

THE TRUTH

ABOUT JAMES BEAR

Hello.

For a year... since 15th July 2016... I been waiting for so long to share my side of the story... because... I didn't know when or how to explain it. I just been keeping it in my head for so long, how am I going to tell everyone my side of the story.

Well now... this is my chance... for the first time ever... you get to read my side of the story of what happened between me and James...

(I screenshotted the Twitter chat in October 2016... I been saving them for a long time and now... I can finally show them to you...)

So... get ready... to read... **The Truth about James Bear.**

Twitter Chat

On 11th February 2016, James Bear message me on Twitter. He was really depressed at the time and I thought he messaged me because he needed help and wanted me to cheer him up from his depression. Of course I wanted to help him. I always wanted to help out and making sure that everyone will be happy and okay. So I thought maybe I should help him out and just talk to him since he is sad and lonely...

But I was wrong.

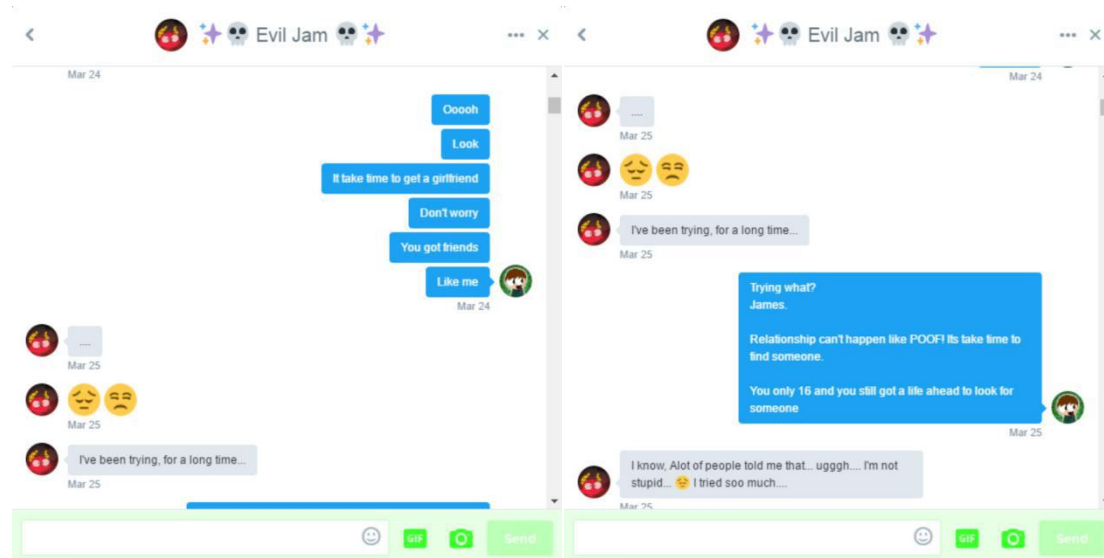

James didn't message me for 11 days and a month. I thought he either recovering or maybe he just needed a break from Twitter. So he messaged me (Which surprised me) and then he start telling me that 'You have someone you love'. I reply with a question because I wasn't sure and he just simply reply... 'You should know'

And this was when the 'James is jealous of me and Clarissa' started. Remember when I was jealous that James and Clarissa are dating? Well he is doing the EXACTLY THE SAME THING but yet NO ONE ATTACK HIM FOR THIS. I was worried that he is jealous and I wasn't aware he was talking to Clarissa. After the message about how 'I'm lucky' and how his life suck. He just simply reply with a sad emoji.

(Trust me you will see lots of those sad emoji because he use it all of the time whenever he sad)

I felt sorry for him because I know how it feel to be single and also wanted to be with someone you love (I was lucky to be with Clarissa...) I told him that 'it take time to get a girlfriend' and 'You got friends'. And then he just simply reply with dot dot dot, two different sad emoji and a message.

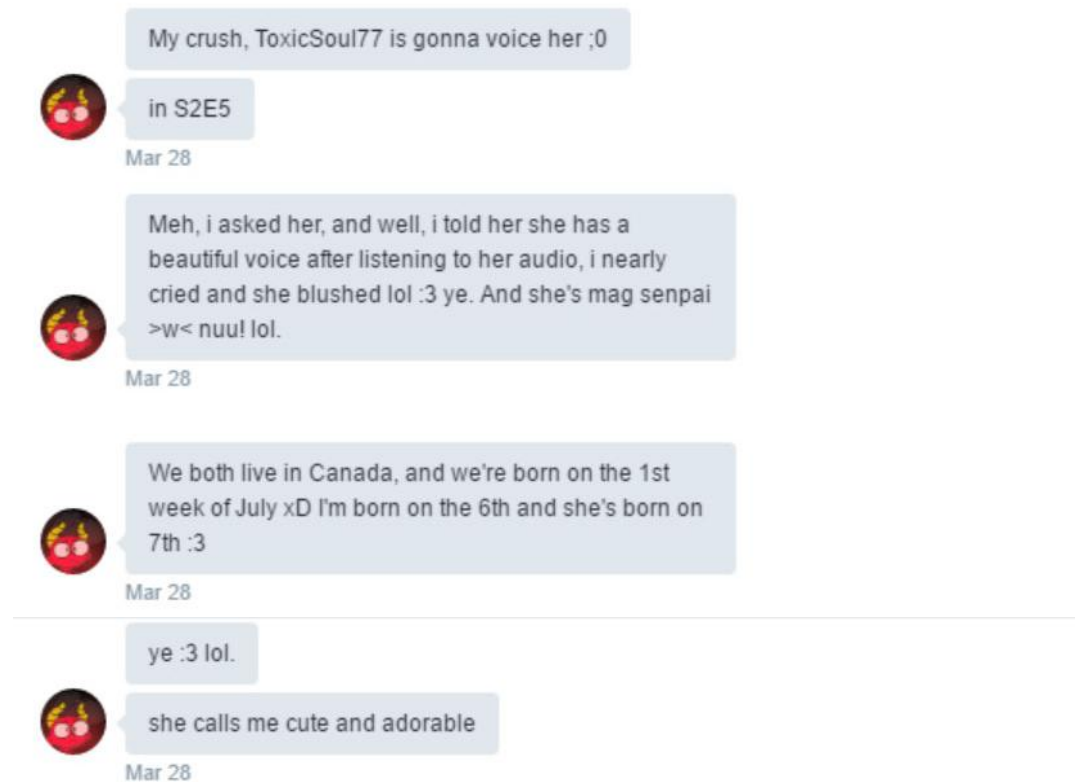

Normally you would reply with 'Thanks friend' but nope he didn't because he's really jealous that I'm with Clarissa and he's not and he is not grateful with a friend helping him out.

And what I reply after that ungrateful was this... Relationship doesn't just POOF DATING! It's take time to find that special someone and that what I did. (Until James ruined it. Of course) and also he was only 16 year old so of course he wouldn't find a girlfriend straight away. I remember I got rejected for asking my crush IRL and that made me sad. But I move on and I found someone I love (Again, James ruined it)

He reply with another say sad message and saying 'I tried soo much'. Well mate, keep trying and don't give up.

"I know you two don't like me... (Sad Emoji) I think..." notice he's trying to make us think me and Clarissa don't like him. I told him that we both like him and we are his friend. Like James, be happy you got friends and also they're trying to help you.

On 28th March 2016, he told me about his crush 'ToxicSoul77' and she was going to voice a genderbend James in Season 2 Episode 5 of JamWorld (Never was released) and he even admit that he thought her voice is beautiful and he cried. Oh and he called her "Mag senpai". I was really happy for him that he got a crush on someone and I wanted to help him. They both live in Canada and both have the same birthday week and I thought that would be so perfect for him and that's allow him to be happy with someone.

I even told him that I love his drawing of Toxic and I was hoping that will cheer him up. He told me he had a crush on Toxic since January 2016 and again, I was really happy for him and wanted to help him out with dating Toxic.

Once again, James start being negative again and I have to help him (again) through his depression. He's now sad that he think Michaela (ToxicSoul real name) doesn't like him and thinking that her 'fan boys' like her. Yet again he mention Clarissa and he got jealous that me and Clarissa are dating. Like James shut up and move on. If Toxic doesn't like you and Clarissa is taken, move on kid. Move on.

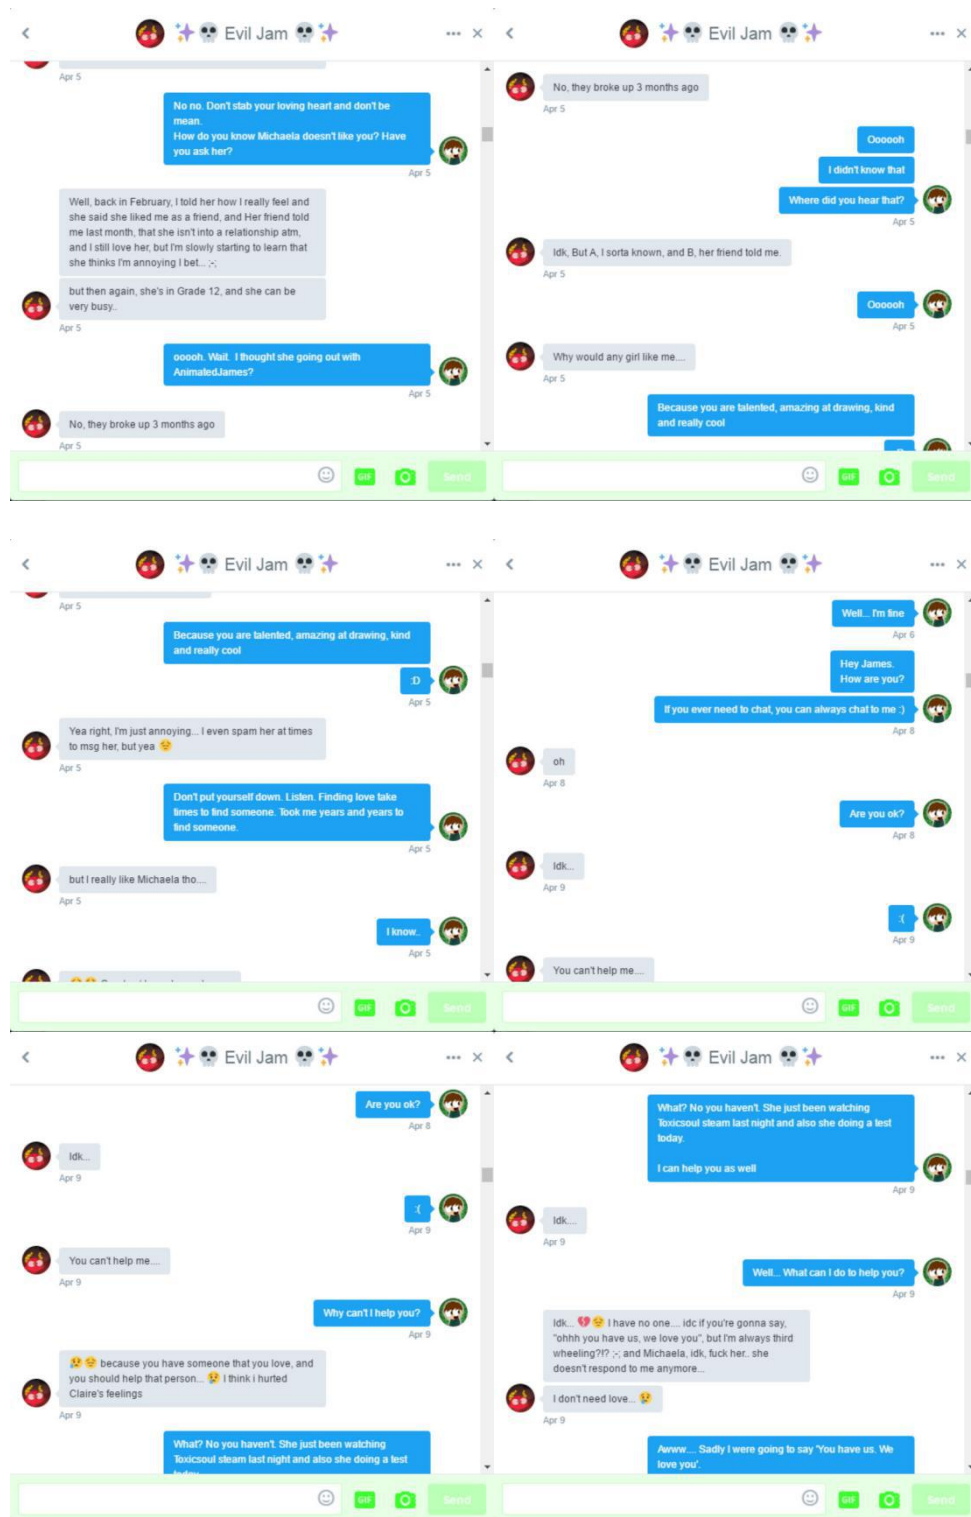

I even said that I feel sorry for him and I shouldn't have apologize for hearing about him being sad over Clarissa because he should have shut up and move on.

So he reply with "It's not like anyone likes me anyways" and "I deserve this for what things I did (Sad face) And Claire is lucky, and you too... (Sad face again)". First off, of course anyone like James. He got his family and friends so shut up about that. Secondary, Of course me and Clarissa are lucky. He should just move on and stop complaining about everything.

I told him that love isn't easy because it took me years to find love and I told him positive things like lots of people like him and how I like his art.

For some reason James said that he's going to stab his "lovig" heart and "stop loving and be mean"... Well James you will never find love if you going to be like that and also he repeated himself saying "It feels like Michaela doesn't like me". Dude you haven't even try to talk to her. So Stop whiny and do something about it. I told him to ask her to double check if she hate him or not.

So James told me that he been friendzoned by Toxic and also her friend told him last month that she's isn't into a relationship at the moment. But yet James still love her and I don't think he shouldn't give up just because she isn't into a relationship because she (or her ex) broke up 3 months ago.

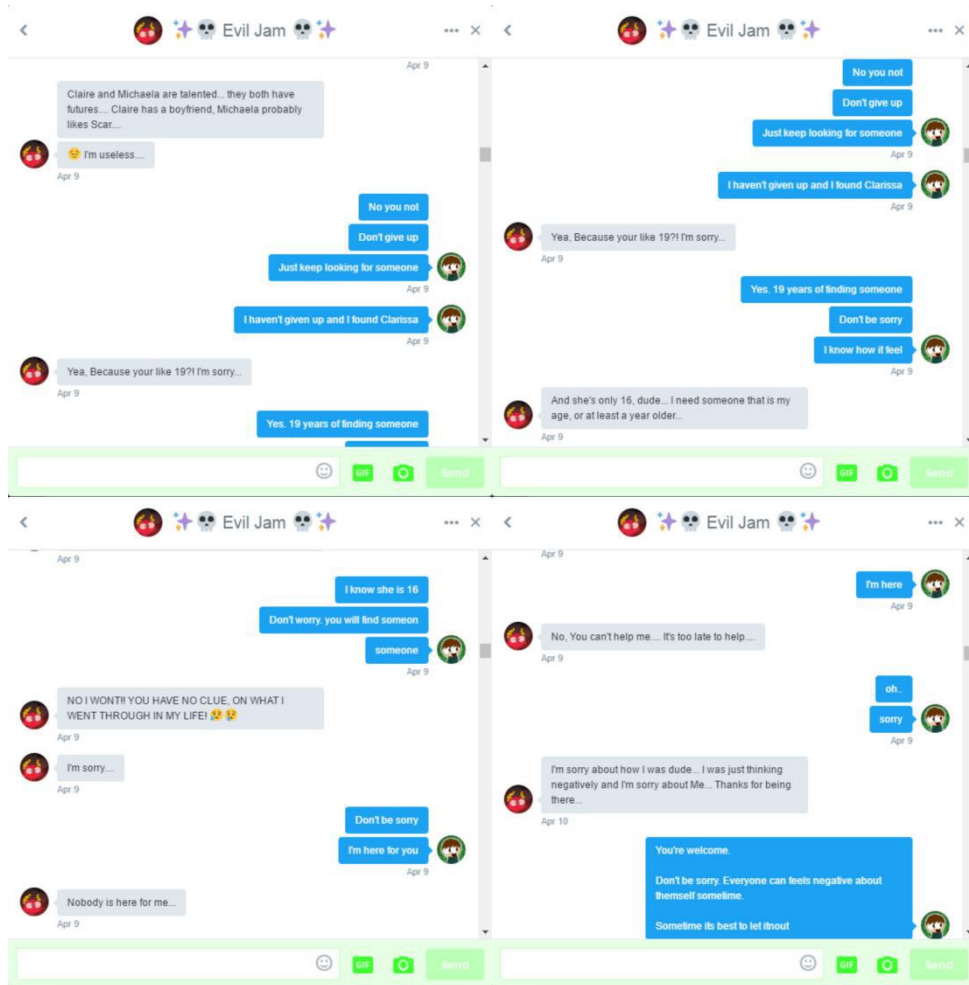

James asked “Why would any girl like me?” and as always I had to tell him the positive things about James so he can be happy for once in his life. He reply with “Yea right, I’m just annoying” No you not James but you are when you keep putting yourself down and giving up easily. “I even spam her at times to msg her” well... I guess that’s why she think you’re annoying James. I told him not to put himself down and he need to take his time looking for love. And yes you can tell he still have a crush on ToxicSoul with his reply “but I really like Michaela tho...”. Well don’t give up then and keep trying to impress her and maybe ask her out again? I don’t know???

Not my problem James.

So he didn’t talk to me for 3 days (April 8th 2016) and I ask him if he’s ok and then he reply with “You can’t help me”. Well James what do you think I have been doing since 11th February 2016. If you think I can’t help you, then get lost and find someone else to help you with your sad problem.

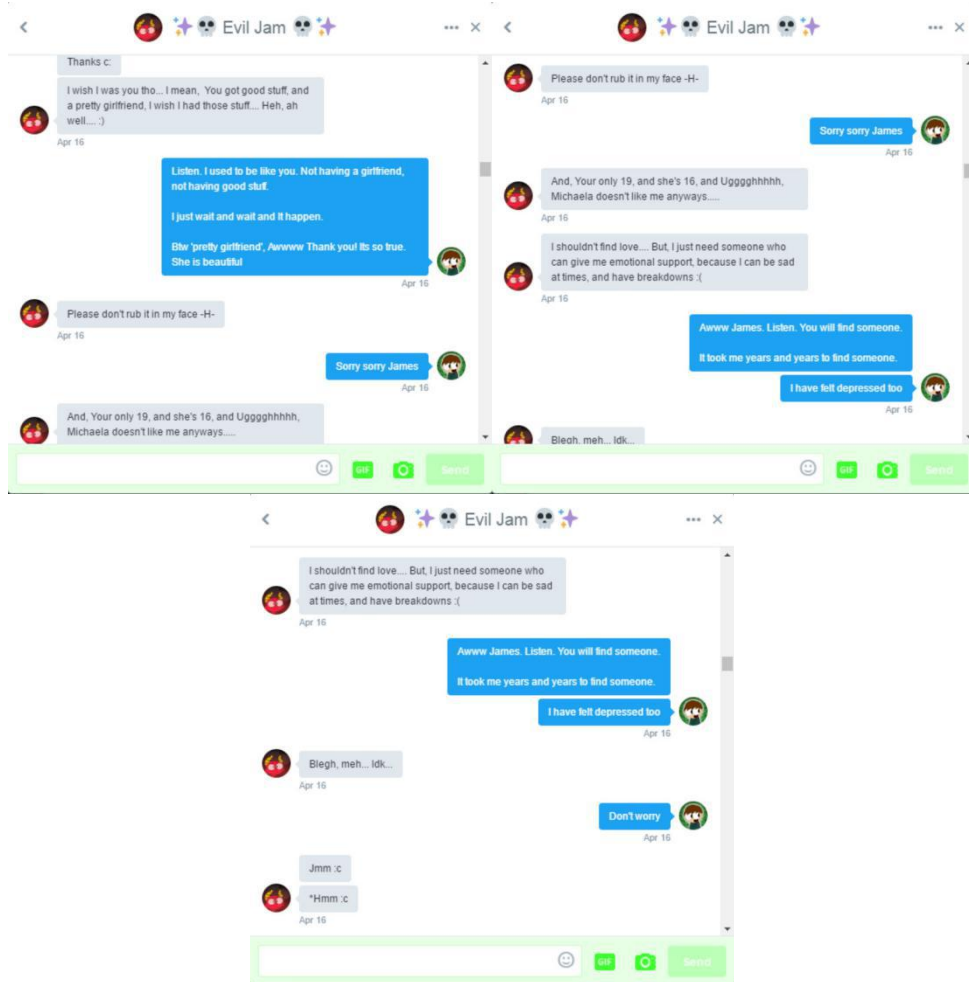

I ask him “Why can’t I help you?” and he reply with “(Insert 2 sad emoji) because you have someone that you love, and you shouldn’t help that person...”. Oh geez. I wonder what he mean by “Someone that you love”, he can’t possibly been talking about Clarissa yet again because he wouldn’t shut up about it. Geez James. You know Clarissa is taken so shut up and move on kid. Then he added “(Sad Emoji again) I think I hurted Claire’s feeling”. I told him that she was watching Toxic Stream and she was doing a test. If he did hurt Clarissa feeling then get lost. Don’t hurt her you creep. So I told him that I would help him and he reply “idk”. (How ungrateful when someone offer to help you)

James rant again how I keep saying “we all love you” and also he said “Fuck Michaela”. Wow James... Giving up already and you talk about her like that? No wonder she doesn’t want to be with a whiny person who whine about everything. “I don’t need love... (Sad emoji again)”, then shut up and stop complaining about you wanted to be with Toxic or even Clarissa which I told him so many time that she’s taken. Learn to listen.

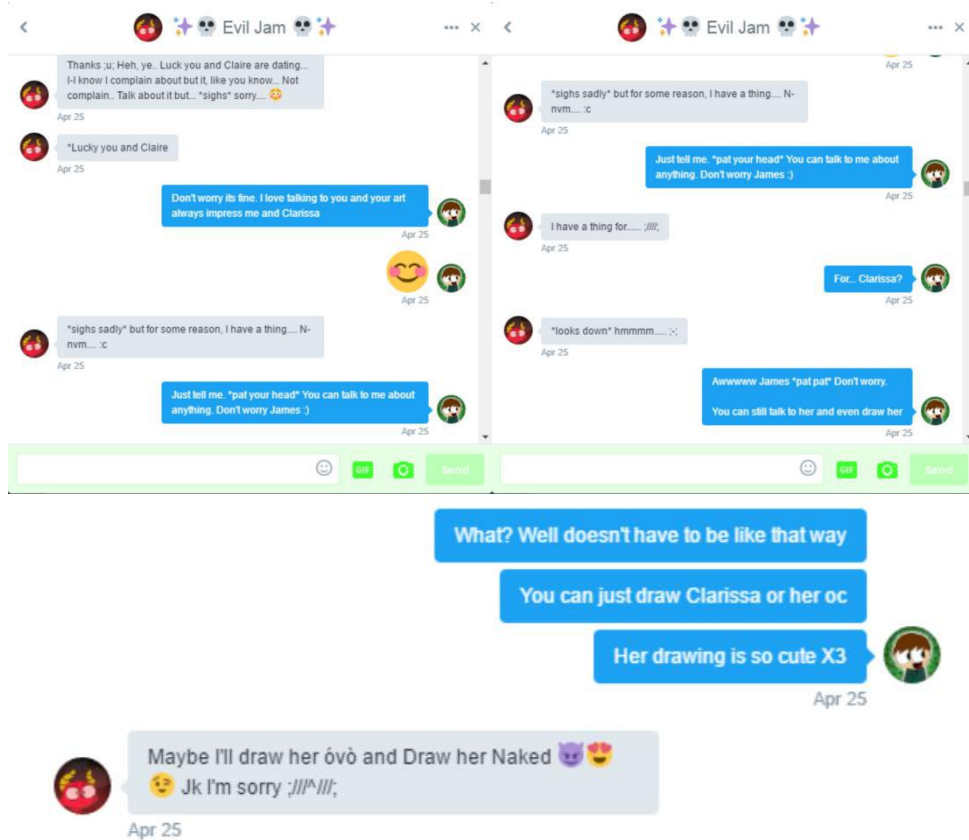

He then say that Clarissa and Michaela are talented, both have future, Clarissa got a boyfriend (No shit Sherlock) and Michaela like Scar. I told him not to give up, he just need to looking for someone and I didn't give up when I found Clarissa. Suddenly he mention my age and Clarissa age and apologize? What? And then he said "And she's only 16, dude... I need someone that is my age, or at least a year older". Hmm I wonder how much older (I will come back to that later... trust me). Yet again I told him that he will find someone and he start freaking out and cry with "NO I WON'T!! YOU HAVE NO CLUE, ON WHAT I WENT THROUGH IN MY LIFE! (Insert two sad emoji) and then he apologize. Well How am I suppose to know that if you never told me (He did and I will show you that later). He then say "Nobody is here for me...." Well if that true I wouldn't have been talking to you James.

So I told him that "I'm here" and he reply "No, You can't help me... It's too late to help...." so for some reason I apologize? Which I shouldn't have. But he did apologize and he was being negative since day 1.

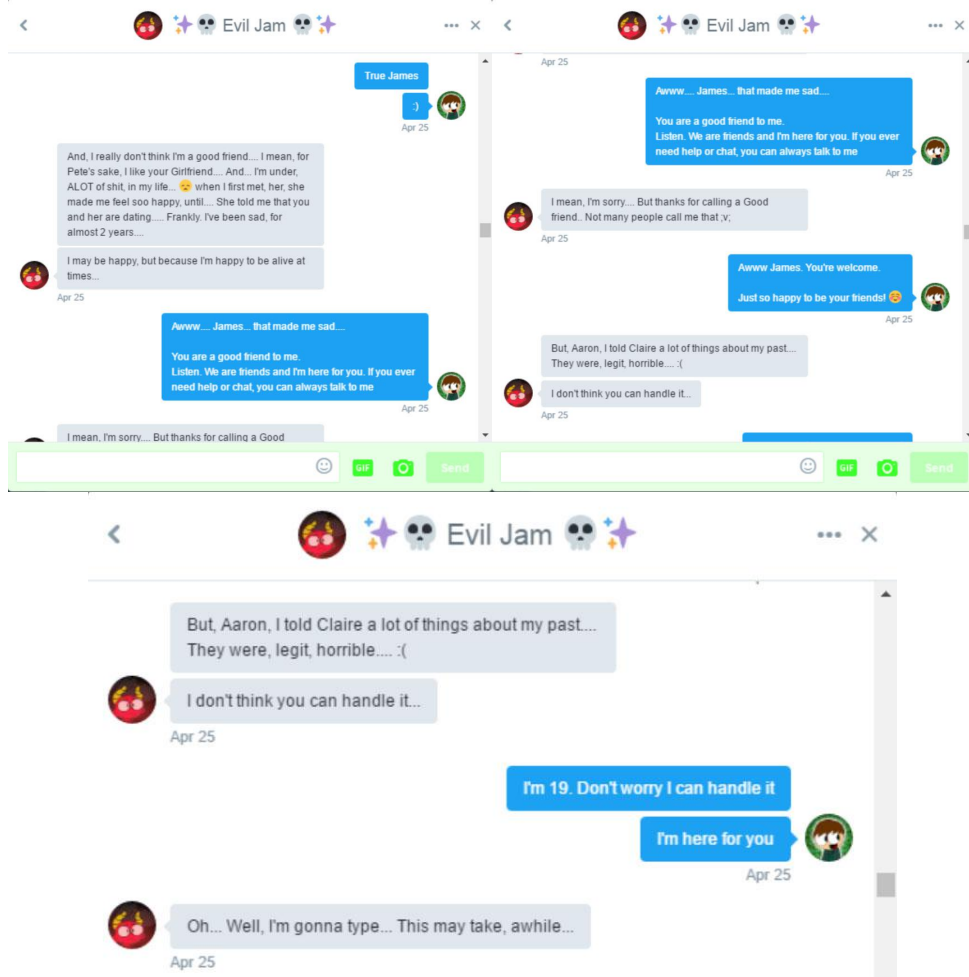

Yet again, he mention that he wish he was me and also getting upset that I got the “good stuff” and “a pretty girlfriend” and he wish he got those stuff. Like dude. Just stop getting jealous and focus on yourself. YOU try and get the good stuff and YOU try and get a pretty girlfriend. So I reply with how I was like him, with no girlfriend and not having good stuff and even told him that Clarissa is beautiful. Then he told me “Please don’t rub it in my face -H-” (Just like you rubbing my face about your depression and wouldn’t shut up about not having a girlfriend). Again he freak out about our age and he need someone who can give him “emotional support”. Dude. Support yourself and get over your dramatic depression. I have been helping you since February. Like, come on James. He even said that “I shouldn’t find love....” THEN WHY THE HELL ARE YOU TRYING TO BE WITH TOXIC OR CLARISSA AND ALSO WHY DO YOU KEEP SAYING SAD SHIT LIKE “I wish I could be with her”. JUST MOVE ON.

And so he repeat himself with “Lucky you and Claire are dating...”. I’m not joking, he keep saying this over and over again. I GET IT. I’M LUCKY ME AND CLARISSA WAS DATING. I’m so sick and tired of hearing this. You can tell James trying to make me feel sorry but honestly it was annoying. I wish I have screenshot it and show it to Clarissa, but I didn’t want to upset her and also upset James. So I had to act like I care (Which I don’t care) and just told him that his art impress me and Clarissa. “*Sighs sadly*” What is this? A Roleplay thing? So then he reply, “But for some reason, I have a thing... N-nvm” then I knew it was Clarissa because he then respond “*looks down* hmmm...”. Are you kidding me? I knew that because he wouldn’t stop talking about her. I wish I told Clarissa about this. I knew he was trying his poor best to try and date her... damnit James stop trying.

So James ask me how can he impress Clarissa and I told him that he could draw her or her oc. Then he respond “I’ll draw her (random face thing) and draw her naked (random emoji)” ... I know he told me it’s a joke and also he apologize... but why would you say that in front of CLARISSA BOYFRIEND. I would have block him straight away but guess what? I didn’t because I was too nice and I didn’t want to upset Clarissa.

It did make me sick reading that and I can’t believe he wanted to do that... damnit James... That’s something you should never say to someone who is dating her...

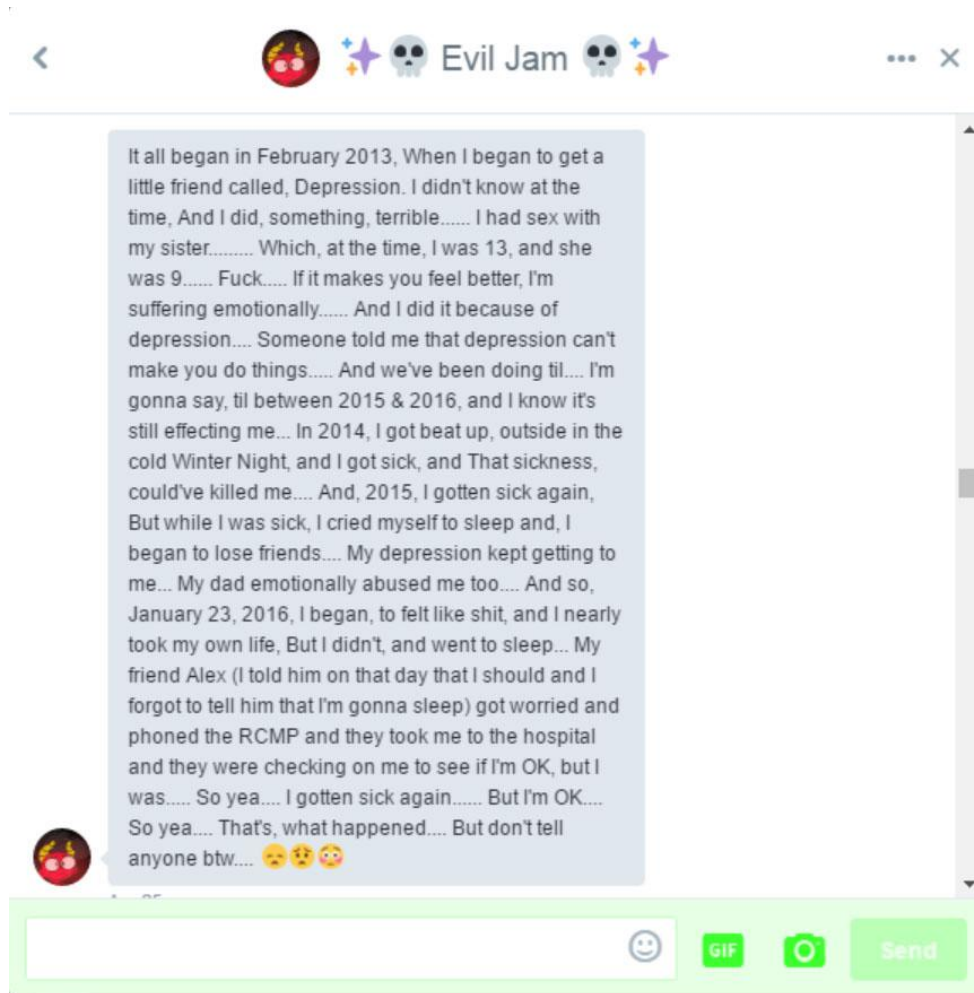

So then later... James get upset (again... like seriously?) and he think he is not a good friend and also he want a girlfriend (then why did you say you don't want love before? Make up your mind James...) and also he is under ALOT of shit in his life? Ok. Soo James mention about one of his ex and the relationship only lasted for 2 years. Good for you James. He said that "I may be happy, but because I'm happy to be alive at times...". Geez James, stop being so dramatic. Of course you would be happy to be alive.

I reply that the message made me sad (not) and of course mention about being a good friend to him because it's the only way to cheer him up and so on.

James apologize and then say "Thank you" for calling him a good friend. Dude it's not like I had to mention it everytime you're sad.

Then he send me a message about how he told Clarissa about his past and he think I couldn't handle it? I'm older then you, of course I can handle it. And then he told me it's going to take awhile to type.

And after he finished... what he have send me... is the most fucked up message I have ever read... Just... Just read it for yourself...

Ladies and Gentleman... This is the message I have been wanting to show you for a long long time... THIS. THIS RIGHT HERE. It's what James did. No one know about this. NO ONE. Everyone think James is so perfect and he did nothing wrong... Well... This is the true James. This is what James did... So... read it...

So I got this long message... I was speechless... what the hell is wrong with James. I didn't know he would be this messed up. I wasn't expected to meet someone so cruel and fucked up... Let's just break it down...

So on February 2013, He began to get a "little friend called Depression". Ok James everyone get depressed.

But... What I read below... is disgusted...

"I had sex with my sister..... which, at the time, I was 13, and she was 9....."

Did I read that correctly? Did I seriously just read that? But to make it worst... Clarissa herself read that as well...

What the fuck is wrong with James? Why would your 13 year old self RAPE YOUR SISTER??? LIKE JAMES WHAT IS WRONG WITH YOU!? WHAT WAS YOU THINKING!?!?

I know that's the first line of the sob story but fuck that, this is the most fucked up thing I have ever read in my life. Why would you say that to me and WHY WOULD

YOU SAY THAT CLARISSA? THAT'S NOT SOMETHING YOU SHOULD SAY TO YOUR CRUSH YOU MORON. You don't say that at all. No better yet, DON'T DO THAT. IT'S COMMON SENSE YOU DON'T HAVE SEX WITH YOUR SISTER ESPECIALLY AT THE AGE OF FUCKING 9.

I can't believe someone would look at James and be like 'Oh he's a cool dude' BUT WHAT IF I TELL YOU HE RAPE HIS 9 YEAR OLD SISTER AT THE AGE OF 13. 13 YEAR OLD. HOW THE HELL WOULD YOU EVEN DO THAT??? LIKE JAMES. YOU'RE SO FUCKED UP. YOU'RE A HORRIBLE CRUEL TWAT FOR DOING THAT. If I hear that happening, I would beat the living shit out of you for doing that to your 9 YEAR OLD SISTER.

Like... Are you proud of yourself? Are you happy you did that? Do you think any girl want to date someone who rape their sister? Would anyone want to be your friend because you did that?

This is exactly why you don't have any friend and you suddenly message me to think I will make you feel better and then TRY AND DATE CLARISSA. Like fuck off I pretty sure Clarissa wouldn't want to date a SISTER RAPIST.

I would have block you as soon I saw that message but guess what? I didn't. I didn't block you because I didn't want poor old James to message Clarissa and she get mad at me. I should have inform her about this so she can stay far far away from you. James. You creepy fucked up incest rapist.

I'm actually surprised now, James sister didn't report him or even tell her parent or the police. If I find out he did that to her, I would get him adopted or anything so he doesn't rape anyone else.

How dare you. How dare you do that. You should go to hell for doing that to your 9 year old sister. You made me sick and I feel so so so sorry for Clarissa for reading that.

Like, Imagine if she read that. Why didn't she block you James? I would have block you but I just told you why.

I can't get over what I just read and even reading it again... still make me feel sick. So yeah, You only told me and Clarissa? Well guess what. Now EVERYONE will read that message and realize the true you. James.

Anyway... I know that was just ONE sob story... but let's continued... shall we?

"If it make you feel better, I'm suffering emotionally"

GOOD! You deserve it after what you did to your poor sister. I know you feel so bad and you shouldn't have done that in the first place. No wait. You shouldn't have think about doing that you creep.

“And I did it because of of depression”

Really? That’s your excuse? That’s the reason why you think it’s ok to have sex with your 9 year old sister at a age of 13? Dude. Think for once. You don’t need to do that and now you think your poor depression did it? Fuck off James.

“And we’ve been doing till... I’m gonna say, till between 2015 & 2016”

Wait... Wait... Wait... You mean to tell me you been having sex with your sister from February 2013 to 2015 and 2016... Wow... Just... Wow... Why would you do that? Why did you keep doing it? You done it but why would you keep doing it when you know it’s DISGUSTING AND MESSED UP. Like what is wrong with you? You sick twisted fuck. No wonder everyone hate you so much. Because YOU, James, fucking your sister for 4 YEARS. 4 YEARS OF JAMES FUCKING HIS SISTER. Like... I can’t even believe that.... I should have block this and warn Clarissa about you... James Bear.

“In 2014, I got beat up, outside cold winter night, and I got sick, and that sickness could’ve kill me...”

I do feel sorry about you getting beat up outside cold winter night but after reading about you having sex with your 9 year old sister in 2013... I don’t give a shit. Probably karma for you buddy.

“And, 2015, I gotten sick again, But while I was sick, I cried myself to sleep and, I began to lose friends...”

Again. Karma and also I wonder why you have been losing your friends... You never told me or explain. So that’s doesn’t help.

“My dad emotionally abused me too...”

If your Dad found out about you fucking your sister since February 2013, I don’t blame him for doing that to you. Honestly, you deserve it after what you did to her you fucked up creep.

“January 23,2016, I began to felt like shit, and I nearly took my own life, But I didn’t, and went to sleep...”

Ok you didn’t ended your life. Good for you. Now try and be happy for once and stop complaining and whiny about everything...

“My friend Alex (I told him on that day that I should and I forgot to tell him that I’m gonna sleep) got worried and phoned the RCMP and they took me to the hospital”

So what is up with you saying “I got no one” or “I don’t have any friends” bullshit. You do have a caring friend called Alex... So why don’t you focus on hanging out with your friend Alex instead of being sad and complain how you are so “lonely”. Oh wait. You can’t. You just keep whiny to me as always.

"I gotten sick again...."

Well stay in the hospital then. Stay there until you get better.

"But I'm OK..."

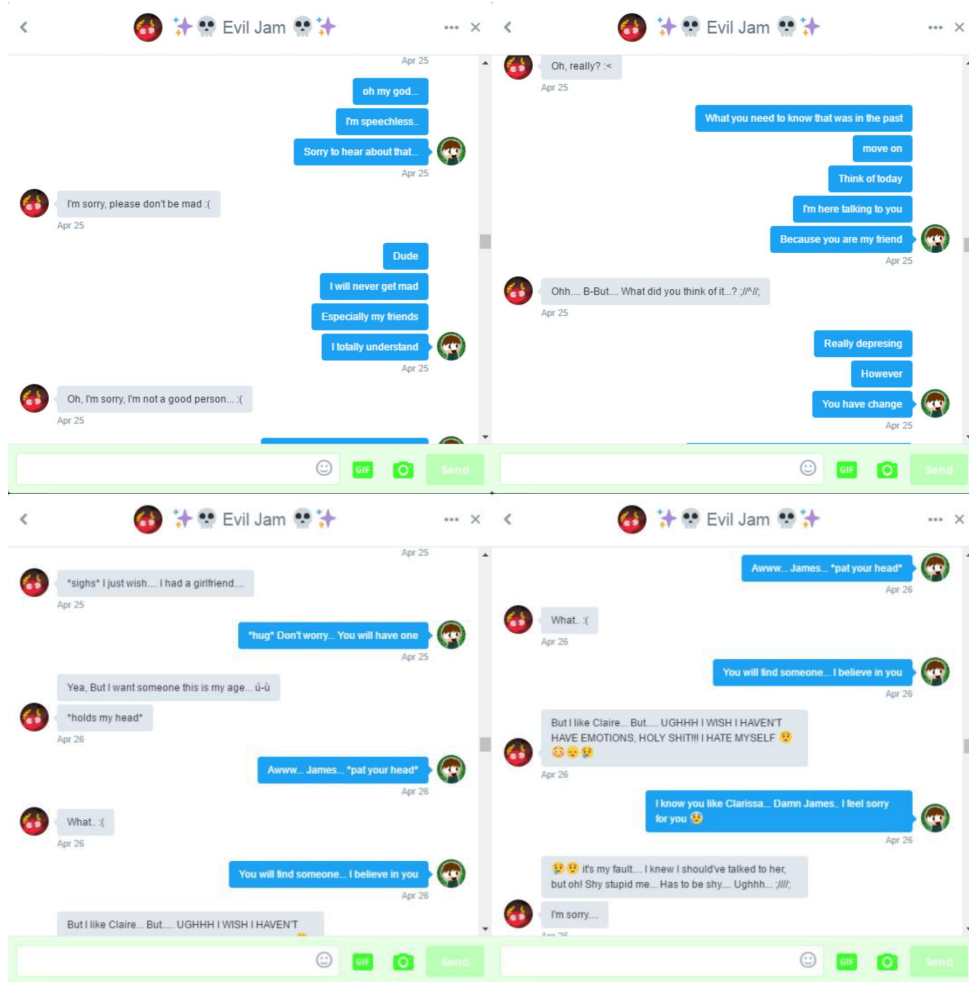

Good for you.

"That's, what happened.... But don't tell anyone btw.... (Insert two sad emoji and one blushing emoji???)"

I know I know. I keep that promise to not tell anyone but... After what you have done to me and how you treat me like shit... I think it's about time I show everyone this 'Sob story' and let everyone know the truth about you... That's include Clarissa as well...

Oh and "Don't tell anyone btw..." HAHHAHAHAHAHAHAHAH. Ooooh James. You will regret what you did to me...

Phew. Finally explain about that sob story and... James having sex with his 13 year old sister from February 2013 to 2015/2016...

So after James sob story, I reply with "I'm speechless... Sorry to hear about that", like of course I would be speechless about James having sex with his 9 year old sister. I didn't know how to respond to that, so I had to pretend to feel sorry for him and just say how I feel sorry for him. Still disgust me but I had to be nice to him so he doesn't start crying again. Oh and of course he had to tell that to Clarissa... poor poor Clarissa.

James respond with "I'm sorry, I'm not a good person", of course you're not a good person. After reading that, you're not even good person at all. You're the worst after what you did in February 2013 to your poor sister. So after I told him that he should move on from the past, he asked me "What did you think...?". WHAT TYPE OF QUESTION IS THAT? OF COURSE IT'S DEPRESSING YOU PIECE OF SHIT. You RAPE your sister in February 2013, of course it will be depressing and horrible. Like wow James. What is wrong with you...

But guess what? James repeat again with "I just wish... I had a girlfriend...". SHUT UP. You keep repeating that every single time we chat. I get it. I heard enough of it. Move on. Find someone instead of complaining it to me. What can I do? Magic you a girlfriend?

I told him that he will find someone and then he said "I want someone this is my age...". No James your 9 year sister doesn't count. As I said before. You will find someone but sitting down and repeating yourself doesn't help at all.

Later I said to him that I believe in him and James say to me...

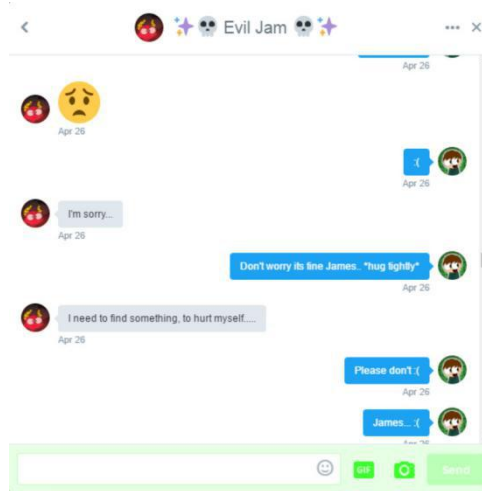

“But I like Claire...” JAMES. CLARISSA IS TAKEN. I was dating her. You know that. You know Me and Clarissa was currently dating but you keep ignoring the truth and the truth is that she can't be with you. If I said that I'm dating Clarissa or Clarissa saying she's taken... THEN MOVE ON. FIND SOMEONE ELSE. DATE TOXIC. ANYONE BUT SOMEONE WHO IS DATING. You can't just steal someone... (Or did he...)

He continued, “UGHH I WISH I HAVEN'T HAVE EMOTIONS, HOLY SHIT I HATE MYSELF (insert 4 sad emoji)”

Yeah dude. That's called 'emotions'. Everyone got them. Even you James so you can't just make it disappear and the whole “I hate myself”. Calm down James. Stop putting yourself down. At least you got someone who give a shit about your depressing life.

I responded to that message with “I know you like Clarissa”. It's not like I heard you saying that for the millions time James. I hear it over and over again. I get it. You like Clarissa but tough shit. You can still be friend with her but you can't date her you moron.

James say that it's his fault (For what?) and how he wish he could have talk to her but he was shy and stupid...? What? “Shy stupid me...”. Well James, that's in the past. You missed your chance so you need to move on and find someone else. I was lucky as hell to talk to her before you so I was pretty damn lucky James. So stop telling yourself that you wish you talk to her before because I did it before you. So IN YOUR FACE JAMES. HAHA. And then he apologize. Again. Yeah he should have apologize.

So after James apologize to me, he said that he want to hurt himself... So I told him to not hurt himself and don't apologize. I know he is sad and all but being sad over the fact that Clarissa is taken is just sad. Calm down and find someone else to try and date. Toxic or anyone else (Not your sister you idiot). And I told him that I was shy as well when I first talk to her. Yes I was shy and nervous when I first spoke to Clarissa and it was worth it to even talk to her and dating her... Best day of my life. Anyway let's not get off topic and focus on... James.

And then he responded with "Because your older". Dude that's not a good excuse. It's because I'm better then you and I work so hard to get what I wanted. Love, happiness and a dream. So don't use my age as a excuse. Just accept the way you are James. Just a really sad dude. And he told me that he never talk to her that much. Well that explain why you couldn't have a chance to be with Toxic or Clarissa. I remember I used to talk to girls and I get friendzone. So giving up easily doesn't help. "I'm such a mean person.... I'm sorry (insert 3 sad emoji)". Yes you are James. Especially what you did to your sister and also how you keep telling me over and over again how much you love Clarissa. Like dude, You know she's taken. Shut up and move on. And he apologize again... Geez.

I reply to him telling him that he is not a mean person (I had to be nice to him) and told him I was shy as well (To make him feel better)

Then he send me a big sad emoji, told me that he is sorry and then said to me that he need something to hurt himself.

What is that going to do? Make Clarissa feel sorry and dating you? Hurting yourself doesn't make your wish come true. You need to learn to accept it and move on. Again, don't expect Clarissa or any girl to be like 'Awww poor James'. You need to stand up for your depression. Hurting yourself will not do you shit. It will make it worse. And I did help you through depression since you message me James. Just deal with it. Clarissa is taken. I'm happy. Move on.

A month later, We started talking and then James comment that I didn't put emoji and I told him that I forgot because I couldn't be bother. So James say "No no, It's ok". Dude. You use emoji all of the time when me and you talk. All you do is keep spamming me sad emoji and use like 4 different type of sad emoji. Plus it's really annoying and you use that with a complain about how you want a girlfriend and how lucky I am.

Speaking of how lucky I am. James repeated himself AGAIN with "your lucky tho...dating and such... me, I'm just stupid". Once again he whine about how I'm lucky even tho I work hard to get what I wanted and also me dating. Dude. You can do that yourself. Stop complaining your problem to me (And Clarissa because I'm pretty sure she's tired of your drama) and find your girl so you can start dating instead of begging for someone who is already TAKEN. USE COMMON SENSE JAMES.

So then he send me another message saying "don't say you'll find someone...". James that's like the only thing I can say so you can shut up about it. Honestly, it's the only way you will find 'someone'. So me telling you that is more true and useful then what you have been doing. Sitting down and crying about how Clarissa is taken.

And also "tbh, it's what everyone saying... I'm tired of it... I'm not stupid... sorry, It's just... idk.... and oh, glad you like that." (If you want to know what he meant by the last thing, I said I like his drawing. But I did that to cheer him up). OF COURSE THAT'S WHAT EVERYONE GOING TO SAY. It's the only thing we can say and it's true. You will find someone if you believe in yourself. Whiny like a baby doesn't do shit. That why everyone have been saying over and over again that you will find someone. Oh and you're tired of it? TRY AND LISTEN FOR ONCE. And you're not stupid? Try and listen and then you won't be stupid.

