Steven Bonnell's controversial Twitch stream (Destiny) speaking out about my experiences with being sexually exploited and sex trafficked within the Discord gaming community.

I was previously flown to the USA to meet a man from gaming, however when I attempted to leave the relationship, he kept me locked in an apartment for 6 months and refused to allow me to leave.

This (and other crimes committed by him including online grooming of children) were of course reported to his local police department (Ocean Springs).

I only briefly touched on sexual exploitation in gaming during the 2020 Destiny stream, as I was effectively ambushed by Steven, having been corralled onto Destiny by his friend (Darius) whose social circle engaged in sexual harassment/sexual abuse towards me and other women/minorities, as well as online cyber death/rape threats against me.

You might know me as Alice Harga. I believe Destiny was banned from Twitch earlier last year. A few weeks after appearing on Destiny I was the victim of sexual assault within my community.

I wanted to raise some concerns with you (and later Youtube/Twitch) about another group of individuals affiliated with someone by the name of Parking Tigers who claims to know you?

This community of people linked to Parking are involved in some pretty disturbing online habits which start with doxing that extends to much more serious, questionably unlawful behaviour. A youtuber (CJ) who is friends with Parking runs a Discord where he supposedly adds "mentally ill" individuals who he then farms for content.

The cause of effect chain of this is that vulnerable girls/women who have experienced rape/abuse/harassment in the past are publicly ridiculed within his circle, banned unbanned, called a "slut" by friends of his, sexually predated upon by people known to him (males capitalising on girls/women's vulnerability), and when victims speak up on this, rumours about them being "schizophrenic" or "psychopaths" are circulated to try to minimise or delegitimise the victim's claims.

Many individuals are involved in this community, including women.

Disturbingly, some of the women linked to these males even hold professional positions with one working in Disabilities/Mental Health with vulnerable individuals.

Some of the individuals appeared to have manipulated Parking with more rumours about me in order to silence me and my experiences, with Parking buying into this and keeping me perpetually banned from his server.

Various other crimes I've observed among community members include the sharing of images of semi naked girls with self harm scars (amazingly there's a user linked to CJ and Parking who has vulnerable girls with disabilities carve swastikas into their flesh), bullying and mocking of girls with intellectual disabilities, as well as unlawful sexual coercion and various other violations of ToS.

This community has also attracted a wave of doxing/hacking with their members as targets. Certain self identified "vigilante" types threatening to dox the males involved in the community.

None of the male owners of the string of Discords linked to this group seem to ban dangerous individuals, which in effect creates a pool of female victims to target, as there is evidently no real moderation occurring. I am unsure about whether there are underage individuals within these communities, but again there appears to be no age verification process for any of the Discords.

The owners see the damaging of innocent users as "content" and like to stream it on their channels as "controversy".

I would like to speak more on this at a later time and provide you with a list of names of the individuals involved in this circle.

<https://mail.google.com/mail/u/0/?ik=32183d78eb&view=pt&search=all&permthid=thread-a%3A-9170003268034305108&siml=msg-a%3A-917...> 1/2

2/4/23, 1:49 PM CQUniversity Mail - Concerns about Youtube affiliate Parking Tigers

Now that your following has reached upwards of 5 million, perhaps you should be careful about who you associate with. Especially now given the trend of Youtubers/Streamers being banned from platforms due to similar associations with dangerous individuals online.

Warm regards,

Adrienne Jones

Dave is so dumb for even tweeting that. If he disagrees with Xylie & talks to her in private why is he tweeting "HEY GUYS XYLIE ADMITS SHE WRONG"

Babs accused Edwin and Salvo of Sexual Assault in the car

Nicholas DeDrio · Feb 28, 2023, 6:34 PM

That's just a fact of the matter. Whether that's true is outside the bounds of the available information.

