I just wanted to send him some funny games.zip and he send me his COCK!!!!!!!!!!!!!!!!!!!!!! It was even WET, he LUBED IT!!! IT WAS LUBED!!!!!!!!!! He said he is GAY!! He want to put le cock in my ASS and i said "no vinny that's animal abuse". He then said he meant to say cock ON my ass. Made much more sense! Here's a screenshot for PROOF of his giant fucking WET LUBED COCK!!!!

The image vinny vinesauce sent to me on April 2nd 1987, just hours before he would begin streaming for the day. (He streamed himself zerking off!! What the fuck!!1) he only streamed for about 3 minutes before turning it off and deleting and evidence of it happening!!! Me and a few

people saw it!!! Come forward if you saw him zerking off that fateful day in 1987.

This is the email he sent me!! So lewd... he's gay?