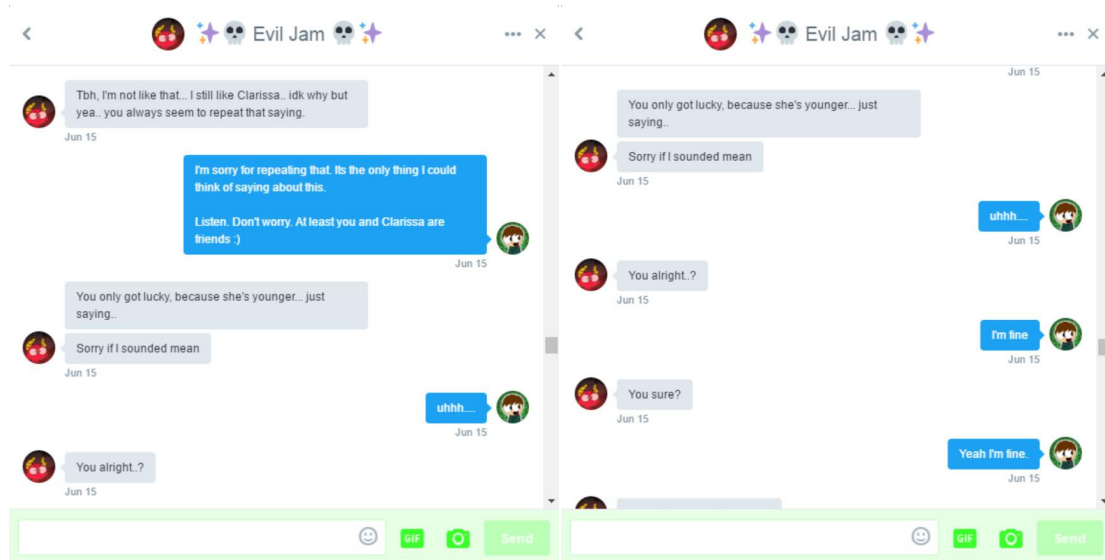

A month later, once again, he repeated himself saying I'm so lucky... (You have no idea how sick and tired I am of hearing that...) He keep saying it over and over and over again. I get it. I'm lucky. What? You think I carry a four leaf clover? I WORK HARD TO GET THAT LUCK. I DIDN'T JUST MAGIC IT. I was happy to be lucky. Lucky to be happy, proud of my work and of course being with the girl I love. So you try to get lucky and YOU try and work hard instead of being a fucking drama queen.

So I ask him "Why? Are you ok?" because I was getting worried and I knew he was getting mad and pissed off. Because I knew he is getting so mad at me for being 'lucky' and also dating a girl which I'm dating and he wouldn't shut up about it. Keep saying how lucky I am to be with Clarissa. You know what. I AM LUCKY TO BE WITH HER. You're just unlucky you miss you chance instead of, oh I don't know, YOU FUCKING YOUR SISTER FROM 2013 TO 2015/2016.

He reply with "Idk, You have a gf and idk... yea I'm OK... kinda". No shit Sherlock. I do have a girlfriend. It's not like you wouldn't SHUT UP about it. Probably because I am happy with her and Clarissa wouldn't want to date a sad kid. Sorry James. Missed your chance. (And you know why you missed it... don't you...) and also why doesn't he focus on trying to get his own gf instead of stalking me and Clarissa? About James just pissed off and he deal with his sad life.

I told him that he will find someone (For a million time) and he said "Tbh, I'm not like that... I still like Clarissa... idk why but yea... you always seem to repeat that saying."

THAT IS BECAUSE IT DOESN'T GET THROUGH YOUR SAD THICK SKULL OF YOURS. I'm so tired of telling you this because it's true and it's the only thing I could say. Like I'm not going to keep you happy forever. And of course you still like her. You wouldn't shut up about her. Tough shit... SHE'S TAKEN. And what? I repeat what I'm saying? YOU KEEP REPREATING THE SAME SHIT. "You're lucky" "I wish I got a gf" AND MORE. SHUT UP AND DEAL WITH IT.

After that message... For some reason I apologize for repeating myself (I'm not sorry at all) and it's the only thing I could think of to say. What else can I say? It's literally the only thing I can say to him. So I told him that him and Clarissa can be friends (Friendzone) and you know... That's better than nothing.

And he said... "You only got lucky, because she's younger... just saying..."

Excuse me? The fuck did you say you sad kid? Me? Lucky because she's younger? No James. That's not lucky. That's because me and Clarissa met and we are happy together. So don't say that shit when you did something EXACTLY THE SAME. You did the same. You know... What you did to your YOUNGER sister... So don't open that mouth and say something stupid to my face you incest rapist...

As you can tell... I was speechless... I was pissed but at the same time I didn't want to take my anger on this sad twat and also if I do that, James will tell Clarissa and she will get mad at me. But I told him I was fine. I lied. I wasn't. What he told me made me so mad at him.

He talk to me about Dylan (Don't worry. I know him. He's a nice guy and I have been friend with him for a long time. Anyway), and he warned me that he tired to bully James one time... OK? That's not my problem. That's your problem. If he is bullying YOU. That's YOUR problem not mine. He told me that he overly criticised his friend Mike (Again, I know Mike as well)

"And don't sad, dude. Your like 19, you have to man up"

WHAT? ME? MAN UP? What the fuck did you just say? Have you seen yourself? Didn't you read your old messages? Don't tell me to man up. Don't tell someone who is older and more mature then you. YOU NEED TO MAN UP. YOU NEED TO LOOK AT YOURSELF AND REALISE THAT YOU NEED TO SORT YOURSELF OUT. Me? Sad? Your the sadness fuck I have ever met. Since February 2016, I have to listen to your sad bullshit and everyday. EVERY DAY. I had to listen to your sad sad sad message which I don't give a shit about and of course your sob story. So don't tell me to man up. You man up and you deal with your depressing life. Like James. Sort yourself out you sad fuck.

He told me that he done some shit and it's fucking him up... Dude. You just told me your sob story. You know? When you had sex with your sister? Your 9 year old Sister when you done it at the age of 13? Of course you done some horrible shit. You done so much shit in one message and thanks to that message. That is EXACTLY what you did. So listen to me. That sob story is probably the most fucked up message I have ever read. I would have block you but I didn't because I feel sorry for you. And now you telling me that I need to man up? Just fuck off and deal with your own problem. You sad sad fuck.

So he told me that if I think being him is great, then I'm 10 times wrong. Dude. No one wants to be being you is great. Being you would be everyone's worst nightmare. So of course I'm wrong because NO ONE WANTS TO BE A SISTER RAPIST YOU FUCK. NO ONE. NO ONE WANTS TO BE THIS SAD MORON.

Then he told his life sucks, he doesn't do much, he gets bullied and he has no emotional support. Oh geez James. I wonder if I heard you saying how much your life sucks... I hear you complaining about your life and I get it. I hear it all of the time. And of course you don't do much. All you do is sit on your sad ass and whine about your sad life and also complain about how you want a girlfriend and how you want to be with Clarissa who is ALREADY TAKEN. You could have stood up and done something else. You sort out your life. Not me. And you told me about you getting bullied. Not my problem. Probably karma after what you did to your sister. You have no emotional support? How about use the internet and look up someone to sort out your sad life and yes... I HAVE BEEN SUPPORTING YOUR EMOTIONAL. YOU MESSAGE ME TO GET HELP AND WHAT? YOU THINK I DIDN'T HELP YOU ENOUGH.

"I've done some fucked up things". Again. You told me and it is fucked up... I'm not going to repeat myself so scroll up and read his shitty sob story.

After that... you know what... let me just take a closer look at this message... This one message that pissed me off so much and it still does... Just... read this... Read what this depressing shit just type...

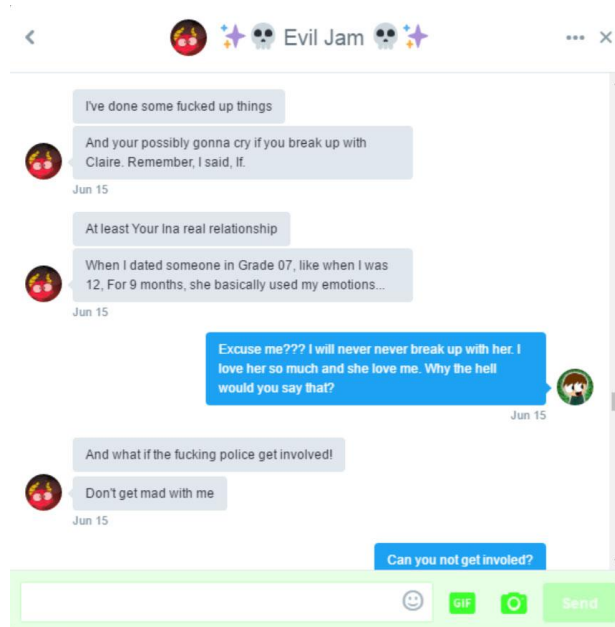

And your possibly gonna cry if you break up with Claire. Remember, I said, if.

Jun 15

“And your possible gonna cry if you break up with Claire. Remember, I said, if.”

James... Who the fuck do you think you are? Who the fuck would say that to someone who is in a happy, caring relationship...? You think I would do that? You think I WOULD BREAK UP WITH HER? YOU DON'T KNOW SHIT. YOU THINK YOU KNOW WHO I AM AND WHAT I WOULD DO. I WOULD NEVER. NEVR IN MY LIFE WOULD BREAK UP WITH SOMEONE WHO I DEEPLY LOVE. SOMEONE I WANT TO BE WITH. You can't talk you sad fuck. You have never been in a relationship and you think I would listen to a depressing person? Someone who just tell me sob story and also telling me about how YOU want love. You think you can talk to someone who is in a relationship? Don't ever fucking say that to me. I would never do that to Clarissa. How would you feel if I send that to you? Imagine if I tell you that you will break up with a girl. EXACTLY. YOU JUST DON'T SAY THAT. SO FUCK OFF JAMES. FUCK YOU FOR SAYING SHIT LIKE THAT. GO FUCK YOURSELF FOR THINKING I WOULD DO THAT. Why don't you try and find someone and see how you would like it if I said shit like that. But guess what, I wouldn't because I'm not A FUCKING MORON LIKE YOU JAMES. JUST FUCK OFF AND I WOULD NOT LISTEN TO ADVISE FROM YOU JAMES. JAMES BEAR. YOU SAD DEPRESSING SHIT.

Sorry... That message just pissed me off... Especially James said that to me... Let's move on to the rest of the message...

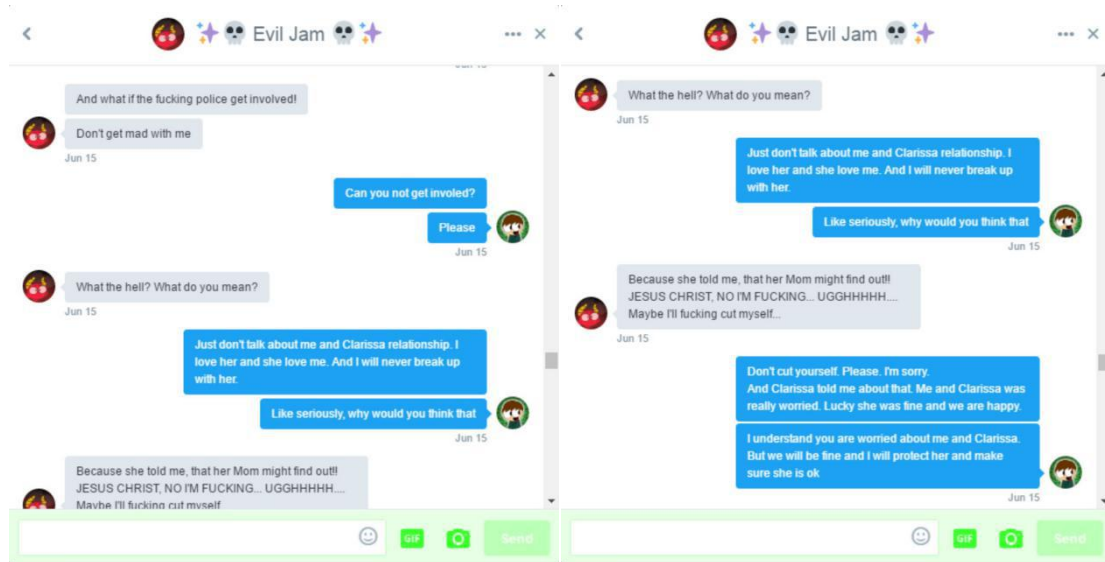

And then this sad fuck say “At least your in a real relationship”. NO SHIT JAMES. Have you ever heard of a relationship? Look it up James. Look it up and see what it mean. Of course me and Clarissa was in a relationship but you wouldn’t keep your sad mouth up because you wouldn’t shut up about how me and Clarissa are lucky we are together... so piss off James and find your own “real relationship” instead of bothering a relationship which is exactly what you have been doing since I met you.

Oh wait, he did. He dated someone in Grade 7 and he was 12 for 9 months and she used his emotions... Ok? So what? Find someone else James. Move on if she being mean to you. Don’t attack someone who is currently in relationship you selfish shit. As you can tell from my respond. I was PISSED. I told him “Excuse me???? I will never never break up with her. I love her so much and she love me. Why would you say that?”

Which is exactly how I felt after reading his rude and selfish message and it still piss me off TODAY. Again, WHY WOULD YOU SAY THAT TO ME? Actually, DON’T SAY THAT AT ALL JAMES. STOP AND THINK BEFORE YOU OPEN YOUR SAD MOUTH OF YOURS.

And it was at this point... I knew he was trying to break me and Clarissa up so he can have Clarissa to himself. No hard work, nothing. Just steal someone else girl like a rat. Actually, a BIG UGLY RAT to be exact.

Suddenly he said that the police might get involved... THEN DON'T GET FUCKING INVOLVED. You shouldn't even be part of this. You shouldn't just pretend you know what's going on because you don't. Actually, I think the police should get involved with someone who FUCKED A 9 YEAR OLD SISTER AT THE AGE OF 13. And he then say "Don't get mad with me".

Dude... Dude.... I HAVE ALWAYS BEEN MAD AT YOU THE MOMENT YOU MESSAGE ME. When you told me you like Clarissa, I was mad. When you said you want to be with Clarissa, I was mad. When you told me that sob story about you raping your sister, I was mad. And when you told me that you think I would break up with Clarissa... I WAS SO FUCKING MAD AT YOU. You have no idea how much rage I have been keeping inside whenever we talk. I try to keep it in but you just keep making me mad and mad. So... OF COURSE I'M MAD AT YOU.

I told him "Can you not get involved? Please". Which is true. So true. That you shouldn't get involved in someone business. You have no excuse James. You should deal with your own problem instead of someone else. So let me tell you something James... DON'T GET INVOLVED.

So he just simply responded, "What the hell? What do you mean?". YOU DAMN WELL KNOW WHAT I MEAN BY "DON'T GET INVOLVED". Don't act like you don't know because quite clearly... YOU DO KNOW SO DON'T GET INVOLVED.

Then I told him that he shouldn't talk about me and Clarissa relationship and how I love her and she love me and also told him that I WOULD NEVER BREAK UP WITH HER. And then I told him why would you think that.

Exactly. WHAT THE FUCK WAS HE THINKING? WHAT? YOU THINK THAT WILL BREAK ME AND CLARISSA UP? I knew he was trying so hard to come up with shitty ass excuse so he can be with Clarissa... James... You dumbass...

Then he burst out in rage how Clarissa told him that her mother might find out... Ok then don't get involved. Let me and Clarissa deal with it.

And then he said “JESUS CHRIST, NO I’M FUCKING ... UGGHHHHH...”. I’m sorry James. Can you finished your sentence? I didn’t understand. What that? You are trying to break me and Clarissa up so you can be selfish and have her to yourself? Of course you would James. Don’t lie to me. In fact, don’t say stupid shit at all.

He continued that he going to cut himself... dude... calm down... the truth hurt doesn’t it? You knew you have always been a bad person since you was born. So shut the fuck up and leave me and Clarissa alone. Bother someone else with your sad and depressing life.

So I told him to NOT CUT HIMSELF (Because that would be stupid James) and Clarissa told me (Again, He shouldn’t get involved and he should let me and Clarissa deal with it) I told him that me and Clarissa was worried about him (I’m not worried about him after the shit he said to me) and I told him she is fine... BECAUSE ME AND CLARISSA SORT IT OUT AND YOU SHOULDN’T GET INVOLVED IN SOMEONE RELATIONSHIP YOU DUMBASS.

I then said to him that I do understand that he want to protect her but I’m doing it because you know... SHE’S MY GIRLFRIEND. And You shouldn’t get involved because she’s not your boyfriend. SO James, find someone else to bother with.

James reply with “I’m only worried for her, she’s younger then you, dude...”. You can’t talk. You fucked someone who is younger then you. So Don’t act like you didn’t do shit. Of course I know she’s younger. What? You think I just randomly date her without knowing. Don’t get involved if you don’t know shit.

“You think I fucking need this?” Yes James and you deserve every moment of it. You deserve to feel pain James. Because you did so much fucked up shit James... And also trying to break me and Clarissa up... again... shut up James. You deserve it.

“Your lucky I’m not like Dylan... jesus...” And he’s lucky he’s not like you. So I guess he’s more lucky then you James.

I told him to listen and told him how me and Clarissa have been together since November, how much we love each other and again, how I know he is over worried about her.

Then... this message happened...

I've been having this feeling too, for long time. That you might be using her for her art. I hope this isn't true, dude.

Jun 15

"I've been having this feeling too, for long time". I know James. You wouldn't shut up about you having feeling for Clarissa... even tho you knew and me and Clarissa told you... THAT WE'RE DATING. So you can't have those feeling anymore. You find someone else to have feeling instead of, oh I don't know TRYING TO STEAL SOMEONE ELSE RELATIONSHIP.

But this... This fucking part really really made me so mad...

"That you might be using her for her art.. I hope this isn't true, dude."

First... you think I would break up with her... which I will never ever do... but now... you think I will use her... for her art... let me ask you... a quick question... James...

WHAT THE FUCKING HELL IS WRONG WITH YOU!?! YOU FUCKED UP RAPIST!

YOU REALLY THINK THAT. THAT IS REALLY SELFISH THING TO THINK OF. YOU THINK SOMEONE WHO IS MORE MATURE AND OLDER THEN YOU WOULD DO THAT. JAMES YOU ARE THE BIGGEST FUCKING IDIOT I HAVE EVER MET.

I would never in my life would date someone for their art. That is rude and disrespect. And you really think I would do that? You are one retarded kid ain't you. You don't stop and think before you type that shit to me. You think you're clever James. But you're not because you are a selfish twisted twat who think I would do that.

I love Clarissa. I love her so much. She's a sweet and heartwarming lady who always make me smiles and brighter my life. Her art is amazing but not as amazing as Clarissa because she's the best person I have ever met.

But for you to think I date her for her art is wrong. It's fucking wrong James. I would never do that. So before you say shit like that to me and Clarissa. You find someone and let's see how you would feel if I said stupid shit like what you say TO YOU.

And to make it worst... you told Clarissa that... and she believe you... thanks to you now you made her think of something which is not true.

You know what that mean James... YOU ARE LYING. YOU TOLD LIE TO CLARISSA SO YOU CAN GET WHAT YOU WANTED. YOU SELFISH FUCK.

Let's continued. James really pissing me off. Just looking at his message make me want to punch my computer screen... fucking James... Fuck him.

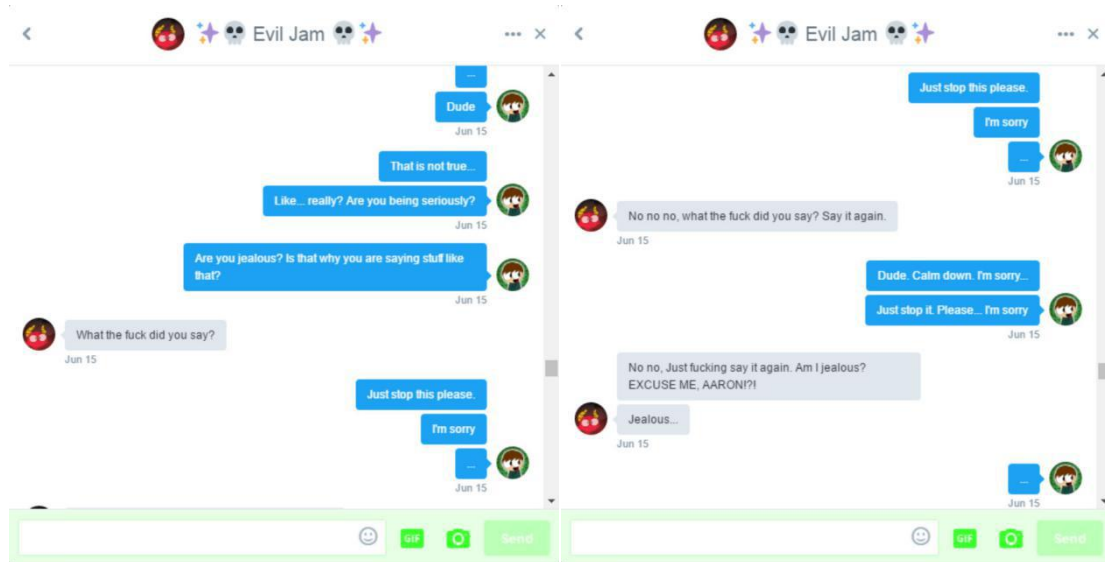

I finally told him the truth... Something I should have said to him since the beginning... You can tell I was fucking pissed off at this selfish prick... I told him that's not true and I was like "Like... Really? Are you being seriously". You can easily tell how mad I was when I read that one message and then I told him...

"Are you jealous? Is that why you are saying stuff like that?"

I have been thinking about this question the moment I knew that James is trying to be with Clarissa. The way he keep mentioning how much he like her and he want to be with her. He doesn't talk about anything else but wanting to be with her. He doesn't talk to me normally or care about me. He only want to talk to me so he can make me and Clarissa feel sorry for him so he can be with someone who I love and also she is taken.

Of course you are jealous or else you wouldn't say shit like "I wish I could be with Clarissa" or "You're lucky you and Clarissa are dating" and also "I like Clarissa so much". Because OF COURSE THAT IS THE SIGN OF JEALOUSLY. I HAVE ALWAYS NOTICE THAT THE MOMENT YOU MESSAGE ME AND THEN TOLD ME YOU LIKE CLARISSA EVEN THO SHE IS TAKEN AND DATING SOMEONE. ME! THE ONE WHO YOU HAVE BEEN TALKING TO. It's like you never notice it but yet you keep saying the same shit over and over again. So yeah. Of course you are jealous. Jealous James.

And then... this happened...

James... got triggered... like he really got triggered because I told him the truth. At this moment. James have change completely. He went from being a sad depressing person to a angry, pissed off and jealous shit.

He didn't respond to me for a couple of minutes after I ask him if he is jealous (Of course he is jealous) and then he said "What the fuck did you say?"

Excuse me I would say the same thing after all of the shit you said to me you idiot. What I said to you is the truth. The truth is that you are a extremely jealous and selfish person who doesn't give a shit about anyone but them-self. You have always been jealous the moment you found out that me and Clarissa are dating and I was happy (Before you exist) and I even told him to stop it (because he really pissed me off and he wouldn't shut up about the same thing about him being over jealous). I shouldn't apologize to this bullshit at all. In fact, he should apologize TO ME AND CLARISSA. For being a ungrateful little twat.

He reply with "No no no, what the fuck did you say? Say it again.". Honestly I wish I did say it again because watching him getting triggered is the funniest thing ever. Like yes I was nervous but WHO CARE WHEN YOU CAN HAVE MR TRIGGERED BEAR. If I did say again, he would probably start crying and ranting about me again. So yes James, I will said it again.

Are you jealous? Is that why you have been saying this?

Done. Now fuck off James.

So I told him to calm down because he was getting really really angry and jealous to the boiling point and I knew I upset him (WITH THE TRUTH). I repeated myself telling him to stop it because it's really annoying and what's James doing is just damn right selfish. No wait. That is exactly what he is. Selfish.

Suddenly James responded with "No no, Just fucking say it again. Am I jealous? EXCUSE ME AARON?!?"

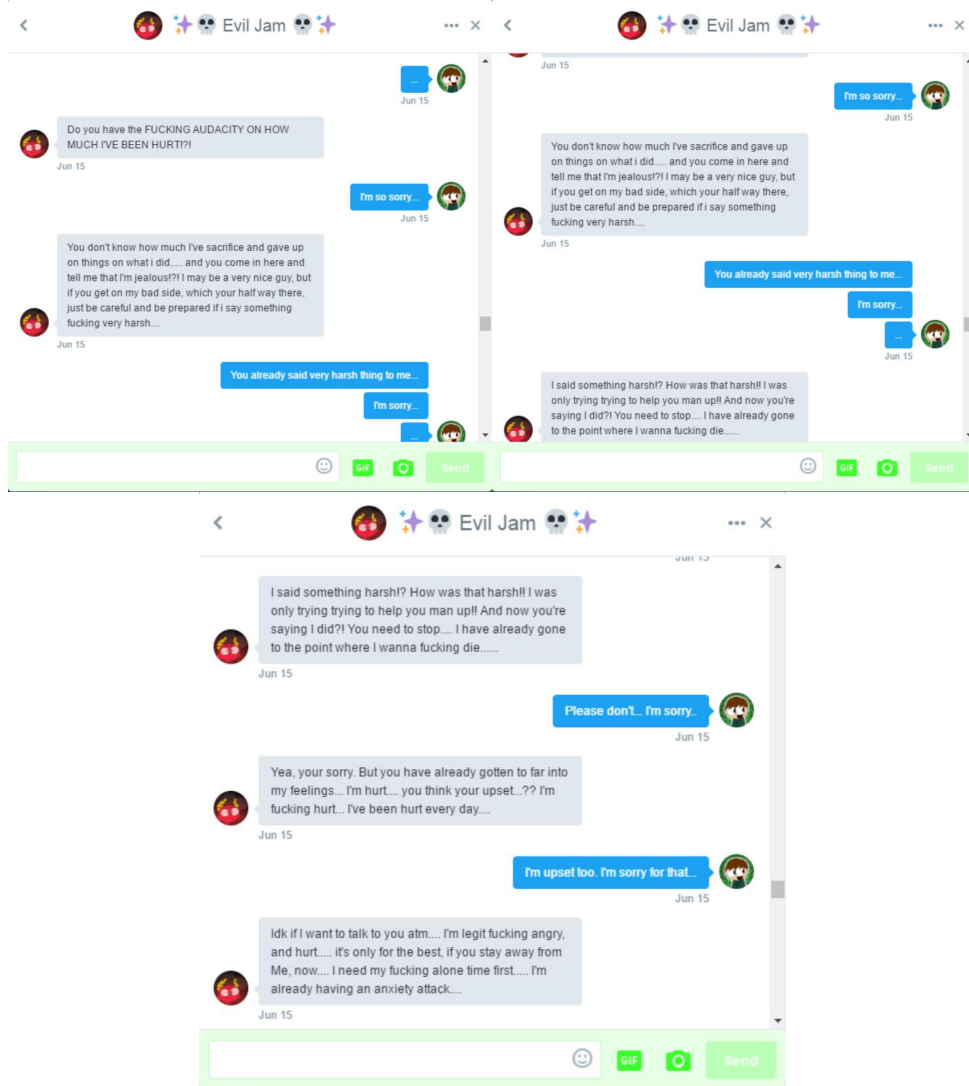

HAHAHAHAHAHAHAHAHA. Sorry I'm laughing at this message. NO SHIT JAMES. It doesn't take a professional to know that you are jealous James. Look at yourself in the mirror and realize that you are a jealous piece of shit. Since the beginning, I knew you was jealous. You keep saying the same shit over and over again and it just getting annoying. I would have block you and also screenshot it and tell Clarissa about your childish and selfish act, but I didn't. Because I didn't want to make you cry again. Oh I wish I could fucking say it again. SO I will do it now. Again.

Are you jealous? Is that why you have been saying this?

Damn making James triggered is the best. Hahaha.

Then he just reply with one word... "Jealous...". Yes James. Good boy. You just said what you are. Congratulation! (Insert clapping emoji). But seriously. Yes you are jealous James. You have always been like that since you message me and you only did that so you can stop being Jealous at me and Clarissa. So yeah James. Mr Jealous Bear. Just get out of everyone life and take your jealousy somewhere else. In Hell.

I said "...". Because I was speechless by James bullshit. That's all. Moving on.

As you can tell from this jealous kid. He got really triggered and start sending me these bullshit messages. So Let's take a look one by one shall we... Damn I hate James so much...

“Do you have the FUCKING AUDACITY ON HOW MUCH I’VE BEEN HURT!?!?!”

Yes James I do use Audacity to record my animation and edit audio. Thank you for asking. You?

Okay let's be serious now. Yes James you have told me so many time how much you've been hurt. You was beaten up by bully at a cold winter night (Karma bitch) and also your father emotionally abuse you. So what? You told me James and I don't care because at this point, the way you been treating me recently... I don't care what happened to you James. So you getting hurt by your problem is your fault not mine. So don't blame your depressing problem on me. Go somewhere and sort it out. Not me or Clarissa because I'm pretty sure she's bored of your sad story James.

Again... Why did I apologize? I would never apologize to you James. It should be the other way round. You should apologize to ME. After all of the horrible things you said to me... so yeah...

“You don’t know how much I’ve sacrifice and gave up on the things on what I did”

“Sacrifice”? What the fuck is this? Berserk? And no James having sex with your younger sister doesn’t count as a sacrifice you twisted fuck. How am I suppose to know how much you “sacrifice”? You never told me and if you did I wouldn’t care at all James.

“And you come in here and tell me that I’m jealous!?!?”

Yes I did tell you that you’re jealous because it’s the truth. What? Poor old James can’t handle the truth. The truth hurt like a bitch doesn’t it James. You poor fucking thing. Of course I needed to tell you that in your face so you can hear it nice and clear. YOU ARE JEALOUS YOU FUCKING IDIOT. I have been keeping that in for a long time but now it’s about time I tell you the truth. YOU ARE JEALOUS. So what? You want me to lie? I’m not you James. I don’t lie just like you James. You lie about how you think I’m dating her for her art and also think I would break up with her. But guess what? I WOULD NEVER DO THAT. And let me tell you the truth again... YOU ARE JEALOUS JAMES. JEALOUS JAMES. JEALOUS JAMES.

“I may be a very nice guy, but if you get on my bad side, which your half way there, just be careful and be prepared if I say something fucking very harsh...”

YOU!?! VERY NICE GUY!?! HAHAHA. YOU HAVE NEVER BEEN NICE JAMES. The moment you was born, you have never in your life been nice. I don’t think nice is even a word to describe you James. You fuck your sister at a age of 13. HOW ARE YOU A VERY NICE GUY!?!? And then you said some horrible and harsh shit to me and Clarissa. So let me ask you this James... HOW THE FUCK ARE YOU A VERY NICE GUY IF YOU WASN’T ONE IN THE FIRST PLACE!?!? Maybe if you disappear and re-appear, maybe you might be nice... Just kidding you will never be nice you fucking harsh boy.

Half way there!? Dude. You have always ALWAYS been on your bad side since the beginning. You wouldn’t stop whining and complaining about your sad depressing life, you keep repeating how much you want a girlfriend and how you want to be with Clarissa and also YOU FUCK YOUR SISTER. YOU HAVE ALWAYS BEEN ON BAD SIDE. YOU HAVE BEEN BORN WITH IT. SO WHAT DO YOU MEAN HALF WAY THERE!?!? YOU ALWAYS HAVE BEEN THE SAME BAD SIDE.

Oh. You say fucking very harsh thing? Dude. Scroll up and read your messages. The things you said to me is pretty harsh and rude. Geez no wonder no one like you and no one want to date you... I’m glad you’re lonely as fuck because you don’t deserve anyone. You deserve to go to hell after the things you said to me...

Yet again I told him that he already say really harsh thing to me... I will admit... I did cry when he said those horrible things to me... Then I apologize... even tho I wouldn’t but I had to so he can shut the fuck up.

“I said something harsh!? How was that harsh!!”

HAVE YOU READ YOUR OWN FUCKING MESSAGES!?! THEY’RE HARSH AS FUCK AND YOU TELLING ME THEY’RE NOT HARSH!?!? Scroll up and read your own messages.

Put on your glasses if you can't see. You told me some really fucked up and horrible shit to me. So yes James. THEY ARE HARSH YOU FUCKING RAT.

"I was only trying trying to help you man up!!"

James. When did I ever ask you for help? Why should I get help from someone who only talk to me so you can try and get closer to Clarissa and also keep complaining and whining about your sad life of your. Wait. YOU TRYING TO HELP ME MAN UP!?! YOU HELP YOURSELF. YOU MAN UP. YOU MAN UP AND TRY TO MOVE ON AND STOP BEING THE SADDEST HUMAN BEING IN THE WORLD. So shut the fuck up and don't tell me to man up when you need to man up yourself. Boo hoo. James can't get a girlfriend. Boo Hoo. MAN UP JAMES. JUST FUCK OFF AND LEAVE ME ALONE.

"And now you're saying I did!?"

What? The truth? The truth that you are jealous of me and Clarissa dating? Jealous of me being happy and having a good life? While you are having the most depressing and sad life? Fuck off James I'm telling you the truth. The moment I saw you I knew you was jealous. In fact, look up the word 'Jealous' and your name should pop up.

"You need to stop...."

Stop what? Helping you? Telling you that you're jealous? If I did stop helping you, you would be so much more depressed and then Clarissa have to deal with you more and more. The reason I had to keep doing it because I'm sick and tired of you being a sad lonely fuck and I wanted to be a nice person and help out. You need to stop. STOP BEING SAD, HARSH DEPRESSING MORON.

"I have already gone to the point where I wanna fucking die...."

Yes I know I told him to not do it and apologize (Not) but dude... after everything you did to me, Clarissa and your sister... yeah you should have done that. So you can disappear and ended your sad emotion and stop being jealous. Oops. Jealous? Yeah you are jealous. Truth hurt doesn't it James.

Then he send me another message with "Yea, your sorry." Dude... I apologize for no reason... don't be rude if someone say that to you. Damn James your so rude.

"But you have already gotten to far into my feeling..."

Oh Boo hoo. I hurt his little feeling. I went too far. Boo hoo James. Oh shut up James I was only telling you the truth you triggered fuck. You really think I give a shit about your poor feeling? I don't. All you feel is anger and jealousy. That's all. You got no feeling what so ever.

"I'm hurt.... you think your upset...??"

Yes James I am upset... THANKS TO YOU FOR SAYING STUPID SHIT TO ME ABOUT ME AND CLARISSA. Of course I'm really upset. You made me cry even tho I was trying so hard to help you but yet you still not happy with my help because all you want is what you wanted. All you care about is YOU YOU YOU YOU. Because you know what

you are? SELFISH. Doesn't give a shit about anyone else but yourself. So yeah. I don't give a shit if you're hurt. You hurt me more than yourself.

"I'm fucking hurt... I've been hurt every day...."

I know James, you told me a billion time James. I get it. Boo hoo. Can you please move on? I'm getting bored of your drama and it's really pissing me and Clarissa off. In fact listen to 'Hurt' by Johnny Cash. Enjoy the music you sad fuck. I hope that will make you feel something else. No wait. You will feel hurt even more.

So I told him that I'm sorry as well (Again and I'm not sorry) and I told I was upset... which is really true... After everything I did for him. Messaging him to make sure he is ok... but now he treat me like this and attack me... wow James... no wonder you're lonely as fuck...

"Idk if I want to talk to you atm...."

What do you mean? What? Did the truth hurt you so much that you don't want to talk to me? The truth is that YOU ARE JEALOUS. If you don't want to talk to me, you would be even more sad and lonely. Like after me spending time with you and trying to help out and now you're saying you not sure if you want me to talk to you??? I'M TRYING TO HELP YOU JAMES. BUT NOOOO YOU WANT TO TRY AND MAN UP WHICH DIDN'T DO SHIT. YOU SORT YOURSELF OUT IF YOU THINK YOU'RE THAT GOOD.

"I'm legit fucking angry, and hurt...."

No shit. I been reading your messages and you have always been angry. You change James. From being sad to being a pissed off kid. What is wrong with you? I'm trying to help you and you take your anger on me? What is fucking wrong with you? You freak. And you're hurt??? I'M HURT AS WELL FOR SAYING HARSH THING TO ME.

"It's only for the best, if you stay away from me"

Yes I wish I did stay away from you. Because you're a monster. A freak. A creep. You're so selfish and harsh that's it's hurt to even look at you. I wish I did block you at this point... the way you been treating me... just... fuck off James... Get the fuck out of my life...

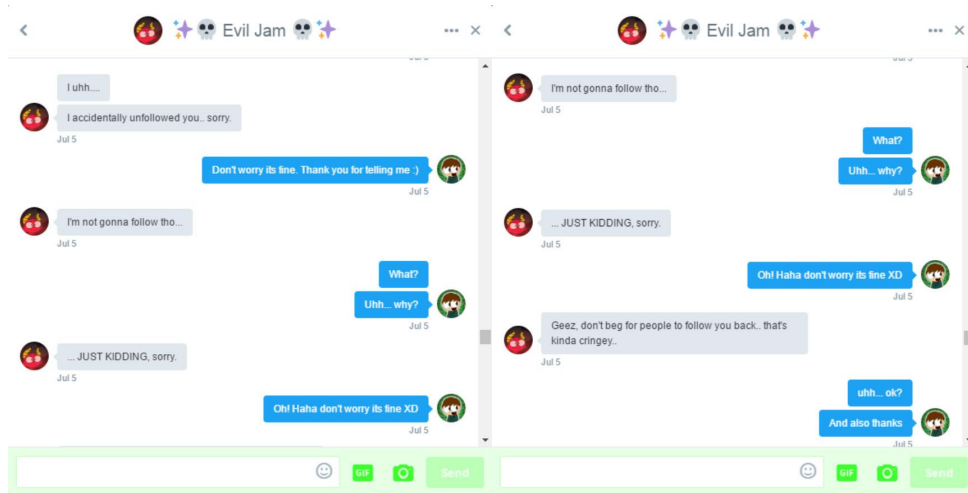

"I need my fucking alone time first"

Dude. You have always been alone. What? You need more time? You always been lonely since you was born. If you want to be alone.... WHY DID YOU EVEN MESSAGE ME IF YOU WANT TO BE ALONE!?! I didn't want to talk to you as well but guess what? I HAD TO BECAUSE I FEEL SORRY FOR YOU. BUT THE TRUTH IS I DON'T FEEL SORRY FOR YOU AT ALL AFTER THE WAY YOU BEEN TREATING ME. So if you want to be alone so much... go fuck yourself.

“I’m already having an anxiety attack...”

What? I thought you always had a anxiety attack? I thought you always been like that. Like you haven’t change at all after everything I did for you and now you telling me I did this? Telling you the truth kid. And the truth hurt like a fucking bitch.

Friendly reminder. All of this triggered messages was all because I ask him if he is jealous... just wow... Triggered much James? Of course you are jealous or else you wouldn’t reacted like that. Truth hurt doesn’t it. You’re one jealous piece of shit.

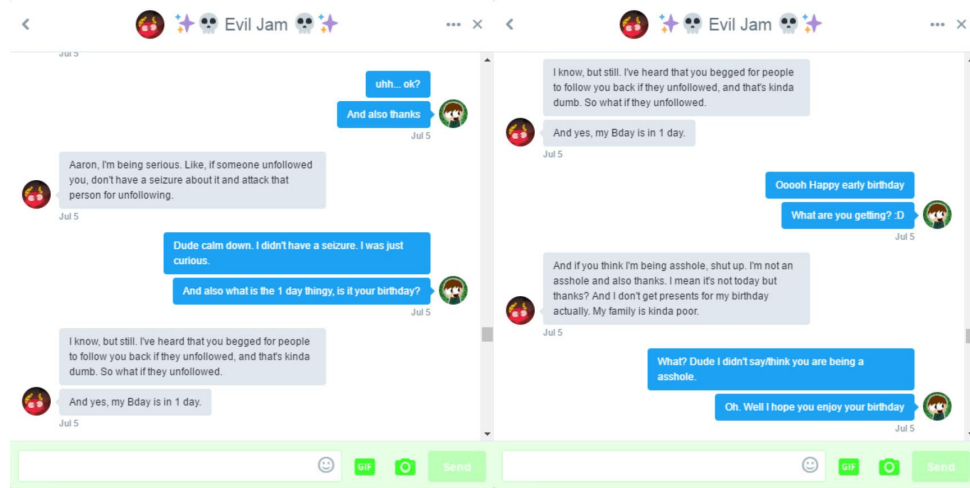

A month later on July 5th 2016, James send me a message saying that he accidentally unfollowed me. I was really confused at first and then he told me he not going to follow me again. So I ask him why and he’s said “JUST KIDDING, sorry.”. I knew it was a joke because I laughed.

But then... he start being a prick and said...

“Geez, don’t beg for people to follow you back... that’s kinda cringey...”

Excuse me? You rude fuck. I didn’t beg at all. In fact, I laughed at your shitty joke. Was that suppose to make me laugh? Did you told Clarissa that joke? She probably think that wasn’t funny at all you unfunny moron. Oh me? Beg for people? Said to the one who is begging to date someone and also beg to be with Clarissa. Boo hoo. Don’t say stupid shit to me when you should think about yourself. Exactly. So don’t be so stupid James. How was I begging for people to follow back anyway? All I did is asking you “Why?” but you took that and think I’m begging. Why don’t you beg to someone to give you a better life James. That will work. No wait. No one want to help you James because you are one rude fuck.

So I was really confused because what he said was such a douche thing to say and I thanks him (I don't know what else to say to him. He's just creepy). And yet again... he open his stupid mouth and say another retarded thing...

"Aaron, I'm being serious. Like, if someone unfollowed you, don't have a seizure about it and attack that person for unfollowing."

Why is James so stupid? I didn't have a seizure at all. All I did is ask you why and then you suddenly act like you think I'm having a freak out? What is wrong with you? Why have you suddenly becoming as a asshole? Actually you have always been like that so you haven't change at all.

So let me get this straight. You told me that you unfollow me as a joke and now you think I'm being cringy and having a seizure? Mate. I laugh at your shitty joke and you suddenly turn that joke into a douche move. You don't talk to someone like that especially to someone who been helping you through your depression. Oh I see why you acting like a jerk. Because you want to show off how tough you are so you can impress Clarissa, when the truth is... you're a big fat jealous coward. Oh? You think I'm having a seizure? Said to the one who had a seizure over someone calling you JEALOUS. YOU FUCKING PRICK.

I told him to calm down because he was getting really angry for no reason and also calming him down because he was being a fucking asshole. I said I didn't have a seizure and I was curious. All I did is ask you a question and then you ignore that and just think of something else. So what? Being a asshole to me is going to cheer you up? No wonder Toxic or any girl doesn't want to date you. Because you're nothing but a heartless jerk.

So you think James is going to apologize for being a asshole? Right? WRONG! He said...

"I know, but still. I've heard you begged for people to follow you back if they unfollowed"

Wow.. what a asshole thing to say... I WOULD NEVER DO THAT. Why are you making stupid lies about me? So you can try your best to attack me and insult me? AFTER

EVERYTHING I DID FOR YOU, THIS IS HOW YOU TREAT A FRIEND!?!? Fucking hell James. You're a fucking asshole for being a harsh rat. And who told you that? Your imagination friends? Bullshit. I would never do that. Again, you think I begged? You always begged that you wish you could be lucky like me and also want a girlfriend. So shut the fuck up James you fucking retarded shit.

"And that's kinda dumb, So what if they unfollowed"

You know what else is dumb? You. You're dumb. Your life is dumb. EVERYTHING ABOUT YOU IS DUMB. You're the dumbest asshole I have ever met. How dare you treat someone like that. I didn't even mention about any of this. You just bought up a random topic and you think you're funny? You know what is funny? Laughing at your pointless and sick life.

So I ignore that message and told him "Happy Birthday" because I refuse to respond to that harsh message and I want to change topic. I want to change the topic because he have insulted me so many time and I want brighter up the topic.

But guess what? He continued with the same shit...

"And if you think I'm being asshole, shut up. I'm not an asshole"

Excuse me? Didn't you read my message? I DIDN'T MENTION THAT. (Actually you are a asshole... the biggest selfish asshole I have ever met. This is to the point when he start making me feel depressed. He keep thinking that I would do this sort of things... He keep thinking I'm a horrible person. All I was trying to do is help him but he just keep using me to take his anger on me. I just fucking hate it when he put me down and feel like shit... Thanks James. After everything I did for you. Is this really a nice way to treat your friend? No wonder you got beaten during a cold winter night... I hope you get even more beaten in a cold winter night... beaten you to death. Oh and you're calling em a asshole? Look at yourself. You was born to be a asshole you jerk.

"I mean it's not today but thanks?"

What don't you understand about 'Happy EARLY birthday'. Read the message properly you dumbass. You should be happy someone is saying happy birthday to you.

"And I don't get presents for my birthday actually. My family is kinda poor."

Oh really James? You seriously expect me to feel sorry for you after the way you been treating me recently? You know what your family should get you for your birthday. A birthday beating... OUTSIDE THE COLD WINTER NIGHT. I hope the beaten will teach you a lesson on how to be nice for once in your life.

I was really annoyed because I didn't say or even think he was being a asshole (Actually he is but I didn't want to say it in case if he had another triggered freak out) so I just told him that I hope he enjoy his birthday. (Not. You don't deserve anything you freak)

Oh geez... He send me another asshole message... because he's a jerk... great let's keep going...

"No, like incase you start thinking that I am, when I do these things, I'm not an asshole..."

Yes James. You are a asshole. The way you suddenly start sending me harsh messages and start insulting me non stop. Keep thinking that I would do these things which is not true. So yes James. You are a horrible fucking asshole.

"I got nothing for my bday anyways, so. What's the big deal."

Wow... "What's the big deal". No wonder how much your parent fucking hate you. You such a selfish shit who is really ungrateful for your birthday. Imagine your parent working so hard to give you a birthday and you act like that? Wow... You truely deserve that emotional abuse your dad gave you... I hope you're happy with yourself you self centered shit.

"Lemmie give you some tough love"

What? Tough love??? What are you fucking gay? James. I'm dating Clarissa you idiot. Why would you ask me that? Find someone else to give you tough love. Just... piss off James you weirdo.

"It's just how I am in order to make people come out of their shell"

HAHAHAHAHAH. WHO WOULD TAKE ORDER FROM YOU!?!? Why would anyone want to listen to someone who is a jerk and also someone who have sex with a 9 year old Sister? Wow James... Who the fuck want to take order from a piece of shit like you...? Oh and you can make people come out of their shell???? WHY DON'T YOU DEAL WITH YOUR OWN SHELL?? YOU GOT SHIT TON OF SAD AND DEPRESSING PROBLEM. So you should sort yourself out before you think you can suddenly make

people come out of their shell. Go fuck yourself back to your depressing shell you shitty fuck.

“Also I gonna need your permission to do”

PERMISSION!?! PERMISSION TO DO WHAT!?! BEING A FUCKING JERK TO ME!?!? I think you have done that for a long time. You have insulted me so many time to the point of me crying. You said some horrible lies to me. Why do you need a permission to be a cunt. Actually. You are a fucking jerk to begin with... Fucking hell James... what is wrong with you... you freak...

“So I wouldn’t have you spreading this to others and thinking I’m an asshole..”

DUDE. WHAT THE HELL IS WRONG WITH YOU!?!? I wish I did spread the message about you being a asshole. But I didn’t want to upset you nor Clarissa as well. I just fucking hate how you have been treating me recently. If I did do that, Clarissa would get mad at me and then James will start crying like a baby. Jesus christ James Leave me alone. And yes James... OF COURSE YOU ARE A ASSHOLE!

“Trust me man. This is for your own good”

WHAT DO YOU MEAN FOR MY OWN GOOD!?!? I DIDN’T ASK FOR THIS. All I want to do is help you but you instead keep insulting me and attacking me non stop. How can I help you if you treat me like this!?! Why do I even need it!?! You need it because you keep crying and bitching about your sad lonely life. Like oh my god James. Shut the fuck up.

“I was given some tough love.”

GOOD FOR YOU. DO I NEED IT? NO. SO WHY DO YOU WANT TO GIVE IT TO ME WHEN I DON’T EVEN NEED IT. GO FUCK YOURSELF JAMES.

So after those... shitty messages... I was confused and didn’t understand what he meant by “permission” (Because he didn’t make any sense. He just want to show off how tough he is even tho he is the biggest pussy I have ever met...) and I told him that I didn’t think he was being a asshole (Again.. I LIED. HE IS A FUCKING ASSHOLE). I even fucking asking him to calm down because he was freaking me out and it’s like he is taking his rage and anger on me. Like James... fucking hell. What is wrong with you... you fucking freak...

Just... read it... Just... wow... What a fucking asshole piece of shit... I don't know what to say... let's... break it down...

“First of all, Your art style is so terrible, it makes Go animate look better then yours”

Have you ever seen a flash animation before? Notice I DRAW my character instead of using ready made character? No? And wow. That's a nice thing to say. It's a ashame I didn't say that about your Eddsworld art style rip off. So fuck off you Eddsworld wannabe.

“They way you comment on other people is cringey”

Say to one who keep using these...

“:3”

“:33”

“///@///”

“u--u”

“>w<

“;0”

“xD”

”èWé”

”èvé”

“:(“

“,~,”

“;-;”

“c:”

“ovo”

“-H-”

“:c”

“;/////;”

”;///^///;”

“///m///”

“///n///”

(And so many more... like he use these all of the time when I first spoke to him... oh and he use fucking sad emoji A LOT)

“your animations are terrible”

Well look at your fucking shitty animation. It’s like if you copy and paste Eddsworld and then put Pivot music on top of it. Don’t fucking judge my animation before you deal with your own retarded animation. Fucking hell James. You retarded kid.