Nicholas DeDrio · Feb 28, 2023, 6:35 PM

I remember that convo with you and Xylie where she said she'd consider what happened sexual assault. She just had a difference in opinion on what to call it she didn't get any facts wrong

Taking down the stream is a huge overcorrection and now Salvo and Edwin can make up reasons as to why she removed it and deny responsibility

Josh · Feb 28, 2023, 6:37 PM

The facts are, Babs made an unprovable allegation of sexual assault. Don't get lost in some crusade that's out of your hands. (everyone not specifically bowblax)

Nicholas DeDrio · Feb 28, 2023, 6:37 PM

I spoke to Chris and Xylie and Xylie tried to tell me new info about babs allegations, I heard about 3 minutes, realized this information could never be verified and told her I don't care

Edwin has responded on his Twitter Account about why he hasn't addressed Babs

Last night a YouTuber spearheaded a livestream to 500+ people wrongfully depicting me as a sexual abuser. Although she made her stream private shortly after ending it, there was little to no pushback while she was live despite this entire accusation being not only vague but entirely false. I understand there are valid

There is much more to the story than what was provided and I'll be focusing on a comprehensive response to everything.

I originally decided not to speak about this woman because she intimidated me into silence back in December and has been hellbent on destroying me as a person as well as my career ever since. She has definitely succeeded in both

this is so retarded

Josh · Feb 28, 2023, 11:12 PM

Now the conversation is gonna turn into Edwin being a rapist instead of what actually happened

Josh · Feb 28, 2023, 11:16 PM

WTF

both salvo & Edwin are playing the im a victim of false rape allegations !!!!

THIS IS ALL DAVE & XYLIES FAULT!

Dave did not have to tweet

That wasn't from last night he flew solo. No dove or anyone

ChristheNarc · Jun 1, 2023, 11:25 AM

I'm still reeling from how insane the stream was last night

ChristheNarc · Jun 1, 2023, 12:09 PM

What happened or are u talking Edwin

Augie · Jun 1, 2023, 12:09 PM

Edwin

ChristheNarc · Jun 1, 2023, 12:09 PM

Summary

All I've seen is random clips

I was going to watch it but I literally fell asleep right when it came on

Augie · Jun 1, 2023, 12:10 PM

Edwin had a mental breakdown about aikos stream on him where a call was leaked between babs and Edwin with Edwin "squaring up to her in her own home" and that he called babs multiple times "on accident" as he says.

He then showed leaked DMs between him and babs and had a incoherent ramble of a stream. He was highly emotional throughout all of it

Said that everyone won't talk to him and just listen to the narrative but don't care about what he says

ChristheNarc · Jun 1, 2023, 12:12 PM

What a faggot pussy

700 1

Just put out your video idiot

Augie · Jun 1, 2023, 12:13 PM

Looking for excuses...

19th - Xylie and Chris both nonchalant about how much they don't care about someone dying so long as it's their YouTube enemy

Augie this summary is not doing the stream justice

ChristheNarc · Jun 1, 2023, 12:13 PM

Nobody is listening to his narrative cause he hasn't put his video out

Augie · Jun 1, 2023, 12:13 PM

And I agree. If he just made the video and stopped hiding in discord it would be the best option for him

100 1

ChristheNarc · Jun 1, 2023, 12:13 PM

I literally talked to him

And I gave him advice

I just told him I won't bail him out and he's on his own

Nicholas DeDrio · Jun 1, 2023, 12:28 PM

It's fair. He has been dragging his feet this entire time

ChristheNarc · Jun 1, 2023, 12:29 PM

I been telling Edwin the same ^

Even before Babs outed him on keemstar show

KEEM 🏠 · Jun 1, 2023, 12:56 PM

He told me Keemstar slandered him by saying he (edwin) recorded the call

We both recorded the call with full disclosure so I can review my February chat with him if needed when he comes back

Nicholas DeDrio · Jun 1, 2023, 1:11 PM

But Edwin did record the call with me like a weirdo

KEEM 🏠 · Jun 1, 2023, 1:25 PM

He also said no one will talk to him and we all just "go with narratives" and I spoke to him for 2 hours. So did you. We both gave him advice

We have arguably treated Tipster worse for less lmfao

I got a definition!

Non Binary is the box you fill on a YouTube survey in the hopes that you will get special treatment.

Other than getting free LGBTQ status and not having to change your appearance/voice/pronouns, I don't have the foggiest understanding of the concept.

