

Watch Dogs movie with John Lasheras as Aiden Pearce

Max Payne Movie (try and find novella data) with Jon Hamm as Max Payne with John Lasheras cameo as Mafioso Capo who kills Max Payne and dies when Maria Florentino kills the capo.. Think of name for character cameo. If Jon Hamm is guilty let's just use Sam Lake, the real Max Payne. I don't think he's guilty but I don't know for certain. I don't think so.

Maria Florentino becomes Mad Maria and a new journey of vengeance begins with Aiden Pearce contacting her on the phone at the end