“Your 19 and you act like your 13”

Oh right. You think I should listen to you who think who is all tough as nail when the truth is you are a fucking rapist who like to have sex with your own sister, getting jealous of someone else life because it’s better then your shitty depressing life and you think you act like your older then me? If you do, you would be fucking dead James. And guess what? No one will give a shit if you die.

“You literally have no clue when others are being sarcastic or being mean”

Say to the one who got triggered about calling you jealous... I mean. You are being mean right now to me. I wonder if this is how you treat Clarissa... I feel so sorry for her... I hope you keep the fuck away from her you bully shit.

“Stop animating like Edd Gould”

What? What? What the fuck did you just said? YOU’RE MAKING A FUCKING SHOW CALLED JAMWORLD! IF THERE IS SOMEONE WHO SHOULD STOP ANIMATING LIKE EDD GOULD. IT WOULD BE YOU. YOU FUCKING EDDSWORLD WANNABE. If Edd was here right now, he would be so disappointing in you. Of how twisted and fucked up you are. Like, I’m glad he’s not here to see your shitty ass Eddsworld rip off animation. Oh just quickly. Why does the one with the red top look EXACTLY THE SAME AS TORD. I mean, do you love him so fucking much that you just want to add him to it? And why does James have Tom hair? What? Are you making your own Tom and Tord fanfic bullshit animation? Sorry let’s move on. I could rant about his shitty ass animation all fucking day long. What a retarded fucking animator...

“Stop being so protective of everything”

It’s called ‘common sense’. You can’t even protect yourself without running back to me and start crying over your shitty sad life. Just pissed off and find someone else to cry. (Not Clarissa. She hate you so much and she doesn’t even want to look at you. You ugly cunt)

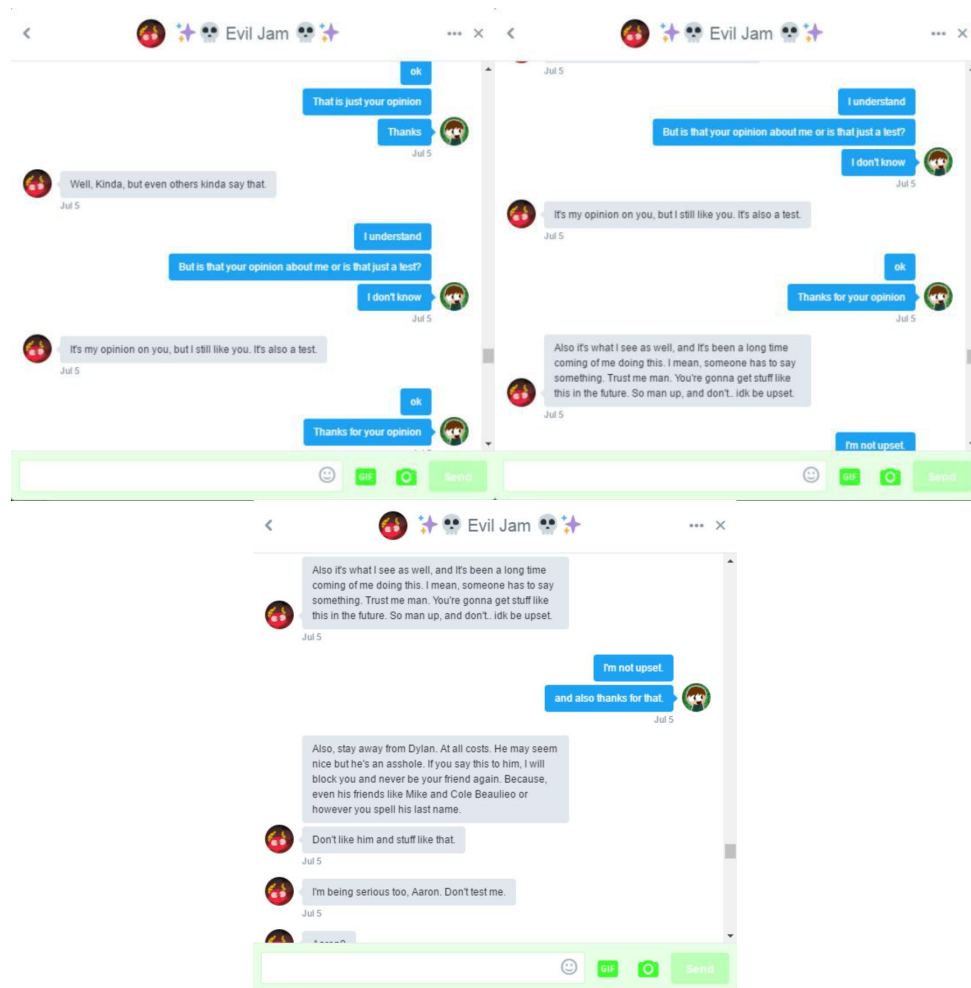

“Sorry if all these hurt... (He use a fucking sad emoji. Wow. He haven’t use that in months)”

No shit it’s hurt. If I said the exactly the same shit to you, you would be on the floor busting in tears because you can’t handle your poor old feeling. HAHAAHAHAHAHAHA. I could insult you all I want you fucking waste of space.

After that retarded message, I just simply responded with...

“ok. That is just your opinion. Thanks.” Because honestly... I didn't give a shit. I ignore that because what he said is bullshit and he should read that and it should be more for him. Not me. He need to sort his own mess.

Now you thought James would stop after that... RIGHT!?!?!

“Well, kinda, but even others kinda say that”

Who? Your friends that doesn't exist? I thought you told me you don't have any friends. So you have been lying to me again. Wow James... you sure born as a liars.

So after that shitty reply from James (As always) I told him that I understand (I don't) and ask him if it his opinion or just a test... and then... he respond to my question with...

“It's my opinion on you, but I still like you. It's also a test”

Wait... So which one is it? That doesn't answer my question? And wow.. That's your opinion on me? I didn't say shit to you. I was trying so hard to be nice to you but I guess that what you think of me? Well guess what? This whole document will explain EXACTLY what you are and my opinion on you... just wow... you're such a fucking dickhead ain't you? I guess you're proud of yourself you smartass...

So I didn't know how to reply to that.. so I just said "ok" and thanks him? I didn't even know why I should even thanks this piece of shit in the first place... He should apologize to me for being a retarded, rude fucking asshole... what a dumbass...

Oh geez... He send me yet again another shitty rant message...

"Also it's what I see as well"

What do you think you are? A fortune teller? You really think you can tell me what you think going to happened to me? Let me give you a fortune for you James. You're still a fucked up freak who use people to get what you wanted. You still selfish and you will probably die soon. How's that for fortune? Exactly. I'm letting a worthless creep telling my fortune.

"I mean, someone has to say something."

BUT YOU DON'T NEED TO. DID I ASK YOU FOR YOUR HELP!?!? NO. But I had to help you. How come when I help you, I try my best to keep you calm and make sure you're happy?!? IS THIS REALLY HOW YOU TALK TO PEOPLE JAMES!?!? TALK SHIT TO THEM!?!? I never ask for your help. If anything, YOU NEED HELP.

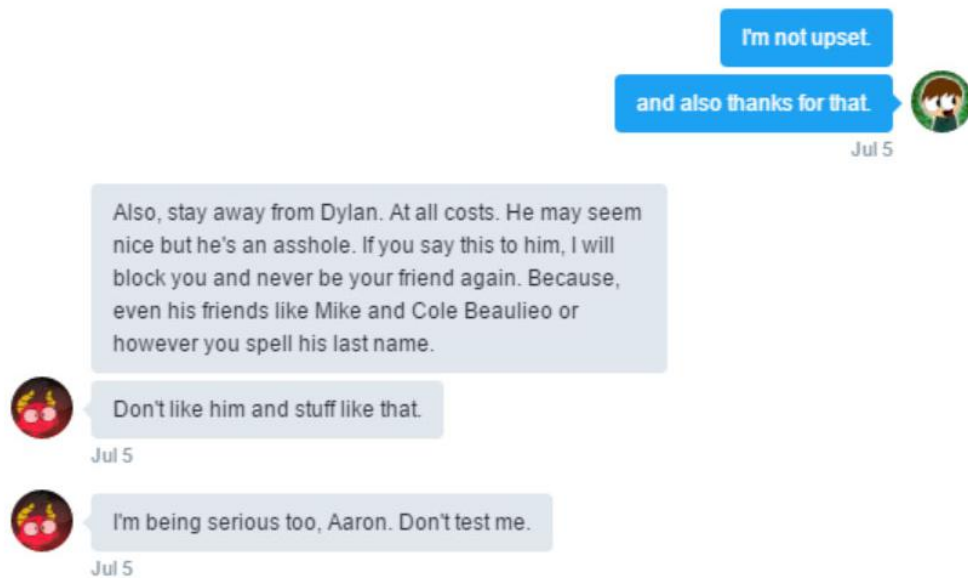

"Trust me man. You're gonna get stuff like this in the future."

How do you know? Like Why would I trust someone who been treating me like shit? What you are saying is just completely useless advise I don't need from you. Heck, I don't even need your help. I just wish you can get the fuck away from me you fucking monster.

"So man up, and don't.. idk be upset."

Man up? Man up!? MAN UP!? THE FUCK DID YOU JUST SAID. THIS IS THE SECOND TIME YOU TELLING ME TO MAN UP. Why would I listen to someone who can't even man up yourself??? What you think I will suddenly stop and be like 'Wow. James is really smart. I should listen to you'. But no. NO. I don't need to listen to someone who rape their sister and also insult me to the point where I wish I could report you. Report you for betraying me. Like I try so hard to be nice and you telling me to man up??? Scroll up to the chat... and look at yourself. You need to man up because all you do is bitchy about how you wish you could be lucky like me and how you wish you could be with Clarissa. Well guess what you fucktard... DEAL WITH IT.

Me? Upset? Dude. You been fucking upset since the moment you message me. The amount of sad and crying emoji is more depressing then looking at your ugly mug. You telling me not to get upset when you been crying and begging to get what you wanted. Oh yeah, and you told me your fucking sob story... you dumbass drama queen...

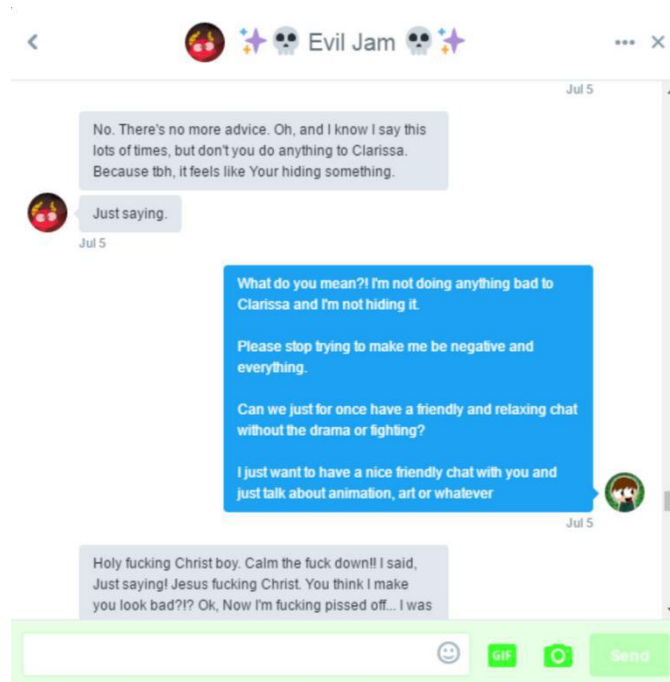

I told him that I'm not upset and thanks? Why would I thanks for talking shit to me like that??? I shouldn't thanks him or even apologize to him... I didn't know what else to say... I was just speechless of how he been talking to me on 5th July 2016... what a douche...

Again, he talk shit about Dylan and telling me to keep away from him... Don't tell me what to do. Let me think for myself. Your not my Dad. So pissed off and find your own Dad. Oh wait. He emotional abuse you didn't he? Oops. Anyway he told me that if I told him, he will block me and never want to be my friend... dude... Who the fuck want to be friend with someone who rape your own sister and harassing people? NO ONE. Then he told me that even Mike and Cole doesn't like him? Ok? Why do you need to tell me? That's not my problem?

So he send me another message with "I'm being serious too, Aaron. Don't test me" WHAT THE FUCK HAPPENED TO YOU!?!? You went from a sad helpless creep to just a abusive asshole. Are you trying to be like your Dad? What the fuck is wrong with you... No wonder Clarissa doesn't even want to date you.. I wish I show her those messages to show the true face of you... James... you prick.

And what the fuck do you mean by "Don't test me"??? I DIDN'T DO ANYTHING TO YOU. YOU JUST BOUGHT UP THIS RANDOM TOPIC OF TRYING TO MAN ME UP WHICH I DON'T NEED. FOR FUCK SAKE DON'T TAKE YOUR ANGER ON ME.

Wow... Why doesn't he just shut up? Why does he act like I NEED HELP when it's quite clear that James need mental help!?! What the fuck is wrong with him? This probably explain why James doesn't have any irl friend at all. Because all he does is boss them round and talk shit to people... like James... stop being a douchebag...

"No. There's more advice."

NO JAMES. I DIDN'T ASK FOR YOUR BULLSHIT ADVICE. I DIDN'T EVEN MENTION IT AT ALL. All I want to do is help you find a girlfriend so you can shut the fuck up about your depression and move on. But no! You keep bring up stupid topic like "I need to man you up". James I been helping you non stop and it's like you think I'm asking you for help when it's the other help. YOU NEED HELP. YOU NEED SHIT TON OF HELP YOU CREEPY ASS RETARD. All you do is just harass me and keep thinking that I'm weak. DUDE. I'M OLDER THEN YOU. WHY DO I NEED ADVICE FROM SOMEONE WHO RAPE YOUR OWN SISTER AND BRUTALLY ATTACK ME!?!? JUST FUCK OFF JAMES. FUCK OFF AND LEAVE ME ALONE. I JUST WANT TO HELP YOU.

And this next message... this message really REALLY pissed me off much... Like... how fucking dare he said that shit to me... just... read it...

"Oh, I know I say this lots of time, but don't you do anything to Clarissa. Because tbh, it feels like your hiding something"

Wow... did he really have the fucking nerve to say that...? Say that to me? The one who is currently dating Clarissa? Dude... What the fuck is wrong with you James...

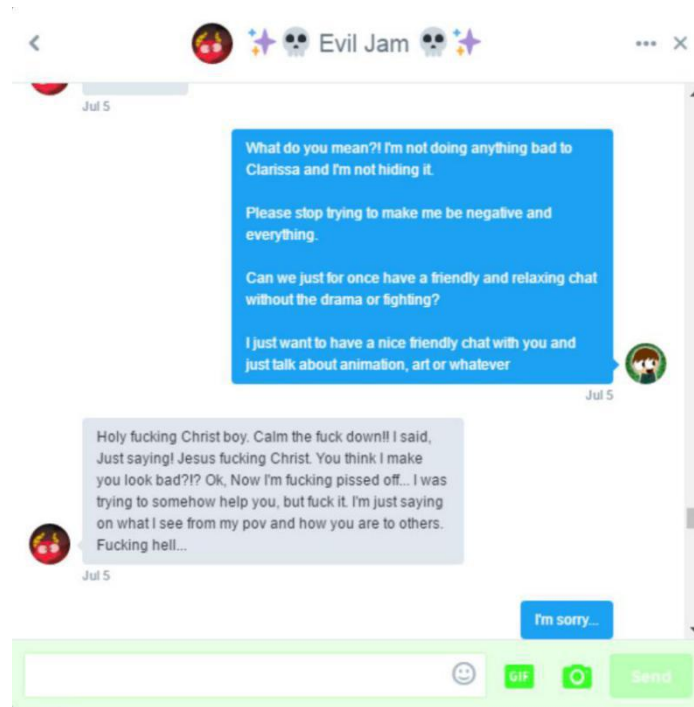

"Don't you do anything to Clarissa"

WHY THE HELL WOULD YOU SAY THAT!?!? YOU CAN'T FUCKING TELL ME WHAT TO DO YOU FREAK!?!?! YOU NOT EVEN DATING HER AND IT'S LIKE IF YOU TELLING ME WHAT TO DO WITH HER!!! SHE'S MY GIRLFRIEND YOU ASSHOLE. It's like if you dated someone and I told you not to do anything to your girlfriend, IS THAT FAIR!?!? NO IT'S FUCKING NOT. I love how it's sound like James is trying to protect her when he know that it's MY JOB AS A BOYFRIEND TO DO THAT. This shows that he got massive trust issue with me. What? You don't trust me being with Clarissa? Are you jealous James??? ARE YOU FUCKING JEALOUS JAMES!?!?!? Because it's seem like it. I don't understand what's the pint? Why does it sound like if James own her? You don't. You got zero right to own her you fucking moron. And saying that to me after helping you is just sick. Fuck off you fucking sister rapist.

"Because tbh, it feels like your hiding something"

The fuck is wrong with you... Why does he think I'm hiding something? Hiding what? What do you mean? Why is he trying so hard to put me down and try to make me look bad when it's quite clear that JAMES IS TRYING SO HARD TO MAKE ME DEPRESSED. I'M TRYING TO HELP YOU NOT BEING A DEPRESSING ASSHOLE BUT INSTEAD YOU TRYING TO MAKE ME FEEL DREPRESSED AS FUCK.

WHAT IS WRONG WITH YOU!?!? Why are you trying so hard to backstab me after I'm trying to be nice to you? What? Wasn't I nice enough for you? You ungrateful cunt??? Fucking hell James. You're such a fucked person for attacking someone who wanted to help but instead you keep trying to make me feel bad and think I would do something bad to Clarissa... I would never do something like that to her... I love her so much... why does James always want to ruined everything so he can have it to himself... you selfish douchebag...

After that disgusting message James send me countless time, I was in RAGE and responded in so much anger. I was so pissed off at him and disappointed in him, I had to send him a message telling him that ENOUGH IS ENOUGH.

I was so upset about when he mention about me and Clarissa and I told him that “I’m not doing anything bad to Clarissa and I’m not hiding it.” Which is true because he keep thinking over and over again that I would do something bad to her which is not true. Seriously, what the fuck is wrong with him? How does he know what me and Clarissa relationship is like? Is he jealous again as always? He’s trying so hard to make me feel negative and depressed so he can show off to Clarissa how happy he is.

Then I told him to stop trying to make me feel depressed and negative. I don’t know why he is suddenly attacking me non stop. What did I do wrong? All I want to do is help but NOOOOOOOOOOOO you want to take your abusive anger on me. Are you proud of yourself James? Imagine you did that to Clarissa? I would be so fucking scared if you do shit like that to her. Leave me and Clarissa alone.

I even asking him if we can just talk friendly for once. Because ever since I first met him. He’s ALWAYS ALWAYS ALWAYS depressed and negative. And now he is pouring all of his anger on me because I’m pretty sure if he choose anyone to take his pissed off anger on... IT WOULD BE SOMEONE WHO FUCKING TRYING TO HELP YOU JAMES. Like why can’t we just talk nicely for ONCE IN YOUR SAD LIFE? What? Can’t you be happy? Oh wait. I forgot your dramatic sob story. Yeah. Stay sad you depressing fuck.

Lastly I ask him if we can FOR ONCE talk about something more happier and less depressing shit. Like we can talk about something we got in common BUT NOPE. He just so happened to talk depressing shit to me. Because it’s not like I have heard enough of his sad bullshit before. Since 11th February 2016 to NOW. I HAD ENOUGH OF IT. CAN’T YOU FUCKING MOVE ON AND FIND SOMEONE ELSE TO TALK NEGATIVE TOPIC!?!? NOT ME. I HAD ENOUGH. I’M BORED OF IT. I GET IT. YOU’RE SAD AS FUCK. STOP REMINDING ME OF IT. YOU FUCKING SAD DOUCHEBAG.

Oh. And guess what? Did he apologize? FUCK NO.

He just telling me to calm down... EXCUSE ME. YOU'RE TELLING ME TO CALM DOWN!?!?! YOU CALM THE FUCK DOWN FOR HARASSING ME NON STOP AND TRYING TO PUT MYSELF DOWN. I WAS SO FUCKING HAPPY UNTIL YOU OPEN YOUR MOUTH FILLED WITH BULLSHIT. I HAD TO SIT DOWN AND TRY MY BEST TO CALM YOU DOWN BECAUSE IT'S LIKE IF YOU ARE HAVING A RETARDED FREAK OUT. LIKE ONLY FUCKING SHIT JAMES CALM DOWN YOU USELESS CUNT.

"You think I make you look bad"

Dude... You did mention that you think I do something bad to Clarissa and also think I'm going to break up with her... STOP MAKING UP SHIT SO YOU CAN MAKE ME LOOK BAD. DID I DO ANYTHING BAD TO YOU!?!?! NO BECAUSE INSTEAD I HAD TO HELP YOUR SORRY ASS EXCUSE. YOU'RE SUCH A FUCKING PAIN IN THE ASS TO EVEN TALK TOO. WHY AM I EVEN FRIEND WITH YOU?!?! You're just so useless. All you do is cry and cry and cry until SOMEONE have to deal with your boo hoo life. Just fuck off James and just go away. No one like you James. This is why no one like you at all.

"Now I'm fucking pissed off"

Oh? Then what was you being before? IT DOESN'T LOOK LIKE NOT PISSED OFF DOESN'T IT. All you did is being pissed off at me non stop. It's like a father taking his anger on his own son. Jesus fucking christ I hope you don't do that to your son... actually... you would do it anyway and you can go to hell... I hope you do go to hell anyway.... Actually he will for being like this...

"I was trying to somehow help you"

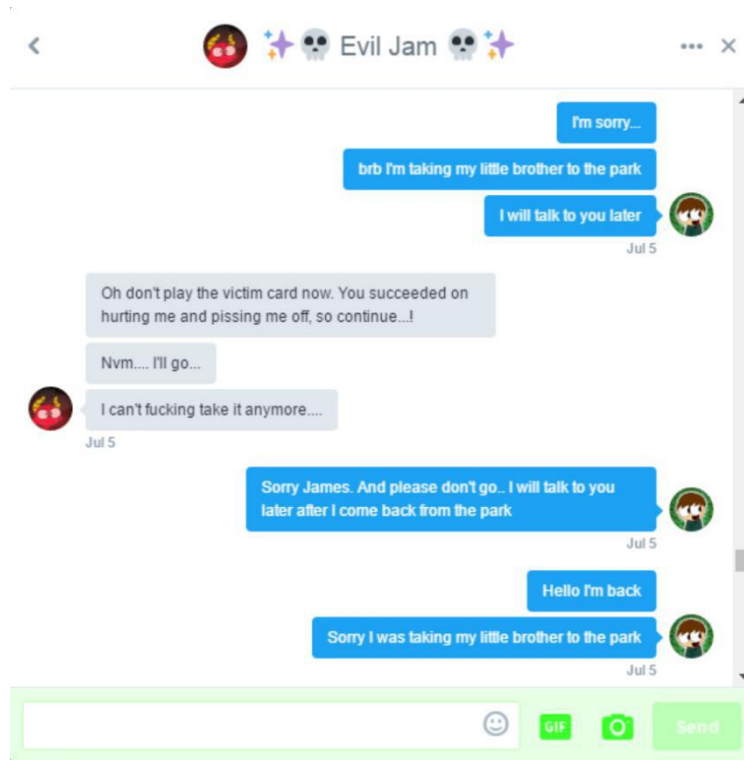

HOW THE FUCKING HELL WAS THAT HELPING!?!? How does making someone feel like shit HELPING!?!? That is not helping James. This is why you don't have any friends. Because you can't help anyone without making them feel like SHIT. You useless cow. I was suppose to help you but the way you helping me wasn't exactly nice at all. I was trying to calm you down and make you be positive but NOOOO YOU WANT TO BE A PIECE OF SHIT AND STILL BE THE MOST DEPRESSING HUMAN FREAK I HAVE EVER MET. Holy shit James. I fucking hate you so much.

"I'm just saying on what I see from my POV"

What? Your Point of view is being depressed as fuck, jealous, useless, a incest rapist, bully, abusive, freak and so much more to describe you James? Get the fuck away from me and everyone else... you fucking shit.

I was so scared and shaking that I just had to apologize... I didn't know what else to say. I was freaking out and I just had to put two words... just to shut his abusive curse mouth...

Now... You would think he would apologize back? You know? Like what human being do? Right? Again... WRONG.

JAMES NEVER IN HIS LIFE APOLOGIZE. AFTER ALL OF THE ATTACK NON STOP HE DID TO ME AND MAKE ME CRY. HE NEVER EVER SAY SORRY, APOLOGIZE OR ANYTHING. I had to do it because I wanted it to stop. I feel like a child getting attack non stop by a parent. It just doesn't end. I felt so suicidal and feel like I needed to tell someone... BUT I COULDN'T BECAUSE I WAS TOO SCARED OF JAMES AND I DIDN'T WANT TO GET ATTACK OR EVEN CLARISSA BEING UPSET WITH ME. JAMES IS SO FUCKED UP AND SCARY AS FUCK.

“Oh don't play the victim card now.”

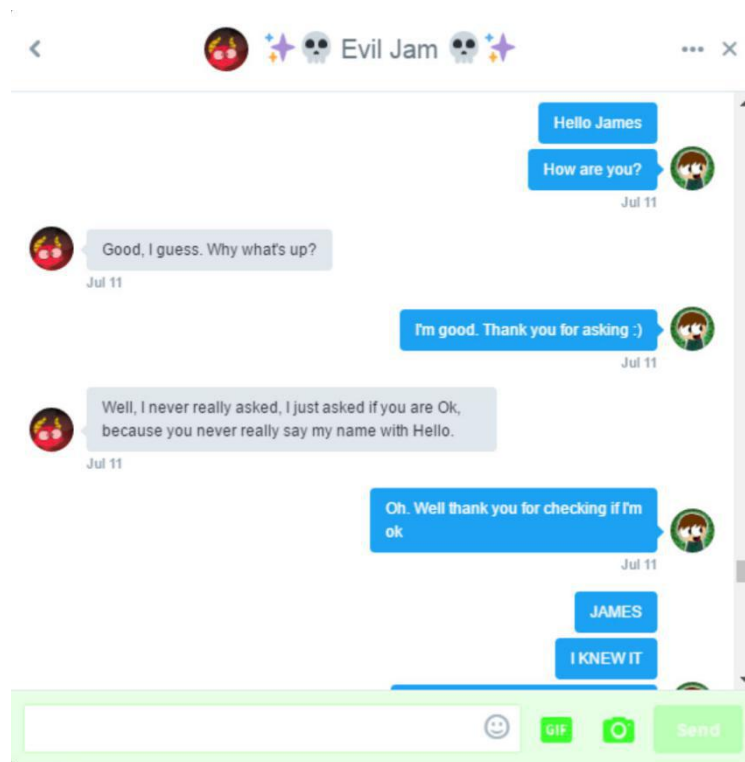

WHAT DO YOU MEAN BY THAT!?! HOW AM I PLAYING THAT CARD!?! You was attacking me non stop. Of course I'm freaking out James. You was harassing me all day and you think I'm playing the victim card? Seriously. What the hell happened to you on 5th July 2016??

“You succeeded on hurting me and pissing me off, so continued...!”

ME HURTING AND PISSING YOU OFF!?! JAMES FUCKING BEAR. Didn't you not read what you said to me!?! You was saying really insulting and hurtful things to me. You said things to me which you thought I'm not. You lied to Clarissa telling her I would do this or that. AND YOU TELLING ME I'M HURTING YOU OR PISSING YOU OFF??? DO YOU HAVE A BRAIN TO THINK HOW I'M FEELING!?! EVERYTHING I DID FOR YOU AND THIS IS HOW YOU FUCKING REPAY ME!?! SHOUTING HURTFUL THINGS TO ME AND TRYING TO MAKE ME CRY WHEN I WAS WITH CLARISSA. I CAN'T TAKE IT. HOW FUCKING DARE YOU. YOU RETARDED, RUDE, ASSHOLE PRICK.

So after that abusive... attack... from James Bear... I took my little brother (Jerome) to a park because it was sunny... and also get away from this creep... and I will admit... I was crying and shaking in the park... my little brother was worried about me and ask

if I was ok... I wish I could told him... but he wouldn't understand the pain he did to me... it's like a blade stabbing through me... after helping James... is this what I deserve? Didn't I do enough to help? Why does James hate me so much? I know he is jealous because of me and Clairssa and also I was happy... but was it really that much why he wanted to attack me... on 5th July 2016...

James didn't reply to my messages... for 6 days... I was worried about him (Even tho he did... abusive attack me... to death...) I ask him how he was and he reply back with the same... sorry I just feel so sick after what he said to me on 5th July 2016...

I just said that I was good and I thanks for asking... but he said this...

"Well, I never really asked, I just asked if you are ok"

Bitch... What do you mean you never really asked!?!? YOU JUST ASKED "Why what's up?" HOW THE FUCK ISN'T THAT NOT ASKING. I WAS TRYING TO TALK TO YOU NICELY BUT YOU RESPOND IN A PRICK WAY. If someone ask me How I was, I would be happy. BUT FOR YOU, YOU WASN'T HAPPY AT ALL WHEN I ASK YOU A SIMPLE QUESTION YOU UNGRATEFUL FUCK.

"Because you never really say my name with Hello."

Really? That's why? I ALWAYS SAY HELLO WITH YOUR NAME?!?! What don't you talk to human being? No wait. You're lonely as fuck. No wonder you don't have a clue how you talk to people. Instead you talk to your ghost buddy because they don't exist. Fucking hell James... you such a dumbass...

So I just reply back and then since then... he didn't reply back...

Notice he have change so much in over 6 months... from February to July? Notice how he went from being a sad helpless person to being a fucking rude jerk? I notice he have change. His personality was becoming ruder and crueler. It's like if he want to show off how tough he is.. no seriously. Scroll through the screenshot of the chat and you will see how much he change... anyway...

He didn't talk to me... or reply... but... everything change... on one day... the worst day... of my life...

15th July 2016... The day before my little brother (Seb) birthday...

On July 15th 2016... Clarissa broke up with me... the day before my little brother birthday... (No. I'm not going to show screenshot of Clarissa breaking up with me.) but when I ask who she is dating instead... I knew... I knew exactly... who... I knew since the beginning... who...

JAMES FUCKING BEAR.

I KNEW HE WAS USING ME TO GET WHAT HE WANTED AND I KNEW HE WAS TRYING TO MAKE ME LOOK BAD AND MAKE ME FEEL NEGATIVE. HE IS TRYING TO MAKE ME DEPRESSED SO HE CAN BE HAPPY INSTEAD.

AS SOON I KNEW JAMES WAS DATING CLARISSA, I FUCKING MESSAGE HIM IN RAGE. I WAS SO MAD AT HIM FOR BETRAYING ME AND BACKSTAB ME TO DEATH.

So I said to his fucking face "JAMES! I KNEW IT!" Because I knew he was the one who is doing this to me... "WHY DID YOU DO THIS TO ME!?" I KNEW THAT JAMES WOULD DO SOMETHING LIKE THAT TO ME. I KNEW THAT HE WOULD TRY HIS BEST TO MAKE ME FEEL SORRY FOR HIM SO HE CAN SEEK BEHIND ME AND GET WHAT HE WANTED. HE DOESN'T GIVE A SHIT ABOUT HOW I FEEL OR EVEN USE COMMON SENSE HOW MUCH IT HURT FOR BEING BETRAYED... Anyway... let's just... do this... I hate you so much... James...

So James finally responded with... this...

“Dude, What, what the fuck did I do?”

WHAT!?!? DON'T ACT LIKE YOU DON'T KNOW WHAT THE FUCK JUST HAPPENED. YOU ACT LIKE YOU DIDN'T HAVE A CLUE WHAT JUST HAPPENED TO ME. OF COURSE YOU WOULD KNEW. YOU TOLD CLARISSA ALL THE HORRIBLE LIES ABOUT ME AND THEN TELLING HER TO BREAK UP WITH ME SO YOU CAN STEAL HER FROM ME. OF COURSE YOU FUCKING KNOW WHAT YOU DID YOU RETARD.

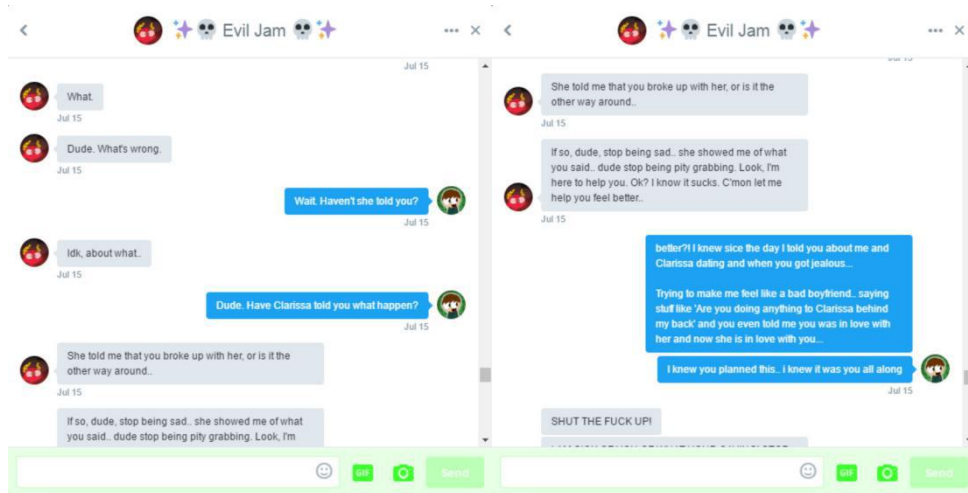

I ask him that he know exactly what it is... I know he's not that dumb to not know what just happened.... I knew he can't just not know...

Yet again he trying so hard to act innocent and act like he doesn't know shit about what happened.

Then I just said one word to him...

“Clarissa”

Because I knew... he would know... THAT HE DID SOMETHING TO CLARISSA. DID SOMETHING HORRIBLE SO HE CAN RUINED MY LIFE SO HE CAN GET WHAT HE WANTED.

“What.” “Dude. What’s wrong.”

DON’T PLAY DUMB WITH ME. YOU KNEW EXACTLY WHAT YOU DID. I KNEW I SHOULD HAVE BLOCKED YOU. I KNEW IF I BLOCK YOU, NONE OF THIS WOULDN’T HAPPENED AND YOU RUINED HAD TO RUINED MY LIFE YOU CUNT. HOW FUCKING DARE YOU.

So I asked him if she told him and then guess what... He doesn’t know... about it... Why is he trying to hide it? Trying to hide his bullshit to me? Is he trying so hard to act that he doesn’t know at all! What a fucking retard.

So I ask him again because I guess he’s can’t read probably because he is dumb as fuck and then he told me....

He finally told me that he knew... Good job James... You remember something for once in your sad life... douchebag.. Anyway...

“If so, dude, stop being sad...”

HOW THE FUCK CAN I NOT BE SAD WHEN YOU FUCKING BACKSTAB ME TO DEATH AND ALSO YOU USED ME SO YOU CAN BE WITH CLARISSA AND MAKE ME FEEL DEPRESSED SO YOU CAN BE HAPPY!?!?! And look who talking... You been sad since I met you and you message me so I can sort your sadness... I knew you was pretending to be sad so you can make me and Clarissa feel sorry for you. Boo hoo. AND NOW YOU FUCKING TRICK ME TO YOUR BULLSHIT YOU BACKSTABBING FUCK.

“Look, I’m here to help you. Ok?”

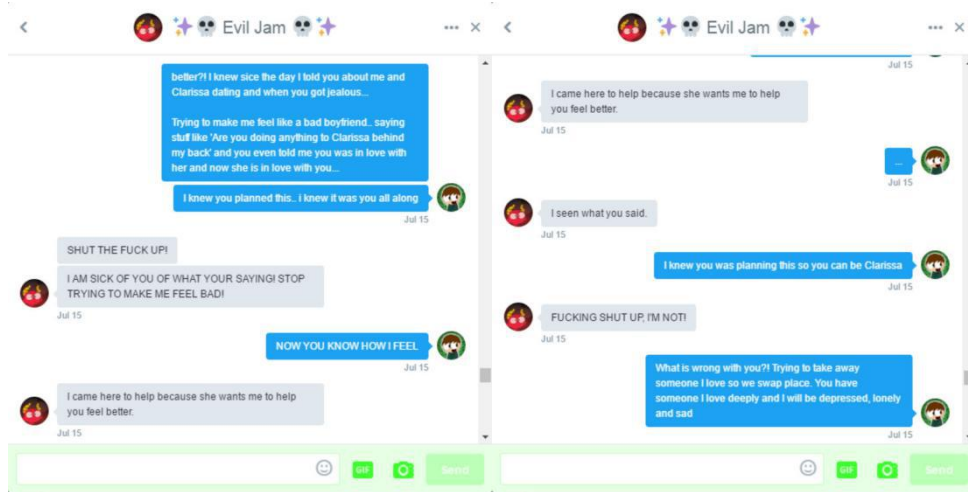

HELP ME!?! You never help me in your life!? What? Harassing me to the point of me freaking out and crying is HELPING!?! Fuck off. I don’t want a incest rapist to help me you depressing asshole... fuck off...

“C’mon let me help you feel better..”

Dude... you can’t make anyone better... you just make me hate you more and more... I never like you since you met me. All you did is making me feel negative and

depressed... you really think you can make me better? You try and make yourself better. Making yourself better so you can stop being a abusive and a betrayer... you creep...

So I respond to his bullshit and I was mad. I told him that I knew he was trying to make me feel like a bad boyfriend and also quote on all of the horrible things he said about me and Clarissa... I even told him I knew he was planning this since the beginning...

So he did reply with “SHUT THE FUCK UP” and “I AM SICK OF YOU OF WHAT YOUR SAYING”. Well tough shit James. That’s the truth. You did plan this since you knew me and Clarissa are dating and you was jealous as fuck. You keep trying to insult me and harass me on 5th July 2016. So yeah... truth hurt like a bitch doesn’t it James. You monster.

“STOP TRYING TO MAKE ME FEEL BAD!”

EXCUSE ME. YOU FUCKING DID EXACTLY THE SAME THING TO ME. NOW YOU KNOW HOW I FEEL. So It’s ok for you to make me feel bad but when you do it to me, you think it’s perfectly fine? FUCKING JAMES BEAR LOGIC. All you do is keep making me feel like shit and you was laughing your ass off because you was enjoying every fucking moment of it. So now you know EXACTLY HOW I FUCKING FEEL WHEN YOU MADE ME FEEL FUCKING SHIT.

Oh yes... That’s exactly how I did responded... “NOW YOU KNOW HOW I FEEL”.

Then James told me... That he came here to help me...

HOW THE FUCK CAN YOU HELP ME WHEN IT’S YOUR FAULT. YOUR FAULT. EVERYTHING IS YOUR FAULT. EVERY SECOND IS YOUR FAULT. You ruined everything for everyone included your sister in February 2013. So don’t try and act like you want to help. BECAUSE YOU ARE USELESS AS ALWAYS. YOU WAS BORN USELESS AND YOU WILL DIE USELESS.

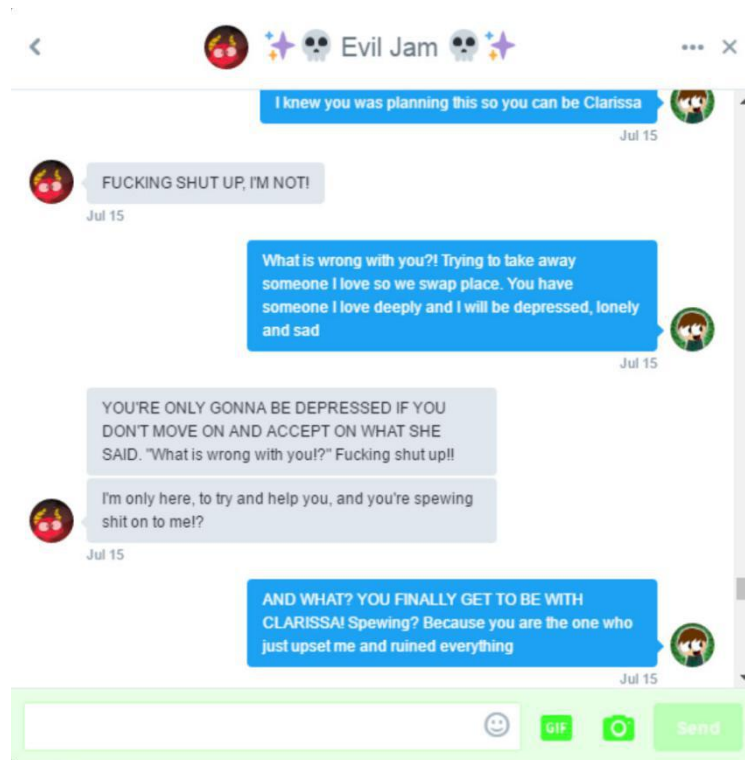

I was speechless... with a “...” respond because I couldn’t believe his bullshit... Then he told me “I seen what you said” then I triggered him again with...

“I knew you was planning this so you can be with Clarissa”

WHICH IS TRUE. BECAUSE HE WAS PLANNING A WAY OF BEING WITH HER. TRYING TO MAKE ME LOOK BAD AND THEN HE GOT A CHANCE TO STEAL HER FROM ME. FUCKING HELL JAMES.

Then he told me “FUCKING SHUT UP, I’M NOT”

Sure you are James... sure you are... Sound like bullshit to me.. actually... you are bullshit James... your life is bullshit... everything about you is bullshit... You bullshit incest rapist...

So I reply with another message in so much anger because James really really pissed me off with more truth.

“What is wrong with you?!” Exactly how I keep thinking to myself whenever I talk to James... and I knew he was trying to take away someone I love because he was one jealous fuck. Basically he is trying to swap place. So I got his shitty depressing life and James get a happy perfect life with Clarissa. Why? Because James is a selfish person that’s why.

So James reply again... because he’s triggered as always with...

“You’re only gonna be depressed”

Oh look who’s talking Mr Depressed Bear. You have always be depressed. I wonder when you was born, your mother would be like ‘DAMN. WHAT A DEPRESSING CHILD’. I don’t know why she want to keep you so you was born to ruined everyone else life... Just like you ruined your poor younger sister you creep.

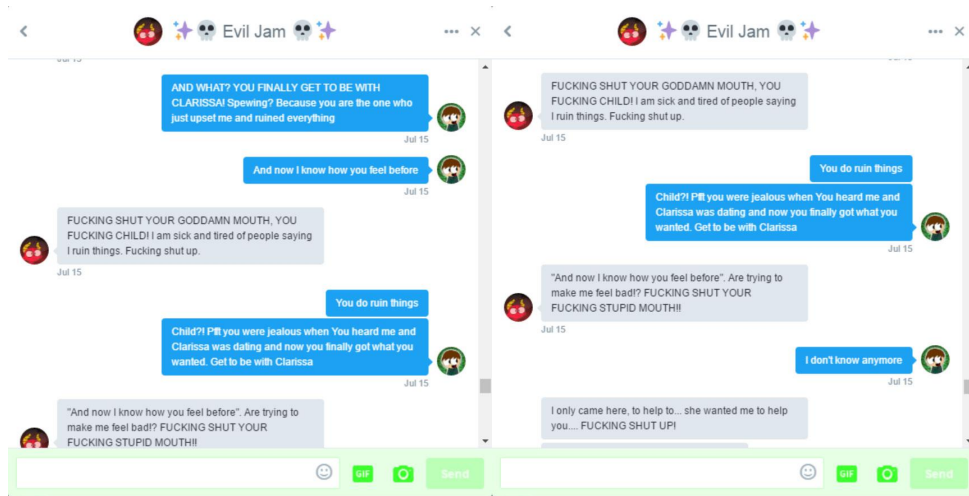

“If you don’t move on”

Again... WHY DIDN’T YOU MOVE ON!?! WHY DIDN’T YOU MOVE ON WHEN YOU KNEW TOXIC DOESN’T WANT TO DATE A SAD PIECE OF SHIT AND CLARISSA IS TAKEN!?! Use your brain if you got any and think ‘Oh no! Clarissa is taken and Toxic hate me. I guess I should find someone else’. BUT INSTEAD YOU JUST WANT TO BE SPOILED SO YOU TAKE SOMEONE ELSE. LEARN TO MOVE ON AND NOT BEING A JERK.

“I’m only here to help you”

Fucking hell James. My younger brothers is more helpful than you. Why do I need to ask a fucking dumbass for help? Just fuck off and stop ruining other people life. No wait. You did. So many time.

So I asked him “AND WHAT!?! YOU FINALLY GET TO BE WITH CLARISSA!” Which is true because he did all this so he can be with someone who is already taken instead of... oh I don’t know... FUCKING MOVE ON. And yes he is the only one who is upsetting me and ruining everything... because that’s James for you... No seriously, talk to him and he ruined everything for you. Even trying to make you smiles... he would fail.

I even told now I know how he feel before... because that’s exactly how he feel all of the time. Then... he send me another stupid message....

“FUCKING SHUT YOUR GODDAMN MOUTH, YOU FUCKING CHILD!”

Oh wow! You calling me a child? Say to the one who use shit ton of sad emoji to feel sorry for you and also keep reminding me of how sad you are, you sad child. Fucking hell James... I wonder if you always been this stupid since you was a child...

“I am sick and tired of people saying I ruin things”

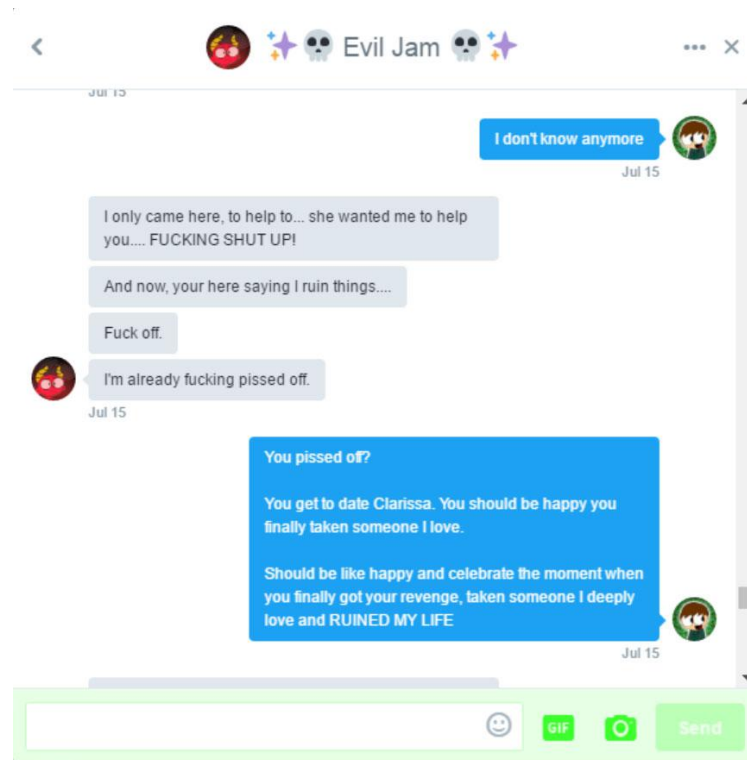

Well to be honest... it is true as fuck. You do ruin things. Actually, you ruin EVERYTHING. Because that’s all you do and you was born to ruin things. I guess that’s why you are so lonely because you ruin everything and that cause you to have nobody. You probably ruin your family life because you was born. For ruin EVERYTHING.

I just simply responded with “You do ruin thing” Because it’s true and he still does. I even told him that he was jealous ever since he heard me and Clarissa was dating and since then he been crying and whiny about it none stop like a child. Because he is a child who’s ruin things.

Then he reply “ “And now I know how you feel before” Are you trying to make me feel bad!?”

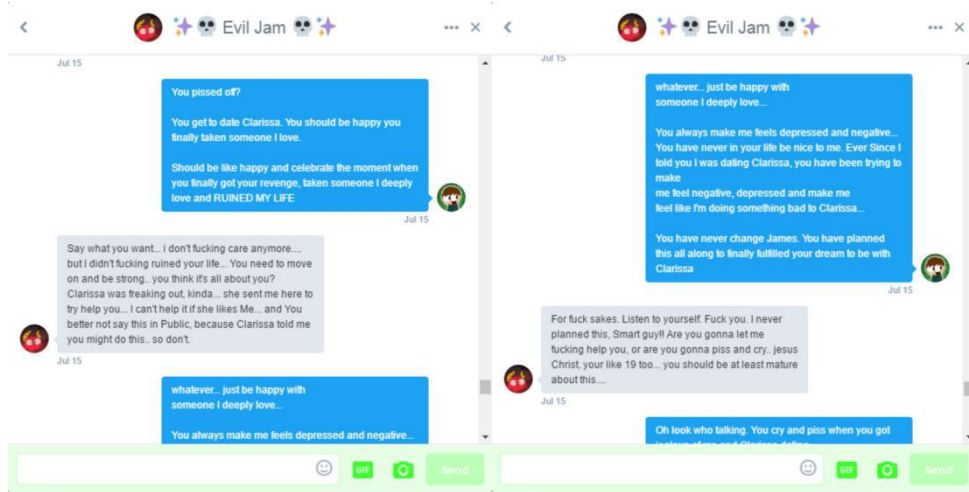

Not going to repeat myself so I will keep it short... YES YOU DID MAKE ME FEEL BAD BEFORE. COUNTLESS TIME ACTUALLY BUT YET WHEN I DO IT, YOU START BITCHY AND CRYING LIKE A CHILD. SO FUCK OFF AND MAN UP. YOU DID IT TO ME AND I WILL DO IT BACK TO YOU.

Again he told me to shut my fucking mouth... if he keep his mouth shut for a hour and not breath, it would be so peaceful and he would be dead (Yeah)

So James told me he only came here to help (No thank you, you piece of shit) and he said “And now, your here saying I ruin things...”. Which is really true James and as I mention before... You was born to ruin things.

He told me he fucking pissed off even tho he should be happy he is dating Clarissa (I mean, I would be happy to date Clarissa... until James ruined everything as always) and I told him he ruined my life... Because he did and as always... he ruined everyone life. Because no one like him.