Non-Binary is basically when you have gender dysphoria but your brain doesn't identify as the opposite gender either. It's just confused. At least that's how I understand it, other people would probably give completely different explanations lol

Thing is right, if you like to do this and want it then ignoring it and just press on is the option. People are still here who are good people or friends of yours you know. tom · Oct 13, 2023, 10:19 PM

I haven't seen the other photo he's alleging when it's outside his house so idk if a home number or anything was posted. I don't have IG

Just a wild ass tweet for him to make or for her to even do if she did post a photo at his house

ChristheNarc · Oct 13, 2023, 10:20 PM

Yeah not a dox, but threatening to show up to a YouTubers house is major no non

No no

She could get in trouble with YouTube they hate that

KEEM 🍷 · Oct 13, 2023, 10:21 PM

Yah I agree it's a major red flag and not a cool thing to do but unless his address was posted or something I wouldn't call it doxing just her being a freak for even posting a photo outside of his house (according to him) or being 5 min away from him

Low key I don't know why we don't go to Twitch con @Bowblax

It should be Vidcon in the summer and Twitch Con in the fall.

Vegas is so much better of a location than any of the YouTube meet ups

Nicholas DeDrie · Oct 23, 2023, 1:02 PM

You should go next year

But we gotta convince other commentary YouTubers to go. I don't wanna hang out with only twitch streamers

Josh · Oct 23, 2023, 1:03 PM

Concerns about Youtube affiliate Parking Tigers

To the Keemstar Support Team,

I was a previous guest on Steven Bonnell's controversial Twitch stream (Destiny) speaking out about my experiences with being sexually exploited and sex trafficked within the Discord gaming community.

I was previously flown to the USA to meet a man from gaming, however when I attempted to leave the relationship, he kept me locked in an apartment for 6 months and refused to allow me to leave.

This (and other crimes committed by him including online grooming of children) were of course reported to his local police department (Ocean Springs).

I only briefly touched on sexual exploitation in gaming during the 2020 Destiny stream, as I was effectively ambushed by Steven, having been corralled onto Destiny by his friend (Darius) whose social circle engaged in sexual harassment/sexual abuse towards me and other women/minorities, as well as online cyber death/rape threats against me.

You might know me as Alice Harga. I believe Destiny was banned from Twitch earlier last year. A few weeks after appearing on Destiny I was the victim of sexual assault within my community.

I wanted to raise some concerns with you (and later Youtube/Twitch) about another group of individuals affiliated with someone by the name of Parking Tigers who claims to know you?

This community of people linked to Parking are involved in some pretty disturbing online habits which start with doxing that extends to much more serious, questionably unlawful behaviour. A youtuber (CJ) who is friends with Parking runs a Discord where he supposedly adds "mentally ill" individuals who he then farms for content.

The cause of effect chain of this is that vulnerable girls/women who have experienced rape/abuse/harassment in the past are publicly ridiculed within his circle, banned/unbanned, called a "slut" by friends of his, sexually predated upon by people known to him (males capitalising on girls/women's vulnerability), and when victims speak up on this, rumours about them being "schizophrenic" or "psychopaths" are circulated to try to minimise or delegitimise the victim's claims.

Many individuals are involved in this community, including women.

Disturbingly, some of the women linked to these males even hold professional positions with one working in Disabilities/Mental Health with vulnerable individuals.

Some of the individuals appeared to have manipulated Parking with more rumours about me in order to silence me and my experiences, with Parking buying into this and keeping me perpetually banned from his server.

Various other crimes I've observed among community members include the sharing of images of semi naked girls with self harm scars (amazingly there's a user linked to CJ and Parking who has vulnerable girls with disabilities carve swastikas into their flesh), bullying and mocking of girls with intellectual disabilities, as well as unlawful sexual coercion and various other violations of ToS.

This community has also attracted a wave of doxing/hacking with their members as targets, Certain self identified "vigilante" types threatening to dox the males involved in the community.

None of the male owners of the string of Discords linked to this group seem to ban dangerous individuals, which in effect creates a pool of female victims to target, as there is evidently no real moderation occurring. I am unsure about whether there are underage individuals within these communities, but again there appears to be no age verification process for any of the Discords.

The owners see the damaging of innocent users as "content" and like to stream it on their channels as "controversy".

I would like to speak more on this at a later time and provide you with a list of names of the individuals involved in this circle.

<https://mail.google.com/mail/u/0/?ik=32183d78eb&view=pt&search=all&permthid=thread-a%3A9170003268034305108&siml=msg-a%3A917...> 1/2

Now that your following has reached upwards of 5 million, perhaps you should be careful about who you associate with. Especially now given the trend of Youtubers/Streamers being banned from platforms due to similar associations with dangerous individuals online.