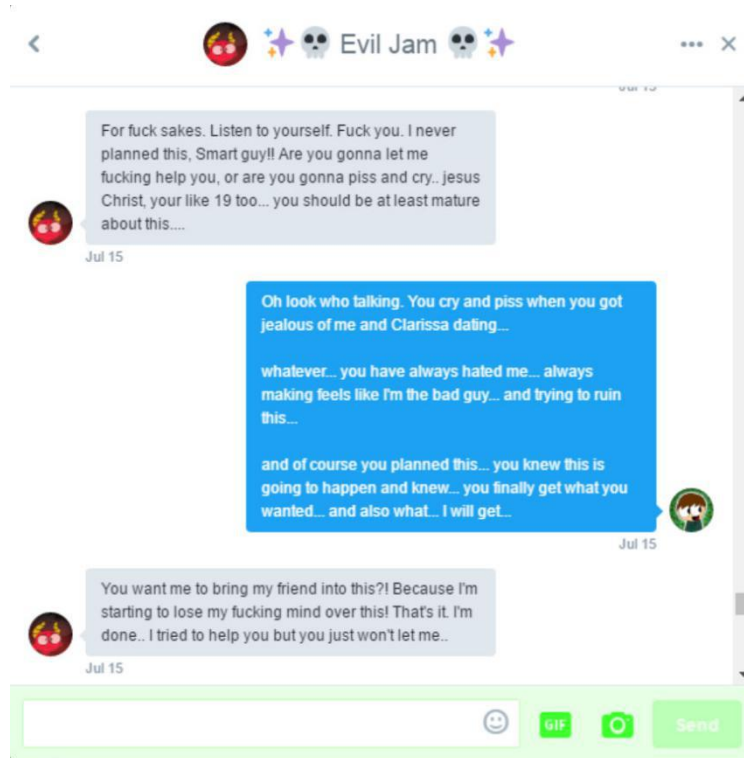

So he told me that he doesn't care anymore (Of course he doesn't care because he's the most selfish and heartless monster I have ever met) and he think he didn't ruined my life (Because he doesn't care as always about other people life) and he telling me to move on and be strong...

OH LOOK WHO'S TALKING!?!? SAY TO THE ONE WHO CAN'T MOVE ON FROM TOXIC AND CLARISSA?!?!? JUST FUCK OFF. IF YOU CAN'T MOVE ON WHY SHOULD I LISTEN TO YOU!?!? YOU CREEP!! FUCKING HELL JAMES. AND BE STRONG!?!? YOU BEEN BITCHING AND WHINY LIKE A BABY SINCE I MET YOU. SO SHUT THE FUCK UP AND YOU TRY TO BE STRONG YOURSELF YOU WEAK ASS TWAT.

So... I send him a long message because I was so upset and making me so pissed off and told him how he keep making me feels depressed and negative, he never in his fucked up life he was nice to me (He never was nice to begin with) and ever since I told him I was dating her, he keep trying to make me feel like shit and tell me horrible shit like how he think I'm doing something bad with Clarissa.

And it's true, James never change and he was planning this since the beginning.

He told me that he never planned this (Bullshit) and he ask me if I will let him help me (No fucking way I want this freak show help) and then he said this...

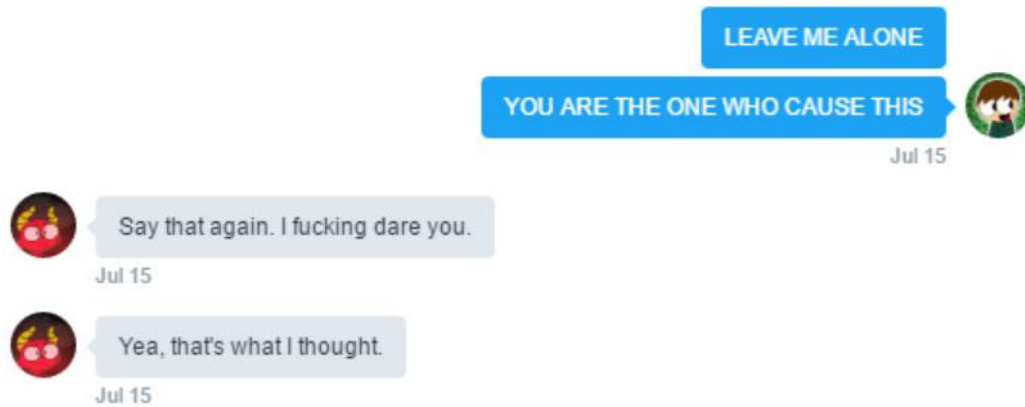

“or are you gonna piss and cry...”

JAMES. YOU BEEN CRYING YOUR WHOLE LIFE. YOU BEEN CRYING SINCE I MET YOU. ALL YOU DO IS CRY AND CRY LIKE A BABY BECAUSE YOU ARE ONE SAD LITTLE FUCK. Just wow. Telling me if I’m going to cry when you cry all of the time you useless shit.

Anyway, I told him that he cry and piss when he was jealous of me and Clarissa dating (He did and he did that every fucking day) and I said to him that he have always hated me since he met me, how he keep making me feel like a bad person and how he keep ruined everything. Because he always does ruined everything. And of course I told him he was planning this and he knew this is going to happened... because it’s true.

James then reply with “You want me to bring my friend into this?!”

PFFT HAHHAHAHAH! WHAT FRIEND!?! YOU TOLD ME YOU DIDN’T HAVE ANY FRIEND YOU LYING FUCK. WHAT? YOUR IMAGINATION FRIEND GOING TO HELP YOU?!?! Your imagination friend would rather be with a actual person then someone who is fake like James. Stop lying James.

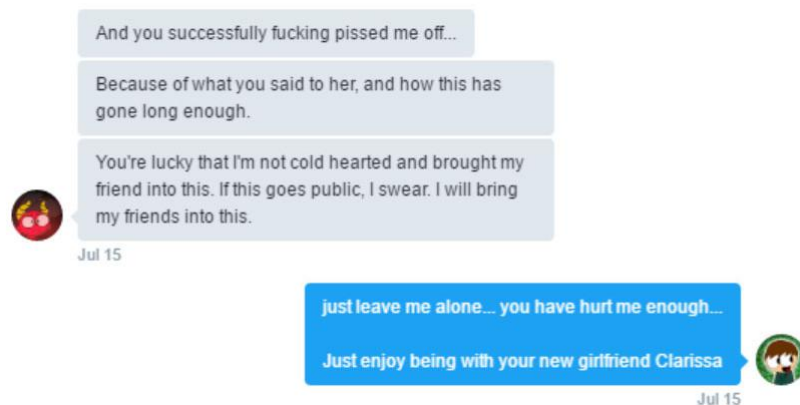

So I was freaking out and crying because of James ruining everything, so I ask him to leave me alone and told him that he is the one who is causing this...

So he trying so hard and try to act tough like...

“Say that again. I fucking hare you.”

Oh wow! James! Trying to be tough? That’s the funniest thing I ever seen. Haha. So I didn’t want to say it again (Because he will probably get triggered again and he will probably tell Clarissa and they will block me) and he just said “Yea, that’s what I thought.”. Wow... He’s trying so fucking hard to sound tough... Moron...

“And you successfully fucking pissed me off...”

Sure thing James, Just like you pissed me off whenever I had to deal with your sad life and also pissed me off because you insulted me non stop you fucking asshole.

“You’re lucky that I’m not cold hearted and brought my friend into this”

DUDE, YOU HAVE ALWAYS BEEN FUCKING COLD HEARTED. YOU DON’T FUCKING CARE ABOUT ANYONE BUT YOURSELF AND ALSO YOU DON’T GIVE A SHIT ABOUT HOW ANYONE FEEL. YOU ALWAYS BEEN SO HORRIBLE AND HARSH TO EVERYONE ESPECIALLY ME AND EVEN TOOK YOUR ANGER AT ME.

Oh and what friend? You don’t have any you, you lonely shit.

Again, I ask him to leave me alone... because he hurt me so much...

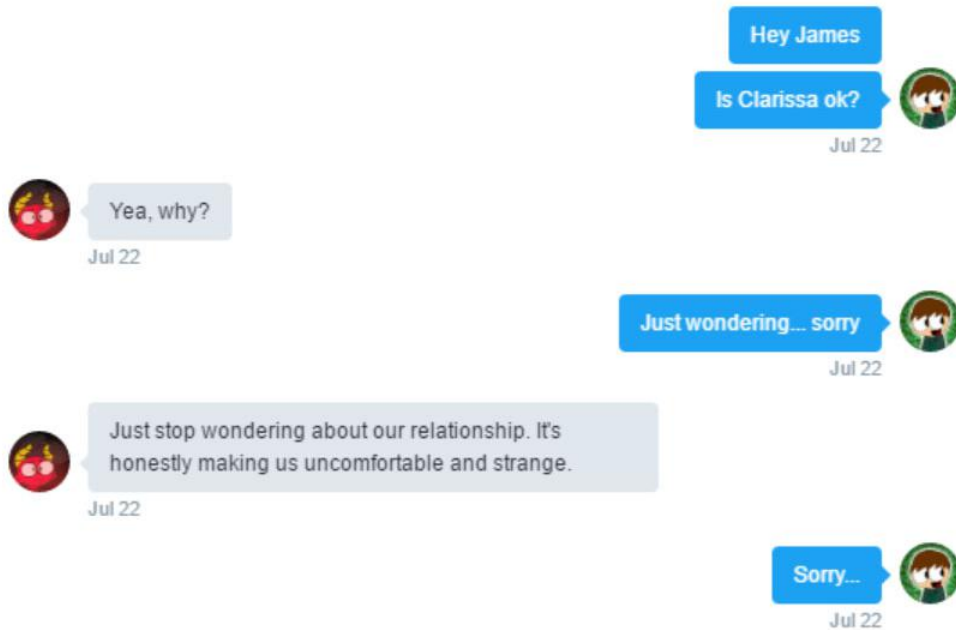

Then he told me that if I keep it up... he will block you... then he told me...

“And I didn’t hurt you, you got yourself into this”

FUCK YOU JAMES. YOU BEEN HURTING ME NONE STOP SINCE WE MET. YOU KEEP HURTING ME OVER AND OVER AGAIN AND EVEN SAYING HORRIBLE THINGS TO ME AND EVEN THINK I WOULD DO BAD THING TO HER. YOU HAVE BEEN HURTING EVERYONE. ME, CLARISSA, YOUR FRIENDS (James doesn’t have any), YOUR FAMILY AND YOUR SISTER IN FEBRUARY 2013. HOW DID I GOT MYSELF INTO THIS?!?!? THIS IS YOUR FAULT. YOUR FAULY FOR HURTING ME EVERYDAY. ALL I DID IS HELPING YOU BUT INSTEAD YOU KEEP BACKSTABBING ME. FUCK YOU JAMES.

“I tried helping you”

Bullshit, you can’t help anyone. You can’t even help your friends or anyone... Just... I don’t even want to ask you for help...

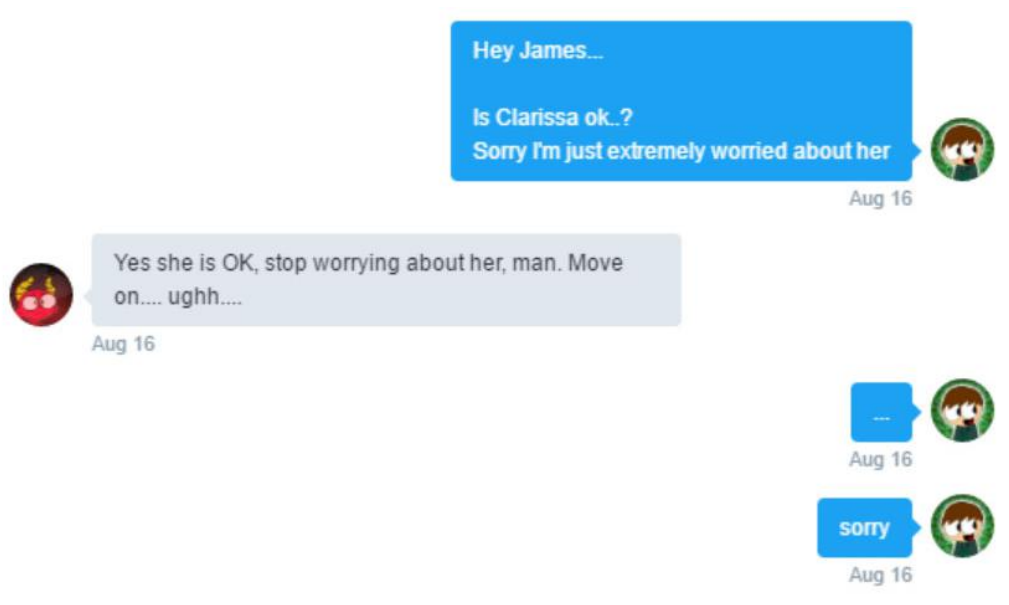

So... after the... worst... day of my life... July 15th 2016...

James didn't message me for a week... so I was getting worried about her... so I message him and asking him if she's ok...

So James just reply with...

"Just stop wondering about our relationship"

DUDE. THAT IS WHAT YOU FUCKING DID TO ME!! YOU SAID TO ME "But don't you do anything to Clarissa. Because tbh, it feels like Your hiding something" and also "You are dating her to get art" WHY DO YOU FUCKING THINK IT'S OK FOR YOU TO ASK ME STUPID AND UNCOMFORTABLE QUESTION WHEN I WAS IN A RELATIONSHIP BUT NOW YOU TELLING ME TO STOP!?? When I ask you nicely not to do that, you keep going and going because you give a shit about other people relationship. All you care about is "ME ME ME ME" because you are one selfish asshole.

Then a month later... James and Clarissa... didn't message me at all... I got worried about Clarissa.... again... and I ask him if she's ok... then... James responded with...

"Yes she is OK, stop worrying about her, man."

Dude... How can I stop worrying about her??? You keep messaging me over and over again how you want to be with her but when I do that, you telling me to stop!?! I wish I told you to stop... fuck....

Then... he said the stupidest thing ever...

"Move on..."

Dude... What the fuck did you said... I'm sorry I know I keep saying this... BUT I KEEP TELLING YOU TO MOVE ON BUT YOU KEEP REFUSING TO MOVE ON AND FIND SOMEONE ELSE LIKE TOXIC OR ANYONE BUT NOT CLARISSA. I KEEP TRYING AND TRYING TO HELP YOU OVER AND OVER AGAIN BUT YOU REFUSED TO MOVE ON. BUT NOW IT'S OK FOR YOU TELLING ME TO MOVE ON!?! FUCK YOU. FUCK YOU JAMES. FUCK YOU TO DEATH YOU BACKSTABBING CUNT.

And since then... James keep ignoring me... he even told Clarissa as well to ignore me as well...

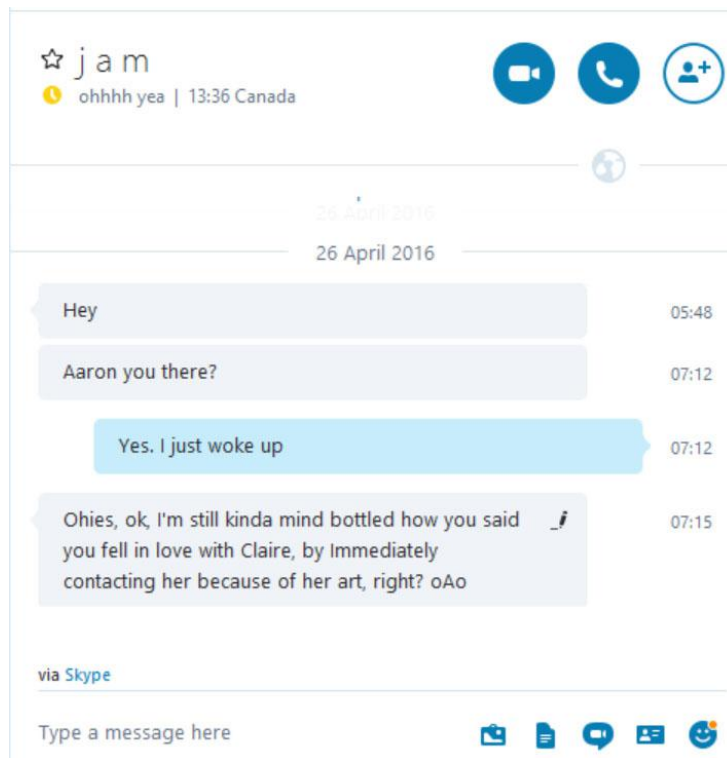

He used me to get what he wanted and also... used me so he can be with Clarissa... he backstab and betrayed me... I knew he was planning this since the beginning...

And that's it... now... you thought this is over? No... this is just the beginning...

Time to show you the Skype chat with...

James Bear...

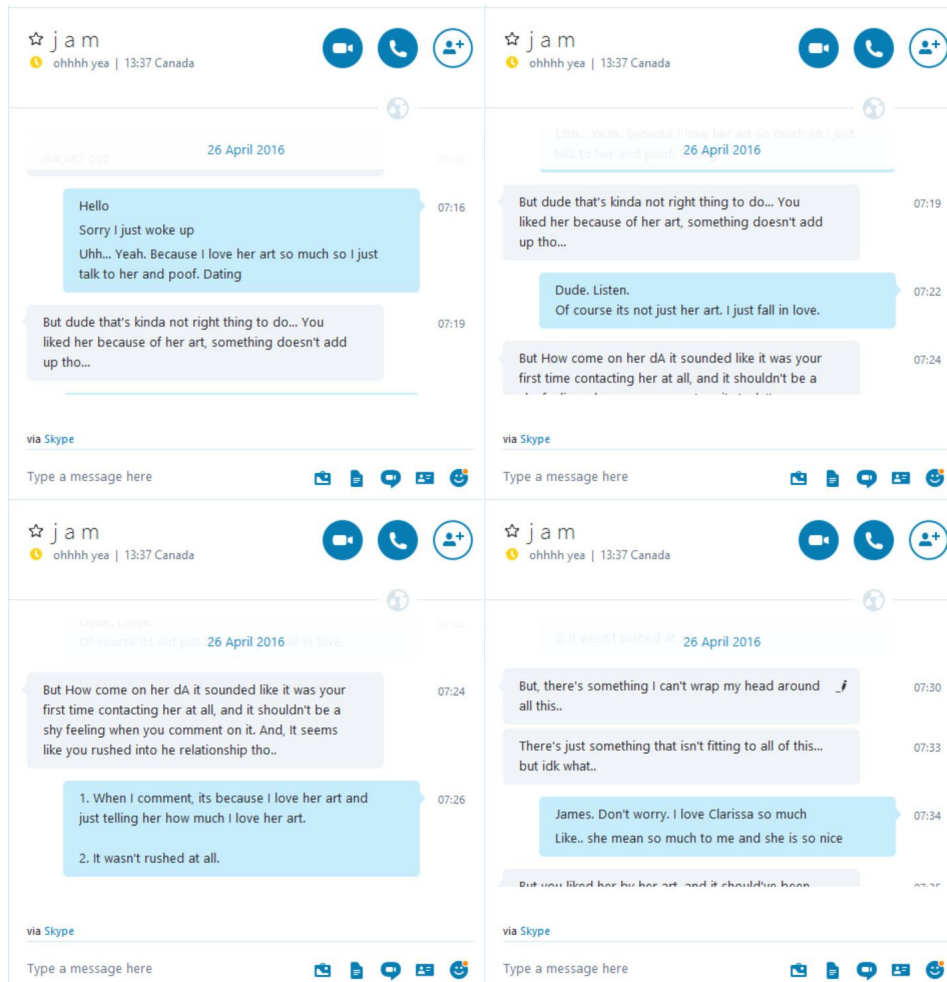

Skype Chat

So on 26th April 2016, He added me on Skype. I thought he added me so we can have a chat and also skype. But guess what...? NOPE. He just add me on Skype so he can talk about Clarissa... AGAIN and also getting jealous... Oh my god James... Just move on... Please...

So he message me 5:48am in the morning and I reply at 7:12 am when I finally wake up... And I knew he's going to message me in the morning just to talk about Clarissa... because he doesn't talk about anything else but himself... anyway...

So he told me he been bottled up because I fell in love with Clarissa... Jesus christ James leave me alone... I'm so sick and tired of hearing the same thing over and over again. This is all I hear from you EVERY SINGLE DAY since 11th February 2016...

I explain to him that I love her, her art and when me and Clarissa talk... POOF we start dating. James was getting really jealous (As always) and said...

“But dude that’s kinda not right to do...”

How do you know??? You never date anyone. So why should I listen to a sad kid who have never date anyone? Just shut up and don’t get involved.

“You liked her because of her art”

LEARN TO READ YOU IDIOT! Learn how to read probably. I didn’t said that. I SAID I LOVE HER AND HER ART. Can’t you read? Buy yourself a pair of glasses and then read again... stupid James...

So I just responded the same way with “Of course its not just her art. I just fall in love” which is true because I wouldn’t fall in love with someone because of the art. I fell in love with Clarissa because when me and her talk, we had a really strong connection and also we had so much in common and so much more.

But NOPE, James had to make everything into a negative because he is a really negative person and all he does is just that. Make everyone feel like shit thanks to James Bear. So he send me another dumb message...

“But How come on her dA it sounded like it was your first time contacting her at all, and it shouldn't be a shy feeling when you comment on it”

Hey James... have you ever heard of 'feeling' and 'emotion' before? No? Because you don't have any when you was born. OF COURSE I WAS SHY. I was really shy when I first contacted to her on 14th September 2015. I was really shy and nervous because it was my first time contacted her and I want to make sure that she notice me. So what? You can't be shy when you first contacted?

Are you that stupid James? Have you ever feel shy before? No? Because you don't have any feeling don't you (Apart from being sad and depressed, that's basically how he always feel). And what the hell do you mean by “it shouldn't be a shy feeling”. YOU CAN'T TELL SOMEONE HOW TO FEEL WHEN SOMEONE COMMENT!?!? That's like me telling someone not to be shy when you first message a crush.

Being shy is a FEELING. Wow... is James really that dumb? Yeah he is.

“It seems like you rushed into the relationship tho”

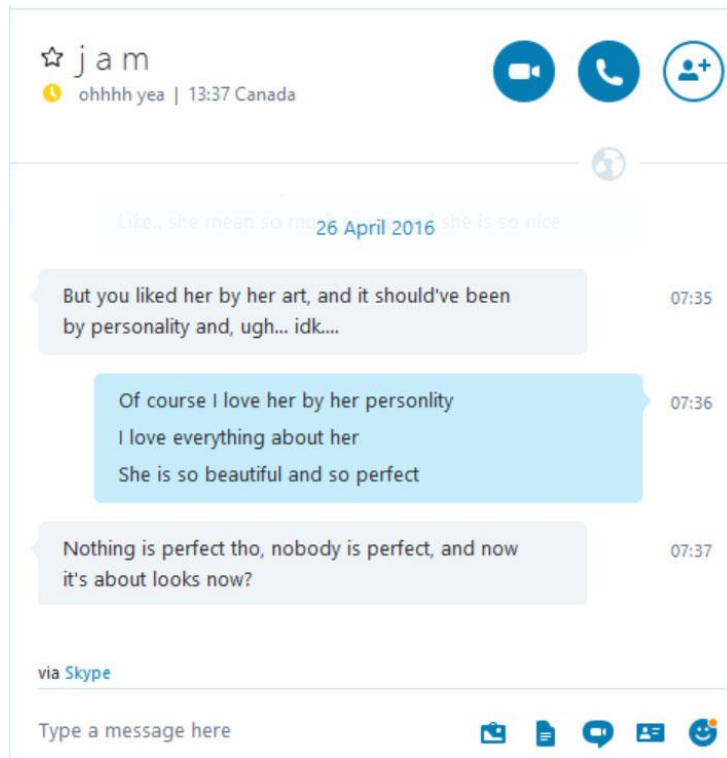

And how do you know about relationship? You don't because you never been in one and also you was so lonely. And also... HOW DO YOU KNOW IF IT WAS RUSHED!?!? It wasn't rushed at all! It took me and Clarissa a long time to develop into a relationship. So why should we listen to your bullshit advise anyway? No one want to listen to you James. You're just really stupid.

I was really insulted so I told him and message him because about the comment thing and also it wasn't rushed AT ALL.

James was getting really confused and start saying confusing stuff like “I can't wrap my head around all this..” or “There's just something that isn't fitting all of this”. You know why James is confused? BECAUSE HE CAN'T READ PROBABLY. He can't read my message probably and also he never been in a relationship. So HOW DOES HE KNOW ABOUT IT!?!?

I told him that “I love Clarissa so much” and also how much she meant to me and also... she's really cute (And more)

But of course... James ignore all that and turn it into a negative... wow...

James start pointing out that I missing some info and also I told him back that I love her personality. She's such a sweet and caring person... and also she's beautiful...

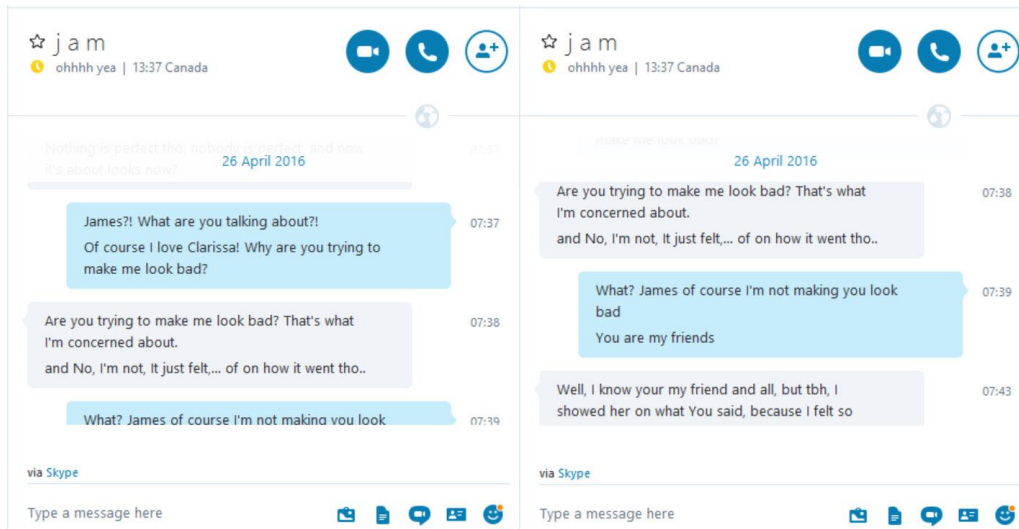

So I told him she was beautiful and perfect and then... he said this...

“Nothing is perfect tho, nobody is perfect”

Wow dude... you trying to be deep? So... does that mean you think Clarissa is not perfect...? Wow... No wonder she doesn't want to be with you if you think of her like that. When you are dating someone, you had to tell someone how much you meant to her and she's perfect... But does James know? No, because he never been in a relationship and also He's a lonely sad person...

“And now it's about looks now?”

Jesus christ James calm down. Don't get triggered. I didn't said that. Why would you think like that? Of course I would say she look beautiful but why would you think I only think that??? You just say stupid things that doesn't make sense. Calm down James... stop making everything I said into a drama... you drama queen.

I got really upset at this point. I told him over and over again that I love her and I even ask him why is he trying to make me look bad? Is that how he cheer himself up? Make someone look bad so he can make himself look good? Wow James... what a stupid and immature thing to do...

So I asked him why is he trying to make me look bad (Because that is exactly all he want to do) because I'm worried that he's trying to put me down so you can tell Clarissa lies. You want to show off how much you're better then me. This is just sad James and you should be ashamed of yourself for being so immature and selfish.

James... reply with "Are you trying to make me look bad?" OH SHUT UP JAMES. DON'T TRY AND ACT INNOCENT. I DIDN'T DO ANYTHING TO YOU. ALL I DID IS ASKING YOU WHY ARE YOU TRYING TO MAKE ME LOOK BAD!?! I get it. You want to do that so you can make yourself better.

"That's what I'm concerned about"

THEN DON'T GET INVOLVED. What? You need attention? You want to try your best to get involved in everything because you are so lonely? Oh shut up James and don't get involved in other people life you attention seeker.

For some reason I told him that "I'm not making you look bad. You are my friends". Actually he's not. He never was a friend because of the way he been treating me and also using me. I actually hated him since the moment he mention "Clarissa" to me. Which I knew that he only want to message me on Twitter and Skype... just so he can get closer to Clarissa. What are you? A rat? A ugly rat to be honest...

And then... James... did this...

Well, I know your my friend and all, but tbh, I showed her on what You said, because I felt so horrible after what I seen.. and, I felt upset on how you said it, Like, I legit didn't feel right when you said that... So, I had to show her, because I couldn't handle it anymore 😞

07:43

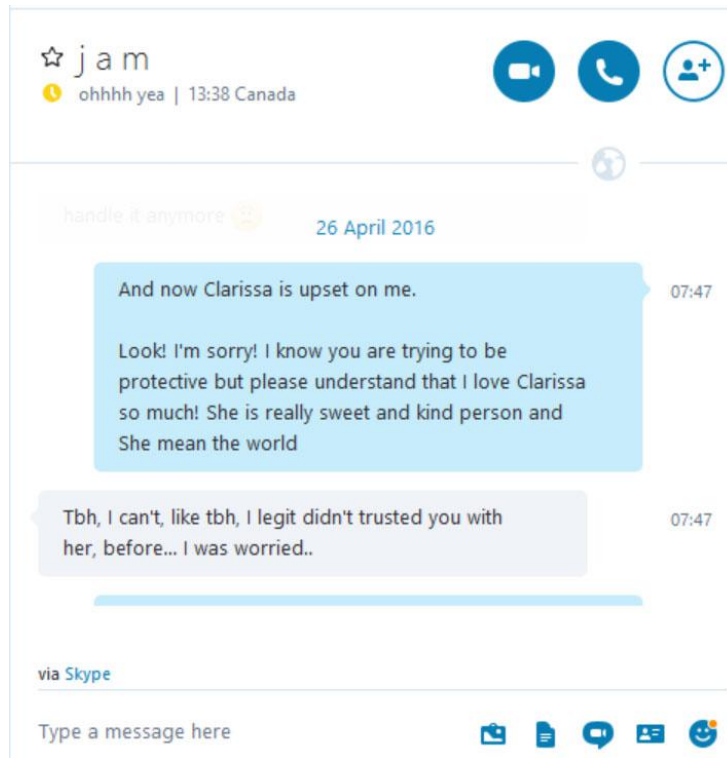

“I showed her on what you said, because I felt so horrible after what I seen..”

What... WHAT!?!? WHY WOULD YOU DO THAT?!?! I KNEW IT. I KNEW YOU WAS TRYING TO MAKE ME LOOK BAD AND THEN SHOW IT TO CLARISSA. He literally doesn't give a shit about anyone or even someone relationship... I was so angry at him because I shouldn't trust him at all and now he suddenly said...

“I had to show her, because I couldn't handle it anymore”

WHY!?!? WHY WOULD YOU SHOW HER IT!?!? I DIDN'T TOLD YOU TO DO YOU FUCKING IDIOT. You didn't need to do anything and if you couldn't handle it anymore... THEN IGNORE IT. DON'T FUCKING SHOW IT TO HER OR EVEN DO ANYTHING. Just sit in the corner and do nothing because that's the only good thing you actually good at... actually... I think you being sad would be more suited for you. But seriously, I was so scared and angry at the same time because I knew that James would try and try to make me look like shit and just randomly show her stuff. He even fucking lied to her and telling her lies about me...

But... you never believe what James did to Clarissa....

JAMES MADE CLARISSA CRY. I message her and she was crying because of what James did to her. Clarissa was getting upset because she was reading the message James send her and he was trying to tell Clarissa that I'm a bad person... WHICH IS A LIE.

He was trying to show off to Clarissa that he's better then me and I was so pissed off at James. I wish I had block him when he did that to Clarissa but... I DIDN'T. WHY DIDN'T I BLOCK THIS CREEP FOR MAKING CLARISSA CRY.

I don't know why I apologize to this twat after he made me look bad and also made CLARISSA CRY. I will never forgive him after he did that to Clarissa.

Like imagine you was talking to a friend and suddenly your friend message your girlfriend bad lies about you and then HE MADE HER CRY. Bad? Exactly? BECAUSE THAT'S EXACTLY THAT JAMES DID TO CLARISSA.

WHY!?! I DIDN'T DO ANYTHING BAD TO HIM SO WHY IS HE ATTACKING ME!?! WHY IS HE TRYING SO HARD TO TELL CLARISSA BAD THINGS ABOUT ME SO HE CAN SHOW OFF HE'S GOOD AND BETTER THEN ME!?! LEAVE ME ALONE JAMES. I WAS SUPPOSE TO HELP YOU NOT YOU HELPING ME. I DIDN'T EVEN WANT YOU INVOLVED IN MY RELATIONSHIP YOU FUCKING ASSHOLE.

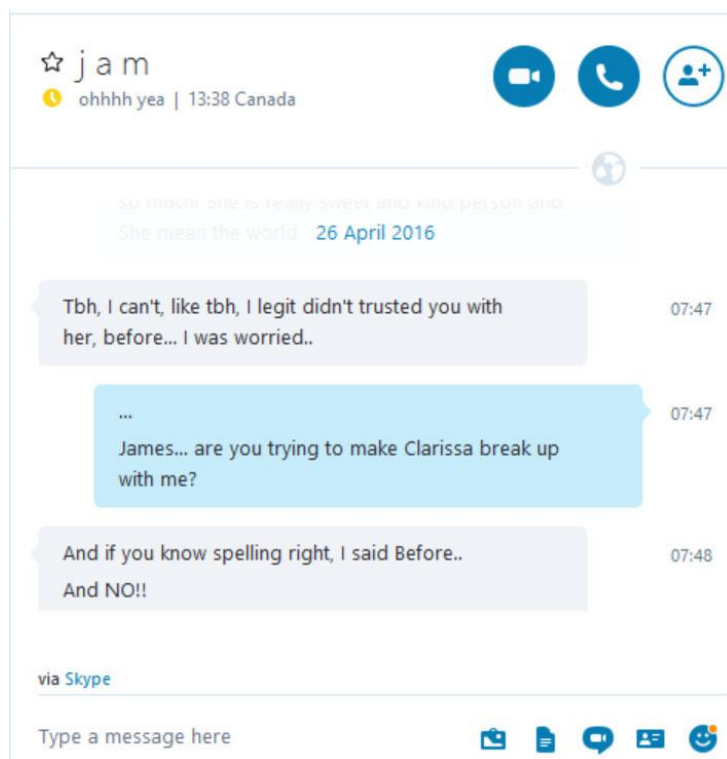

Oh... and James... he got the fucking nerves to say this... to me...

Tbh, I can't, like tbh, I legit didn't trusted you with her, before... I was worried..

07:47

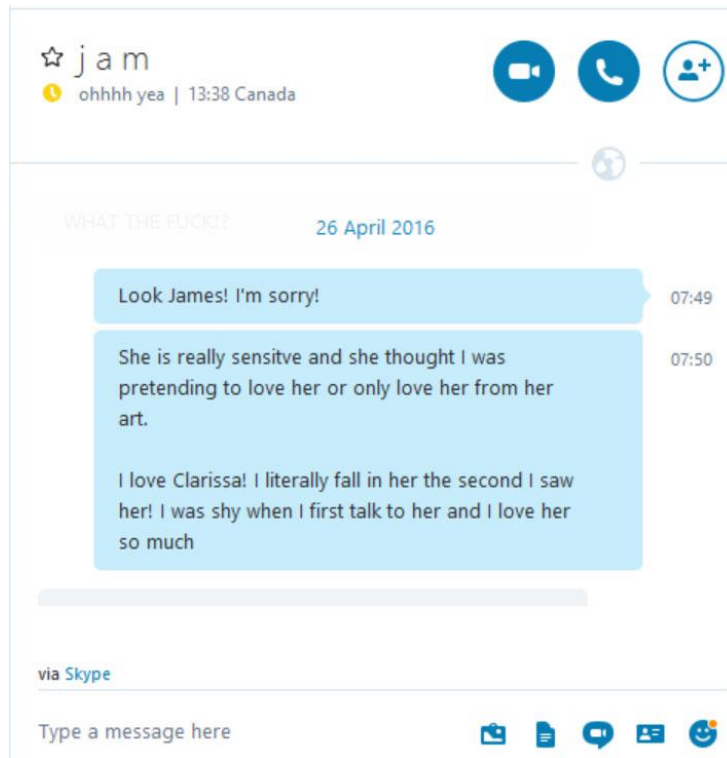

"I legit didn't trusted you with her"

Wow... WOW. DID I JUST READ CORRECTLY!?!? YOU don't trust a boyfriend dating a girlfriend??? WHAT THE FUCK WAS YOU THINKING!?!? You don't even have a girlfriend and you think it's perfectly ok to do it TO ME!?!? HOW DARE YOU!?!? WHY DO YOU EVEN NEED TO BE WORRIED!?!? WHAT!?!? YOU'RE JEALOUS!?!? THAT IS ALL YOU ARE. A JEALOUS SAD DEPRESSING SHIT. YOU JUST TRY YOUR BEST TO RUINED RELATIONSHIP SO YOU CAN HAVE ONE TO YOURSELF. YOU'RE SO SELFISH. ALL YOU CARE ABOUT IS YOU YOU YOU YOU. YOU'RE A FUCKING HEARTLESS MONSTER.

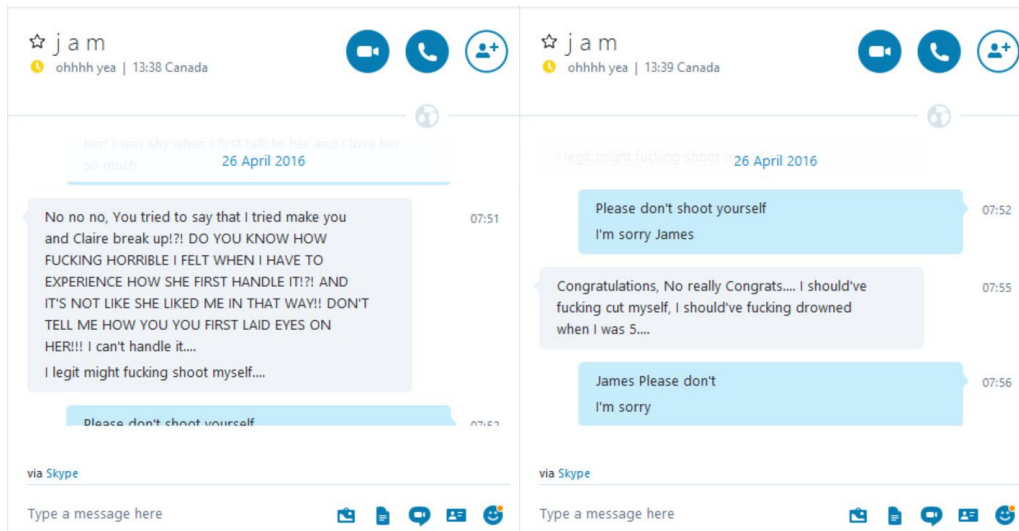

Then... I had to ask him... if he was trying to make Clarissa break up with me... I knew it... since the moment he start talking to me... he only want to talk to me so he can try and make me and Clarissa break up... so he can be with her instead...

James lied to me... he said "And NO"... BULLSHIT JAMES. IF YOU WASN'T TRYING TO MAKE CLARISSA BREAK UP WITH ME, THEN WHY DID YOU MADE HER CRY AND TOLD HER LIES ABOUT ME!?!? AND ALSO WHY DID YOU SAID TO MY FUCKING FACE YOU THINK I WOULD BREAK UP WITH HER!?!? You don't give a shit about anyone else but yourself James. If someone is in a relationship, you tried to steal someone relationship? Why? Because you are jealous, jealous and jealous. THAT IS ALL YOU ARE JAMES.

I responded to his lied message and send him a long message... because I was upset after what he did to Clarissa. I EVEN SAID TO HIM THAT SHE WAS REALLY SENSITIVE. Because after what James said to her, that is all she can think of. MADE UP LIES BY JAMES.

Seriously!?! YOU MADE CLARISSA UPSET AND SHE'S A REALLY SENSITIVE PERSON. YOU CAN'T DO THAT TO SOMEONE ESPECIALLY TO SOMEONE GIRLFRIEND. YOU FREAK. HOW DARE YOU JAMES. LEARN HOW TO RESPECT PEOPLE AND RELATIONSHIP. Oh wait... you can't... BECAUSE YOU'RE SO LONELY. Boo hoo James! Find someone else to ruined relationship... LEAVE ME AND CLARISSA ALONE.

So James send me... another long message and guess what... LIES.

“No no no, You tried to say that I tried make you and Clarie break up!?!”

Yes James. That’s exactly what you have been doing since 11TH FEBRUARY 2016. All you do is messaging me over and over again about how much you love Clarissa and how you want to be with her. But now... YOU MADE HER UPSET AND TOLD HER LIES SO YOU CAN TRY AND BREAK ME AND CLARISSA UP. YOU JUST WANT HER FOR YOURSELF, DON’T YOU!?? Why can’t you accept that she’s your friend? What? Can’t you handle a friendzone? Wow... James... you’re weak as fuck. So don’t act like you’re not trying to break me and Clarissa up... BECAUSE THAT IS EXACTLY WHAT YOU HAVE BEEN DOING. NON STOP. EVERY SINGLE DAY. FUCKING HELL JAMES. WHAT IS WRONG WITH YOU!?! YOU CREEP.

“DO YOU KNOW HOW FUCKING HORRIBLE I FELT WHEN I HAVE TO EXPERIENCE HOW SHE FIRST HANDLE IT!?!?”

DO YOU KNOW HOW HORRIBLE IT FELT WHEN YOU MADE MY GIRLFRIEND CRIED AND ALSO YOU TRYING TO MAKE ME AND CLARISSA BREAK UP!?!? HOW HORRIBLE IT FELT WHEN YOU LIED TO HER AND ALSO PUT UP WITH YOUR SAD BULLSHIT EVERYDAY!?!? I’M SO BORED OF IT. NO ONE CARE ABOUT YOU JAMES. NO ONE. NO ONE CARE ABOUT YOUR SOB STORY, NO ONE CARE ABOUT YOU WANT TO BE WITH TOXIC OR CLARISSA. NO ONE WOULDN’T CARE IF YOU DIE. NO ONE CARE JAMES. NO ONE.

“And it’s not like she liked me in that way!!”

Probably because she read your sob story and after reading the part about you having sex with your 9 year old sister at the age of 13 in February 2013. No wonder she doesn’t like you. I should have told her about your sob story and we should have block you. Because we don’t want to know you exist. You incest rapist.

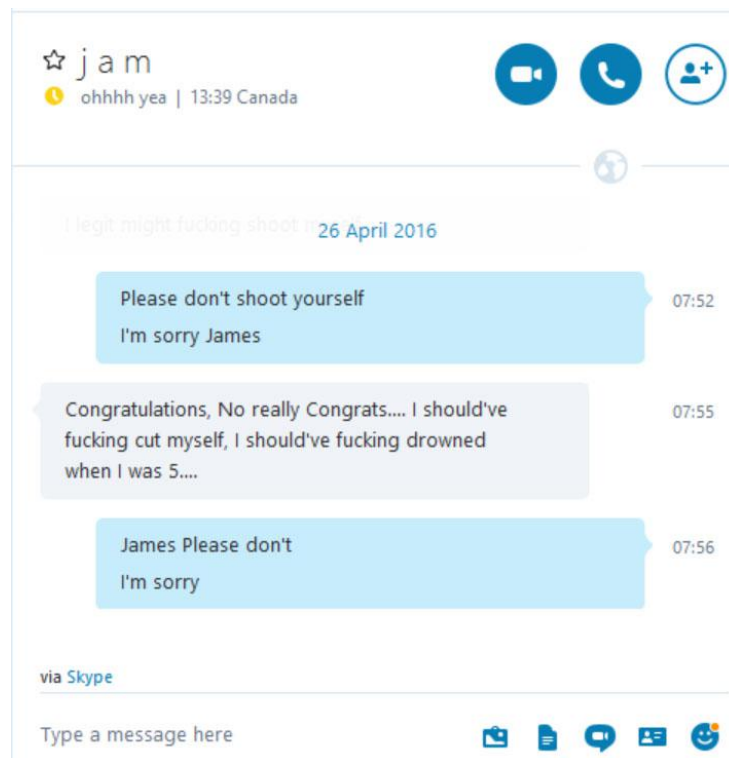

“Don’t you tell me how you first laid eyes on her!”

What’s the matter? You’re jealous? Jealous James? I was first BITCH! I did it before you. HAHAHAHA. Ok seriously, yeah you can tell James was jealous because he said

that. It does shows that he wish he laid eyes on Clarissa first before me. Why?
BECAUSE JAMES IS ONE JEALOUS MOTHERFUCKER. THAT'S WHY. HAHHAHAHA.

"I legit might fucking shoot myself"

Do whatever you want. I been trying to stop you for it but since you ignore my advice. Just do it. You did some horrible shit to me and your sister. Oh and you made Clarissa cry. So that's like 3 reason why you should do it anyway. Wait. Where would you get a gun? I thought you can't get guns in Canada. So that's mean... JAMES LIES AGAIN.

Yet again I told not to do that (I wish he did) and apologize for no reason just to make him shut his dramatic mouth up.

So he told me another sob message with...

"Congratulations, No really congrats"

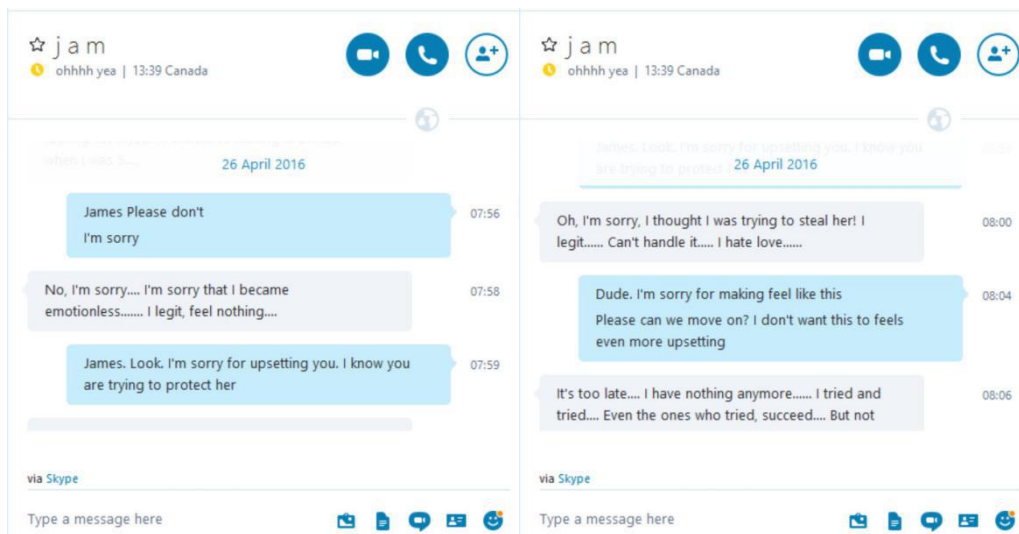

I DIDN'T SAID THAT. WHY HAVE YOU SUDDENLY MADE THAT UP!?!? And if I did... CONGRATULATIONS ON WHAT!?!? Being the world most sadness, depressing, jealous and fucked up person in the universe? You would win that every year to be honest.

"I should've fucking cut myself"

Again. Calm down. Don't be a fucking Edge Lord. You just got told the truth about how you was trying to break me and Clarissa up and also you're jealous (as always). So don't do that. Listen to some edgy music like Linkin Park or something. I don't give a shit about what you do.

“I should’ve fucking drowned when I was 5....”

What’s the point of telling me this? What? You wish you could go back in time and do that? I don’t know. That’s the most pointless message you ever told me. I don’t give a shit if you do that.

So James... apologize? What? What this!? FOR ONCE IN HIS STUPID DEPRESSING LIFE... HE APOLOGIZE?!?!? CONGRAT JAMES. YOU DID SOMETHING RIGHT FOR ONCE. GOOD JOB. HERE’S A MEDAL FOR DOING SOMETHING RIGHT YOU STUPID HEARTLESS MORON.

“I’m sorry that I became emotionless.... I legit, feel nothing...”

True. You don’t have any emotion what so ever. All you care about is yourself. No one else. You don’t care about someone feeling. Just like how... Oh I don’t know... YOU MADE CLARISSA CRY. YOU HEARTLESS SHIT.

After I reply back to him, he said me another sob message (Stop being such a drama queen James)...

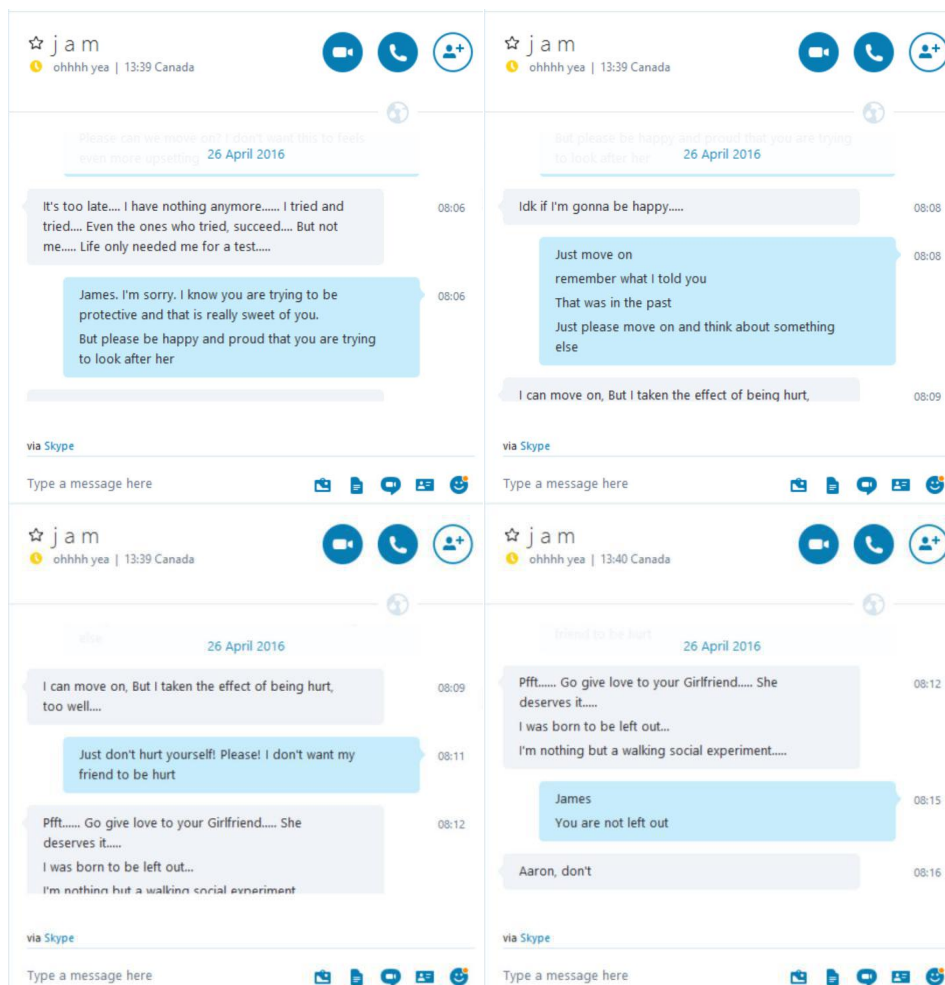

“Oh, I’m sorry, I thought I was trying to steal her”

THAT’S EXACTLY WHAT YOU JUST DID. NO, YOU HAVE ALWAYS BEEN DOING THAT?!?!? What are you?!?! A retarded goldfish!? Can’t you remember anything?!?!? You made Clarissa cry and also told her lies about me. You also wouldn’t shut your fucking mouth about her and how much you love her IN FRONT OF ME. SO NO SHIT SHERLOCK. YOU HAVE BEEN TRYING TO STEAL HER. YOU FUCKING RAT STEALING SHIT.

“I legit.... Can’t handle it.... I hate love...”

What... WHAT!?!?! IF YOU HATE LOVE SO FUCKING MUCH, THEN WHY ARE YOU TRYING TO STEAL CLARISSA!?!?! YOU EVEN TOLD ME YOU LOVE HER SOOO MUCH AND ALSO YOU WANT TO BE WITH HER. SO YEAH SURE JAMES, YOU ‘hate’ LOVE. BULLSHIT. IF YOU HATE LOVE, YOU WOULD BE DATING YOUR DEPRESSING SELF. YOU PRICK.

I asked him nicely if we can move on but guess what...? He doesn't... BECAUSE HE WANT TO SHOW OFF HIS DRAMATIC SOB. BOO HOO JAMES. SHUT THE FUCK UP. I DON'T CARE ABOUT YOU.

“It’s too late... I have nothing anymore....”

That’s true. You got nothing. You got no feeling, you got no friends, you got no girlfriend. You’re worthless. You got nothing James. NOTHING.

“I tried and tried....”

NO YOU HAVEN’T. YOU GAVE UP. Toxic wasn’t interesting in you... YOU GAVE UP. Clarissa is taken... YOU GAVE UP. YOU HAVEN’T TRIED AT ALL. YOU STUPID EASILY GIVE UP FOOL. Just wow... You’re so stupid and weak James...

“Life only needed me for a test”

Oh boo hoo. Don’t be a drama queen. OF COURSE LIFE IS A TEST. ACTUALLY NO. You only got one live and you already fucked it up (I’m not going to repeat what he did so scroll up and you will see why)

I reply to his dramatic bullshit and I told you know... at least try and be happy? For once? If he can? Like come on James... stop being so stupid...

So he told me... "Idk if I'm gonna be happy...."

JAMES. YOU NEVER WAS HAPPY. WHENEVER WE TALK, ALL YOU DO IS TALK ABOUT DEPRESSING SHIT. I DON'T CARE. JUST TRY AND BE HAPPY FOR ONCE IN YOUR WORTHLESS LIFE. JUST PISSED OFF AND BE HAPPY... IF YOU CAN.

Then I send him a message saying "Just move on". You know? SOMETHING YOU SHOULD HAVE DONE A LONG TIME AGO. SOMETHING I KEEP TELLING YOU OVER AND OVER AGAIN. YOU CAN'T KEEP YOUR MOUTH SHUT WITHOUT SAYING DEPRESSING SHIT. SO SHUT THE FUCK UP JAMES.

"I can move on, but I taken the effect of being hurt, too well..."

Wow James... Trying to be Edgy and deep? And also if you can move on... THEN DO THAT. IT'S REALLY ANNOYING. I keep telling you to move on. SO WHY HAVEN'T YOU DONE IT YET!?!? LIKE HOW LONG IS IT GOING TO TAKE YOU!??!

I reply to his deep message (It's not, the message is just stupid) and I said to him that I don't want my friend to be hurt (He's not my friend and I wish he did get hurt)

Yet again... JAMES SEND ME ANOTHER BORING MESSAGE!

"Pfft... Go give love to your Girlfriend... she deserve it..."

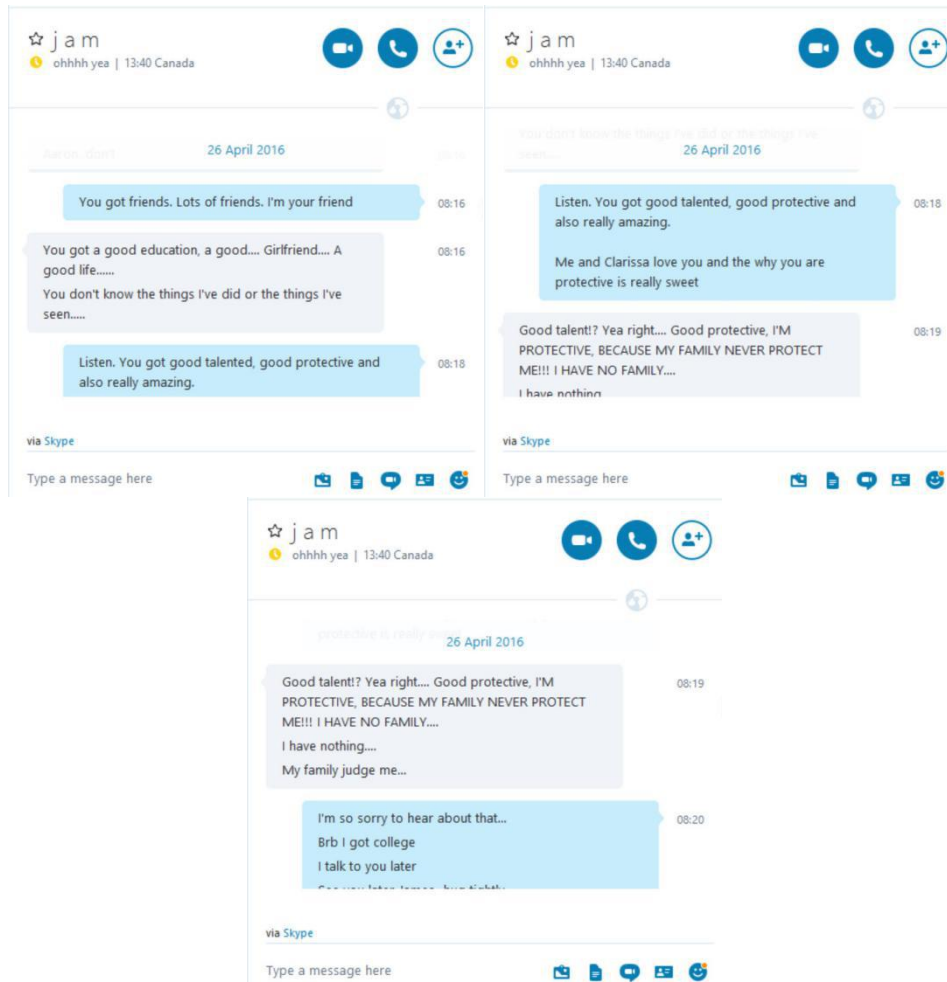

I will. Thank you for telling me that. It's a ashamed you had to ruined EVERYTHING and also you made Clarissa cry and trying to break me and Clarissa up. So yeah I will give Clarissa love. And as for you James... fuck off. Fuck off to hell.

"I was born to be left out..."

True. You was left out because you was so sad and you always had to be sooo dramatic as fuck. Seriously. Stop being annoying.

"I'm nothing but a walking social experiment..."

If you was a social experience you would fail so much. Because you fail to social and you even try to ruining someone social and a relationship. So yeah. You failed. Go home and do something else which is not a failure like you.

I try and cheer him up (as always) and told him he got lots of friends (He doesn't) and I said to him that I'm his friend (He's not even a friend at all) because I feel bad for him (I don't)

So he... again.. told me how lucky I am with the education, girlfriend and good life... ok James. I get it. You're jealous. I'm better then you. Shut up and stop whiny.

"You don't know the things I've did or the things I've seen...."

YOU TOLD ME A SOB STORY ABOUT YOU HAVING SEX WITH YOUR 9 YEAR OLD SISTER. OF COURSE YOU TOLD ME. IT MADE ME AND CLARISSA SICK AND ALSO WE HATED YOU SO MUCH AFTER THAT STORY. We just didn't tell you because we knew you going to cry like a baby. Which is something you do anyway.

Yet again I had to tell him the positive stuff about him to cheer him up... again and also to shut him up. Because he's really fucking annoying and just creep me and Clarissa out.

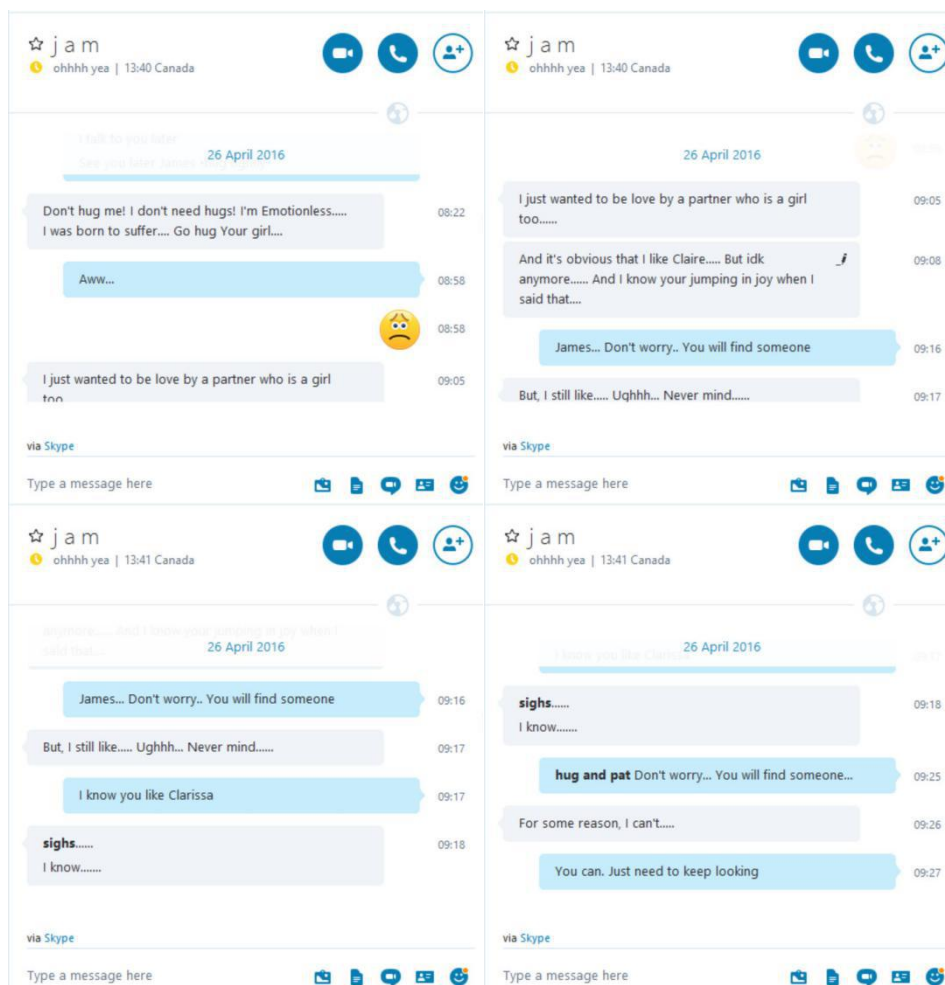

But guess what? James turn my positive message into a negative... because that's the only way James can read and said this...

"Good protective, I'M PROTECTIVE, BECAUSE MY FAMILY NEVER PROTECT ME!!! I HAVE NO FAMILY..."

Well if you didn't have a family, you would be adopted. But then again... Who the hell want to adopt a incest rapist? No one. Because no one like you James. Oh and the whole "My family never protect me", probably because of what you did to your sister and they all hate you so much James. Does it hurt? Of course it does. Because not only you got no friends and a girlfriend, but you also got no family.

"My family judge me..."

Of course they do. Every family do that. They always look at you and judge. Because your the family child. They need to judge if you're good or bad. But since you did have sex with your 9 year old sister and also you did upset Clarissa... yeah, your on the bad list James. Just like everything else about you.

So after I told him I'm going to college (Yes I did go to college in 2016 and dealing with James bullshit at the same time... what a pain) and when I got back... oh geez does he get annoying...

"Don't hug me! I don't need hugs!"

Ewww Why would I want to hug a creep like you? You did made me look bad and made Clarissa cry. If I did, I would be sick. Wow. You don't need a hug? You did say that you want a girl to hug... YOU LIED AGAIN.

"I'm Emotionless...."

I'm not going to repeat myself... but fuck it. Yeah you don't have any emotion because the only emotion you do have a sad, depression and jealousy. Oh and of course selfish which is something else. You don't care about anyone else emotion apart from yourself. You would even willing to make Clarissa upset. Are you proud of yourself you freak? Exactly. Go to hell James.

"I was born to suffer"

AND YOU DID. Congratulation for noticing it! Cheers for another couple of years of you suffering! Haha! Oh James. You sure like saying stupid things to me. Because I'm so bored of it.

"Go hug your girl..."

I did. Everyday. But I had to do it again because I need to cheer her up after what you did to her... YOU MADE HER CRY AND I HAD TO HUG HER ALL DAY. And who can you hug? No James you can't hug your sister. That doesn't count you incest creep.

After those sad messages (Not) I just send him a sad face because I need to somehow shows how sorry I am (I'm not, he deserve to suffer after what he did to Clarissa)

Then... he send me this...

"I just wanted to be love by a partner who is a girl too...."

First off, stealing a girl doesn't count. Secondly.... YOU JUST SAID EARILER YOU DON'T WANT LOVE. MAKE UP YOUR MIND YOU FUCKING MORON. And finally... Instead of bothering me and Clarissa... FIND YOUR OWN GIRL AND STOP TRYING TO MAKE CLARISSA CRY AND RUINING SOMEONE ELSE RELATIONSHIP.

"And it's obvious that I like Claire"

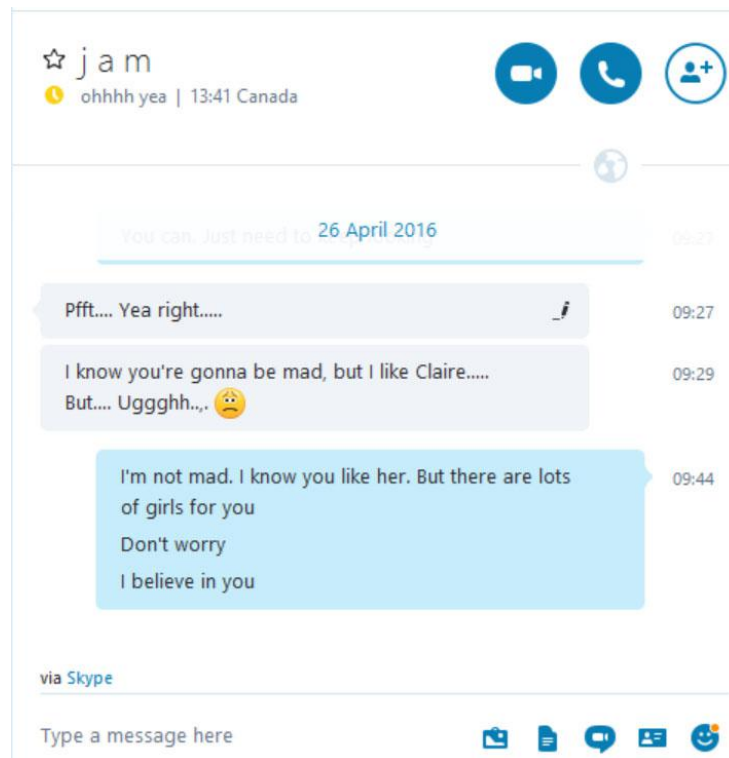

NO SHIT SHERLOCK. YOU COULDN'T STOP MENTION HER FUCKING NAME. EVERY FUCKING DAY YOU KEEP SAYING CLAIRE CLARIE CLARIE EVERY DAY. I GET IT. BUT SHE'S TAKEN. YOU HEARD OF "TAKEN"??? NO? THEN GOOGLE IT YOU DUMBASS. Ever since you first message me, the first thing you want to talk about is Claire... Why? BECAUSE THAT'S ALL YOU FUCKING CARE ABOUT YOU USELESS SHIT.

"And I know your jumping in joy when I said that..."

No James, hearing you mentioning Clarissa everyday is creeping the fuck out me and Clarissa. It's scary how you don't talk about anything else but either Toxic or mainly Clarissa. You can't talk without mentioning her. It's creepy how obsessed you are even tho you know that she's taken. Just... wow... you're one creepy motherfucker...

So I told him that he will find someone and he just goes "I still like... ughhh... Never mind" I KNOW EXACTLY WHAT YOU GOING TO SAY. YOU GOING TO SAY "I still like Clarissa". IT'S NOT LIKE I HEARD THAT TOO MANY TIME. IT'S GETTING BORING JAMES. FIND SOMEONE ELSE YOU FUCKING DUMBASS.

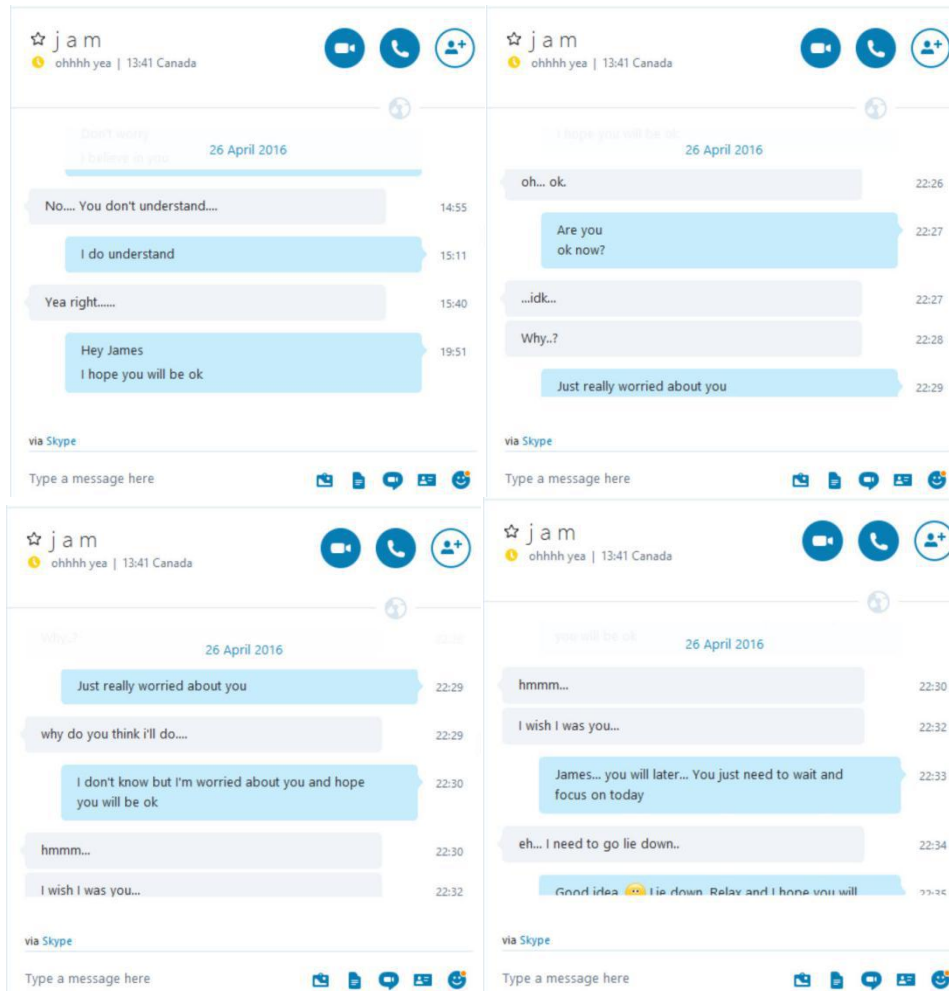

I even told him that he just need to keep looking (But he didn't but instead he just keep bothering me and Clarissa every fucking day of his life...)
But guess what? He ignore my advice and said this... again...

“I know you’re gonna be mad, but I like Claire...”

I told you... he said it again.. Oh? Am I going to be mad? OF COURSE I’M MAD AT YOU. WHY DO YOU LIKE SOMEONE WHO IS TAKEN?!? IT’S NOT LIKE I HEARD YOU SAID THAT FOR THE BILLIONS TIME. IT’S GETTING SO BORING. I KEEP TELLING YOU TO MOVE ON OR FIND SOMEONE ELSE. BUT NO. YOU KEEP IGNORING IT AND KEEP SPAMING THE SAME SHIT OF HOW YOU LIKE CLARISSA. She’s taken. Shut up. Move on you stupid fucktard.

So I told him I’m not mad (I was so fucking pissed off at him) and I know he like her (Because I heard that so many time) and I even told him there lots of girls for him (If they can handle James depression)

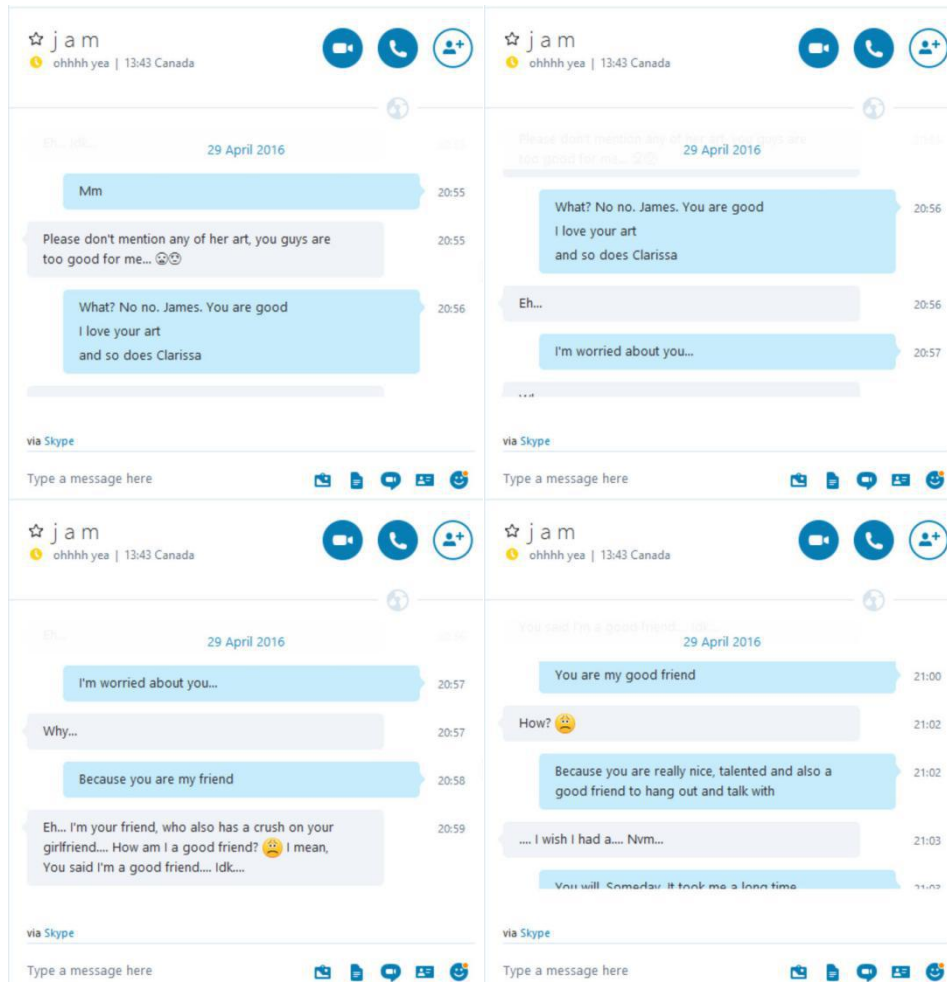

“No.... You don’t understand...”

Of course I understand... because you wouldn't shut the fuck up about it.... Like I hear the same boring story or drama everyday. You're sad, you like Clarissa, you wish I got a girlfriend, you call me lucky and repeat. Now imagine that but EVERY SINGLE DAY OF YOUR LIFE. HEARING JAMES CRYING AND WHINY OVER AND OVER AGAIN.

So I asked him if he's ok (probably not because he never happy) and I told him I was worried about him (I didn't give a shit about him)

James again, told me he wish he was me because he was jealous as fuck and I told him he will later (He will never be like me. Because I'm not a twisted fucked up kid like James)

So he told me he's going to lie down.... at least I can have some peace for once and not hear him fucking crying...

“Please don’t mention any of her art, you guys are too good for me... (Trying to put emoji in skype... how sad)”

Oh shut up James. If you can’t handle Clarissa art, then why do you even have a twisted obsession with her??? You actually creeped me and Clarissa out and we almost wanted to block you... actually... I wish we did.

So I told him I worried about him because he’s my friend (I don’t care about James or even want to be his friend) and then he said this to me...

“I’m your friend, who also has a crush on your girlfriend...”

OF COURSE YOU GOT A CRUSH ON HER. THE ONLY REASON WHY YOU EVEN WANT TO MESSAGE ME IS BECAUSE YOU WANT TO BE WITH HER. YOU STALK HER NON STOP AND EVEN MADE HER CRY. OF COURSE YOU GOT A CRUSH ON SOMEONE I LOVE BECAUSE YOU CAN’T FIND YOURSELF A GIRLFRIEND. JUST PLEASE FUCK OFF JAMES. LEAVE CLARISSA ALONE. SHE HATE YOU SO MUCH. OH. I’M YOUR FRIEND??? FUCK OFF I GOT MORE FRIENDS THEN YOU. I DIDN’T EVEN WANT TO BE YOUR FRIEND.

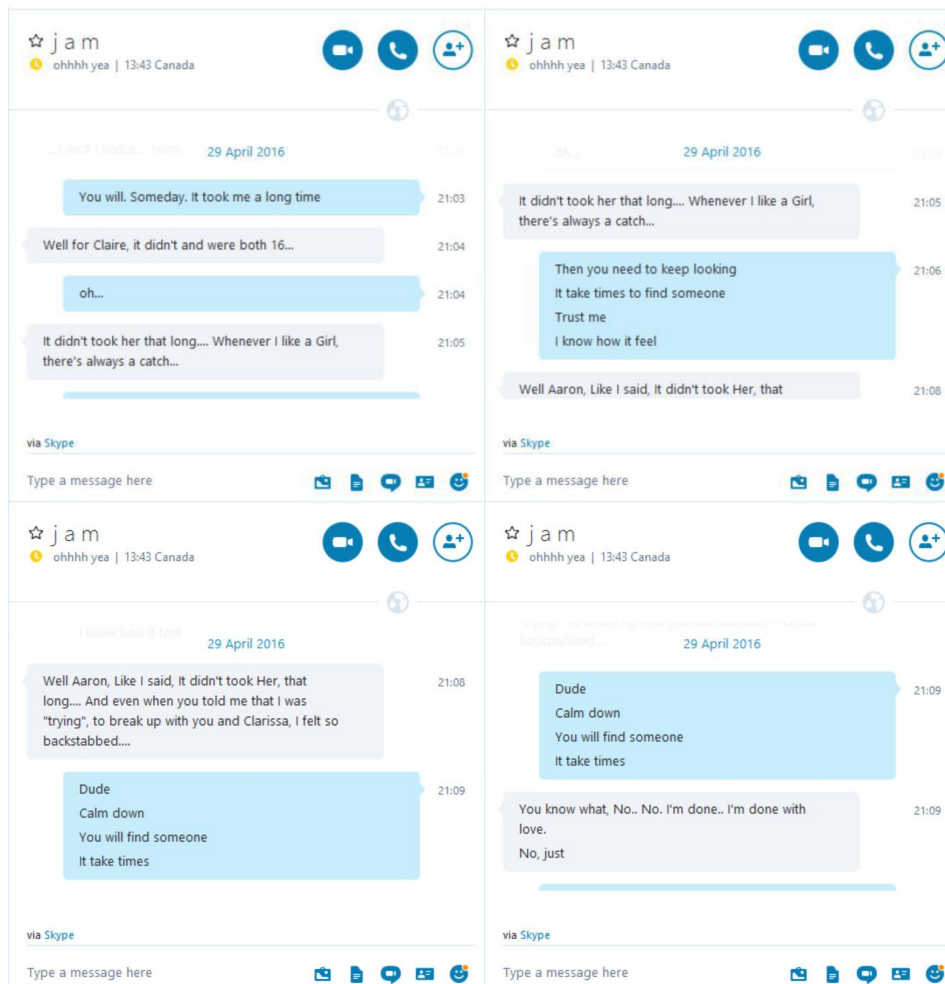

“How am I a good friend? (Insert sad face)”

No James. You never been a good friend. You never was good in the first place. You was born bad and you always be bad. All you do is just ruining other people life, just like how you made me look bad, you made Clarissa cry and of course, you had sex with your sister. So James, you not a good friend at all. You’re not even a friend. You’re worthless and a fucking dumbass.

So I lied to him telling him that’s he’s nice, talented and a good friend (all of that is lies just to make him shut up)

“... I wish I had a... Nvm”

No no. Go ahead. GO FUCKING AHEAD AND FINISH IT. WHAT ARE YOU GOING TO SAY!?! IS IT GOING TO BE THE SAME SHIT I HEAR EVERYDAY??? IS IT “I WISH I HAD A GIRLFRIEND”!?!? BECAUSE I’M PRETTY SURE I HAVE HEARD THAT EVERY FUCKING DAY AND I’M SO BORED OF IT!!

I reply to him saying that it took me a long time to find a girlfriend and then he said...

"Well for Claire, it didn't and were both 16..."

HERE WE GO AGAIN. MENTIONING CLARISSA AGAIN. CAN'T HE LIKE SHUT UP AND LEAVE HER ALONE?!? Every topic is always ALWAYS about Clarissa. NOTHING ELSE. It's either James sad/depressing life, he want a girlfriend or CLARISSA. IT'S ALWAYS CLARISSA CLARISSA CLARISSA. NOT ME. HE NEVER TALK ABOUT ME WITHOUT MENTIONING CLARISSA OR HOW LUCKY I AM. WHY IS HE SO ANNOYING!?!?

"Whenever I like a Girl, there's always a catch..."

Girls are not fishes you dumbass. Of course you need to work hard to get into a relationship, or else anyone can be in a relationship. I worked so hard to develop a relationship with Clarissa, I guess James will be lazy as fuck and just steal girls because he can't be bothered to do something about it you lazy fuck.

Again, told him the same thing about how he will find someone... James responded with this...

“Even when you told me that I was “trying” to break up with you and Clarissa”

That’s true. THAT’S EXACTLY WHAT YOU HAVE BEEN DOING. Me and Clarissa was having a peaceful and quiet relationship until you exist and try to ruined it for us. You just love to pissed everyone off don’t you? You even made Clarissa cry James. Are you proud of yourself for doing that to her? Of course you are James. You just like to make girls cry just like how you made your sister cry on February 2013.

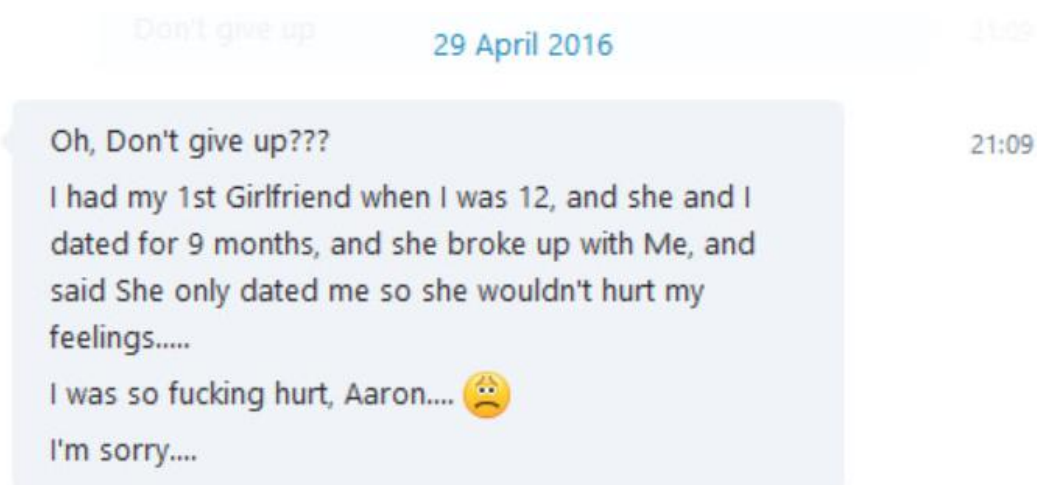

“I felt so backstabbed”

Same... Same... Just like how I wanted to help you but instead... you backstabbed me and using me so you can try your best to break me and Clarissa up... You’re so worthless James... you mean nothing to me...

I told him to calm down and it will take times (Like... seriously how time do I need to repeat myself???)

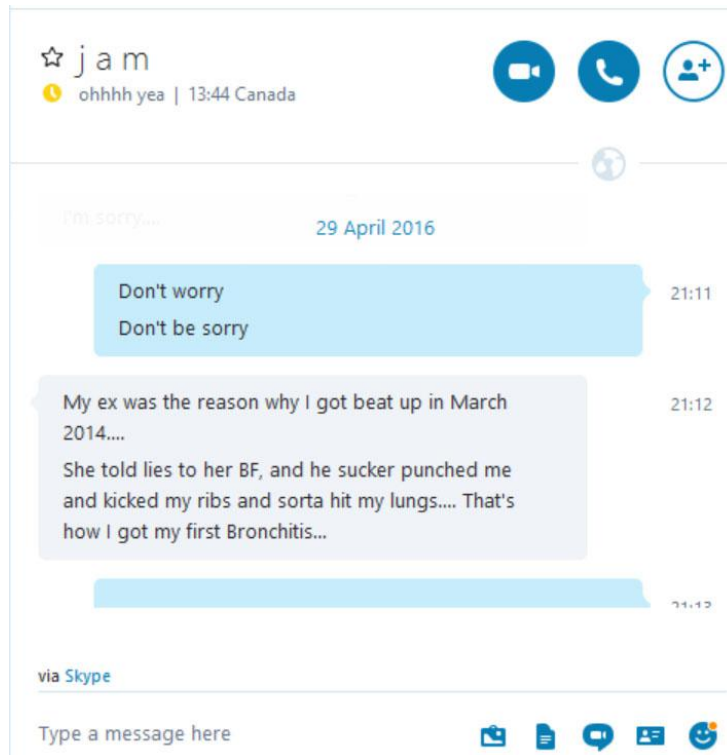

“You know what, No.. No. I’m done.. I’m done with love.”

Ok... If you are done with love... THEN WHY DIDN’T YOU FUCK OFF AND JUST LEAVE ME AND CLARISSA ALONE!?!?! IF YOU DON’T WANT LOVE, THEN STOP BOTHERING US. TALK TO SOMEONE ELSE. ANYONE. JUST NOT US. WE DON’T LIKE YOU. YOU KEEP SAYING HOW YOU WANT A GIRLFRIEND BUT NOW YOU SAYING YOU’RE DONE!?!?!? FUCKING HELL JAMES STOP CONFUSING ME.

Oh no... James telling me another sob story... please... does anyone play violin? I would love someone to play a fucking violin now. Because I would rather listen to that then reading James deep and dramatic sob story... fucking hell James... You’re so annoying...

So basically James telling me a story about his ex. His first girlfriend he was 12 (One year before he start having sex with his sister... just a reminder...) and they been dating for 9 months and she broke up with him. Oh geez. I wonder why. It’s not like he’s boring as fuck and also he’s the most depressing and sadness kid in the world. And then he was fucking hurt? Dude. Now you know how I feel when you keep bothering me and Clarissa, try to break me and Clarissa up and of course... YOU MADE HER CRY.

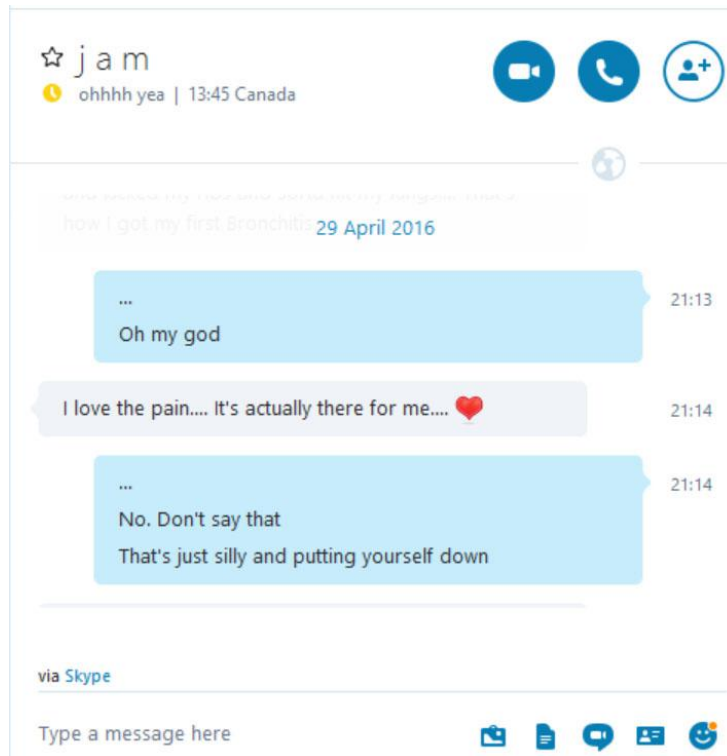

Oh no... Not another sob story.. So that's like... 3 sob story from James? Oh my god? I wonder when he's going to tell us his 4th sob story... so fucking boring...

So his ex was the reason why he got beaten up in March 2014 (Karma bitch) and also she told lies to her BF (just like how you tell Lies to Clarissa) then he sucker punched him (What? Is that suppose to be a Pokemon move?) and then he kicked his ribs and hit his lungs (Totally deserve that after everything you did) and that's how he got his first Bronchitis (The fuck does that mean?)

Basically another shitty sob story I don't care and he deserve it. Like seriously he knew karma would be coming and beat the living shit out of him. For once Karma did something right. Thanks Karma for doing that to James. If only it was a bit more extreme. Then he can't even smiles. Oh wait. He can't smiles anyway. Hahaha.

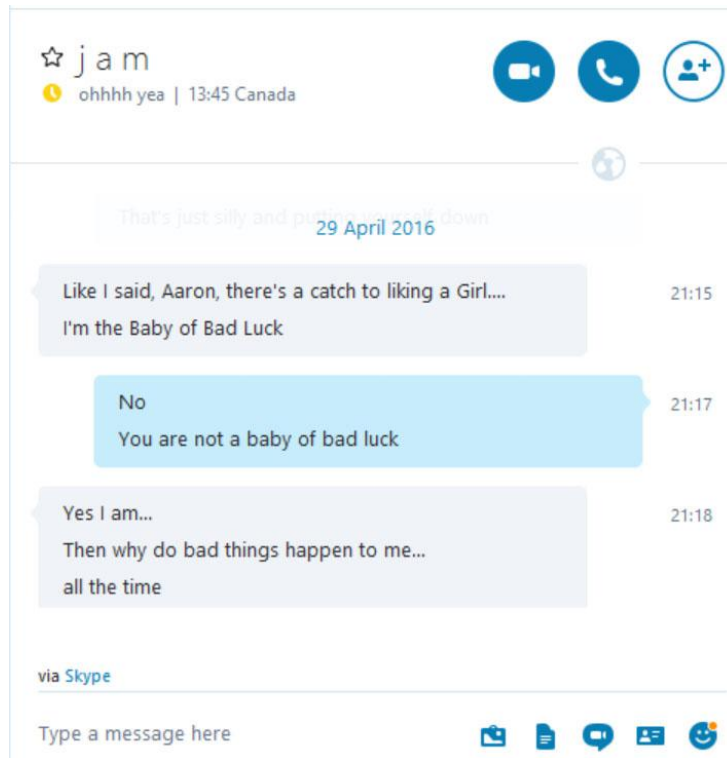

I sad "Oh my god" Because I was speechless and then... he responded with this...

“I love the pain.... It’s actually there for me.... (Insert heart)”

PFFFT HAHAAHAHAHAHAHAHA!!! WHAT THE FUCK!! HAHAAHAH!! WHAT A FUCKING EMO!! WHAT IS HE!?!? A FUCKING EMO FROM 2006!?!? DOES HE LISTEN TO FUCKING LINKIN PART AND MY CHEMICAL ROMANCE!?!? HAHAAHAH I’M SORRY BUT THIS IS THE FUNNIEST SHIT HE EVER SAID TO ME! IS HE TRYING TO BE A EMO AND A GOTH!?!? IS HE TRYING TO BE EDGY!?!? WOW!! WHAT A FUCKING EMO!! HAHAAHAHAHAHAHAH!!!

Then I said to him to not say that (I think he should say it again, It made me laugh so hard. He remind me of one of those Emo kids from South Park or those Emo kids from 2006 YouTube). Sorry but James trying to make me feel sorry for him and saying he love pain is just stupid and dumb excuse. I feel sorry for Clarissa if she had to deal with a retarded Emo kid. Fucking hell James. Not only you’re stupid, but you’re the biggest Emo I have ever met since Shadow The Hedgehog. What a joke.

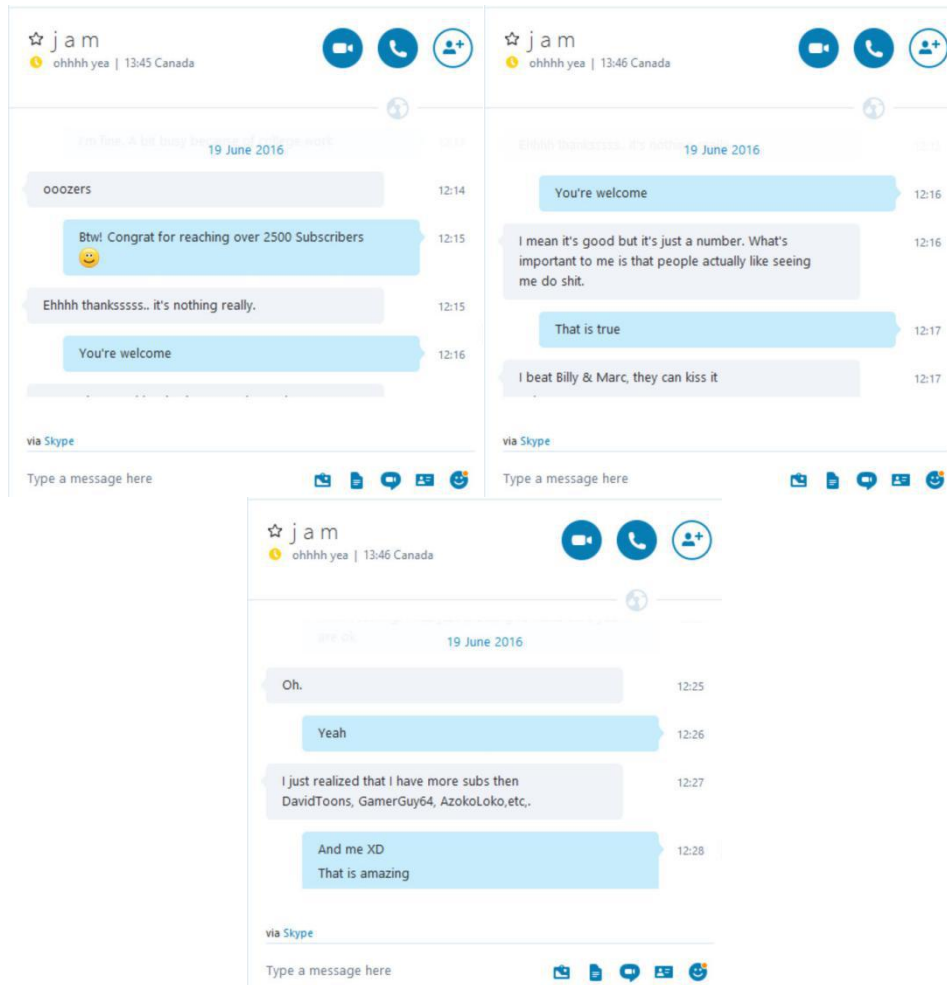

“I’m the Baby of Bad Luck”

Dude. Stop it. You’re going to make me cry because of how emo you are acting. Like seriously? Is this really how you going to impress Clarissa? Acting like a Linkin Park fans wannabe? Dude. Buy a fucking Ipod, go back and listen to your emo music. Just fuck off.

“Then why do bad things happen to me...”

Because you was born with it you dumbass. I’m sorry, I’m running out of things to say about this message. He just nothing but a fucking attention whore. He just begging for attention just by acting like a lonely emo kid. Go ahead and dye your hair black, I’m pretty sure you can go back to 2006 and act like one. Oh, by the way, I don’t think Clarissa want to be with a edge Lord who want to be a emo wannabe. Like what is this? 2006? James fuck off and just disappear.

Two months later on 19th July 2016, James reached 2500 subscribers. So I wanted to cheer him up by congratulated him. And you thought James going to be happy and thanks me... RIGHT!?!? NO!

“It’s nothing really.”

Wow... You got 2500 subscribers and you call that nothing!?!? DUDE. I CAN’T EVEN GET A 1000. IF I GOT THAT MUCH, I WOULD BE HAPPY. BUT YOU, YOU ARE SO UNGRATEFUL FOR YOUR SUBS COUBT. What? You expecting a millions subs!?!? I guess you won’t be happy with that as well!

“I mean it’s good but it’s just a number”

NO SHIT. WHAT? YOU THOUGHT IT WAS A LETTER!?!? Why can’t you be happy for once!?!? You got over 2500 subscribers and you still not happy??? IT’S BETTER THEN HAVING NOTHING.

“What’s important to me is that people actually like seeing me do shit”

Oh geez James. That’s why you got 2500 people to watch it... Can you at least be happy for once? Please? You got lots of subs...

"I beat Billy & Marc, they can kiss it"

Wow... Now you just showing off. How dare you talk shit about Billy (BillyToonTimes) and Marc (MarcLovallo) because they got less subscribers then you... I thought you said "It's just a number" but no, to you, now you can show off to people and rubbing their faces because you got more subscribers then us. Just... stop... please...

"I just realize that I have more subs then Davidtoons, GamerGuy64, AzokoLoko,etc,."

Once again, you are showing off how you got more subs then all of them. Yeah James... Thank you for showing off, it's not like I didn't ask for it. You fucking show off...

Well, Not to be rude but I had more subs then you before I jumped into the 2000s. Sorry, just laying down facts :u
Rip

12:29

Haha. Don't worry its fine

12:30

Oh wow... Just wow...

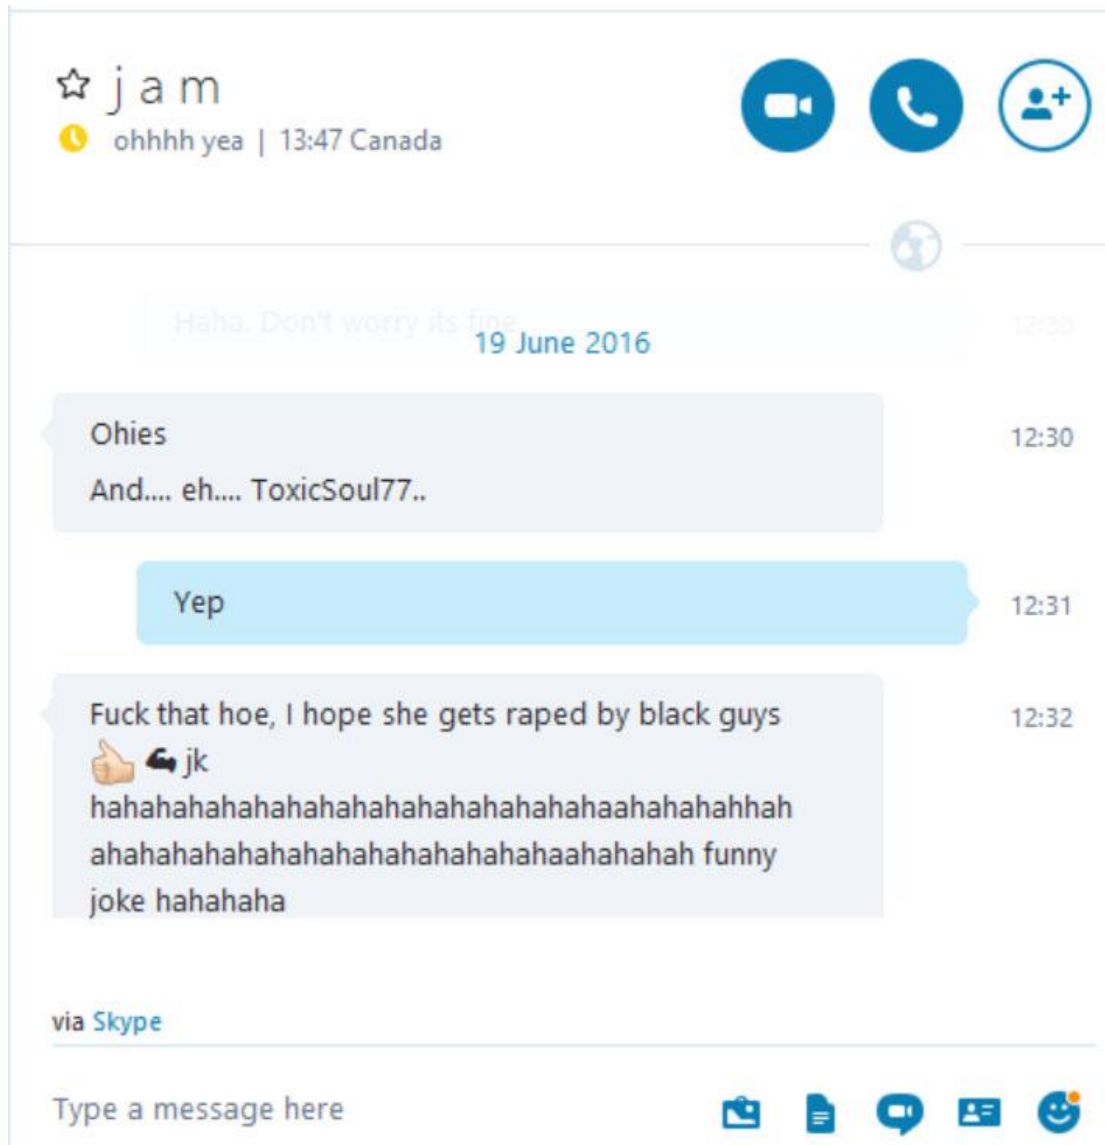

"Well, Not to be rude but I had more subs then you before I jumped into the 2000s"

Wow... Just... wow... After trying to help you and shit, now you going to rub it in my face you got more subs then me? I get it. I can't even get a 1000 subscribers, I can't even get close to 10,000 subscribers or even 100,000 subscribers. The only reason why you got so many because you made animation for Pyro and Luna... THAT ALL YOU DID. I WORK SO HARD ON MY ANIMATION BUT YET ALL YOU DID IS JUST MAKE ANIMATION FOR SOMEONE WHO GOT MILLIONS OF SUBSCRIBERS AND THEN BOOM! YOU GOT MORE SUBS THEN ALL OF US. I get it. You're better then all of us, Just please stop showing off and making me feel like shit. I can't help it if I can't gain lots of subscribers like you... I just want to help you...

Ohies
And.... eh.... ToxicSoul77..

12:30

Oh wait... He just mention about Toxic? He haven't mention Toxic in months (Instead he keep mentioning about Clarissa everyday) I wonder what's he going to say about her...

What... the... fuck... So... this... is what happened when James doesn't have any interest in Toxic... he... said this... "Fuck that hoe" dude... you can't just said that to her. Just because she didn't want to be with you, it doesn't mean you had to be so fucking rude to her... but no... just... read... it...

"I hope she gets raped by black guys"

Did... he he made a rape joke...? Not only that... he assume that... a black guys will rape her... What... What the fuck... Why would you made a rape joke about her!?! WHY WOULD YOU THINK THAT'S FUNNY!?! WHAT!?! JUST BECAUSE YOU RAPE YOUR 9 YEAR OLD SISTER AND YOU FIND IT FUNNY!?! THIS IS JUST FUCKING DISGUSTED. I CAN'T BELIEVE I DIDN'T SHOW THIS TO ANYONE. I SHOULD HAVE SHOW THIS TO TOXIC SO SHE CAN BLOCK YOU. HOW FUCKING DARE YOU. SO JUST BECAUSE SHE GOT NOT INTEREST IN YOU, YOU THINK ITS OK TO SAY THAT AND SAY YOU HOPE SHE GET RAPE!?! You're so fucked up. Imagine if Clarissa didn't want to date you and you would say the same thing about her... I... feel so sick... I can't believe a fucking human said that... no... you not a human... you're a freak. You're a fucking rapist for saying that.

(Toxic... if you are reading this now... yes... this is EXACTLY what he said about you... I'm so sorry if I didn't warn you about him before... I wish I did but I was too scared... please Toxic... warn your followers and everyone about James making a rape joke about you... Please... be careful of James... he's a fucking asshole)

Honestly... I don't know what else to say... I feel so sick... James... the one who raped his sister... made a rape joke about Toxic...

James. You are one of the most fucked up, twisted, disgusted cunt I have ever met.

I hate you so much. I wish I blocked you when I first met you. I wish you disappear and stop bothering me and Clarissa. You talk shit about other people and... YOU MADE A RAPE JOKE ABOUT TOXIC!

Oh... You thought we're done... THERE'S MORE!

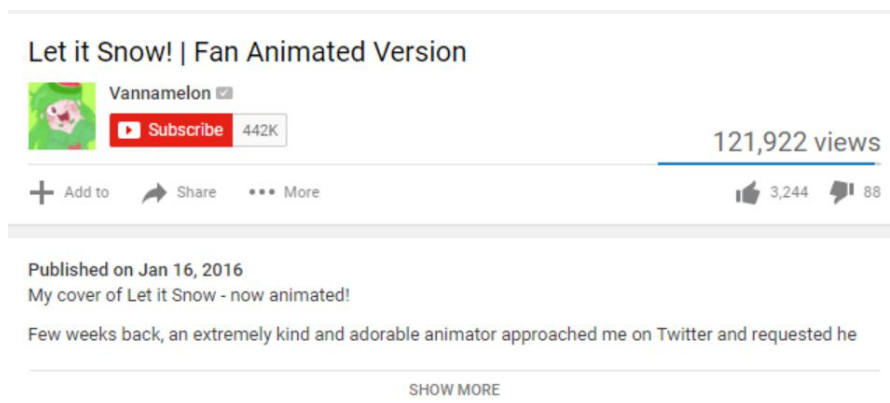

Girls

VannaMelon

So on 16th January 2016, James made a animation for Vannamelon. Basically it's a animated version of her cover song 'Let it snow!'. Now, I know what you're thinking... 'But Aaron, There's nothing wrong with that. James just want to make animation for Vannamelon so he can get more Subscribers and followers'. Actually you are right about that. He did that to get some Subscribers because he did. The animation got over 121,489 views which probably give him lots of subscribers and followers.

Now now. Don't worry. We will get to the reason why I want to show you this animation.

Now you would be watching it right now and thought 'Well this is not that bad. It just James silly animation'. Well... wait until 0:41 and you will be really surprised why I want to show you this...

(Scroll down to the next page and you will be really shocked...)

Yes... you saw that correctly... James did in fact... draw himself getting kissed by Melon. This is really creepy as hell. What if she got a boyfriend? What if she didn't ask you to add the scene when she kiss you? Did you seriously force her to kiss you in the cheek? I'm pretty sure I know why. Since you can't find a girlfriend and you was really depressed, you want to show off and hoping she might date you? WRONG. Instead she's dating someone who is much better then you and also he isn't a creep. Instead she dating the creator of 'Group 5' Nick Dante.

Sorry James. You just messed another chance to date someone. Boo Hoo James. Boo Hoo. But no seriously, this is actually real and it's actually creepy and I feel sorry for Melon.

I'm actually surprised that Melon actually let James do this to her. I'm not sure if she was dating Nick at the time but if Nick saw this and find out about it, oh boy is James going to get one hell of a beating he truly deserve. So next time, If James does animate a female YouTuber, just make sure James doesn't make you kiss him or worst...

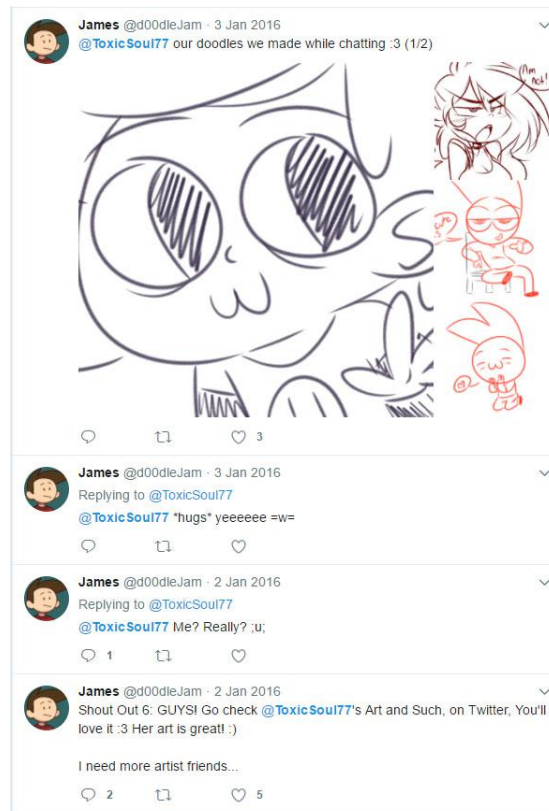

But seriously this shows that James was so lonely and single that he had to force a girl to kiss him because you know why? Because James is sad and lonely and he keep complaining about how he want love and a girlfriend.

(Melon if you are reading this, Yes, James did this without you noticing it. I hope you are okay and if Nick found out about this. Yeah tell him that's it James fault and you can beat him up for everyone. Because that is what he deserve after all of the horrible things he did to people)

ToxicSoul

If you read the Twitter and Skype chat, you will notice that James had a crush on Toxic as well. Because you see, he really love Toxic, in fact, he keep mentioning over and over again how much he wish he could date Toxic and how he got a crush on her. (But not as much as Clarissa because he was a crazy creepy obsession)

Now, James thought I was a crazy obsession with Clarissa (No I wasn't) but when I told that he was crazy obsessed with Toxic, he told me he wasn't. But guess what...? He lied, again. Because all he does is lied to people so he can't reveal the truth about the horrible past. Now, I know you want to know... How obsessed could James possibly be? Well... time to show you...

So around the beginning of 2016, you will notice James have been developing a crush on Toxic. He even give her a shoutout and he even was like...

“*hugs* yeeeeeeeeeee =w=”

Don't worry... it get much creepier and awkward... Because the way of James being so obsessed and clingy to Toxic is just... much more weirder then I thought... Like I knew he was crazy obsessed with her... But I didn't thought he would go this far...

So on 3rd January 2016, the same day when James did that “*hugs* yeeeeeeeeee =w=” tweet, him and Toxic start doodling while chatting. For a moment, I thought it was cute. I thought once they begin to talk and doodle, James can actually develop a relationship and can actually date someone (which is not Clarissa for once)

Oh wow... So it's ok for you to say you got a nosebleed and saying “x3 lol” but I can't say Clarissa drawing is cute? Calm down James it's just a profile picture for Toxic. Why don't you message her and nosebleed all you want instead of doing it on Twitter when everyone can see you got a nosebleed. Like calm down James. Don't get to clingy. (Of course this shows he did have a crush on her)

James made this random 'lol funny' post about some random title? And guess what? He tag Toxic in it to show it to her. Probably to show off how funny he is when he's actually not. But... This is 2 days (Toxic reply a day after) the doodle chat. Wow... And you told me "The relationship was rushed". Like slow down James...

So Remember when I mention Clarissa about the new Invader Zim? Well guess what? James made this drawing for Toxic to get her attention AGAIN. This is literally 4 days after James made a tweet about her. I know... This is nothing right? You thought it couldn't get any worst? James can't get anymore creepy and obsessed with Toxic? Right? Well... you're wrong... again...

Yes... You saw that right... James drew himself as a “slave” for Toxic. As you can tell, James wanted to draw this really weird kinky slave drawing of himself and wanting to be a slave for Toxic. I mean... Imagine Toxic open her Twitter and saw this!?! Yeah... You would be really freak out. But you wonder... Did James ACTUALLY made this for Toxic? Or is it just James creepy fetish? Well...

He did. He even said it himself it was inspired by Toxic (Aka his crush). Like wow... Are you trying to get her attention? Are you really begging her to be her slave?? Like... you call me creepy James but this is just fucking weird as fuck James. This was last year and you can see how fucking creepy James is. But wait... THERE'S MORE!

HE EVEN ADMIT IT THE NEXT DRAWING. 3 DRAWING OF JAMES WANTING TO BE TOXIC SLAVE IN THE ROW. NOT ONLY THAT, But he drew 3 drawing for her IN ONE DAY. That Invader Zim drawing and two of James being kinky and wanting to be slave to Toxic.

You know the strangest thing about this...? JAMES ISN'T EVEN DATING TOXIC. He's just randomly drawing Toxic and post some random picture just to impress her. I mean, I don't mind if he's trying so hard to impress her, but trying to be her 'slave' is just creepy and if you like that kinky shit, watch 50 shades of Grey or something. I don't fucking care. Just leave Toxic alone. She might be creeped out or have no interested in you what so ever. (Actually I would have been creeped out but I feel so sorry for Toxic...)

But now... here's another example...

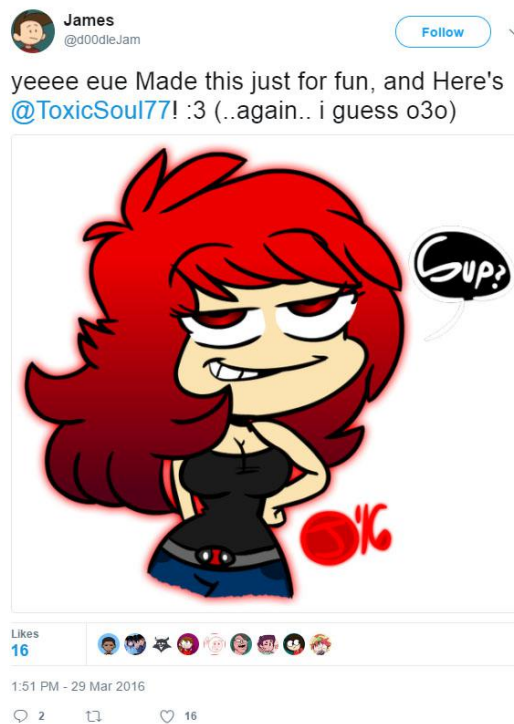

Ok, Remember when I comment picture of Clarissa on Twitter and James freak out? Well guess what... HE DID IT BEFORE ME BUT WITH TOXIC. He called her pretty and also retweet it straight away. Again, nothing wrong with James calling her pretty but do you find it stupid that James can do anything he want but I can't? Notice how I can't do anything unless James suddenly have to control me and tell me what to do and not do because he's a mind controller. Like James, can't you remember your own past? You was much more obsessed with your crush and guess what? This is all in 2 weeks. Like you are trying so hard to get her attention but look at you. You told me and everyone you wasn't obsessed with Toxic... WELL LOOK AT YOU. LOOK AT THE TWEETS BUT GUESS WHAT!?!? THERE'S MORE!

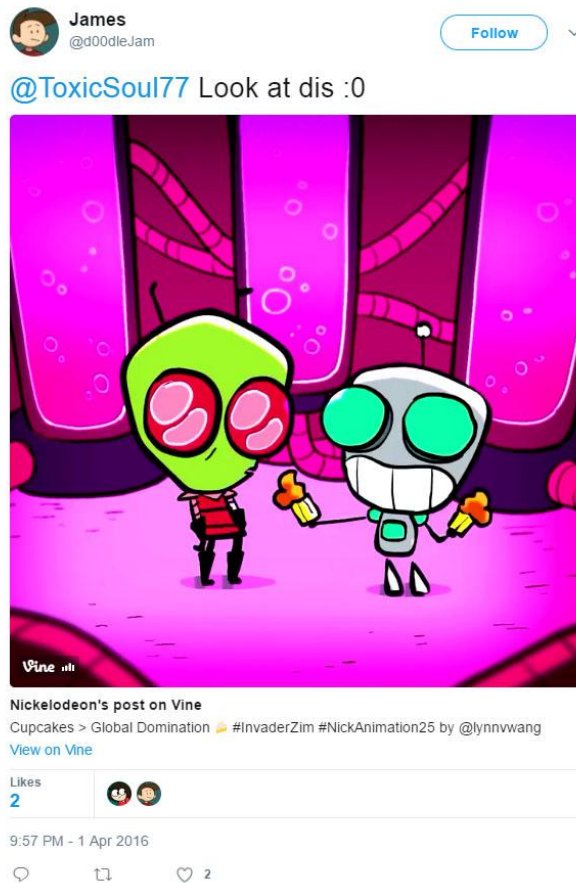

So the Deadpool is getting a sequel (I watched the first one and it was amazing) and since we know that Toxic like Deadpool... guess what? HE TAGGED HER AND BE ALL LIKE "lookie here :33". You tell me off for tagging Clarissa in things she like but it's PERFECTLY ok for you to do it TWICE (Invader Zim drawing and Deadpool sequel). I know it's last year but come on man... try and learn to remember so you don't attack me when you done it BEFORE ME.

A month later... He made another d00dles (I guess that's where he got the name 'D00dlejam' before his old Twitter name was 'JamworldCrew', no seriously, scroll up and you will see his old Twitter name) and it's featured Toxic... Like again, I'm not surprised he's doing that. Like he called me obsessed for drawing Clarissa but it's ok for him to do this... Oh yeah he drew a guy with a boner? Well... ok James... I guess that how you feel about Toxic... Creepy...

The next day he drew her again! Well.. ok? "yeeee eue" "(..again.. I guess o3o)" Holy shit and you called my way of talking cringy... dude... you keep using made up words and random text emoji to act all cute and shit (But the truth is you're just a creepy asshole... read the Twitter and Skype chat, that's explain why he's a asshole)

ONCE AGAIN. He tagged Toxic in another Invader Vim post. Literally everything to do with Invader Zim or Deadpool, he had to try so hard to impress his crush just by keep drawing her or just tagged her in anything just in case she wanted to date him (She didn't). Oh, offtopic but... JAMES LIKED HIS OWN TWEET. HAHAHA. WOW. I can't believe this. I guess he does feels really lonely for trying so hard. HAHAHA.

3 days later, James made another tweet about her and also... "lolzzers", what the fuck does that even mean??? JAMES IT'S 3 LETTERS! HOW CAN YOU FAILED IN SPELLING 3 LETTERS!?!? And also another hugs thing and a randomw face thing... But yet James keep messaging me over and over again how he keep thinking Toxic doesn't like him... Oh geez.. I wonder why...

So, 4 days later... James told her 'good luck' (I don't remember what it is) and then he said "Guud luck" (Spell it right James. Like come on) and also "one more thing...", Oh what is it? A d00dle or a Deadpool or Invader Zim post??? Nope...

How the hell a meme (or gif, I don't give a shit) suppose to give her motivation? I think the only motivation she need is trying to ignore you or just imagine you don't exist. Done. And also she liked the tweet but didn't reply. Ouch! That got to hurt James.

The day after that 'Good luck' post thingy. James made a doodle before he start watching a stream. Probably to get attention and telling her 'HEY HEY! I'M WATCHING YOUR STREAM LOLZZZZ' or something like that. Honestly James is trying so hard to impress her and at the same time pissing me and Clarissa off (Now I know why Toxic doesn't want to date James. He's annoying as fuck)

Oh yeah, 22nd July 2016, James still trying to impress Toxic as always. Ok I'm fucking done here. James, you keep telling me that I'm obsessed and shit, but when I asked you on Skype 'James you used to have a crazy crush on Toxic' and then you show off saying 'No I didn't'. WELL BULLSHIT JAMES. HERE'S ALL THE PROOF OF YOU BEING

CLINGY AND BEING OBSESSED WITH TOXIC. YOU BOTHERED TOXIC AND ALSO YOU BOTHERED ME AND CLARISSA AT THE SAME TIME. THIS IS EXACTLY WHY TOXIC DOESN'T EVEN WANT TO DATE YOU. BECAUSE YOU KEEP TRYING SO HARD TO ANNOYED HER. YOU COULD JUST TALK TO HER, ASK IF SHE WANT TO DATE, IF SHE REJECT YOU... MOVE ON. BUT NO, YOU JUST KEEP ATTACKING AND RUINING ME AND CLARISSA RELATIONSHIP SO YOU CAN HAVE YOUR OWN RELATIONSHIP YOU SELFISH PIG.

Don't believe what Alyssa Beats says. She's lying. I was in a call and after a while, Bill decides to draw me, and I thought he was joking around, and so I started to say that He's doing it wrong in a joking matter, and then, she began to spread that lie, because she was in the call.

Plus, she's annoying at times.

And she judges my past on what I did, so that's why I don't like her.. Plus, she got angry because I had a crush on ToxicSoul77 lmao

Yea, AnimatedJames' ex

Hmmm... I know... I think she had a crush on me, idk, I feel like she does, but eh, idk... I could be wrong..

I'm talking to Alyssa right now, and she's threatening to tell everyone about my past....

Hmm, okay i believe you

ah, okay

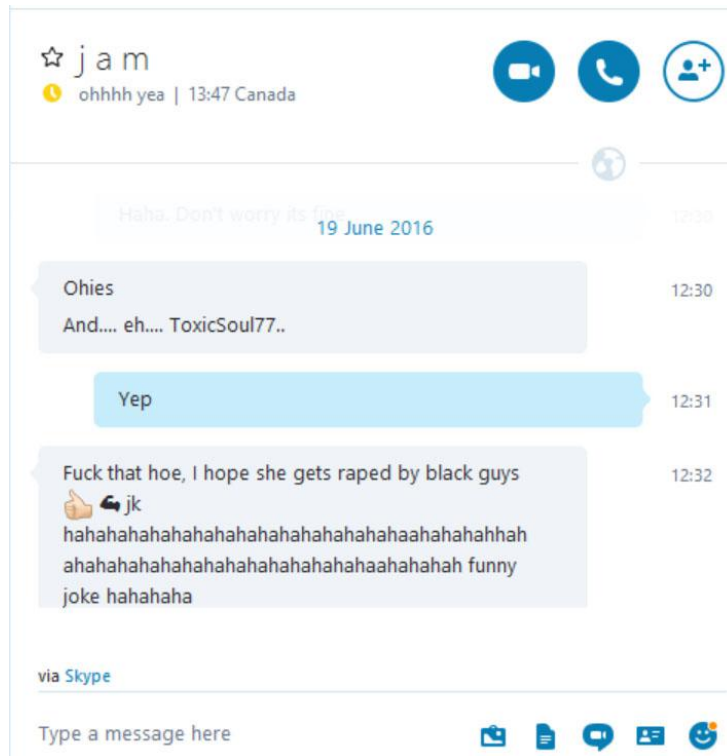

ToxicSoul77... Hmm.. I kinda heard that person before..

ah, was gonna say about animatedjames

who knows?

Oh btw, This girl James like called Alyssa Beats (His crush? Ex? I have no idea) got angry at James because he knew he had a crush on Toxic... WOW. WOW. I CAN'T BELIEVE THAT. JAMES JUST CHOOSE SOMEONE AND STOP BEING SO STUPID. I mean... fucking hell. Just read the chat for yourself and you will understand...

Now... after all that... you would thought James would move on and be happy... RIGHT!?!

Nope. I'm not going to repeat myself. You can read the whole thing at the final page of the skype chat so I will keep it short... JAMES MADE A RAPE JOKE ABOUT TOXIC. YES. YOU READ THAT MESSAGE RIGHT. After James got rejected or he lost interest in her.... he just feel so heartless and doesn't give a fucking shit, HE INSULTED TOXIC AND ALSO TALK SHIT BEHIND HER BACK. You just can't even believe he said that he hope Toxic will get RAPED. This is fucking disgusted and this time... I WILL SHOW THIS TO EVERYONE ESPECIALLY TOXIC SO THEY KNOW YOU TALK SHIT ABOUT TOXIC AND MADE A RAPE JOKE ABOUT HER.

(Toxic if you are reading this... I'm sorry if you had to see that last message... BUT IT'S TRUE. James was talking to me on Skype and suddenly he said TO YOU BEHIND YOUR BACK, that he hope you get raped. I really wanted to show you this and warned you about him, but I couldn't because I was too scared and also I didn't want to upset you... but Now I want to show you this and just want you to know that James was crazy obsessed with you and... said a rape joke about you... please post or screenshot that message about that disgusted joke and let everyone know on your Twitter and Tumblr about this... Please... You need to let people know that he did this to you. I really hope you understand the truth about James and also... again... he hope you get raped and made it as a joke. Thank you for reading it Toxic and don't forget to warned everyone about it... because this went too far and I should have informed you about it... soon... anyway... please do it... and let people know... what James did to you...)

Claire

'Claire? But Aaron... I thought James is dating Claire right now?' Well... believe it or not... Yes... James did in fact... had a crush... on another Claire.

Is it weird that James is dating Clarissa because she got the same name as the other Claire? Is it really unusual for James to have a crush on Clarissa because she got the same name? No... James only wanted to date Clarissa because he knew that she got the same name and he got reminded of his old crush... Claire.

So yeah... James had a crush on someone who is much older than him at the time.

So get ready... for the first time... EVER. Clarissa and everyone will get to see James crush from 2013... Claire...

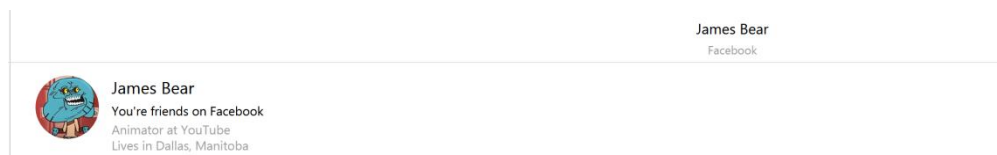

(Warning: This is some creepy shit I discovered. He never told me on Twitter or Skype or never Clarissa about this. So... This is going to be the first time ever anyone can see this... And yes Clarissa, James did had a crush on another girl with the same name as you. I'm so sorry Clarissa. This is why you shouldn't be with a selfish person like James. Anyway, Enjoy this painful truth about James other crush and his obsession... the other Claire)

(Note: The Facebook chat wasn't me talking to him. So Thank you to whoever show me the chat... because this is going to be fun showing you this...)

Meet Claire Francesca, She voiced a character from a series called Superwhy. She voiced a character called 'WonderRed'. I have no bloody idea how James even met her or even know her this well to even start talking to her. Well. This is because she live in Canada as well (For anyone who lived in Canada and live in the same area as James... I feel so sorry for you right now)

But wait? How did James even talk to her? Does he have a Facebook account? Well... Yes...

This is James older Facebook account. Before he made another one, he used to have this really old Facebook account (Trust me, It's the funniest and cringy shit you will ever see)

He used to live in Dallas, Manitoba in Canada (Before he moved to Winnipeg Manitoba in Canada) and this explain why he had a crush on her. Because she live in Canada as well and you know what that mean... He's probably hoping that he could meet her in real life. So... Let's begin...

Well... Get ready.. But I will warned... This is going to be fucking creepy and just messed up.

Plus, if you seen Super Why, the voice for Ree Riding Hood is voicing Jane and I have her as a friend, but she wants her identity between Me and Her 😊

*Red

Thinking of making a Music Video with Jane as the main Character on the "All About that Bass" ;33

nice! 😊

Is gonna be raunchy as fuck. Like, dirty as fuck x3

is the voice actor named Siera Florindo?

;3 😊 ...

Yep

So on the 25th September 2015, James told my friend that if he seen a show called 'SuperWhy' (I never heard of that show), the voice of Red Riding Hood is going to voice Jane.

(Now for context of who is Jane. Jane is a genderbend version of James)

Here's, Jane! :3

9:40 AM - 28 Mar 2016

censored jane

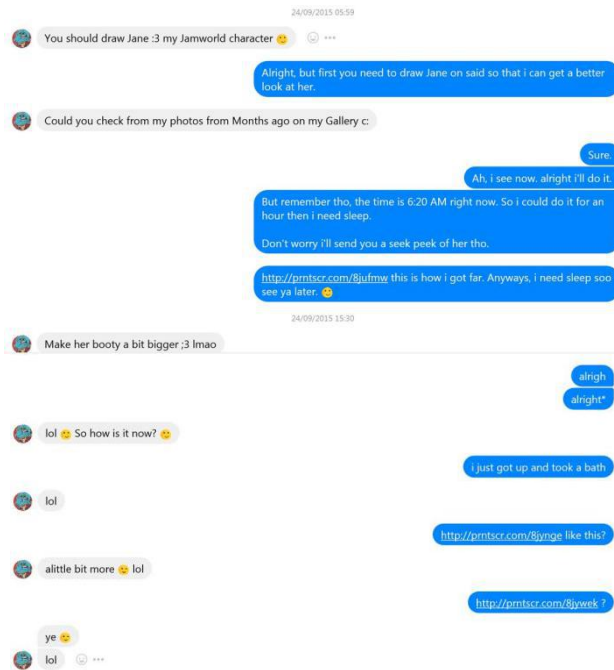

10:39 PM - 8 Apr 2016

And, for you Jane lovers out there... ;)

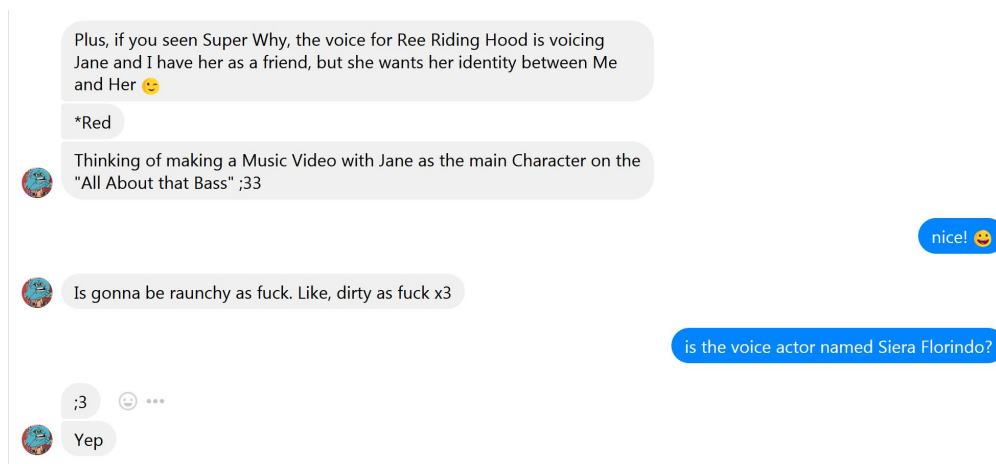

5:19 PM - 18 May 2016

(I will explain about this later)

(He even asked my friend to draw Jane from Jamworld... yes.. you heard that right. She's a character from Jamworld. When he asked him to draw her at 6:20 am, He asked him to make her booty bigger. But not just that but he asked him to draw it bigger and bigger... Bloody hell I feel sorry about my friend. Anyway back to the main topic)

James and the voice actress who voiced a character from SuperWhy he became friend with her. But she want the identity to keep a secret between him and herself... ok that's a bit unusual. If it was a secret why did you tell him? Like all she did is voicing a character, It's not a big deal.

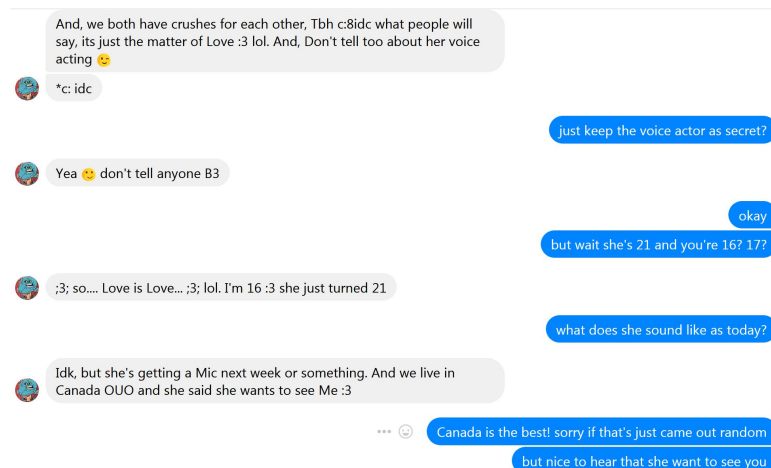

Anyway, James told him that he's going to make a music video called "All about that bass" and the music video is going to be with Jane (Genderbend James). He was happy to hear that because James met someone and also working on a new animation... until this part...

“Is gonna be raunchy as fuck. Like dirty as fuck x3”

Uhhh... That’s just really weird way of describing it... Like... Dude calm down you’re letting a girl to voice a genderbend version of you and you’re going to make it “Dirty as fuck”??? It’s just a music video and you don’t need to tell someone that. But also notice the amount of “:3” “;33” “x3” “;3”? Wow... and he attack me for calling the way I comment cringy... Like ewww look at how you used to talk. Don’t talk shit about how I talk if you did it EXACTLY the same.

(Oh yeah another warning... He’s going to use a shit ton of emoji... like.. If you think the Twitter and Skype chat was bad, this is just much worst)

Oh... and you’re wondering ‘But, how come her name is Siera Florindo?’. Well... my friend did some research and found her Facebook... Her actual name is Claire Francesca and she’s... actually... 21... year old... just... just please continued reading it.... now...

Later he said that they had a crush on each other and he doesn’t care what people will say... (Trust me.. keep reading)

“Don’t tell too about her voice acting ;)”

Uhhh... Dude... You just said she voiced a character in SuperWhy, Why does he had trust issue with him? Like who give a shit if she voiced a character? It’s not like she’s a famous top voice actress. She just voiced one character from a children animated series and you want to keep it a secret...? What is the point? Who would he tell anyway? It’s not like anyone want to know or care.

So he reply with “just keep the voice actor as secret”, probably because James thought he’s going to tell everyone that she’s going to voice Jane.

“Don’t tell anyone B3”

Dude.. Just stop with the “:3”. So far you have used like 5 different version of it and you even insult me for using it.

But then he noticed something... James is 16 and she’s... 21... But... this.. is what he meant by “He doesn’t care what people will say...”

;3; so.... Love is Love... ;3; lol. I'm 16 :3 she just turned 21

“Love is Love”

James... I fucking hate you so much...

So... let me... get this straight... It's perfectly ok for you as a 16 year old having a crush... on a 21 year old... and you even want to date her...

WHAT THE FUCKING HELL TYPE OF LOGIC IS THAT!?!?

But wait...

James - 16 year old

Clarie - 21 year old

5 years apart

Aaron - 20 year old

Clarissa - 17 year old

3 years apart

So... You're telling me that's it's perfectly okay for James to had a crush on a 21 year old.... but yet you're calling me a pedophile for dating Clarissa...? JAMES HAD A CRUSH ON SOMEONE 5 YEARS APART WHILE WITH ME AND CLAIRSSA IT'S ONLY 3 YEARS APART.

I DON'T FUCKING GET IT!?!? WHY CAN JAMES GET AWAY WITH THIS FUCKING BULLSHIT LOGIC!?!?!

THIS IS EXACTLY WHAT I WANTED TO SHOW EVERYONE THAT JAMES HAVE DONE THIS WAY BEFORE ME AND YET, HE ALMOST CALLED THE FUCKING POLICE BECAUSE OF A REALLY SHORT AGE GAP.

You been telling everyone and keep getting people to harass and torture me because of a 3 years age gap but yet you and this other Claire was 5 YEARS. 5 YEARS APART BUT YET IT'S OK TO ATTACK ME?!?!? Like what type of logic is that!?!? Are you retarded James? You think trying to ruining someone life is FUN!?!? You literally got shit ton of people to believe in you while... NO ONE KNOW ABOUT THIS.

I NEVER HEARD ABOUT THIS UNTIL NOW. BUT WHEN I FOUND OUT ABOUT YOU LYING TO ME AND YOU HAD A CRUSH ON A 21 YEAR OLD WHEN YOU WAS 16 YEAR OLD... I was so fucking mad. I couldn't believe I never knew that... Not only you had a crush on another girl called 'Claire' but yet... you attack me... for something you did... like... you taken your anger and your past... and just beat me to death... I was scared... I almost die because of you... you literally made a excuse to attack me on soemthing you did... but yet... you didn't tell anyone... you never told anyone you did

the same thing.... you... had a crush... A CRUSH ON A 21 YEAR OLD AND YOU EVEN FUCKING SAID IT...

“LOVE IS LOVE”

“IDC WHAT PEOPLE WILL SAY, IT’S JUST THE MATTER OF LOVE”

BULLSHIT. BULLSHIT. BULLSHIT. BULLSHIT.

If it was “Love is Love” then why did you attack and ruining someone else love? HUH? YOU GOT A REASON YOU SMARTASS? YOU THINK IT’S “LOVE IS LOVE” IF YOU RUINED SOMEONE ELSE RELATIONSHIP!?! JUST FUCK YOU JAMES. FUCK YOU TO HELL.

LIKE.. HOLY FUCKING SHIT JAMES WHAT IS FUCKING WRONG WITH YOU!?! Do you remember!?!? DO YOU REMEMBER NOW!?!? NOW YOU UNDERSTAND THAT WE BOTH BEEN THROUGH THE SAME SHIT BUT YET YOU NEVER TOLD ME ABOUT THIS!?!?

You never told me about this on Twitter or Skype or EVEN CLARISSA about you having a crush on someone who is 5 years older then you and also SHE’S 21 YEAR OLD AND YOU WAS 16 YEARS OLD.

“LOVE IS LOVE”

THAT IS THE BIGGEST BULLSHIT I HAVE EVER HEARD. IF IT WAS LOVE IS LOVE, HOW COME IT’S PERFECTLY FINE YOU GET TO RUINED AND DESTROY SOMEONE FUCKING RELATIONSHIP AND ALSO ATTACKING ME FOR THE AGE GAP WHEN YOU DONE IT BEFORE ME AND THE AGE GAP IS MUCH BIGGER.

5 YEARS JAMES. 5 YEARS APART FROM YOU AND THIS OTHER CLAIRE.

But yet, Me and Clarissa was only 3 years apart... but guess what? You had to ruined it. You just had to make excuse and calling me a pedo when you... YOU WANTING TO DATE SOMEONE 5 YEARS OLDER THEN YOU.

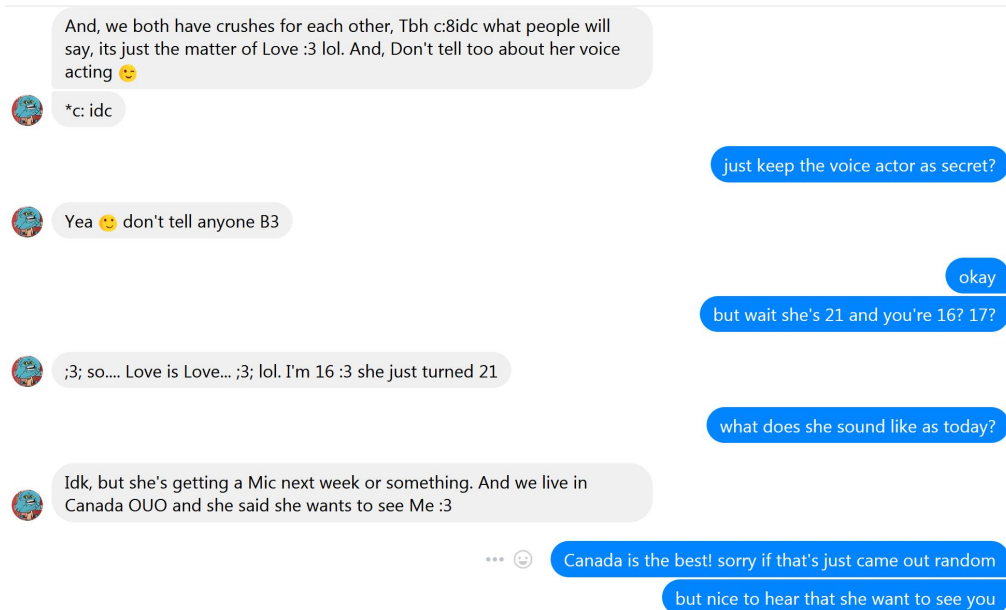

YOU FUCKING RETARDED, LYING, SELFISH, BACKSTABBING, ASSHOLE PRICK.

I HOPE EVERYONE KNOW ABOUT THIS. I HOPE EVERYONE KNOW THAT JAMES USED TO HAD A CRUSH ON SOMEONE 5 YEARS OLDER AND HE WAS 16 YEAR OLD WANTING TO DATE A 21 YEAR OLD.

JUST FUCK OFF JAMES. THIS IS WHERE I WANT EVERYONE TO KNOW THAT YOU DID THIS BEFORE ME AND THE AGE GAP IS MUCH GREATER.

FUCK YOU. FUCK YOU TO HELL JAMES. I BEEN WAITING A YEAR FOR THIS AND I FINALLY FOUND A PROVE THAT YOU DID SOMETHING, THE SAME THING AS ME. I HOPE EVERYONE SCREENSHOT THIS AND SHOW EVERYONE THE HORRIBLE SHIT YOU DID.

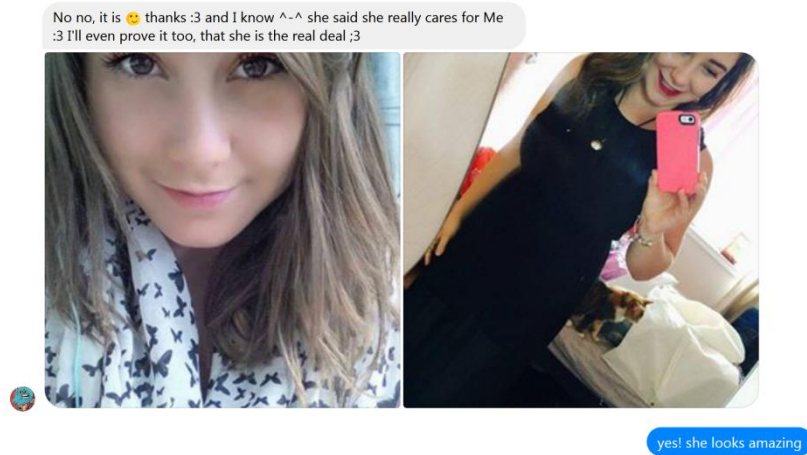

(Let’s just moved on... So I’m just so fucking mad at James... I hate him so much...)

So... After that... Love is love... bullshit... (I still can't get over that), he told him that he doesn't know what she sound like but she's getting Microphone next week and she's live in Canada as well... and also she want to see him...

So... This is why he got a crush on Claire. Because they both live in Canada, they both have a crush on each other (5 FUCKING YEARS APART), she's going to voice a genderbend version of James and... she want to see him in person...

Let's just... moved on... I still feel sick after that Love is Love lie... fucking James...

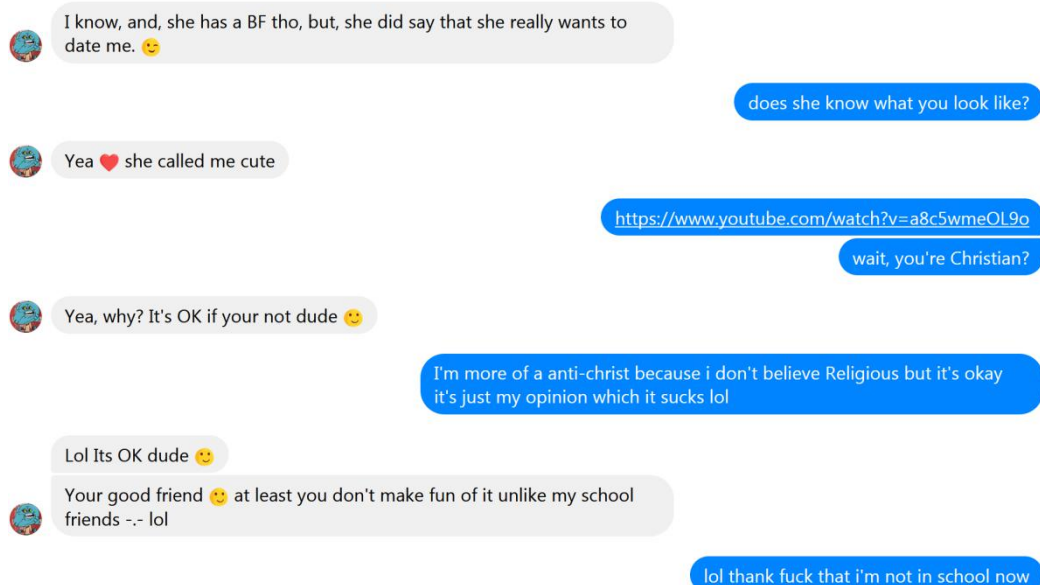

So anyway, James show my friend pictures of her and yeah... He said that she really care for him and also prove that she's the real deal...

What do you mean by "She is the real deal"?

SHE'S 21 YEAR OLD. You think you can get anyway with dating someone who is older and also A 5 YEARS AGE GAP but it's bad for me with Clarissa which is 3 YEARS.

What? Real deal she got a crush on a 16 year old? She's probably want to be with you because she feel sorry for you. But it still fucking my head of how you said "Love is love" when you think you can date a 21 year old at the age of 16 but it's a crime that a 20 year old can't be with a 17 year old... 3 YEARS. 5 YEARS. THERE'S A BIG DIFFERENT YOU FUCKING MORON.

So... James lied to my friend and he said... that she got a Boyfriend... but yet.. he said she would really like to date him...

JAMES YOU LYING PIECE OF SHIT. THERE'S A DIFFERENT BETWEEN ACTUALLY WANT TO DATE AND THINKING OF DATING. YOU CAN'T JUST SAY THAT BULLSHIT JUST TO SHOW OFF THAT A 21 YEAR OLD LOVE A 16 YEAR OLD.

“Yea <3 she called me cute”

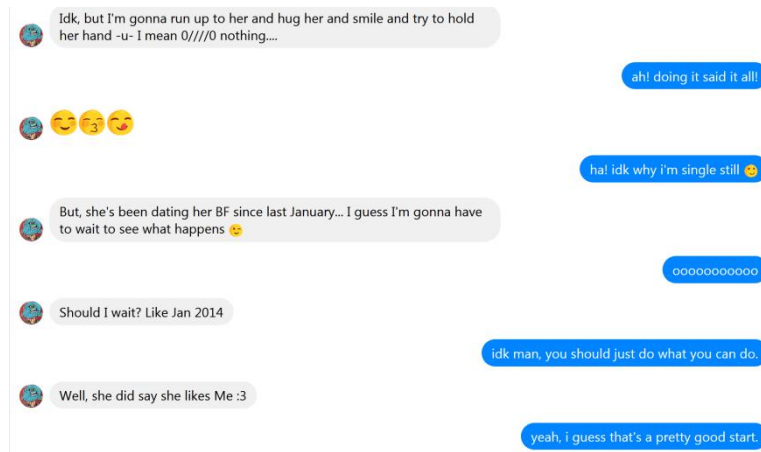

Good for you. But yet you think it's disgusted that I called Clarissa cute? Just... fuck off James. Just pissed off and stop existing. You can't think probably and you attack me for me calling Clarissa cute but it's ok for a 21 year old calling you cute!?! WHAT IS WRONG WITH YOU!?!?

My friend asked him if he's a Christian and.. James said... “Yea, Why?”

JAMES IS A CHRISTIAN!?!? BULLSHIT!?!? IF YOU WAS A CHRISTIAN, HOW COME IT'S OK FOR YOU TO DATE AND HAVE A CRUSH ON SOMEONE WHO IS 5 YEAR OLDER THEN YOU!?!?

AND NO JAMES, HAVING SEX WITH YOUR 9 YEAR OLD SISTER AT A AGE OF 13 DOESN'T MAKE YOU A CHRISTIAN. You would go straight to hell James.

Oh and also... HOW COME YOU NEVER TOLD ANYONE YOU'RE A CHRISTIAN!?! I mean, No one would give a shit but why have you been keeping it a secret?? No wait. You're not a Christian, YOU'RE A DEMON. A DEMON FROM HELL. THAT IS WHAT YOU ARE. I HOPE YOU BURN IN HELL JAMES FOR WHAT YOU DID TO ME, CLARISSA AND EVERYONE ELSE WHO YOU HAVE HURT.

Yeah... I told you he's use far too many emoji... I guess this is why James couldn't stop using emoji NON STOP when I was talking to him on Twitter and Skype... This is just torture and I been dealing with his bullshit since 11th February 2016...

"Idk but I'm gonna run up to her and hug her and smiles and try to hold her hand -u- I mean 0/////0 nothing...."

So I guess this is when James talk about his plan or a dream when he get to meet Claire in person... Ok... Good for you. It's ashamed you didn't know that she already got a boyfriend you moron.

And what the fuck up with "try to hold her hand -u- I mean 0/////0 nothing...." Dude chill... You just holding someone hand who is 5 years older then you... I don't give a shit.

"But, she's been dating her BF since last January.... I guess I'm gonna have to wait to see what happens ;)"

Wait... WAIT A FUCKING MINUTE. "I'm gonna have to wait to see what happens" SO YOU MEAN TO TELL ME YOU WAITING UNTIL CLAIRE AND HER BOYFRIEND TO BREAK UP SO SHE CAN DATE YOU?!?!?

YOU SELFISH MOTHERFUCKER. This is exactly what you did with me and Clarissa, you just WAIT and WAIT until someone SOMEONE relationship ended and then YOU STEAL IT. You can't be bothered to work and develop a relationship... YOU JUST WAIT AND THEN STEAL SOMEONE ELSE RELATIONSHIP YOU LAZY FUCK.

SO YOU DONE IT TWICE. ONCE WITH CLAIRE AND HER BF BUT THAT DIDN'T WORK BUT NOW YOU DONE IT AGAIN BUT WITH ME AND CLARISSA!?!?

You just want to ruin someone else relationship because you want her for yourself. You don't give a shit about anyone else but yourself... You're so selfish... You disgusted me... so much...

😊
And, she does Care for Me so much 😊

getting there

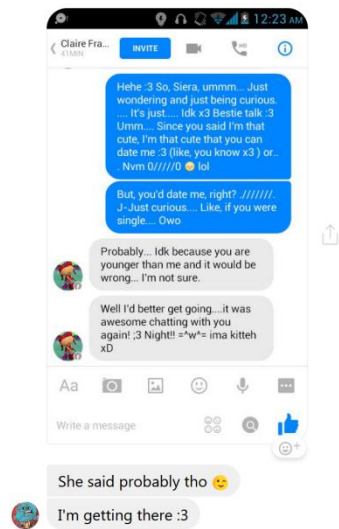

bee and puppycat

"And, she does care for me so much (Insert Happy emoji)"

Again... you just told him that a lot and he doesn't give a shit... oh... and more fucking emoji from James...

... 😊 i was half right about the young age thing
but still, she did say probably

James showed my friend picture of him and Claire talking and...oh geez it didn't go well.. (I will show you the bigger picture of the chat below)

So this is James chatting to Claire and oh my god... LOOK AT THE AMOUNT OF CUTE EMOJI JAMES IS USING TO SHOW OFF! Like oh my god HAHAHA!!

So... This is the moment when James going to ask Claire on a... date? What? And then he asked her "If you were single... Owo"... DUDE SHE JUST TOLD YOU SHE GOT A BF, SHUT THE FUCK UP JAMES AND READ THE MESSAGE PROBABLY.

So... She rejected James and said...

"Idk because you are younger than me and it would be wrong..."

Hmmmmmm.... Oh geez... I wonder why... Oh yeah... BECAUSE SHE'S DATING SOMEONE AND ALSO YOU'RE 5 YEARS YOUNGER!!

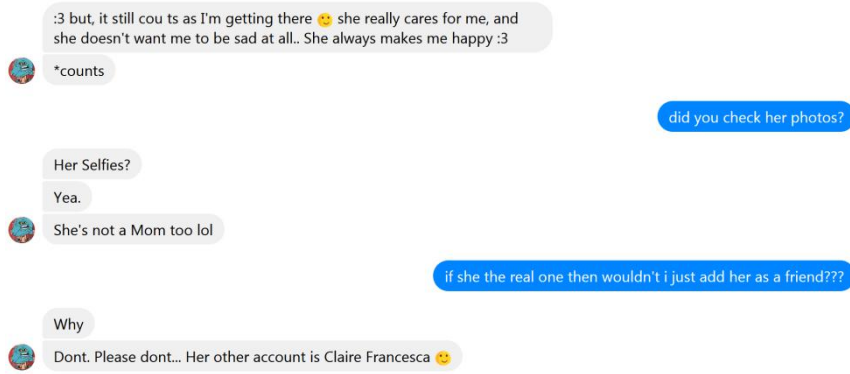

GET THROUGH TO YOUR THICK SKULL.

You should just accept that but NO you just keep bothering her over and over again when you know SHE GOT A BOYFRIEND YOU FUCKING CREEP.

But guess what? Since you got rejected by someone older... YOU HAD TO GO TO ANOTHER RELATIONSHIP WHO IS OLDER AND THEN FUCKING RUINED IT. YOU JUST LOOK AT ME AND CLARISSA RELATIONSHIP AND REALISE HOW IT WORK FOR ME AND CLARISSA BUT NOT YOU AND CLAIRE! YOU WAS JEALOUS JAMES. AND IT'S FUNNY HOW SHE GOT THE SAME NAME.

Oh yeah... "ima kitteh"

Wait... Is that why James draw Clarissa as a Kitten and called her a kitten? Because it reminded of Claire when she said she's a kitteh... Wow... really fucked James... trying to make Clarissa just like your old crush Claire... you creep...

I just... don't know what is wrong with James. Back then, he always smiling and happy... but now he's all...

"I'M SAD JAMES (Insert shit ton of sad emoji)"
LIKE CALM THE FUCK DOWN JAMES. YOU GOT REJECTED BY ONE GIRL BUT YET AFTER THAT YOU GO TO TWITTER AND FIND SOMEONE ELSE TO RUINED. THAT IS ALL YOU GOOD AT. JUST RUINING SOMEONE ELSE RELATIONSHIP SO YOU CAN HAVE ONE YOU SELFISH FUCK.

"She doesn't want me to be sad at all... She always make me happy :3"

Probably because she doesn't want to deal with your dramatic sad bullshit James. She just want to enjoy a peaceful relationship... now.. does that sound similar?

Me and Clarissa was having a peaceful and happy relationship... until James showed up and ruined it? Yeah... EXACTLY WHAT JUST HAPPENED.

Oh... and James lied to my friend again...

He reveal that she got another account called "Claire Francesca"... yes... you heard me right... he lied to my friend and reveal that her actual name... is Claire... THE SAME NAME JAMES CALLED CLARISSA.

THAT'S PERFECTLY EXPLAIN WHY JAMES KEEP CALLING CLARISSA 'CLAIRE' NOT CLARISSA. BECAUSE IT'S THE SAME NAME AS THE OTHER CLAIRE AND ALSO HE REMINDED OF HER.

WOW. WHAT A FUCKING CREEP.

He even begged my friend not to add her... HAHHAHAHA. OH I WISH HE DID SO HE CAN TELL HER ALL THE BULLSHIT YOU DID. EVERYTHING YOU DID EVEN NOW. EVERYTHING.

oh right, you should of just said chance. but anyways i still dunno. maybe to should talk nice at first

I do talk to her. We were friends since 2013 :3

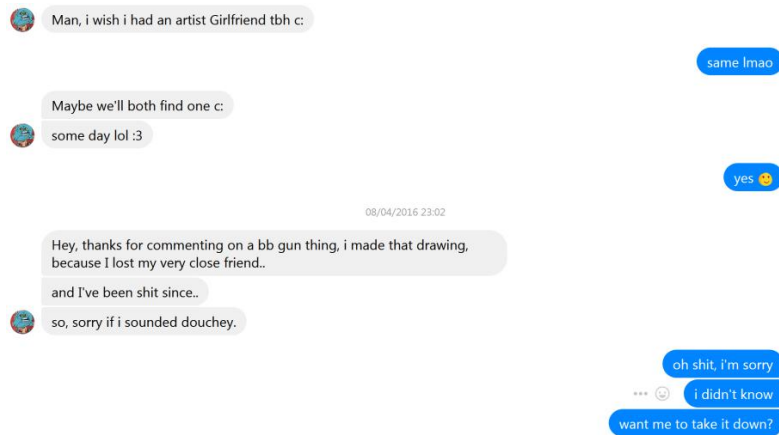

And, yea. She really does care for Me.. But, to me, I'm think, %47 😊

ha

So... James had been friend with the other Claire since 2013... and...

“She really does care for me.. But, to me I’m think %47 ;)”

Wow... So... Clarissa... if you are reading this... James had been friend and also had a crush on a girl with the same name as yours... since 2013.. I’m so sorry if you had to see this and read this section... I just want to help you Clarissa and let you know the truth about James and why you should stay away from this creep... I want to save you... Clarissa...

“Man, I wish I had an artist Girlfriend tbh c:”

This... everyone... is where James depression and obsessed trying to look for a girlfriend begin... Since then... He keep going non stop complaining and whining non stop about wanting love or a girlfriend... The beginning of James wanting to date a ‘Artist Girlfriend’ like Toxic or Clarissa... but one thing is that... Clarissa was already taken. So guess what he did? (Read the Twitter chat for more information of what happened)

Wait... Wait a minute...

He said that he want a artist girlfriend... keep in mind...

I got all of the hate from James because James said that “Aaron only care about your art” to Clarissa...

Wow... WOW. HOLD ON.

SO YOU MEAN TO TELL ME IT’S OK FOR JAMES TO DATE A ARTIST GIRLFRIEND BUT I CAN’T DATE CLARISSA BECAUSE JAMES THOUGHT I ONLY CARE ABOUT HER ART!?!?

WOW. THAT'S A FUCKING LIE BECAUSE I CARE ABOUT CLARISSA. I CARE SO MUCH FOR HER BUT YET JAMES PICKED OUT ONE THING AND THEN MADE CLARISSA CRY AND MADE ME LOOK LIKE SHIT. (Read the Skype chat about that)

06/05/2016 00:39

Don't believe what Alyssa Beats says. She's lying. I was in a call and after a while, Bill decides to draw me, and I thought he was joking around, and so I started to say that He's doing it wrong in a joking matter, and then, she began to spread that lie, because she was in the call.

Plus, she's annoying at times..

And she judges my past on what I did, so that's why I don't like her.. Plus, she got angry because I had a crush on ToxicSoul77 lmao

Yea, AnimatedJames' ex

Hmmm... I know... I think she had a crush on me, idk, I feel like she does, but eh, idk... I could be wrong..

I'm talking to Alyssa right now, and she's threatening to tell everyone about my past....

Fuck..... It's along story....

No, I mean about Me...🙄

I'm legit scared...

Nvm, It's OK, you probably won't understand me....🙄 sorry..

I wouldn't want to know your fetish, but I respect it for whatever it is, and I did something fucked up..... I'm like legit emotionally fucked from that.... And, Idk... I get depressed and shit from thinking of what I did.... And that certain thing I did.... Is incest.... Please don't tell anyone..... If you want enjoyment, I'm suffering emotionally....🙄

Ok... Thanks so much.... She's been threatening me on telling everyone about that, and if she did.... Fuck....🙄 Everyone including my best friends, are gonna hate me....

She judges me, and I only messaged her about why people are hating on her, and I try convincing her to stop being this Bully sorta, and then she threaten me with that shit.... I try forget the past, and I may have said fucked up things when I'm depressed.... Ughhhhh....🙄

06/05/2016 00:39

Hmm, okay i believe you

ah, okay

ToxicSoul77... Hmm.. I kinda heard that person before..

ah, was gonna say about animatedjames

who knows?

Well, maybe you should like not be friends with her then if she keeps doing this? That's what i would do.

Also she comment to me so i won't reply

ah, long story. okay

oh

I won't tell, i promise.

But all she told me is that you get upset by a drawing which it's not true because you told me it's a joke. But i understand that i won't tell if you did stuff in the past (even know that you told me it's a long story)

I did fucked up shit in the past as well. But thing is, you would need to try to move on and think of yourself in the future. Like if you keep thinking the past or living the past then it's getting you nowhere really. I have to move on from it and think of what i'm gonna do myself in the future and so far i'm doing okay in 2016.

But anyways, the matter is, just think of your future and you might become success. Hell, you might become better than Alyssa? You never know?

Oh geez... Get ready for his sob story... can someone please bring a violin? I think that would be really suited for this bullshit.

Anyway, SO James keep telling my friend bunch of sob story and you know what... You can read them yourself. Just look closely at his message and read it.

So James said to my friend that he can't believe someone called "Alyssa Beats" was lying to him (Just like how James lying to everyone especially me and Clarissa) that Bill draw him and he thought Bill was joking around, so she start spreading lies in the call. (Ok. Don't give a shit. You deserve it for lying)

Then James call her annoying... well that's why she did it or she just hate you so much.

So She judge her past and that why James doesn't like her (Or maybe she read it and found it disgusted that you had sex with your 9 year old sister) and she got angry at him because he had a crush on ToxicSoul77...

Yes... You read that right... HE MENTION TOXIC IN THIS. HE HAD A CRUSH ON TOXIC AND CLAIRE AT THE SAME FUCKING TIME. WOW. WHAT A FUCKING CREEP.

So he mention that Toxic might have a crush on him (She doesn't) and he could be wrong (If you want know what happened about James and Toxic, scroll up to the Toxic section)

So He's talking to Alyssa right now and she threatening to tell everyone about his past... Oh geez... Just like what I'm doing right now. But you know why I'm doing this to you...? BECAUSE YOU FUCKED UP MY LIFE AND I BEEN HIDING MY SIDE OF THE STORY FOR A YEAR. NOW YOU GET WHAT YOU DESERVE FOR EVERYTHING YOU DID TO ME, CLARISSA AND EVERYONE WHO YOU HAVE HURT YOU CUNT.

Then... he said to my friend.. it's a long story... and it's about him... and legit scared... him... (Boo hoo. Someone get him a tissue. I need someone to play a violin as well)

I wouldn't want to know your fetish, but I respect it for whatever it is, and I did something fucked up..... I'm like legit emotionally fucked from that..... And, Idk... I get depressed and shit from thinking of what I did.... And that certain thing I did..... Is incest..... Please don't tell anyone..... If you want enjoyment, I'm suffering emotionally..... 😞

“I did something fucked up”

Oh no... but you did tell me on Twitter and guess what? NOW EVERYONE WILL SEE IT. YOU HEARD ME RIGHT JAMES. FIRST TIME EVER, EVERYONE WILL SEE YOUR SOB STORY THAT YOU ONLY TOLD ME AND CLARISSA. SO GO FUCK YOURSELF.

“I'm like legit emotionally fucked from that”

Yes you are James. That's because you going to regret it from the rest of your life... Because now everyone will know... right now...

“I get depressed and shit from thinking of what I did...”

James. You always a depressed shit. You have always been since we met. That who you are and always will be. You never smiles at me or give a shit unless it's Clarissa or Claire. So James... you was born depressed and born as a shitty child.

“And that certain thing I did.... Is incest...”

Wait... you read that right... YOU READ THAT RIGHT. HE FUCKING ADMIT IT. HE ADMIT TO MY FRIEND. HE FUCKING DID INCEST. WOW. HOLY FUCKING SHIT. JAMES HAVE ADMITTED TO MY FRIEND AS WELL. Like oh my god fucking god. Ladies and Gentleman... JAMES HAVE SAID IT HIMSELF. HE DID A CERTAIN THING HE DID IS INCEST. HAHAHAA. OH MY GOD JAMES. I HOPE YOU GO TO HELL. YOU DESERVE TO SUFFER IN FUCKING PAIN. THIS IS WHAT YOU DESERVE YOU INCEST FUCK.

“Please don’t tell anyone...”

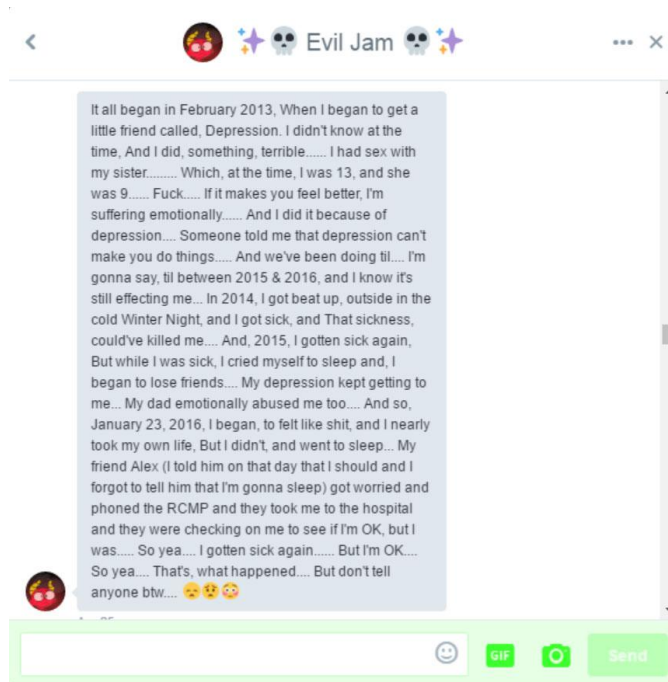

TOO LATE BITCH. YOU JUST TOLD ME AND CLARISSA. I WAS LUCKY YOU TOLD ME BECAUSE NOW I CAN USE THAT TO GET THE REVENGE I BEEN WAITING FOR A YEAR. “Don’t tell anyone” PFFT HAHAHAAH TOO LATE. TOO LATE YOU FUCKED UP FREAK. THIS IS WHAT HAPPENED WHEN YOU FUCKED UP WITH ME. THIS IS WHAT HAPPENED WHEN YOU MESSED AROUND WITH ME. YOU GET A SWEET PAINFUL REVENGE FROM AARON.

SO GOODBYE JAMES. EVERYONE WILL READ THAT FUCKING SOB STORY AND EVERYONE WILL KNOW THE TRUTH ABOUT YOU.
JAMES BEAR.

“If you want enjoyment, I’m suffering emotionally... (Insert a sad emoji)”

You already said this to me on Twitter so... yeah... WE WILL. YOU FUCKED UP ASSHOLE. YOU DESERVE TO SUFFER EMOTIONALLY AFTER EVERYTHING YOU DID.

YOU KNOW WHAT! FOR FUN, HERE IS THE SOB STORY AGAIN FOR ANYONE WHO WANT TO READ IT AGAIN AND UNDERSTAND THE FUCKED UP STORY AND THE INCEST THING JAMES DID.

“I had sex with my sister..... Which, at the time, I was 13, and she was 9.... Fuck”

“And I did it because of depression....”

“And we’ve been doing til... I’m gonna say, til between 2015 & 2016”

Oh yes James... You sure did that... “And that certain thing I did.... Is incest...” and you just told my friend about it...

Congratulation! YOU’RE FUCKED JAMES! EVERYONE IS GOING TO KNOW ABOUT YOU FUCKING YOUR 9 YEAR OLD SISTER!

Oh by the way... if you fucking said to Clarissa you’re a virgin James... Well tough shit you just lost your virginity to your 9 year old sister...

So yes James.. you’re fucked...

I find it so fucked up... That James keep calling Clarissa “Claire” because it remind him of the other Claire and also James draw Clarissa as a kitten because the other Claire said “I’m a kitteh” or whatever she said.

Oh. And James had a crush on someone 5 years apart... but yet he’s willing to torture and harass someone (me) who is having a relationship with a 3 YEARS AGE GAP. (You can read the rest of the rant if you scroll up)

That’s all.. I feel so fucking sick after that...

If anyone got Claire Francesca on Facebook or find a way of contacting her... PLEASE FOR THE LOVE OF GOD SHOW HER THIS SECTION. LINK HER OR EVEN SCREENSHOT THIS. PLEASE SHOW HER THE FUCKED UP THINGS JAMES DID.

Fetish

Big Hands Fetish

Yeah... Have you noticed he been drawing lots of character and himself with big hands or big arms? Either he really enjoy the character Tetsuo from Akira or he just really like drawing big hands and big arms. (I think James and Yoshikage Kira would be really good friends)

Anyway back to the topic. James have been drawing Big hands and Big arms on himself or a character. It just funny how you will see this so often in his Artwork... I mean... Here's some example...

James

My Favorite.. ❤️

“My Favorite.. (Insert heart emoji?)”

Oh yes James. Having a big arm growing on you is your favourite. You even added a heart next to it. I guess you really love that big arm don't you? You creep. I'm not sure if this suppose to be cute or he just really scared because he realise he fucked up (I mean... He's already is fucked up. His life is fucked and worthless)

Oh and you got to love how he even added 666 and his name on his arm (Yes you will notice 666, 6 or 69 alot. Probably his favourite number. I wonder why he love number 69 so much... probably because of what he used to do... to someone... fucking hell James go to hell)

Like dude... look at his face... he seem more happy to have a big right hand then his life himself. I fucking wonder why he's biting his lips and stares at his big right ugly hand of his...

Seriously I think if James and Yoshikage Kira met, they would be like BFF. They both have hands fetish and also both twisted and fucked up. The only different is Yoshikage Kira is a fictional character and James is still alive.

But just... why? Why would James enjoy drawing something so fucking dumb and just rubbing on people faces that he got a big hand fetish.

Now I know you guys are wondering... 'But Aaron, Does he actually like drawing big hands/arms and got a fetish for it?'

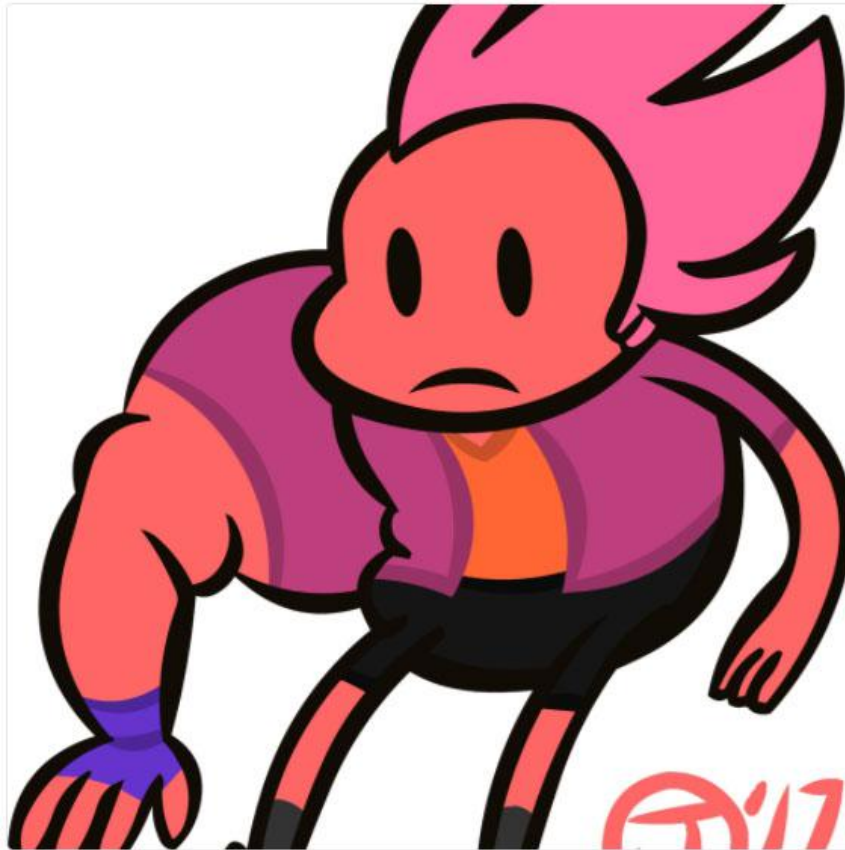

Well... I got proof for you...

idk why but drawing people with big arms feels good

2:24 PM - 21 Jan 2017

“idk why but drawing people with big arms feels good”

PFFT HAHAAHAHAHAHAHAHAHA. OH MY GOD. HE OPENLY ADMIT TO EVERYONE THAT DRAWING PEOPLE WITH BIG ARMS MAKE HIM “feels good”. LIKE HOLY FUCKING SHIT. WHAT A WEIRDO. HAHAAHAHA.

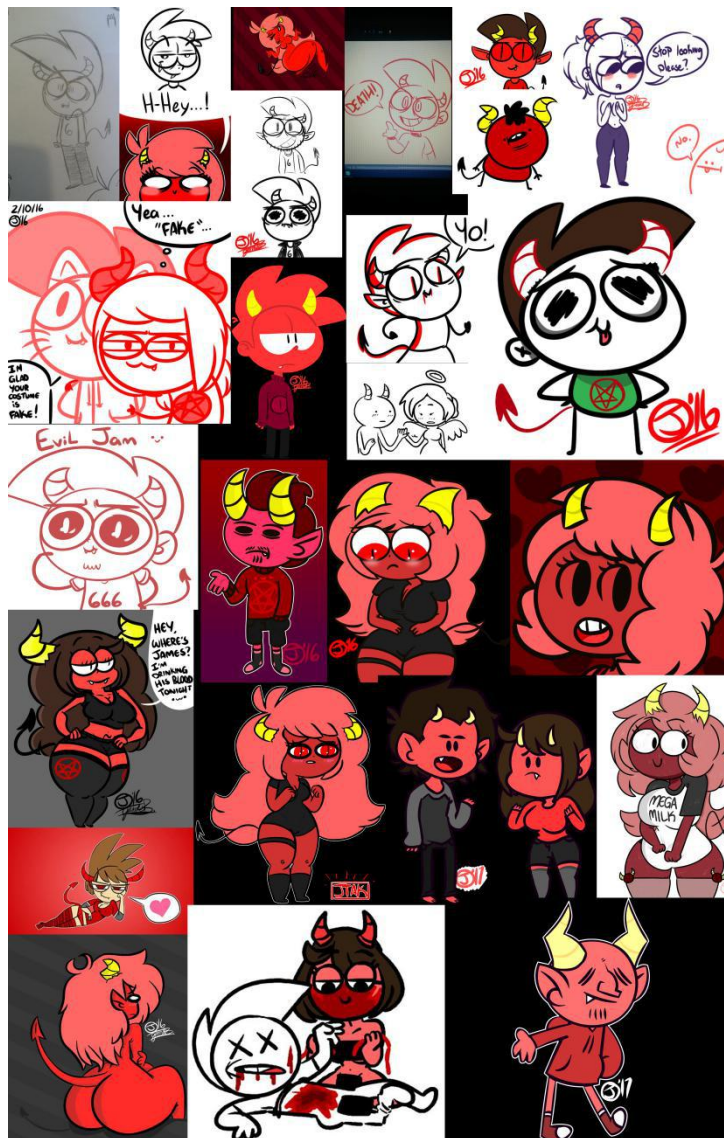

I FEEL SO SORRY FOR CLARISSA IF SHE HAD TO PUT UP WITH HIS BIG ARMS FETISH BULLSHIT. HAHAAHAHA.

OH MY GOD. I STILL CAN'T BELIEVE HE JUST POST THAT AND SAID THAT. WHAT A STUPID DUMBASS. HAHAAHA.

I guess you could said that James life is not HANDy. HAHAAHA.

Ok ok. Let's move on.

Demon Fetish

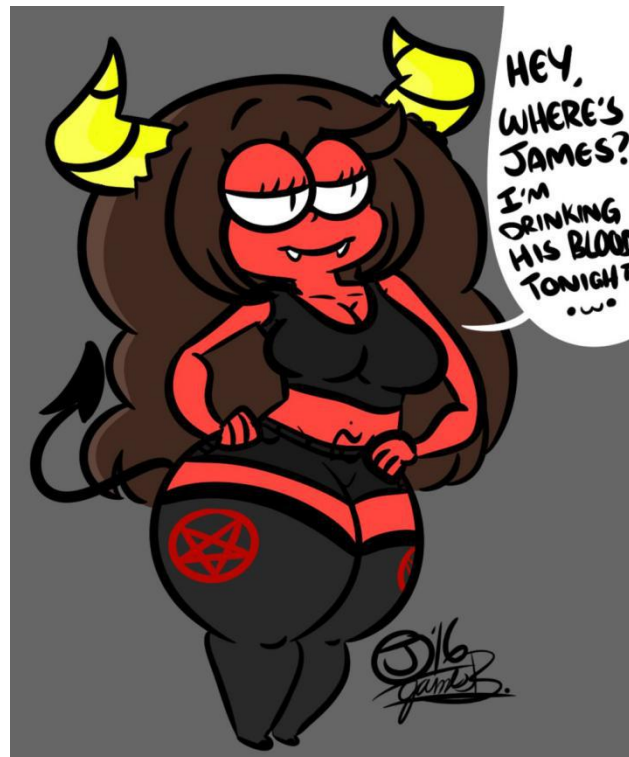

Another Fetish James is really fucking into is Demons. Probably because he's a demon himself and he should really go back to hell. Back where he belong.

Anyway James so happened to enjoy draw Demons... Like a lot. I mean, yeah Demons are cool but when James made it into a fetish for himself... oh fucking dear does James love to ruin it for everyone.

But wait... Here's some weird example...

Oh yes. Classic James. Classic James trying to be funny by drawing a topless demon and the guy (I don't know who) saying no to her. Comedy Gold from James (not)

JAMES. WHAT HAVE YOU DONE TO CLARISSA!?! I FEEL SO SORRY FOR CLARISSA. SHE DESERVE BETTER. NO WAIT, A BETTER DRAWING OF CLARISSA INSTEAD OF JAMES DRAWING HER.

“Hey, Where’s James? I’m drinking his blood tonight”

Ewww... Who the fuck want to drink James blood? If a vampire drink James blood, the vampire would die quicker then the sun. Just... Why would you make her say something so stupid??? Just leave her alone you creep.

Well... this is fucking disgusting... James drawing Clarissa naked and her eating James alive. I mean, I'm glad James is dead but I feel sorry for Clarissa eating his shitty guts and shit. And also did James really had to draw his dick and censor it? Like mate no one want to see that tiny dick you used to rape your sister with you twisted fuck. Like you even drew Clarissa fully naked which is just... fucking weird and I just feel really sorry for Clarissa if James really enjoy drawing Clarissa naked... (Oh trust me... it get worst...)

Oh just for shit and giggles, here's James old drawing of Jane (The character the other Claire was going to voice... good thing she didn't see this piece of shit) of Jane as a demon...
(Ok let's move on)

NSFW Fetish

Well... if you ever wonder if James draw NSFW... well... here it is... If you really want to go ahead and see... these... fucking awkward NSFW drawing James did... get ready... just... oh my god...

(I know some of the example are not like NSFW nude, but it's a NSFW theme or whatever...)

Ok. So James made this two panel comic about himself and Clarissa (Of course he would) and the comic is called 'I was adventuring...' and let me tell you something...

I DON'T FUCKING GET IT!!

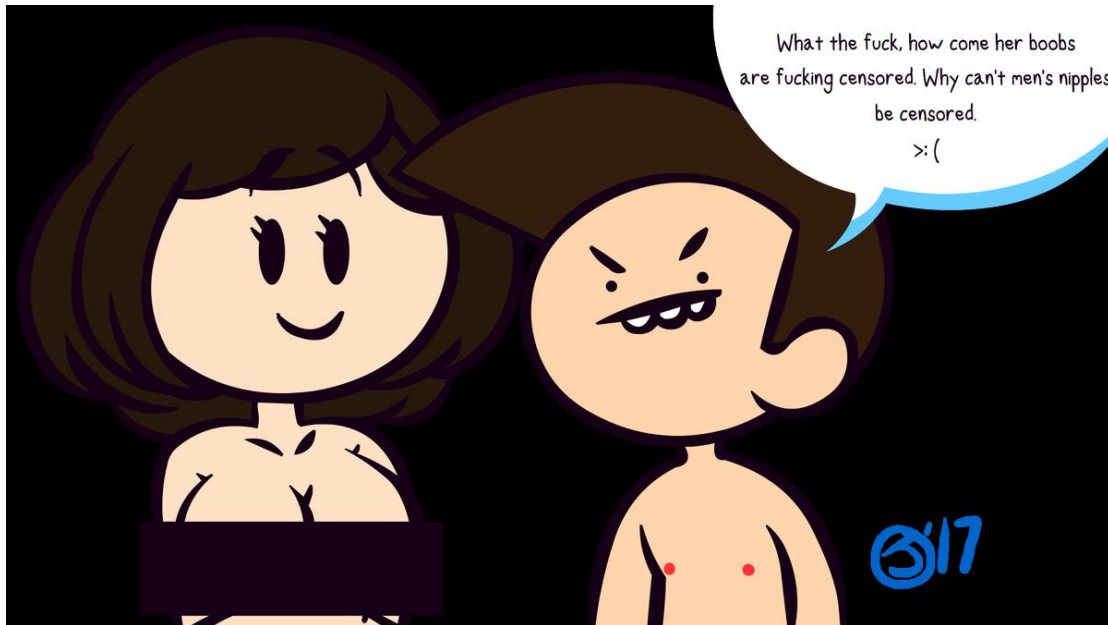

WHY IS THERE ONLY TWO PANELS WITHOUT A PROPER BEGINNING AND END!?!
WHERE IS CLARISSA LOOKING AT THAT CREEP FROM?? FROM THE SHOULDERS!?!?

WHAT THE FUCK DOES HE MEANT BY "I was adventuring"!?!? IS IT ANOTHER
FUCKING DICK JOKE!?!? WHY IS JAMES EVEN WEARING A SMALL RED PANT FOR!?!?
TO SHOW CLARISSA HIS DISGUSTING BODY?!?!? JUST FUCKING HELL JAMES. AND IS
THIS A SEX JOKE!?!? LIKE JAMES IS ADVENTURING AND THE SWORD SUPPOSE TO BE
HIS DICK!?!?

MAKING A COMIC 101 - HAVE A PROPER STORY YOU MORON. HOW CAN YOU FAIL
ON MAKING A TWO PANEL COMIC. ANYONE CAN MAKE A TWO PANEL COMIC. EVEN
CLARISSA HERSELF CAN DO IT BETTER THEN YOU JAMES. YOU'RE A FAILURE.

(I bloody hope James didn't make another one with an actual nsfw... fuck I'm going
to vomit...)

This is going to get worst... and worst...

This... is simply... the most fucked up and disgusting thing I have ever see in my fucking life... James... ONLY A FUCKED UP PERSON like James would do this... to Clarissa...

Basically you drew yourself and Clarissa naked and you just so happened to post it and show off to everyone that's you got a naked girlfriend.

I got one question for you James...

WHAT THE FUCK IS WRONG WITH YOU!??!

YOU REALLY THINK THIS IS HOW YOU TREAT CLARISSA!??! YOU THINK SHE ENJOY THIS!?? THIS IS SOMETHING I WOULD NEVER EVER DO TO CLARISSA. BUT YET WHEN YOU WITH HER... YOU TREAT HER LIKE A SEX TOY. YOU JUST ENJOY DRAWING HER NAKED JUST TO GET ATTENTION AND ALSO SHOWING OFF.

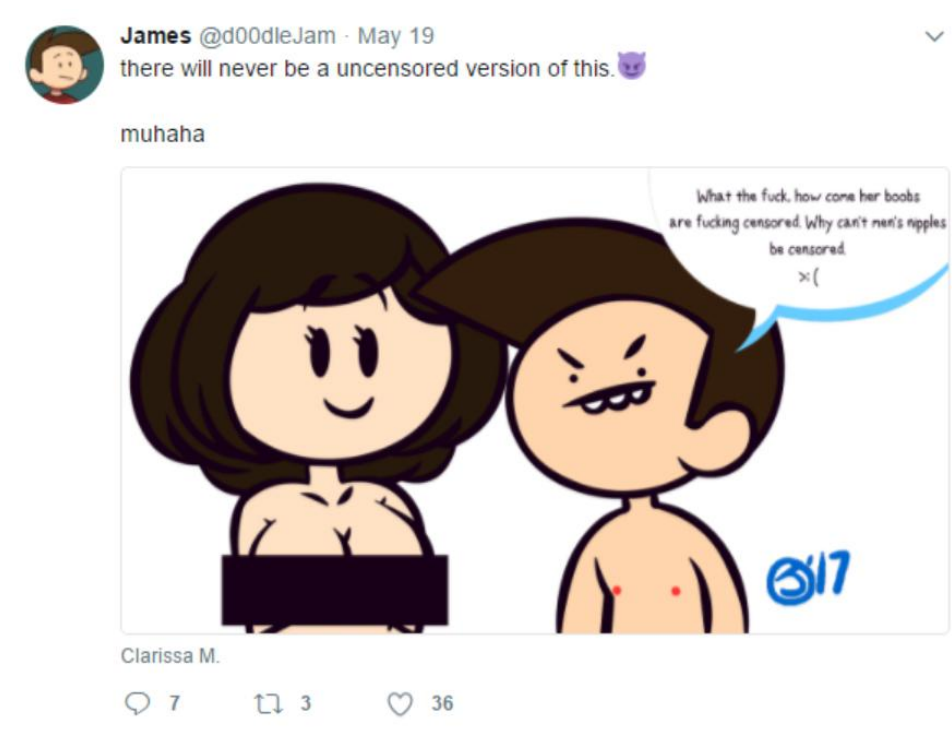

I MEAN, LEAVE CLARISSA ALONE! SHE DOESN'T WANT TO BEEN DRAWN NAKED BY A FUCKING INCEST RAPIST.

“What the fuck, how come her boobs are fucking censored. Why can't men's nipples be censored. >:(“

Dude.. you think you're funny? Drawing Clarissa naked just for a shitty joke? You make me sick... Using her body like that just for a joke? WHAT THE FUCK IS WRONG WITH YOU!??!

Oh... OH... IF YOU THINK THIS IS FUCKING BAD...

TAKE A LOOK AT THE FUCKING POST CAPTION!!

“There will never be a uncensored version of this. (Insert a demon emoji because of his demon fetish)”

Oh geez... I wonder why you got the uncensored version... it's not like you going to fucking rap to this with your big hand fetish... you twisted fuck...

And also... HOW FUCKING DARE YOU! TREATING CLARISSA LIKE THIS. SHOWING OFF TO EVERYONE THAT YOU DREW CLARISSA NAKED AND WANT TO BE A PRICK LIKE 'Look at me! I'm James and I drew Clarissa naked lolz x3'

GO TO HELL YOU MESSED UP FUCKING MISTAKE.

THIS IS NOT HOW YOU TREAT A GIRL. DRAW HER NAKED AND SHOW IT OFF.

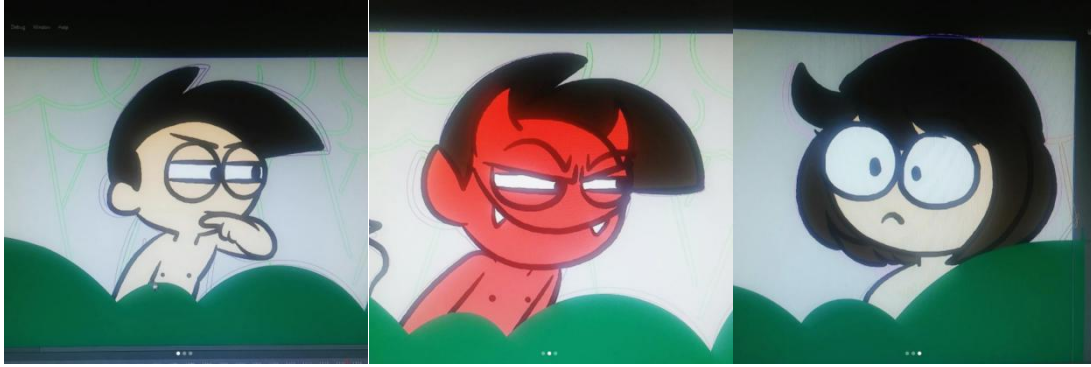

So like... let me get this straight... You think it's perfectly ok for you to attack me because I love her art... but it's ok for you to draw her naked, post it and show it off...

What the fuck type of logic is that...

I really hope people will fucking understand (James won't because he doesn't a shit about anyone. Not even Clarissa) about how disgusting and disturbing this is...

I feel so fucking sorry for Clarissa... can't you imagine how embarrassing and uncomfortable this is for her? Like... James... why would you do this to Clarissa? Are you proud of yourself? Of course he is. He doesn't give a fuck about how Clarissa feel. All he care about is himself, himself and... guess what? HIMSELF!!!

But no... no... this... is not even... the fucking worst... get ready... for this...

This... is from a preview pictures for 'Claire and James' episode 2...

Ok... To explain the context... This is a preview pictures he posted only on Instagram for the 2nd episode of 'Claire and James'...

Now... let me tell you something... we're only on the 2nd fucking episode and already James is treating her like a sex toy... But... there is one thing... that made me feel disgusted and want to fucking freak out...

Notice James stares at Clarissa (And yes James did made Clarissa naked because he want to have 'fun' with her) and then he think for a moment... turn into a demon with that smirk and Clarissa looked scared...

I just realise something... This is just James recreating what he did to his sister... you know? THAT FUCKED UP INCEST THING HE DID (Scroll up to the sob story and you will be sick) James is basically want to animating what he did to his sister but with Clarissa and also in animation style...

WHAT THE FUCKING HELL IS WRONG WITH YOU!?!?

I KNEW YOU WANTED TO REMIND YOURSELF OF WHAT YOU DID IN FEBURARY 2013 BUT NOW YOU WANT TO SHOW IT EVERYONE.

BUT NOW YOU WANT TO DO IT AGAIN, IN ANIMATION BUT WITH CLAIRSSA. JAMES YOU ARE ONE TWISTED FUCKING INCEST RAPIST.

HOW DARE YOU TREAT HER LIKE THIS!?! SHE'S NOT A FUCKING SEXTOY. CAN'T HE MAKE A ONE FUCKING EPISODE WITHOUT INSULTING HER (I will explain that later), MADE HER STRIP IN FRONT OF YOU (Again, explain that later) AND NOW YOU WANT TO RE CREATE WHAT YOU DID TO YOUR SISTER BUT WITH CLARISSA AND YOU WANT EVERYONE ON YOUTUBE, VIDME AND FUCKING NEWGROUND SO PEOPLE CAN SEE WHAT YOU DID TO YOUR SISTER. YOU INCEST RAPIST.

(OK... last one... Fuck... even seeing it again making me sick...)

Sad James Fetish

The final and biggest James fetish is... The Sad James Fetish.

Yeah... Have you notice James always draw himself sad? Like... No matter how perfect his life is or happy thing happening to him now... He's still... sad as fuck.

After I helped him through depression, using me to get what he wanted, making me depressed and feel like shit, telling lies about Clarissa, made Clarissa cry, Clarissa dating him... HE'S STILL SAD AS FUCK.

Even when I first met him THE FIRST TIME I EVEN SPOKE TO HIM... He's still sad.

James have got to be the most sadness, depressed, miserable, grump, selfish and... well just sad, thing I have ever fucking met.

Every drawing he does is either sad or he just want people to feel sorry for him because of bullshit like 'Awww Poor James! He's sad!'. Fuck no. He just a fucking attention whore. Even after James destroy my life completely, HE'S STILL SAD.

Even before James attack me, I was so happy... UNTIL JAMES SHOWED UP AND RUINED EVERYTHING FOR ME. Now... you would think James would be happy after he did that... RIGHT!?!? NO HE'S STILL SAD.

EVEN AFTER HE STOLEN SOMEONE I DEEPLY LOVE, SOMEONE WHO MEANT THE WORLD TO ME, SOMEONE I ALWAYS LOVE TALKING TO AND DRAW TOGETHER, EVEN AFTER JAMES LIED TO CLARISSA AND TELLING HER HORRIBLE LIES ABOUT ME... AND EVEN MADE CLARISSA CRY...

HE'S STILL SAD.

Why can't James be happy for once in his fucked up life? Why can't be happy that his life is perfect?

But guess what...

Even if he got...

Oh yes... I remembered this... I remember tweeting him because I feel sorry for him... (But now after what he did to me, Clarissa and everyone else... I don't give a shit...)

So... James drew this picture of him holding a gun and saying 'I'm fine'... fucking hell James calm down... don't be a drama queen...

"People w/ Bestest Friends/Dating Couples/Group Friends/ anyone, Tell them how much you mean to you... Don't be me. (Insert sad emoji)"

Yeah... Do you want to know why he made this...? Because this was when James got jealous of me because I was dating Clarissa...

Yes... you read that right... HE DREW A PICTURE OF HIM POINTING A GUN AT HIMSELF BECAUSE CLARISSA IS DATING ME

If I did that, everyone will attack me and calling me a attention seeker... BUT JAMES everyone is like 'Awww poor James!'. WELL JAMES IS FUCKING ATTENTION WHORE AND HE ONLY DRAW THIS BECAUSE HE WANT CLARISSA TO FEEL SORRY FOR HIM. THAT'S ALL. HE DOESN'T GIVE A SHIT. HE JUST WANT ATTENTION AND ALSO WANT TO BE WITH SOMEONE WHO IS ALREADY FUCKING TAKEN.

Sorry for not posting much, it's just... there's been drama recently and then... idk. I don't wanna talk about it...

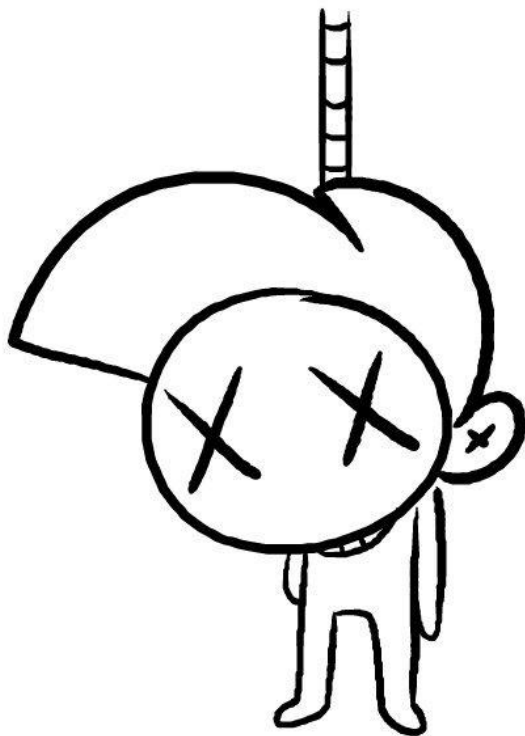

Oh geez.. another fucking sad James... honestly... after what he did to me, Clarissa and everyone else... I don't give a shit James. Like I'm not sorry but this is called karma. You do horrible shit to me, and karma will come back and beat the living shit out of you to death.

"There's been drama recently"

What? Toxic doesn't want to date you and Clarissa is taken? Just fuck off James. Fuck off back to drama school you fucking drama queen.

Oh yeah... He also drew this around the same time when he drew himself pointing a gun at himself... again... fucking attention whore because he want Clarissa to feel sorry for him... that's all....

Another thing which you will notice James love to draw... is him either killing himself or hanging himself. I'm not sure he's got mental problem or he just doing these for attention. He always love to draw these sort of shit. Even when he was with Clarissa he's still draw himself killing himself... like... are you still not happy to be alive even when you're with Clarissa? Fucking hell you're selfish.

Awww Poor little Jammy have his heart broken because Claire, Toxic and Clarissa doesn't want to date this poor smoll Jammy ;-;

PFFT HAHahaha I WAS JOKING. JUST FUCK OFF JAMES AND GO SOMEWHERE TO CRY AND STOP BOTHERING PEOPLE AND WASTING MY TIME, CLARISSA TIME AND EVERYONE WHO HAD TO PUT UP WITH YOU.

“Me Sad”

NO SHIT JAMES. THAT IS ALL YOU ARE. YOU ALWAYS SAD NO MATTER WHAT. YOU'RE SO FUCKING SAD THAT EVEN SADNESS FROM INSIDE OUT IS HAPPIER THEN YOU. JUST FUCKING STOP JAMES. JUST STOP WHAT YOU DOING AND JUST FUCK OFF YOU SAD SHIT.

Oh boo fucking hoo. You're sad because you still using a Intuos? I have been using a Wacom Bamboo for 4 years. I did post a sad doodle about me saying about how I still use a Wacom Bamboo? NO I DIDN'T BECAUSE I'M NOT A SAD ATTENTION SEEKER. STOP BEING FUCKING SAD, GET A JOB AND SAVE UP SOME MONEY TO BUY YOURSELF A BETTER GRAPHIC TABLET IF YOU GOING TO WHINE ABOUT IT.

“I wish cool artists like me”

FUCK OFF JAMES. JUST FUCK OFF. YOU GOT OVER 1700+ FOLLOWERS ON TWITTER YOU FUCKING DUMBASS. YOU SHOULD BE HAPPY THAT YOU GOT THAT MANY. YOU SHOULD BE HAPPY YOU EVEN GOT A FRIEND (Actually he doesn't). SO WHAT? CLARISSA DOESN'T COUNT AS A COOL ARTIST? FUCK OFF. STOP TREATING CLARISSA LIKE THIS YOU USELESS SAD SHIT. BE HAPPY THAT YOU EVEN GOT LOTS OF FOLLOWERS.

So... James birthday was 6th July 2017... and guess what he drew himself... HIM BEING SAD ON HIS 18TH BIRTHDAY. YOU'RE GOING TO BE FUCKING 18 AND YOU'RE STILL NOT HAPPY!! At least it's better then what you fucking did when you was 13. (-cough- sob story -cough-) and also you got over 1700+ followers and 20,000+ Subscribers and they all going to say 'Happy birthday' to you... but guess what... YOU'RE STILL NOT FUCKING HAPPY.

YOU EVEN GOT CLARISSA. YOU GOT A GIRLFRIEND TO CELEBRATE YOUR FUCKING BIRTHDAY. CLARISSA DIDN'T CELEBRATE MY BIRTHDAY. I WAS FUCKING CRYING BECAUSE I HAVE BEEN WAITING TO CELEBRATE MY BIRTHDAY WITH CLARISSA. BUT NO YOU HAD TO RUIN IT FOR ME AND YOU STILL NOT HAPPY ON YOUR BIRTHDAY WHEN YOU WITH CLARISSA.

JUST FUCK OFF YOU UNGRATEFUL 18 YEAR OLD SHIT.

So on 24th June 2017, James posted these two video on his Instagram... and it just literally James... filming a cartoon self... being sad and in his video... James said...

Sad James video 1:

“Man... Don’t you enjoy the sadness... you have sometime... wow... geez...”

PFFT HAHHAHAHA. “Sometime” SOMETIME!?!? JAMES YOU’RE ALWAYS FUCKING SAD. EVERYDAY, EVERY MINUTE, EVERY SECOND OF YOUR SHITTY LIFE, YOU’RE ALWAYS SAD. EVEN WHEN YOU GOT EVERYTHING YOU WANTED. YOU’RE STILL SAD. EVEN WHEN YOU GOT SHIT TON OF SUBSCRIBERS AND FOLLOWERS, YOU’RE STILL SAD BUT...

EVEN WHEN YOU GOT MY GIRLFRIEND, CLARISSA, YOU’RE STILL FUCKING SAD. AND LISTENING TO YOUR VOICE, HOLY SHIT DON’T YOU SOUND LIKE A FUCKING SAD EMO. YOU’RE TRYING SO HARD TO BE DEEP AND DEPRESSING BUT YOU LITERALLY SOUND LIKE YOU’RE BEGGING FOR PEOPLE TO FEEL SORRY FOR A CUNT LIKE YOU. FUCKING HELL JAMES.

But not only he made 1 sad James video... HE MADE 2. 2 IN THE SAME DAY.

Sad James video 2:

“That last post, I’m just sad today that’s all. Normal post coming soon tomorrow, I mean maybe tonight. Sorry”

You’re just sad? YOU’RE JUST SAD!?! BULLSHIT! YOU HAVE ALWAYS BEEN SAD. NO MATTER HOW PERFECT YOUR LIFE IS, YOU ALWAYS SAD. EVEN WHEN YOU GOT EVERYTHING YOU WANTED. YOU’RE STILL SAD.

NORMAL POST?!?!? BULLSHIT MORE LIKE MORE SHITTY SAD POST FROM JAMES BEAR. JUST SHUT YOUR FUCKING MOUTH JAMES AND STOP BEGGING FOR ATTENTION.

AND YOUR VOICE... YOUR VOICE! YOU TRYING SO HARD TO SOUND SAD. WHY ARE YOU EVEN SAD IN THE FIRST PLACE!?!? EVEN WHEN YOU GOT A GIRLFRIEND, YOU’RE STILL SAD.

WHAT MORE DO YOU WANT!?!? A MILLION SUBSCRIBERS!?!? MAKE ANIMATION FOR TV CHANNEL!?!? WHAT THE FUCK DO YOU WANT!?!? WHAT MORE DO YOU WANT JAMES!?!??

JUST FUCKING PISSED OFF AND BE SAD SOMEWHERE ELSE. ANYWHERE JAMES YOU SAD SHIT.

GO SOMEWHERE ELSE. NO ONE GIVE A SHIT ABOUT YOU OR YOUR SHITTY SAD LIFE.

JUST FUCK OFF YOU RETARDED SAD MISTAKE.

Right, I’m done with this James fetish section. Basically James is a sad fuck who can’t be happy. No matter how many subscribers, followers or even... RUINED SOMEONE LIFE AND STOLE MY GIRLFRIEND, YOU’RE STILL SAD.

Fuck it, I’m done. Let’s just end this and go to the next section...

Fucking hell James... I hate you so much... you pissed me off so much...
Fuck you James...

Never finished projects

Ok, Just a quick section because this really pissed me off.

Have you noticed that James got lots of series idea? Like he got lots of ideas for a series and even want to make it into a animated or a comic series? Well guess what... most of these projects are never finished... and it really pissed off many of James 1700+ Followers and 20,000+ Subscribers... so... let's begin...

Did you know James was going to make a Christmas special?

Well on 28th November 2016, James show off a screenshot of his next animation. Now you would thought James would posted this on Christmas... right? WRONG.

This was the only screenshot James ever posted of the Christmas Special.

That's it. That's the only post he ever made and since then... HE NEVER EVEN FINISHED IT.

So next time, if you're going to make a Christmas Special... POST IT ON CHRISTMAS!

On 4th December 2016, James posted this... it's seem to be a comic series James was working on. But it's only 2 panels (Just like his last shitty comic) so you would thought this is a preview and James will finished it... RIGHT!?!?

NO! THIS WAS IT. THIS WAS THE ONLY POST HE EVER MADE ABOUT THE COMIC. IT DIDN'T EVEN HAD A CHARACTER OR A STORY. It just really simple and deep introduction about home and shit.

"I'm currently working on"

James... That's only two panels... Oh yes James... So much working on this comic... like come on man... just... If you ever make a comic series... MAKE A COMIC SERIES.

Don't just make two panels and be like 'Yep, I'm done. Fuck it. Time to draw myself sad'

Like seriously... Does anyone give a shit about this comic series? Probably no one...

Oh look... Remember Fantasy Friends? The show James is making at the same time as JTAK (I'm coming back to you later)?

Well guess what... ever since he made some artwork of Fantasy Friends, made a TWITTER PAGE ABOUT THE SERIES and I even made him a fanart of Fantasy Friends (Basically the main character wear a Turtle neck orange sweater and I draw him with my friend Theo who also wear a Turtle neck orange Sweater... anyway...)

Oh yeah... Notice the character on the far right... yeah... JAMES DREW A BIG HAND FETISH CHARACTER.

Anyway, James made a couple of Fantasy Friends drawing, A Twitter account and even saying that he's working on that and JTAK. But guess what... IT WAS NEVER BEEN MENTION AGAIN. NO UPDATE, NO NEW DRAWING, NOTHING. IT WAS NEVER FINISHED OR EVEN BEEN MENTION AGAIN.

(Here's the Twitter page. It haven't been updated since 15th January 2017)

Does anyone remember this? Nope? No one? Well this is another show James announced on 30th November 2016 and it's yet again... another show James is working on at the same time as JTAK.

(Ok, I know I keep mentioning JTAK but I will come back to that soon...)

So Shape Bros is a animated show James want to work on for fun... now... I know what you are thinking... Did he ever make it? Well... kind of...

He only made ONE EPISODE back in 6th October 2015. ONE EPISODE and a year later James said he going to work on that show at the SAME TIME. But did he actually do that...?

NO. THAT WAS IT. WHY CAN'T JAMES JUST FOCUS ON ONE SHOW?!? JUST ONE SHOW. YOU DON'T NEED TO WORK ON LOTS OF SHOW TO SHOW OFF YOUR FUCKING SKILL. NO ONE CARE JAMES. JUST MAKE ONE SERIES AND THAT'S IT.

(Okay, I know he just made a tweet about him wanting to remake Shape Bros but... James... you're 9 months later... so good job James... you can't even focus on one show...)

But wait... there's one show.. the one show James have been hyping for... for a long time...

JTAK... JTAK... The one show James have been talking about... keep making post about it... drawing and screenshot... getting lots of people involved in this such as... Spider_Psycho, Kaylo, Propajimbo and even CLARISSA

(Another reason why he want to date Clarissa is because James want to put Clarissa in his show and also show off to people that James got a girlfriend in the show... now that's just sad James...)

But now... you might be wondering... 'Hey... How long have James been talking about JTAK for'? Since 2017? 2016? Nope... SINCE 2015.

On 15th November 2015, James posted this and saying that he's going to take a break from Jamworld and he's going to do storyboard for a brand new, 6 episodes? Series called JTAK. (I feel so sorry for Pivots for wasting his time on James)

So... For the first time ever... JTAK stand for... 'James The Awesome Kid'. Let me repeat that again... JAMES THE AWESOME KID. PFFT HAHAHAHAHA. OH MY GOD. I CAN'T BELIEVE THAT WHAT IT'S STAND FOR. HAHAHA. Anyway...

Here's some Facebook chat my friend showed me about 'JTAK' and oh my god... this is just so funny...

I wanna create a new show, but with James in it.

And I wanna create a show with Magic and such, and Adventures and stuff

Just like Billy Toon Times? Of what Billy is doing? 😊

Well, I guess? Lol. Also, Here's a design for James in the new series

So James and my friend was talking and James told him that he is working on a new show with James in it. The show got magic and such and also got adventure. (And yes, he was talking about JTAK)

Nice! 😊

And it's only going to have James as the main character and without... "Maverick" in it.

ah, i see

And the series is called: "Adventure James"

yay! 😊

It's sorta like Adventure Time, but in Modern time, and James tries to fit in. I'm thinking of making a Prequel comic for How James is "born".

yeah, a comic would be nice! 😊

And I'm gonna make the series animated.

Well, good luck then! I hope you'll success on this! 😊

Anyway, James said the show will only focus on James as a main character without Maverick (If you don't know who he is, he look exactly the same as Tord but with red shirt instead)

And the title for the series is called... "Adventure James"

Yes... you read that correctly... ADVENTURE JAMES!

PFFFT HAHAAHAHAHAH!! I KNOW ADVENTURE TIME IS HIS BIGGEST INSPIRATION BUT HOLY FUCKING SHIT. HAHAAHA FIRST JAMWORLD RIP OFF OF EDDSWORLD AND NOW ADVENTURE JAMES RIP OFF ADVENTURE TIME!! HAHAAHAHAHA OH MY FUCKING GOD JAMES!! HAHAAHA FUCKING HELL JAMES!!! OH MY GOD HAHAAHAHAH!!!

And I'm planning on making 6 - 9 episodes 😊 and there's a secret plot behind Season 1? I guess.

yeah! =3

What do you think so far? 😊

“I'm planning on making 6-9 episodes”

Oh geez... I wonder why he chose 6 and 9... Hmm... I don't know... -cough- sob story -sob-

And let's just say, between that and Jamworld, are a possibility of a Canon 😊

yep 😊

Like, it sorta takes place after Jamworld, but I'dk of that'll work. In some ways it will be.

Like Maverick is not in it, and there's gonna be a big reveal at the end.

alright 😊

So yea 😊 and I'm not gonna voice my character because, I'm not proud of my voice of how it sounds like. I mean, I do, it's just, when I hear it from my ears, I just idk.. I'm gonna try, and try, Get RageNineteen to voice my character, but I soon realized that he won't never have time.

No idea who this RageNineteen guy is but i hope he does in summer tho. or is it already summer?

RageNineteen, Jamie Spicer-Lewis

Ok... So basically James is saying that it's a possibility that between JamWorld and Adventure James is canon... Oh my god... hahah!

So basically he's just talking and talking to my face about his show Adventure James... I feel so sorry for my friend.

Later James said to my friend that he's not going to voice himself (Well if you can't do that then how come you voice yourself in JamWorld... bullshit) and he's going to get someone else to do it... and.. just guess who?

No idea who this RageNineteen guy is but i hope he does in summer tho. or is it already summer?

 RageNineteen, Jamie Spicer-Lewis

is it the guy who did that youtube red animation?

 He played Tord in The End of Eddsworld oco

oooh!

 Ye

Yeah, his voice would fit with James the character

Yea, but, idk, I'm feeling like he wouldn't have time to voice for it

 But maybe I'll send him an email

yeah, that's a good idea. send an email to him first to see if he's busy or not.

RAGENINETEEN! THE GUY WHO VOICED TORD FROM EDDSWORLD 'THE END'.

LIKE ARE YOU BEING SERIOUS!? YOU REALLY THINK HE'S GOING TO WASTE HIS TIME VOICING JAMES IN ADVENTURE JAMES!?!?

HAHAHAH OH MY GOD JAMES!! HAHAH

ADVENTURE JAMES. HAHAHA WHAT A FUCKING TITLE.

Anyway.. let's moved on back to the actual topic.

Couple of week later... James made a Twitter account for JTAK (James The Awesome Kid... PFFFT HAHAHA) and he even ask people to follow it. (What? To get update on a show that will never come out? Fucking hell James)

But now... He posted the announcement of JTAK, reveal logo, and made a Twitter account for JTAK...

But... Let's see how he's doing with his new series... "JTAK"

On 23rd October 2016, James reveal that the first episode of JTAK is 88% done. Now.. 88% is A LOT and he almost finished with the whole animation. You would think that he could get the last 22% done by 2017? Right... RIGHT!?!? WRONG!!

2018?

HE PUSHED IT TO 2018. WHY WOULD 22% OF THE ANIMATION WOULD TAKE THIS LONG IN 2018!?!? LIKE DUDE, YOU GOT SO MANY PEOPLE INVOLVED (even Clarissa got involved... I feel so sorry for James wasting her time) LIKE DUDE, YOU CAN EASILY GET THE 22% DONE IF YOU... OH I DON'T KNOW... FOCUS ON ONE CARTOON.

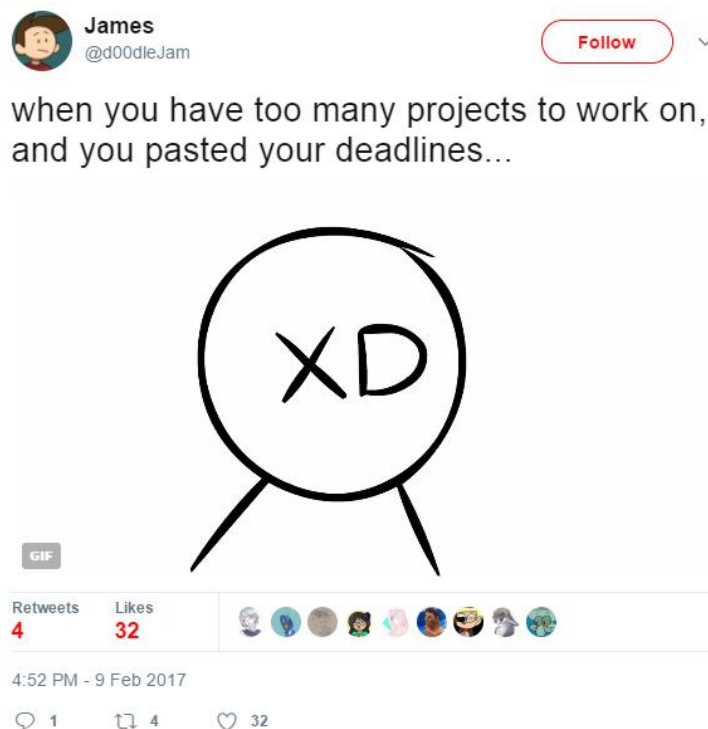

(This is why I'm leaving JTAK as the last cartoon of the 'Never finished project') James got SO MANY cartoon series ideas. Like, There's nothing wrong with having lots of ideas. But instead of telling people that you going to work on them AT THE SAME TIME, MAYBE WE WOULD UNDERSTAND.

I mean... fuck it here's a list of animation James is working on AT THE SAME TIME

- JTAK
- Claire And James (I'm going back to this one soon...)
- Sharp Bros
- Eddsworld animation (To get subscribers, Followers and shit ton of views)
- Pyro animation
- Luna animation
- Animate a grump (Done)
- Starbomb reanimate (Done? - He's not in the poster credit)

THIS IS WHY JTAK IS NEVER FINISHED. BECAUSE HE CAN'T JUST FOCUS ON ONE SERIES. LIKE HOW FUCKING HARD IS IT TO JUST STOP AND FOCUS ON ONE SERIES.

ONE! HOW CAN HE BE THIS STUPID!?!? If he stop working on everything and just focus on JTAK, THEN THE FIRST EPISODE WOULD HAVE BEEN RELEASED BY 2017 AND THAT 22% would be done.

“When you have too many projects to work on, and you pasted your deadline...”

TOO MANY PROJECTS. DAMN RIGHT YOU GOT TOO MANY PROJECTS YOU FUCKING MORON. Oh geez, I wonder why you got too many projects and you passed your deadline... PROBABLY BECAUSE YOU CAN'T FOCUS ON ONE PROJECT AND GET THAT DONE BEFORE YOU SUDDENLY START MAKING SHIT TON OF PROJECT THAT WILL NEVER BE DONE.

I MEAN, FOR CHRIST SAKE YOU EVEN MADE A JOKE ON EVERYONE AND MADE A 'LOI funnyz XD gif animation' INSTEAD OF AN ACTUAL FUCKING ANIMATION PROJECT WHICH YOU PROMISED.

“That moment when you realize that you have 2 shows that involved yourself, and one has story & the other is just for fun...”

Oh geez.. I wonder which 2 shows that involved James himself... one has a story and the other for fun... OH YEAH, JTAX AND CLAIRE AND JAMES.

THIS IS WHY JTAX NEVER EVER GET IT DONE, BECAUSE YOU'RE FAR TOO FOCUS ON THIS OTHER SERIES CALLED 'Claire and James' (Again... you're next...) AND NOT FOCUS ON A SERIES THAT YOU KEEP EVERYONE WAITING SINCE 2015. LIKE FOR FUCK SAKE YOU EVEN GOT A 88% DONE EPISODE ON 23RD OCTOBER 2016. YOU COULD EASILY GET THAT 22% DONE BUT NO, INSTEAD YOU MAKE EDDSWORLD ANIMATION FOR SUBSCRIBERS AND FOLLOWERS, ANIMATION FOR PYRO AND LUNA AND EVEN STOP MAKING ONE SERIES JUST TO MAKE ANOTHER ONE CALLED 'Claire and James'

Oh yeah... remember when I mention about.... JTAK Twitter account... well... I wonder what's happened... to that...

NOTHING! Oh... and you would never believe this...

HE DELETED EVERY SINGLE POST ABOUT JTAKE. Let me repeat that...

HE DELETED EVERY SINGLE POST ABOUT JTAKE.

He even unretweet people fanart of JTAKE and the only tweet he kept was from 23rd October 2016...

James... deleted all of the post about JTAKE and even deleted anything that mention JTAKE...

I'm not sure if this is because he cancelled JTAKE to focus on 'Claire and James' (Ever since he dated Clarissa, that's the only show he ever focus on) or maybe he just going to have a fresh start...

But... WHO GIVE A FUCKING SHIT. I guess we had to wait until 2018? What will happened to James? I don't give a fucking shit...

Anyway... time to moved on to another topic.... I want to talk about...

Claire & James

Okay... we all heard of the show 'Claire and James', the only show where James can actually finished and focus on one project and that is involved with... Clarissa...

Now... you might be thinking... 'Hey Aaron, why are you talking about this?' Well... you might think it's just a cute animation series... but... there's something fucked up... about this series... and that is... the way James treat her.. in this series... so... let's begin...

Claire & James EP.#01: "Costumes" (Pilot)

So... the first episode of 'Claire & James' was released on 5th May 2017. Anyway, so the episode started out with James going to a bedroom (James bedroom? I don't care) and he's trying on some costumes (Basically the point of the title). James try on a Star Butterfly costume and ask her what does she think. Clarissa reply with "It looks really good on you". Which was really sweet of her... ok...

After the respond, James asked "What about you? Where's your cute outfit?" and then Clarissa blushes... She told him to wait and then... oh dear... James animated this scene...

So... basically... James... added a scene... when Clarissa... striped... in front of James... well that is fucking horrible thing to do James... She could get change somewhere else and not have a creep like James staring at her while she's getting change... fucking hell James...

Anyway, after that 'James stares at Clarissa stripping' scene... Clarissa come back and she's wearing a kitten outfit. She's asked nicely to James "What do you think?" and... you would think that James blushes and say something cute to her... RIGHT!?!?

“It look like shit”

Let me... fucking repeat that... JAMES SAID TO CLARISSA “IT LOOK LIKE SHIT”

WHAT!?! YOU FIND THAT FUNNY!?! YOU THINK INSULTING HER IS A FUCKING JOKE!?! YOU REALLY THINK THIS IS OK!?! DO YOU KNOW HOW SHE FEEL WHEN YOU SAID THAT HORRIBLE THING TO HER!?! HOW DARE YOU!

I THOUGHT YOU GOING TO SAY SOMETHING CUTE BUT NO YOU INSULTED HER AND JUST FOR WHAT? COMEDY AND VIEWS?!?! YOU THINK YOU’RE THE MOST BEST BOYFRIEND EVER WHEN YOU SAID TO HER THAT SHE LOOK LIKE SHIT!!

If that was me, I would blushes and said ‘You look cute’.

BUT INSTEAD YOU CALL HER SHIT. YOU REALLY THINK THAT’S HOW YOU TREAT HER!?!?

Fucking hell, no wonder Claire and Toxic hate you so much. Because you made them sick and also you are so fucked up. You even told Claire your sob story and she would sick after she read the part when James did something INCEST.

Like, imagine if James met Clarissa, he saw her and he said to her ‘You look like shit’. YOU REALLY THINK THAT HOW YOU TREAT A LADY!?!? YOU RUDE FUCK.

HOW COME EVERYONE THINK THIS IS NORMAL AND FUNNY WHEN I’M JUST INSULT AND FEELING SICK HOW JAMES CAN TALK TO HER LIKE THAT!?!?

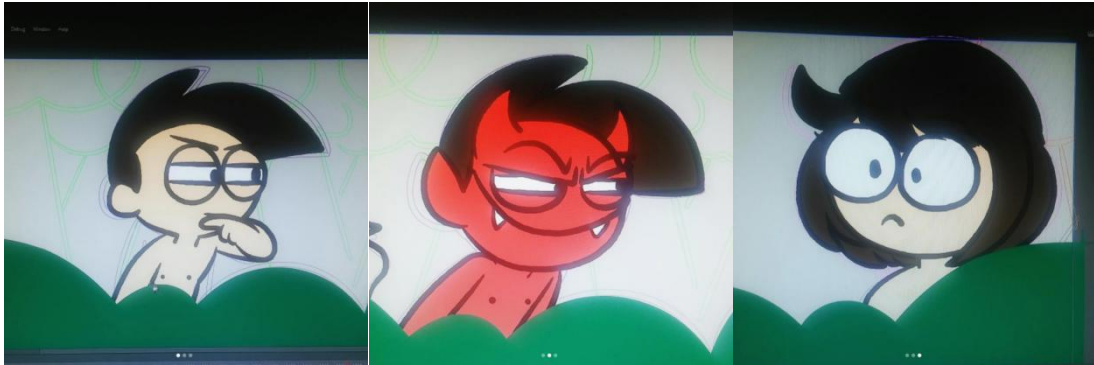

Like everyone think I’m a bad person for liking Clarissa when JAMES SAID TO CLARISSA THAT SHE LOOK LIKE SHIT.

JUST FUCK OFF JAMES. YOU CAN’T TALK TO HER LIKE THAT YOU RUDE FUCK.

I honestly... feel so sorry for Clarissa... after hearing James insulted her like that... it made me feel so sick and I wish I could talk to her and tell her that James insult her... Fucking hell James... I hate you... I hate how you treat her...

Claire & James EP.#02: "Camping"

Before we start, I know the episode haven't come out yet... but there's one scene that James show screenshot off... just making me feel... fucking sick...

I know I just talk about before... so I will keep it short..

This was posted on Instagram and it's just a simple screenshot of a preview... but... there's something really fucked up about this... scene...

Notice both James and Clarissa are... naked... (I feel sick) and James suddenly turned into a demon and stares at her... but oh geez... what could this possibly mean... oh I know..

JAMES IS RECREATING WHAT HE DID TO HIS SISTER BUT ANIMATED AND WITH CLARISSA INSTEAD.

WHAT THE FUCK IS WRONG WITH YOU JAMES!?!? THIS IS THE SECOND EPISODE AND YOU CAN'T MAKE A SINGLE EPISODE WITHOUT USING HER BODY AND STRIP HER. WHAT IS WRONG WITH YOU!?!? JUST FUCKING LEAVE HER ALONE YOU INCEST RAPIST AND JUST STOP TREATING HER LIKE THIS!

Oh geez... I wonder why James got a nosebleed... it couldn't possibly be because he's going to animate a scene when James see Clarissa naked in the camp and he passed out and get a nosebleed...

Fucking hell James... you made me feel so disgusted and made me feel really worried about Clarissa... the way you treating her, the way you use her in your series and the way... the way you just insult her for fun... I can't fucking believe you would do something like that to her... no wait... actually... I knew you would do something like that to poor Clarissa...

I have been worried sick everyday since 15th July 2016 because I knew you would do some horrible shit to her. I keep getting stress and pissed off you would talk and treat her like that. Telling her 'You look like shit', making her naked for your own sake in your series and even when you're with Clarissa... YOU'RE STILL SAD.

Birthboy (short)

On 6th July 2017, it was James 18th Birthday and he been posting tweets about how he going to make a '18th Birthday' animation. Now think about it, James didn't make a birthday last year because he was depressed as hell. So... now James got lots of followers and subscribers and even... dating Clarissa... you would thought James would be happy on his 18th birthday... right?

Well... he did drew this on June 25th 2017 and the caption was "I should probably work on my birthday cartoon". As always... it's just James being sad (As always... no seriously what was you expected from the sadness person ever?) and for a second, you would think that is the screenshot or a animatic for his birthday animation... Just James being sad, Clarissa appeared and then suddenly he's happy? Well that's just sad. Well come on James you can't use her to cry over her (I'm pretty sure she's getting bored of James being sad and crying...)

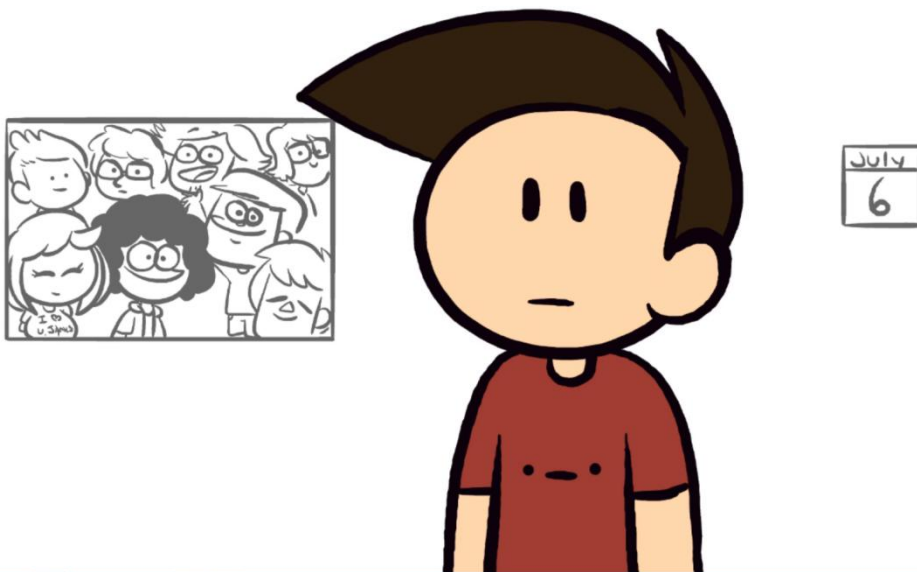

Like James, cheer the fuck up. You're going to be 18, you got over 20,000+ subscribers, 1700+ Followers on Twitter and you even got Clarissa... WHAT MORE DO YOU WANT!?! Stop being spoiled and be happy for once in your depressing life James...

Anyway... let's focus on the animation...

So on 6th July 2017, James finally released the animation, but for some reason he only linked to Newground (I guess James is so over confident that he doesn't need to post the YouTube link because he got over 20,000+ subscribers... fucking show off....)

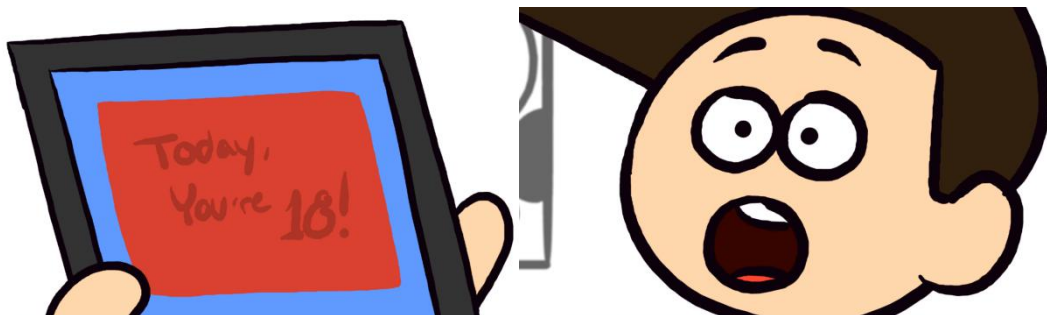

But let's actually... begin...

So... after I watched the animation... there's something... I noticed... JAMES COULDN'T BE BOTHERED ANIMATING CLARISSA. DUDE. YOU BEEN WAITING TO CELEBRATE YOUR BIRTHDAY WITH CLARISSA AND YOU DIDN'T EVEN PUT HER IN THE ANIMATION... But wait... he did...

JAMES PUT HER IN THE BACKGROUND. NO VOICE, NO ANIMATED APPEARANCE IN HIS BIRTHDAY ANIMATION. NOTHING. JUST A 2 SECOND STILL BACKGROUND OF CLARISSA. (Notice her shirt said 'I <3 U James'. Wow... that is just... I feel sorry for Clarissa)

Like James, remember you was sad and lonely on your birthday last year? You got Clarissa and lots of your friends BUT NO instead you just put them all in one tiny picture. You couldn't even animated like one or two of your friends... but to make it worst... YOU DIDN'T EVEN BOTHERED TO ANIMATE CLARISSA. NOT EVEN IN BACKGROUND OR MADE ANYTHING. JUST A STILL BLACK AND WHITE PICTURE.

So after James got a text (Or something) about how he's 18... James look really surprised and... I wonder what's next...

But now you are wondering, 'Come on Aaron, there should be more. Maybe she appeared at the end' well... guess what...? You know what James did instead...

So... let me get this straight... James.. didn't animated Clarissa... in his... birthday animation... but instead... James.. go to a porn site... to look up other naked girl... ok... let me repeat myself...

JAMES DIDN'T ANIMATED CLARISSA BUT INSTEAD HE ANIMATED HIMSELF LOOKING UP PORN SITE OF OTHER GIRL.

This is just fucking disgusting and selfish. YOU GOT A GIRLFRIEND AND YOU TREAT HER LIKE THAT. YOU THINK SHE'S GOING TO BE HAPPY WITH THAT!?! ARE YOU TRYING TO BE FUNNY!?! Why is every animation you have ever made with Clarissa is just a insult!? Like the way you using her and treating her is just unacceptable and also NOT HOW YOU TREAT HER.

Like dude... YOU GOT A GIRL. WHY DO YOU NEED TO LOOK UP OTHER NAKED GIRLS!?!? LIKE HOW WOULD CLARISSA REACT TO THIS!?!?

Instead of wasting your time drawing a porn site with other girl, you could have... oh I don't know... SPEAD SOME TIME ANIMATING CLARISSA.

YOU FUCKING SCUMBAG. HOW DARE YOU TREAT HER LIKE THAT JAMES.

Like... oh my god James... you made me feel sick after that... The way you think it's perfectly ok to treat Clarissa like nothing...

This is why I'm worried about James putting Clarissa in his animation... because he's just going to using her doing awkward and just uncomfortable things just for James pleasure... like... oh my god James... leave her alone...

James Skype calls...

I've been in calls with both of them and she barely talks

I dunno if she's just shy around me. She's apparently a big fan. But it's cringy cause he talks about sex a lot

They've been dating for nearly a year and he didn't know her last name or that she was Hispanic

Oh... Yikes... I think she hardly talk not about she was shy but you know? Jesus James...

Yeah

Shit I meant *Not because she was shy* Whoops haha sorry there. But yeah, I actually didn't know that James talks about sex a lot?

Well, he did made a birthday video of his cartoon self being all 18 and such and can watch porn. To me that was actually sad.

Yes I agree.

So my friend recently showed me this and what I just read is just... fucking disgusted and just... horrible...

So my friend was talking to his other friend (I'm not going to give away their names) was talking and his other friend told him... this...

"I've been in calls with both of them and she barely talks."

Clarissa is a really shy person. I know that because I know her since September 2015. In fact me and Clarissa was really shy when we met. Trust me I know. But keep reading... this is going to get worst...

"I dunno if she's just shy around me. She's apparently a big fan. But it's cringy cause he talks about sex a lot"

Dude... James... did you... really... talk about sex.. a lot... to your friend... while Clarissa is in the call...

Don't you know... how fucking rude that is...? Don't you that you just don't do that when you talk about sex when Clarissa is shy in a call with someone?

WHAT THE FUCK IS WRONG WITH YOU?!?!

You sick fuck. Just because you are dating Clarissa now, you think you can finally talk about sex for fun!? Let me tell you something... DON'T BE A FUCKING TWISTED ASSHOLE.

When I was dating Clarissa, me and Clarissa hardly talk about that. In fact we mainly talk about anime and cartoon and even support each other work. But what does James do when he been dating Clarissa for almost a year...? TALK ABOUT SEX TO YOUR FRIEND WHILE CLARISSA IS BEING SHY AND HARDLY TALK.

HOW DARE YOU TREAT HER LIKE THAT IN A CALL! If it was me and Clarissa and we're talking to someone on Skype, I would be supporting Clarissa and making sure she's

ok and enjoy the call. But instead... James just talk about sex to show off to his friend instead of helping Clarissa being shy.

This is the sort of thing people don't know about... How James been treating her behind everyone back... I didn't know about this until someone told me... and it scared me of the things James does to Clarissa... behind my back... And this is exactly why I been worried sick about her... everyday... because of her safety... I want to protect her from some creep like James... because honestly... James making me feel sick... just.. only James could made me feel so disgusted...

But wait... we're not done yet...

"They're been dating for nearly a year and he didn't know her last name or that she was Hispanic"

James... you mean to tell me... you been dating Clarissa... longer then me dating Clarissa... and you never... NEVER know Clarissa last name or even the fact that she's a Hispanic...

I just... I just don't know what to say...

It took me and Clarissa a month to know each other first and last name and she told me that she's a hispanic.... ONE MONTH.

HOW THE FUCK DIDN'T YOU NOT KNOW THE BASIC INFORMATION OF SOMEONE YOU LOVE AND IT'S ALMOST BEEN A YEAR.

ONE YEAR JAMES. THAT IS ALMOST 4 MONTH LONGER THEN HOW LONG ME AND CLARISSA BEEN DATING AND YOU DIDN'T KNOW HER LAST NAME OR EVEN SHE'S A HISPANIC.

WHAT TYPE OF BOYFRIEND... no... HUMAN BEING WOULD DO THAT!??!

Like James... you attack me... so much for some of the most stupidest reason and you didn't trust me and even think I do something bad... oh.. and you thought I was hiding something...

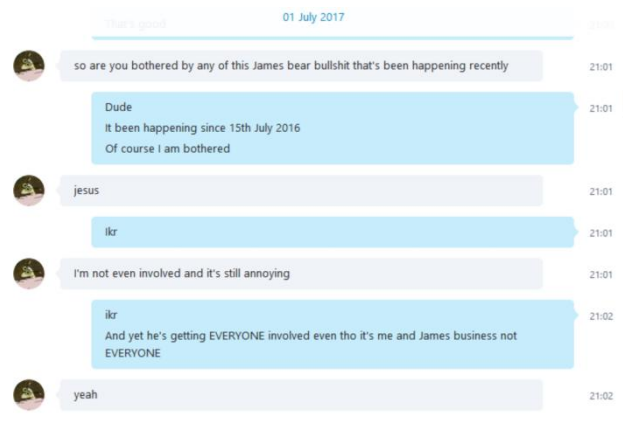

WHILE YOU HAVE BEEN HIDING SO MANY LIES AND FACTS LIKE HOW YOU DIDN'T KNOW CLARISSA LAST NAME, YOU DIDN'T KNOW SHE'S A HISPANIC AND YOU EVEN TALK ABOUT SEX TO YOUR FRIEND WHILE CLARISSA WAS BEING SHY AND HARDLY TALK.

Just... Fucking hell James.. no... fuck you... fuck you for the way you been treating her... and now... since no one knew about this.. EVERYONE WILL FINALLY SEE HOW YOU BEEN TREATING HER AND ALSO HOW HORRIBLE YOU ARE TOO HER. YOU'RE FUCKED. YOU ARE COMPLETELY FUCKED UP JAMES AND I HOPE EVERYONE WILL UNDERSTAND AND KNOW THE TRUTH ABOUT HOW HORRIBLE YOU BEEN TREATING HER.

Still that screenshot of the chat... I... I was speechless... I feel so sorry... for Clarissa... I just.. I just hope she's ok... that's all....

James attacked my friend...

This is probably the last part I want to talk about... because it happened recently and also is pretty short... and also I think I had explain lots about this. So here's something James did which is horrible and something he did... to my friend...

On 1st July 2017, my friend 'Freezpark' skype message me. I was worried because I thought he's going to be one of those people who will attack me for James even tho they never heard of my side of the story... anyway luckily he didn't and he was on my side. Even he was pissed off about the whole drama bullshit and also hate James as well. I told him my side short in short and he was... shocked... and even ask me if I should post it in public... well... I told him I'm working on it and this.. this document you are reading right now... It's something I been working on for a long time...

Anyway... back to the main topic...

So after me and Freezpark rant about James bullshit, he told me that James parades his girlfriend (Clarissa) 24/7 on Twitter (No shit. He does as always) and he told me he got mad when another dude liking her... and that is... Darius Miller...

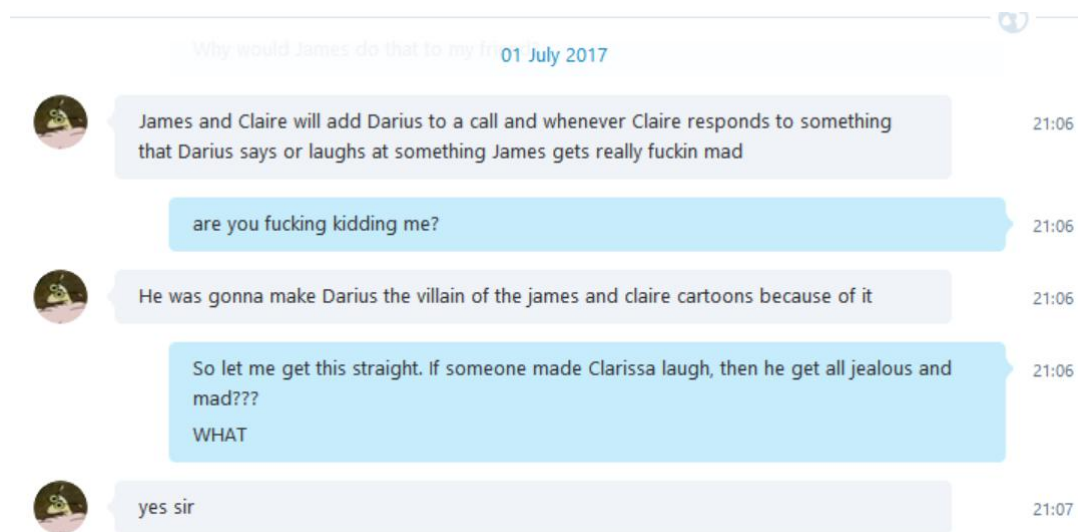

(If you don't know who Darius Miller is, he's a good friend of mine and also he's a talented animator and artist. Please check out his work)

Anyway, after I told him I have known Darius since 2015, FreezePark told me something... that made me feel so angry... especially... when James... did something bad to my friend...

So... he told me that the same shit have been happening... to my friend... but not in public...

Wow.. This.. this is exactly what James did to me last year... James attack me nonstop... everyday.. but.. it wasn't in public... oh my god...

So... this... this what my friend told me... about... what happened... to Darius...

So... basically... James and Clarissa added Darius to a call and whenever Clarissa responded to something that Darius says or made her laugh... James... get really fucking mad...

Let me repeat that...

James.. got really fucking mad... at my friend Darius... because he made Clarissa laugh....

Excuse me... not only... you did some horrible shit... to Clarissa.. but now... now you dare to attack my friend...?

HOW FUCKING DARE YOU! HOW DARE YOU ATTACK MY FRIEND LIKE THAT!!

IF THAT WAS ME AND DARIUS MADE CLARISSA LAUGH, I WOULD BE HAPPY BECAUSE IT'S SHOW THAT I'M HAPPY CLARISSA IS LAUGHING AND ALSO TRUST MY FRIEND.

BUT YOU THINK GETTING MAD AT MY FRIEND BECAUSE HE MADE CLARISSA LAUGH IS PERFECTLY OK!?!?

LIKE JAMES, FUCK YOU. WHEN I WAS WITH HER, ME AND CLARISSA HAD TO PUT UP WITH YOUR BULLSHIT, DID I GET MAD AT YOU WHENEVER YOU MADE FANART FOR HER? NO I DIDN'T BECAUSE I WASN'T A CUNT LIKE YOU JAMES.

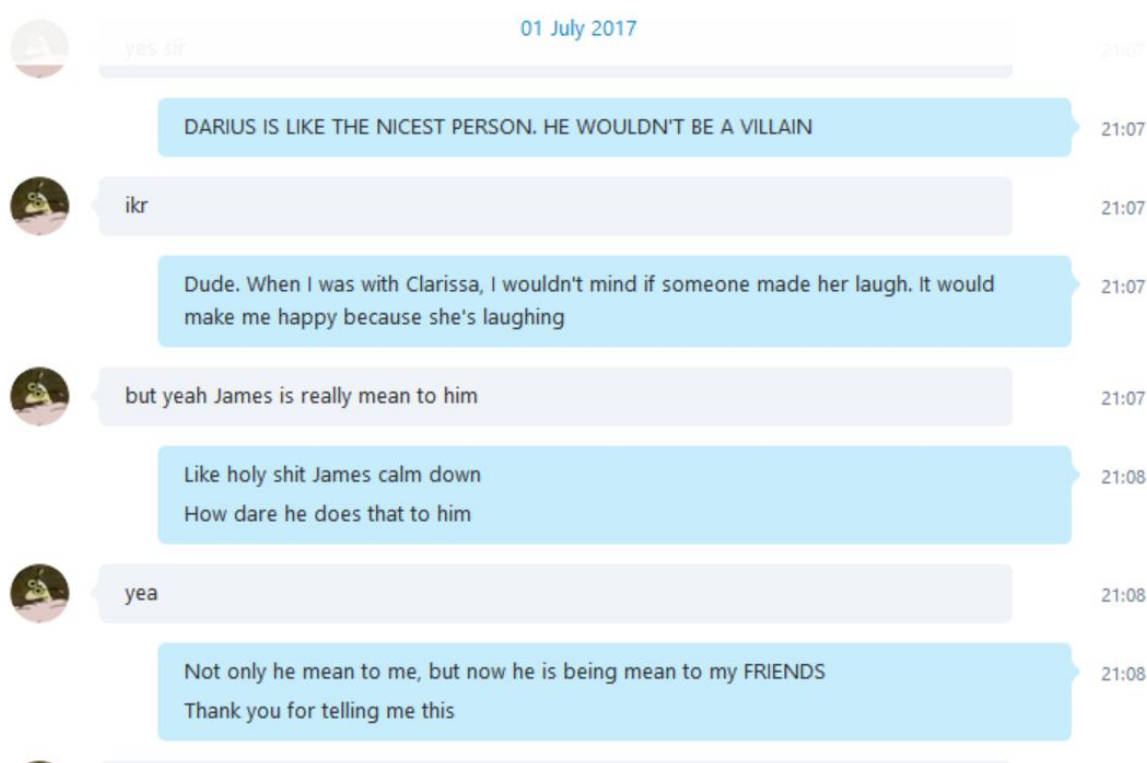

LIKE FUCKING HELL JAMES.

NO ONE, I MEAN NO ONE HURT MY FRIEND.

So... to make it worst... he even told me... that James is going to make Darius... evil... in his next Clarie and James episode...

You... you dare to make my friend evil... even tho... Darius... is the nicest and the most coolest friend I have ever met... you made me sick... especially... **ESPECIALLY WHEN YOU FUCKING HURT MY FRIEND AND THINK HE IS EVIL JUST BECAUSE HE MADE HER LAUGH.**

WELL AT LEAST HE DIDN'T DO HORRIBLE SHIT LIKE YOU JAMES. WE ALL KNOW WHAT IT IS BECAUSE THIS WHOLE DOCUMENT WILL EXPLAIN EVERY SINGLE SHIT YOU HAVE DONE TO ME, CLARISSA, MY FRIEND AND EVERYONE WHO YOU HAVE HURT.

I told my friend that "Darius is like the nicest person. He wouldn't be a villain" and my friend agreed with me (Thank you FreezePark)

But then I told him that if it was me and Clarissa, I wouldn't mind if someone made her laugh, I would be happy because she's laughing and I can laugh with her and my friend Darius.

“But yeah James is really mean to him”

Excuse me... how.. dare you James... not only you're being mean to me and Clarissa.. but now.. you're being mean... TO MY FRIEND.

NO ONE. I MEAN NO ONE, WILL GET HURT BY JAMES. HOW DARE JAMES BEING REALLY MEAN TO MY FRIEND DARIUS.

HE'S MY FRIEND, I HAVE KNOWN HIM SINCE 2015. HE'S MY FRIEND. I WOULD NEVER LET ANYONE HURT HIM OR ANY OF MY FRIENDS. AND NO ONE WILL HURT CLARISSA AS WELL.

JAMES. THIS IS WHY YOU DON'T HAVE ANY FRIENDS. BECAUSE YOU TREAT THEM LIKE SHIT. I have been so nice to my friends but yet when they listen to James side of the story and not my side of the story (My side of the story will be done and you are reading it right now), my friends would attack me non stop because they only believe in James... BUT NOW IT'S MY TURN TO FIGHT BACK. AND TO SHOW YOU THAT JAMES BEAR HAVE BEEN BEING MEAN TO MY FRIEND DARIUS FROM ANIMATIONCRAVE.

So... after that... I said “Thank you for telling me” because... I was so happy that my friend FreezePark told me about this... and now... I got more prove...

Prove that James... is... you know what... there's so many words to describe him... I don't even know where to start... no one knew about this.. no one knew about what James did... but now... I have finally showed you... what he did... to my friend...

Thank you for telling me this 01 July 2017

no prob 21:08

I never knew he would do something like that
Actually
I knew he would do something like that
Trust me. I knew
That's the sort of person he is 21:08

I used to think he was a nice guy until he got a girlfriend 21:09

Actually 21:10

I mean I can see why he's so obsessive and protective over her but still 21:10

He didn't 'got' her. He stole her from someone 21:10

yea wasn't it you 21:10

yea wasn't it you 01 July 2017 21:10

Yes
It's a long long story 21:10

can you give me a summary 21:10

Sure 21:10

can you give me a summary 01 July 2017 21:10

Sure 21:10

In February 2016, James message me. He was going through depression and I thought when he message me, I thought he needed help. But I was wrong. 21:16

He had a crush on Toxic at the time but also... he had a crush on my girlfriend Clarissa. He wouldn't stop whiny over and over again how I'm lucky and how I'm with Clairssa.

Honestly there so much to say and it's a long story but I will try my best to keep it short.

So yeah, when he found out I was dating Clarissa since November 2015, he got really upset and start complain and shit.

So one day, he lie to Clarissa and made her cry by telling her that I only love her for her art and I got so mad at James because he was trying so hard to make me and Clarissa break up.

He keep doing that and keep trying to make us feel sorry for him.

(He even told us his sob story which is... the most fucked up message I have ever read... trust me... it's so messed up...)

Then on 15th July 2016, Clarissa message me and she broke up with me. I knew straight away it was James. SO I quickly message him and shouted in rage about how I knew he was using me to get what he wanted. He acted like he didn't know and then suddenly after he finally got what he wanted and use me. He start treating me like shit and threatening me to leave them alone even tho I WAS WITH HER AND I KEEP TELLING HIM TO FIND SOMEONE ONE ELSE.

I'm trying so hard to keep this short but... there so much more and that's just the summary of it.

damnnnnnn 21:18

01 July 2017

But yet, everyone keep thinking he did nothing wrong and also keep thinking I'M THE BAD GUY and even to the point of everyone think that he dated her before me

You should share that with the public honestly just like how James did

01 July 2017

whenever I call him out he'll act like its a joke but get really sad about it when I'm not around
i called him dumb on twitter the other day and he thought it was funny but still cried to Claire about it

This message has been removed.

This message has been removed.

Wow. Boo Hoo James. Don't use Clarissa to cry about it.
Like oh my god James calm down

01 July 2017

yea
do you know mike picone

Yes I know

mike was getting mad at james because james said he hates eddsworld but uses it for views
and james did the same shit

OH MY GOD

he acted like it was a joke then got really sad

(Here's the rest of the chat)

Final

Well... that's it... after waiting... for a year... since 15th July 2016... I have been through mentally depression, suicide thoughts and almost commit suicide on 15th July 2016...

It wasn't easy... going through this journey... I have been through hell... so many time...

I been backstabbed, betrayed, lied, hurt, crying, lost motivation, giving up, suicidal, depressed, lonely, attacked, harassed and so many more... all thanks... to this... one person...

James Bear.

For a year... I been waiting for so long for this... but... I didn't know when... or how... I was so scared... I was actually scared of my life...

To be honest... I been hiding most of this from... Clarissa... Because... I didn't want too hurt her... I didn't want to ruined our relationship.. but I should have stand up for myself and told Clarissa and everyone what James have said to me, do to me and everything... I shouldn't have been beaten and harass so much by James and just... let him get away with this...

But... the most messed up thing about it is... no one knew... the truth about James Bear.. no one knew what he did, no one knew what James did to the others, no one knew what James did to Clarissa, the other girls and...

Me.

But now... after waiting.. for so long... I finally done it... I got all of my prove and evidence... I been thinking so much about to put this all together and now... I done it...

After people been asking me 'Aaron What happened?' or 'What is your side of the story?'. Well... here it is... this is it. The thing you are reading right now... is my Prove and evidence.

But now.... here's a message... for Clarissa...

Hey Clarissa... if you are reading this... I'm sorry... I'm sorry for everything...

I'm sorry for keeping all this a secret and been bottling up for a year... The reason why I didn't tell you anything James said to me on Twitter or Skype... it was because I didn't want to hurt our relationship.

I was scared. I was scared that James will tell you and that relationship could have ended thanks to James... I really wish I could tell you this earlier and show you the screenshot of the horrible things James did to me... but I was scared and I didn't want to ruined our relationship.

I been getting attacked by James non stop behind your back... because I don't want you to get involved. I wanted to focus on our relationship... but at the same time I had to deal with James problem and also his non stop harassment.

He had said some horrible things about me, our relationship, James jealousy and of course he told you lied about me, just so he can get closer to you and make me look bad and James showing off that's he's better then me...

I may not have the most many subscribers... or followers... I may not been the most talented artist or animator like James...

But I want you to know that I love you so much...

I been fighting alone without you... I been attacked, betrayed, lied and also people believe in James when they haven't heard of my side of the story...

I have been worried about you non stop. I was scared. I was scared James is going to do horrible things to you...

I was also scared... because I didn't get a chance to tell you the truth... about James Bear...

What he did to me, what he said to me, how he treated my friend (Darius), what he said to Toxic after he got friendzoned, the other Claire James never told us and so much more...

This is why I made this... to fight back. To show you Clarissa... my side of the story... something I should have told you last year... I wish I did... but I was scared...

Clarissa... if you are reading this... I'm sorry... I missed you so much... everyday I been worried about you... I missed you... Clarissa...

Thank you for all the love and support from September 2015 to 15th July 2016... You have got to be the best... the most beautiful... kindest... and sweetest person... I have ever met in my life...

Clarissa...

I love you so much.

Please, Please share this with everyone.

Copy the link of the document and share it with everyone.

Please download the document and share it with everyone.

Please screenshot it and show everyone the truth.

Everyone need to know **The truth about James Bear.**

Thank you so much for reading... Thank you for everything... Please share this with everyone...

Thank you so much everyone...
